## Last Christmas

### A grinchy Christmas tale

Some time not too long ago in a fictional dimension of  
„Office Party“...

## Office Party Side Story

### Last Christmas

Disclaimer: Don't expect any christmas spirit in this story. I'm a bit of a grinch and this is a Magic Control Story about a broken heart. There will be a Christmas tree though!

Plot: Stacey is hosting a Christmas party for some friends of hers. She has also invited a magician who offers a special, very christmas like, stage act. He can create an illusion that makes it appear as if you were inside an actual snowglobe. Fascinating!

Stacey and the girls enjoy his genius act. But what will happen when illusion turns reality? And what's the magician's relation to Stacey?

Thanks for coming to my party. I couldn't imagine anyone else I'd like to spend Christmas with more than you girls.

1

Ouuu that's so sweet, Stacey!

2

I would never miss one of your parties!

3

I know you are alone in town, and we are best friends! So of course I'm here!

4

To friendship!

5

Radio playing „Last Christmas“:  
*Last Christmas, I gave you my heart.  
But the very next day, you gave it away ...*

To friendship!

6

Now this wouldn't be one of my parties, if I did not provide entertainment of the special kind!

I did not spare expenses or effort and found us a magician. He specializes in Christmas illusions!

Please ladies, a warm welcome to... What's your name again?

Please, a warm welcome for Vincent Valentine.

*\*Cheering\**

Actually, I'm not really expensive.

Erm... It's Vincent. Vincent Valentine.

I can't believe she forgot my name... **again!**

Alright ladies. Stacey has prepared some costumes to make the coming moments more Christmas-like.

So, whoever wants to go first, please step into the next room and choose a Christmas costume to your liking. Then when you come back stand next to the Christmas tree.

Wow. That costume really brings out her... assets!

Stop it, Vincent. You heart belongs to another!

Guess I'm first then!

What do I need to do?

Just keep standing right there and enjoy the show.

Cute costume!

Glad you liked my snow-globe magic.

\*Magic incantation\*  
*You are getting thirsty.*

I don't know how you did that, but **WOW!**

Liked it? **I loved it!**

Neet trick. I wonder how it works...

How was it?!

It was **AMAZING!** It really felt like I was inside a snowglobe!

Too bad I've finished my glass already. Somehow, I'm feeling thirsty all of a sudden.

Did the snow feel cold?

I really couldn't say Sayo. I was too distracted by what was happening.

Alright.  
You are  
next?

Yup!  
Ready to  
go!

Cute  
costume,  
by the way.

Thanks!

Oh my! This even  
feels like glass!  
How is he doing  
that?!

clunk

clunk

And here comes the snow...

Hate to admit it, but this is indeed amazing.

That snowflake just melted on my hand!

How is he doing this?

That's a really cool trick! Care to tell me how you do it?

Thank you! Also, that's easy to explain. It's not a trick. It's real magic.

*\*Magic incantation\*  
You are extremely thirsty right now.*

Yeah sure! Fine, fine. Keep it to yourself.

And  
here we  
go.

Woohoo. Glassy globe.  
So, impressed. I'd  
really want to chat  
with my friends  
more...  
Stupid Magician!

Say Stacey,  
do you really  
not remember  
me?

That's Miss  
Alcot to you!  
Now let me  
out'a here!

I can't believe I  
only mattered  
that little to you!  
You were my  
everything!

What the fuck  
are you talking  
about?!

Last Christmas!  
At the Harrison pub! We  
flirted! We even made  
out in the bathroom.  
Then, the next day, I  
noticed the phone  
number you gave me was  
fake?!

You that guy  
from that time? I  
was fucking  
drunk!

No! We  
really had a  
connection!

No we did no...  
What...  
What is  
happening?!

\*Vincent singing  
quietly\*  
*Last Christmas, I  
gave you my heart.  
But the very next  
day, you gave it  
away ...*

What are you doing.

Let me out!

Oh my god. This can't be real!

Now you are not so loud and rude anymore.

No way... You are huge!

Wow. Her voice is so soft now that she is so small. It's hard to hear.

If you treat others like you've treated me... I wouldn't be so sure that you'll be missed at all.

You need to let me out'a here. I will be missed!

Vincent has no trouble leaving the house with his new found treasure in hand, as the other girls are drinking and talking loudly in the kitchen.

\*DUH\*  
You can say  
that out loud!  
Obviously the  
Christmas tree  
is missing!

Something  
feels off...

OH. MY.  
GOD!

What is it  
Ellena?

The  
presents!

They are  
gone!

The End?

Later at Vincent's home...

Beautiful!

**Beautiful!**  
You'll always have  
a special place in  
my heart and in  
my shelf!
