A Game of Change
Part I

Sometime not too long ago in a galaxy surrounding us (but in a parallel fictional dimension called Office Party) ...

Office Party

Monthly Side Story VII

A Game of Change

Nicole is living with her younger sister Julie and her mother Stacey. Julie is 18 but flunked a year and is still in high school while Nicole is a good student and has moved on to college. She's 20, so is Marco. The two of them have met in class and something has sparked between them. They've made out some times but they did not do „it“ yet. Julie has seen them occasionally hang out and she has gotten the hots for her sister's boyfriend. Stacey has not yet met Marco, but when Nicole and Marco had to study for an upcoming examen she has invited him over for dinner. It's the first time Marco is over at the Alcone's house and it's Julie's big chance to snatch Marco away from Nicole! The simple-looking board game she bought at the magic shop should help her in doing so... Right?

Cast:

Stacey (Nicole's Mother)
Nicole (Marco's new girlfriend)
Julie (Nicole's sister)
Marco (Nicole's new boyfriend)

Marco has been invited for the first time to his girlfriend's home. They were just going to study for an examen but Nicole's mother Stacey insisted he comes over for food, secretly trying to get to know her eldest daughter's new boyfriend.

He seems like a polite young man. My daughter has good taste!

He's so handsome. My sister always gets the hot guys! But today's my chance! I'm gonna make you mine Marco!

Holy... Both her sister and even her mother look fucking hot!

Can we finally go upstairs and... "study"... *chuckle*

How was your day at the office, mom?

Oh, don't ask honey. Don't ask. That stupid Charlotte got on my nerves again.

But don't let me bore you with that.

Thank you for
having me Mrs.
Alcone. The
meal was
lovely!

So, was the
company.

duh
Stop flirting with
my mom already.
Save your charming
side for upstairs!

Ha-ha. What a
charming boyfriend
you've brought home,
Nicole. But please.
Call me Stacey. "Mrs.
Alcone" makes me
sound so old.

His arms look
strong... I bet
he has abs!

Which you
definitely don't
look like, if I
may add,...
Stacey.

Alright.
So that's
the game.

Her skirt's
pretty short!
gulp

Looks
pretty
childish.

Rules?

It's quite easy. You
roll the die, move
your figure
accordingly and
then draw a card.

Then you follow
the instruction on
your card. That's
it. First one at the
end is the winner.

Winner can decide on
one change to make
permanent and make
others forget about the
game. Gonna leave that
explanation out....

If you roll a two
you get a blue
bonus card as
compensation.

What a waste
of time!

Sound's
pretty simple.
Guess it's all
about the
cards.

WHAT?!

Shit!

You can't be serious. Of course not!

Young lady!
Where did you buy this game?

Take a
look for
yourself!

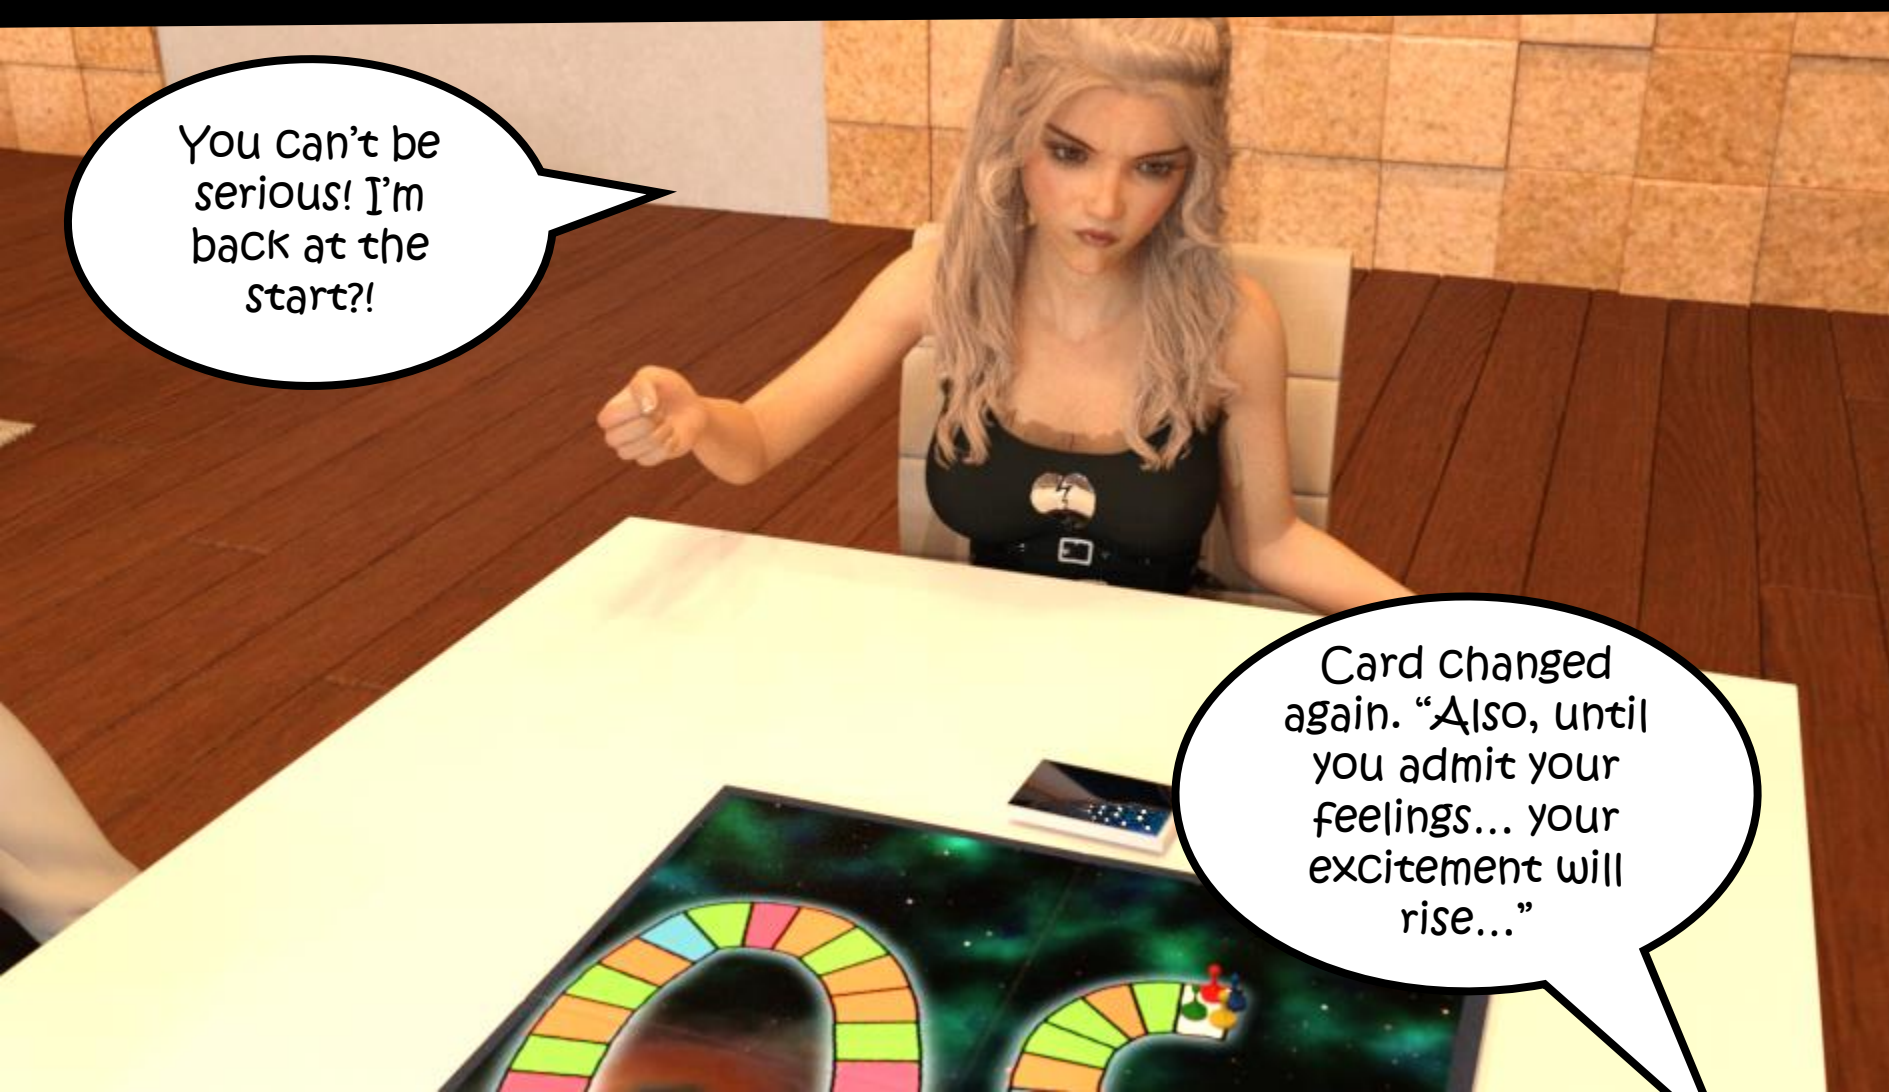

You are
pulling our leg
here, right?

LOL.
Yup. That's
the question.

What is
this game!?

Oh wow!
Wait a second.
The text on the
card is changing!

And here we go: "A sexy forest Nymph is blocking your way. Give a player of your choice a passionate kiss and advance or withdraw two fields."

Oh no!
A forest Nymph!
What will I do?!
wink

It says... I don't have to tell you.

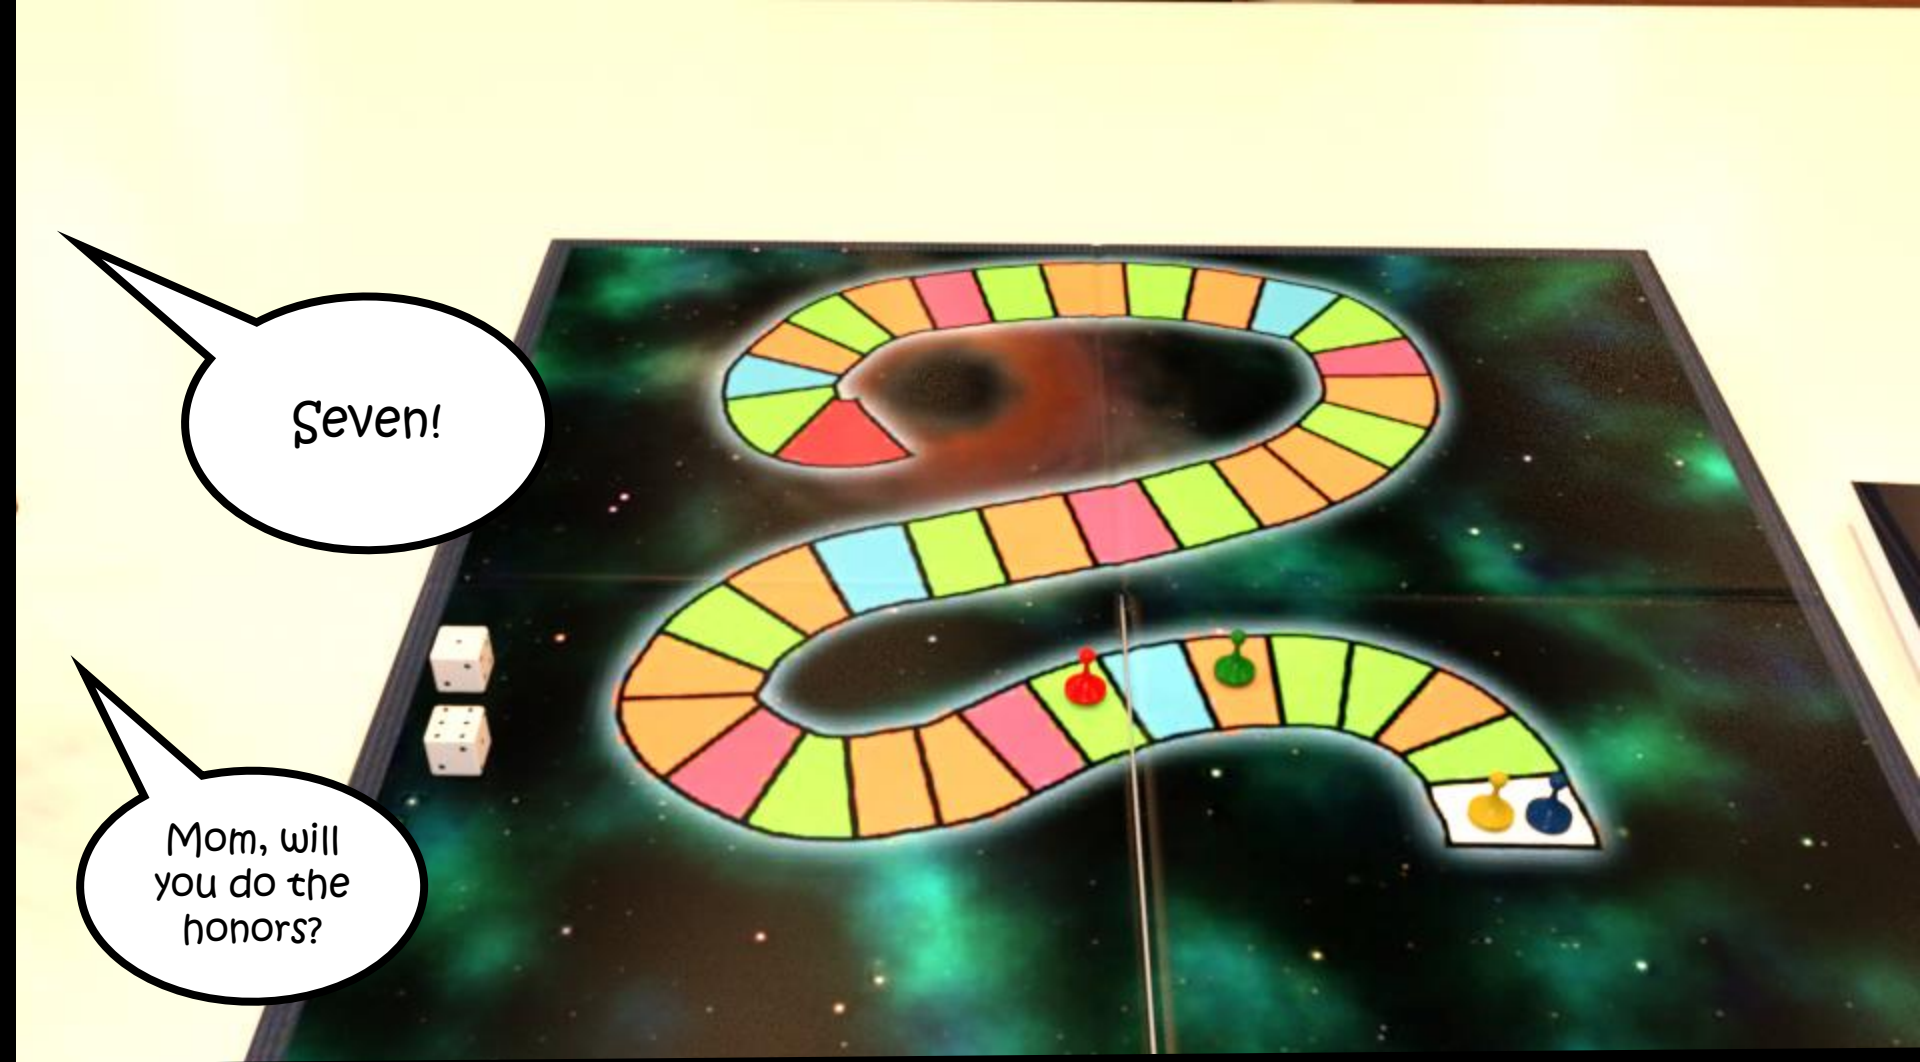

Don't forget your blue card - what does it say?

Grrr!

So secretive!

I'm so wet... My panties are already soaked!

I need to... focus! Damn it!

Ha-ha!
While I do feel well
endowed. I guess one
cup size more would
fit me fine. Give me!

I think your
breasts are just
fine honey. Isn't
that right
Marco?

Gulp
Erm... Yes, Mrs. Al...
Stacey. Nothing to
complain on my side!

chuckle
blush

You can
stop staring
any time
now.

You don't really
believe anything
is going to
happen, do you?

Really guys?
Here, let me
jiggle them
for you!

jiggle

jiggle

You are just taking this as an opportunity too leer at my breasts, right?

Instead, you could as well watch grass grow!

I could have sworn... Nah!

What's going on again? I'm too distracted... Hey... Nicole's boobs somehow look bigger!

Much better view than grass!

I'm not sure. Did they grow?

Don't be stupid Marco! How would they?!

She probably just inhaled and pushed them out!

Nah. Don't let this game get into your mind!

Somehow my shirt does feel tighter.

... fine...
Julie, Your
turn.
Julie?

Mrs. Alcone's nipples
are suddenly visible
under her shirt. Is...
this making her horny?
... I could have sworn
she was wearing a bra...

MOAN

fap fap
fap

Hot!
Strange,
but hoot!

You can't
be serious!
Urgh!

What
the!

That's not
how I've
raised my
daughter.

Oh God! I've
never felt
this good in
my whole life!

MOAN

I'm cumming!
Marco, I'm
cumming!

MOAN

**AHHH
HH!**

fap fap
fap

Flattered?

Really! That's
my sister you
are talking
about! **Eww!**

SMACK

Young lady!
I don't know what
that was, but it will
have consequences!

I'm sorry mom!
I don't know wh...
The game! The game
made me do it!

Go to your
room!
NOW!

The game is
really working!

Ouch!
She could
have held
back a little...

Saw him looking...
He should not
look at my little
sister like that!

Marco, I'm so
sorry you had
to witness
that.

Is it...
really over?

Yes, Mrs.
Alcone. Never
happened!

Please excuse the
rude behavior of
my youngest. Let's
forget this ever
happened.

A minute later... Julie is still standing there not moving an inch.

I don't know what has gotten into you all of a sudden.

It was kinda hard to miss, okay?

But your insubordination ends now! And if I have to drag you to your room!

I saw you looking! At my little sis!

What the...

I... can't move...

See?!

After all four of them have verified that they can't walk away from the game more than 6 meters, they had to accept that something strange is going on. When Stacey tried to pack away the game, she got a small electrical shock and a card with a warning suddenly appeared, telling them that breaking off the game would have severe consequences.

They reread the rules which actually state in the small print that once the game is over everything will reset to normal. Only the winner might decide on one change to stay in effect and the winner also decides who remembers or forgets about the game – whatever that last part is good for.

The quartet decides it's safer to play on, even if they are very nervous – each one of them for different reasons. Julie sees her chances returning. She just needs to win this. Marco is kinda intrigued: Did his girlfriend's breasts really get bigger? Nicole just wants to get this over with and Stacey... Stacey wants to make Marco forget her daughter masturbating in front of him.

To be Continued...

Thank you for reading!

Hello, Hexxet here.
