

Hello viewers!
I'm Irene Fortune
from Channel 69
and today I'm
interviewing a
star!

I'm happy to
have with me
today the
Dylan Roberts!

Star of Office Party,
Main role in "The Gift"
series, several one-
shots, and now his own
Comic Series with his
name in the title!

Thank you
for coming,
Dylan!

Thank you
for having
me!

So, Dylan. Many just coughed at the series saying „Dylan and the Irresistible Potent Penis Potion“ was just a fluky one-shot to test the side story business.

What's your stand on the continuation of this „youthful sin“ of yours so to say?

A man with dark hair, wearing a bright red long-sleeved sweater and light grey pants, is sitting on a red and white striped couch. He is looking towards the camera with a slight smile. The background is a blurred blue wall. There are five white speech bubbles with black outlines around him, containing text. The text in the bubbles is as follows:

Actually, I'm thrilled this series will be continued!

It was high time I got an actual series with my name on it.

I mean, hello? Even Marco got one, already!

The one and only!

You are talking about „Marco and the Remote“?

It was high time I got an actual series with my name on it.

I mean, hello? Even Marco got one, already!

The one and only!

You are talking about „Marco and the Remote“?

I see. And are you afraid that some of your coworkers might get jealous? I mean you've got so many lead roles!

What can I say? Not everyone can wear this sweater. Sometimes it is a burden.

Why do you think the series is continued?
What is the appeal of „Dylan and the IP³?“

Well... Deep down... I think it's every man's fantasy to have women go crazy over his COCK.

giggle
Isn't that a
bit childish?

Hm... maybe. But
wouldn't you like
it as well if hot
guys, or girls,
were all over
your pussy?

Actually enjoying...
no, not only enjoying
- **feeling the need to**
kneel down between
your legs and go
fish?

I err.... **No comment!** This interview is about you Dylan.

Err... Where was I... **Next question!** What part are you looking forward to the most in your new/old role?

I think the coolest thing about this role is the moment when I drop my pants!

Excuse me?

Well, you see. In this series, my character is not very bright when it comes to social interactions. So, when he's at wits end, he just drops his pants.

Like this. I'm talking to a hot woman. No matter if it's just some casual talk, whether she likes me or actually is furious at the moment.

I just pull down my pants...

Ha-Ha!
I guess you are fully engaged in your role.

And all the
troubles go
away...

Woah!
Mr. Roberts!
What are you...
Stop that!

STOP!
This is not
your comic!

CUT!
CUT!

Mr. Roberts!
You can't do
that out in the
real world!

Life is not a
comic, and your
cock is not
magical!

You'll suck
it anyway,
though,
right?

I... err...
Cut the god-
damn audio!

SLURP

Later...

What do I think of his COCK?

Well... it's just a normal dick. I don't *feel the need* to get down on my knees and suck it, if you are asking about that.

Though... yeah... I don't mind going down on him. I mean the guy's a star.

And he must be loaded! He's starring in so many comics! And he's probably getting millions from the red sweater industry!
