Office Party Commissioned Story

Campus Crescendo

It's night at the local university's campus. But what is that? Suddenly some strangely soothing music is playing from the speakers that are normally only used for important broadcasts. What is going on? And why are there girls walking naked down the street?!

Featuring:

Lana...	Busty sleepwalking girl
Stacey & Gina...	Cheerleaders sleepwalking
Elizabeth...	sleepwalking girl
Barbara...	Super busty sleepwalking girl
Vincent...	The man behind all this!

It's pretty warm outside. The cool breeze from the open window feels nice on my bare skin.

Finally, a night alone! Without my noisy roommate, I can finally read in peace...

Music? From
outside?

Soon they could be see walking down the street at the promnade... following that incredible music to it's origin...

Sleepwalking, the girls enter a small yard – the door was open.

And through a glass door, they enter the house of said yard and...

And with a click, the lights turn on inside the house. As the girls line up – standing at attention – a man approaches them and starts to inspect them.

Like robots, the two girls start working in the kitchen. Without speaking a word they are preparing the food.

But when they are done with their task, emotions slowly return to their bodies as another command kicks in.

And your whole body is toned. So athletic...

I want to kiss you.

You have such beautiful breasts...

I want to kiss you.

And once again all five girls walk down the street - this time in the other direction - Two of them with shimmering white stains on their face and body.

Sometime later – the girls have arrived back at their dorm rooms and slowly regain their senses...

Holy shit,
