Dylan went to the bathroom to unwrap his package in private. Inside was a single red potion with the label "Drink me!".

Drink Me?  
Really?

For all I know  
this could be  
poison.

Most likely it  
does nothing.

But why send  
something not  
working if they  
already have  
my money...

What's the  
chances it's  
really a magic  
potion?

Delivery  
certainly was  
magical...

Hm... Doesn't  
taste bad...  
sweet actually.

Alright. Here  
goes nothing.  
Paid a 100  
bucks for this!

Drank it all in one go...still alive.  
Feeling not different at all...

Cock doesn't look any different either...

And now?  
Go out there, pull my pants down and get fired?

Alright...Stupid plan... But in absence of any better ideas...

I'm just gonna unlock this bathroom door...

And wait with my cock out until one of the girls comes in.

Then... when it does not work... I tell her I forgot to lock up...

Will be humiliating... but I won't get fired...

Half an hour later... Nobody has entered the bathroom so far. Dylan is pretty bored and gets less excited about this plan by the minute.

Oh man what am I doing here. This plan was stupid to begin with.

I should just give it a rest and forget about the whole thing...

Uhh. Sorry... I must have forgotten to lock up. Just give me a sec and I'll...

Oh sorry! The door was... wow Dylan your...!"

**Oh no!**  
Don't put it away on my account...

I can't wait to see it at full mast... I mean... if that's okay with you?

I could help... you know... making it hard?

I mean... would it be... okay ... for me touch it?

With my ... mouth ... maybe?

Oh my gosh,  
Dylan! Up close  
it's even more  
amazing!

It's the most  
magnificent cock I  
have ever seen.  
And I do watch  
porn!

Thanks, I  
guess.

Now that I know what  
you've been hiding from  
me down there... I can't  
just go back to work  
like that... You need to  
let me finish you off,  
okay?

Uhhh, sure?

Goody!  
Thank you!

\*SLURP\*

Hey... erm... Julie.  
Don't take this the  
wrong way. Your lips  
feel **amazing** wrapped  
around my cock... but I  
was just wondering if  
we could... you know...  
erm... **fuck?**

With that cock of  
yours?  
I thought you'd  
never ask!

Oh Julie!  
You are  
so tight!

Just put it  
straight in!  
Tasting your  
awesome cock on  
my tongue got me  
super wet already!

You are  
just so  
big!

You fill  
me so  
well!

Oh god YES!  
You are hitting  
all the right  
spots!

Can I cum  
inside?

OH YES!  
Dylan!  
Fuck me!  
Ahhh!

Sure! Shoot  
straight  
ahead!

If the best cock  
in the universe  
gets me pregnant  
it's totally worth  
it!

Fill me  
up, Stud!

Uhh...

Ahhhhh!

...  
Better  
pull  
out...

Oh Yes!

Shoot  
your load  
all over my  
butt!

I can feel your  
warm love juice  
sticking to my  
behind!

Oh Yes!  
Let it all out.  
Cover me in that  
wonderful white  
cream!
