Sometime not too long ago in a galaxy surrounding us (but in a parallel fictional dimension called Office Party) ...

Office Party
Monthly Side Story April 2022
A Game of Change
Part III

In the previous two parts, we've seen Marco start playing a board game with the Alcone family. Julie, who has a crush on Marco, has bought this board game in a magic shop with the intention to steal Marco from her sister Nicole.

Soon the players have realized that the game is the real deal, as one after another they get transformed by the game. And it's just about to get serious as the last game effect was about to make Julie irresistible to men!

Cast:

Stacey (Nicole's Mother) [No underwear, butplug]

Nicole (Marco's new girlfriend) [Cupsiz +5]

Julie (Nicole's sister) [orgasmic feet, ???]

Marco (Nicole's new boyfriend) [nothing yet]

I guess it's not working...

To bad. *sigh*

...

Might be better this way. Who know! The game might have turned you into a pornstar or street hooker!

Marco, I think we've waited long enough. Your turn.

My turn?
Err... Yes! Of course!

Here I roll!

Eight! Now that's not too shabby!

You lose a bet with your drunk elf friends. Offer ... **Oh my!** ... Offer oral sex to a player of your choice. If you are denied you both will be punished!

I shouldn't... not in front of ... her... Oh God! But... she wouldn't want to get punished... so... she probably won't deny me...

Oh my!

Oh god! That's the first card that actually forces us to... interact with one another!

Now I can watch Marco eat out my big sister... meh... wish it was me!

Are we... really going to do it like this? In front of... my family!?

But... I've already dreamed about it... I mean... not with them watching... Oh god, I really want him to go down on me!

I'm getting all tingly down there just thinking of it.

How will the game develop from here on out? It's obviously getting kinkier as the players are requested to interact with one another!

spit

Huh!
Now that's a
new experience!
