

**Miss Baker!**  
Miss Baker!  
Can you spare  
a moment of  
your time?

Are you  
talking to  
me?

**Yes, Miss Baker.**  
Sorry, if this is a bad time. But if you could spare a moment for just a few questions that would be awesome.

**Sure!**  
It's just - everybody calls me July around the set. So, I was confused. What do you want to know?

I'm from Channel 69  
and I'd like to ask  
some questions  
about your newest  
role in "Julie Bot's  
Adventures".

**O.M.G.!!**  
Channel 69?!  
You are Irene  
Fortune, are you  
not?! Huge fan!

**Thanks!**  
Is it safe to assume  
that you will be playing  
Julie Bot in "Julie  
Bot's Adventures"?

**Absolutely!**  
I've played that  
coffee maker for  
two parts in the  
Dictaphone  
series now!

Finally, Hexxet is  
listening to the  
fans of Julie Bot  
and dedicating a  
whole comic to  
this awesome  
character!

Oh, it's the  
greatest role  
of my life!

You see, Julie  
is a character  
that's always  
disregarded.

As the intern,  
she was in no  
position to  
influence the  
main story a lot.

And to  
top it off, her  
suggestion was  
pretty boring!

I see. How do you feel  
about being objectified  
like this for the sake of  
a comic? I mean you  
literally are turned into  
a bot that dispenses  
coffee ... out of its  
breasts...

So, I think  
being a literal  
coffee machine  
trumps playing  
the intern who  
brings the  
coffee...

A woman with long, wavy blonde hair is shown from the waist up, wearing a green off-the-shoulder crop top and a matching green skirt. She is holding a phone to her ear with her right hand and gesturing with her left hand. The background features a window with a view of a city at night and a framed abstract painting on the wall.

Also, the lead  
male actor is  
Marco!

I mean,  
how cool  
is that?!

Is it true that  
you and Marco  
have a thing for  
each other in  
real life as well?

No comment!  
This is getting a  
little private.

And Marco's  
fangirls might get  
pissed off if they  
knew we did it  
behind the trailer  
once...

Of course!  
Sorry, I've  
digressed.

What do you say  
to the skeptics  
who think this  
role is too big for  
a young actress  
like yourself?

Julie Bot,  
does not  
compute.

No role - is  
too big for  
Julie Bot.  
Beep-Beep.

I'll note that  
down as a  
"Fuck off!".

Yeah. Those suckers can go fuck themselves! I internalized that robot routine ages ago!

Even Hexxet praises how well I can handle monotone and repetitive tasks!

Err... Okay...  
So... About the story...  
Can you tell us anything about the content? Will we just see you stand around and pour out more coffee out of your ... tits?

I don't have permission to tell you... but oh boy! If that's all you are expecting to see, you are in for a surprise!

Marco will install a sexbot program on Julie Bot's hard drive. It's super romantic!

And Julie Bot will actually be my most active role in ages! Cause that program will not run that smooth... Hey!

Damn! You are good! You almost got me to spill something about the story!

**Alright!**

I think that's enough for the interview...

Well... Julie Bot will get a decent upgrade in the breast department if you get my drift.

...No... Budget is low and was spent on skimpy clothes for Julie Bot's new outfit... so the boobs will just be CGI.

One last question, if I may. There are rumors of transformations occurring in this comic. Is that true?

Oh, wow! Will you get an actual boob job for the role?

Julie Bot, does  
not compute  
'Miss Baker'.

Julie Bot  
returning to  
coffee duty.

Thank you,  
Miss Baker. Your  
statements were  
most informative.

Oh, Wow!  
A true actress at  
work! I'm sure the  
robot fans will  
look forward to  
this one!

Bye,  
Julie Bot!
