

Heya!

Today I'm at the set of **Office Party** to ask the cast what they think about the third **Endgame** to the story!

Author's note: This interview contains heavy spoilers about the third **Endgame**.

How do you, as the actors behind Office Party, feel? And, did you see it coming or did you know about this twist beforehand?

Almost nobody had expected such a twist at the end of the third Chapter of this Endgame. Some love it, some probably hate it.

Miss Alcone, Miss Kraten! Irene Fortune, Channel 69. May I ask how you feel about the third Endgame to the Main Story?

And yeah! I did not like that twist at all!

If we knew about it?! Us Actors, we are the last who are told anything!

I think the twist was kinda cool!

Well, while I really wanted my Character Charlotte to win.

I mean, hello?!

This is not the outfit I was told I would be wearing at the office when I signed up for this role!

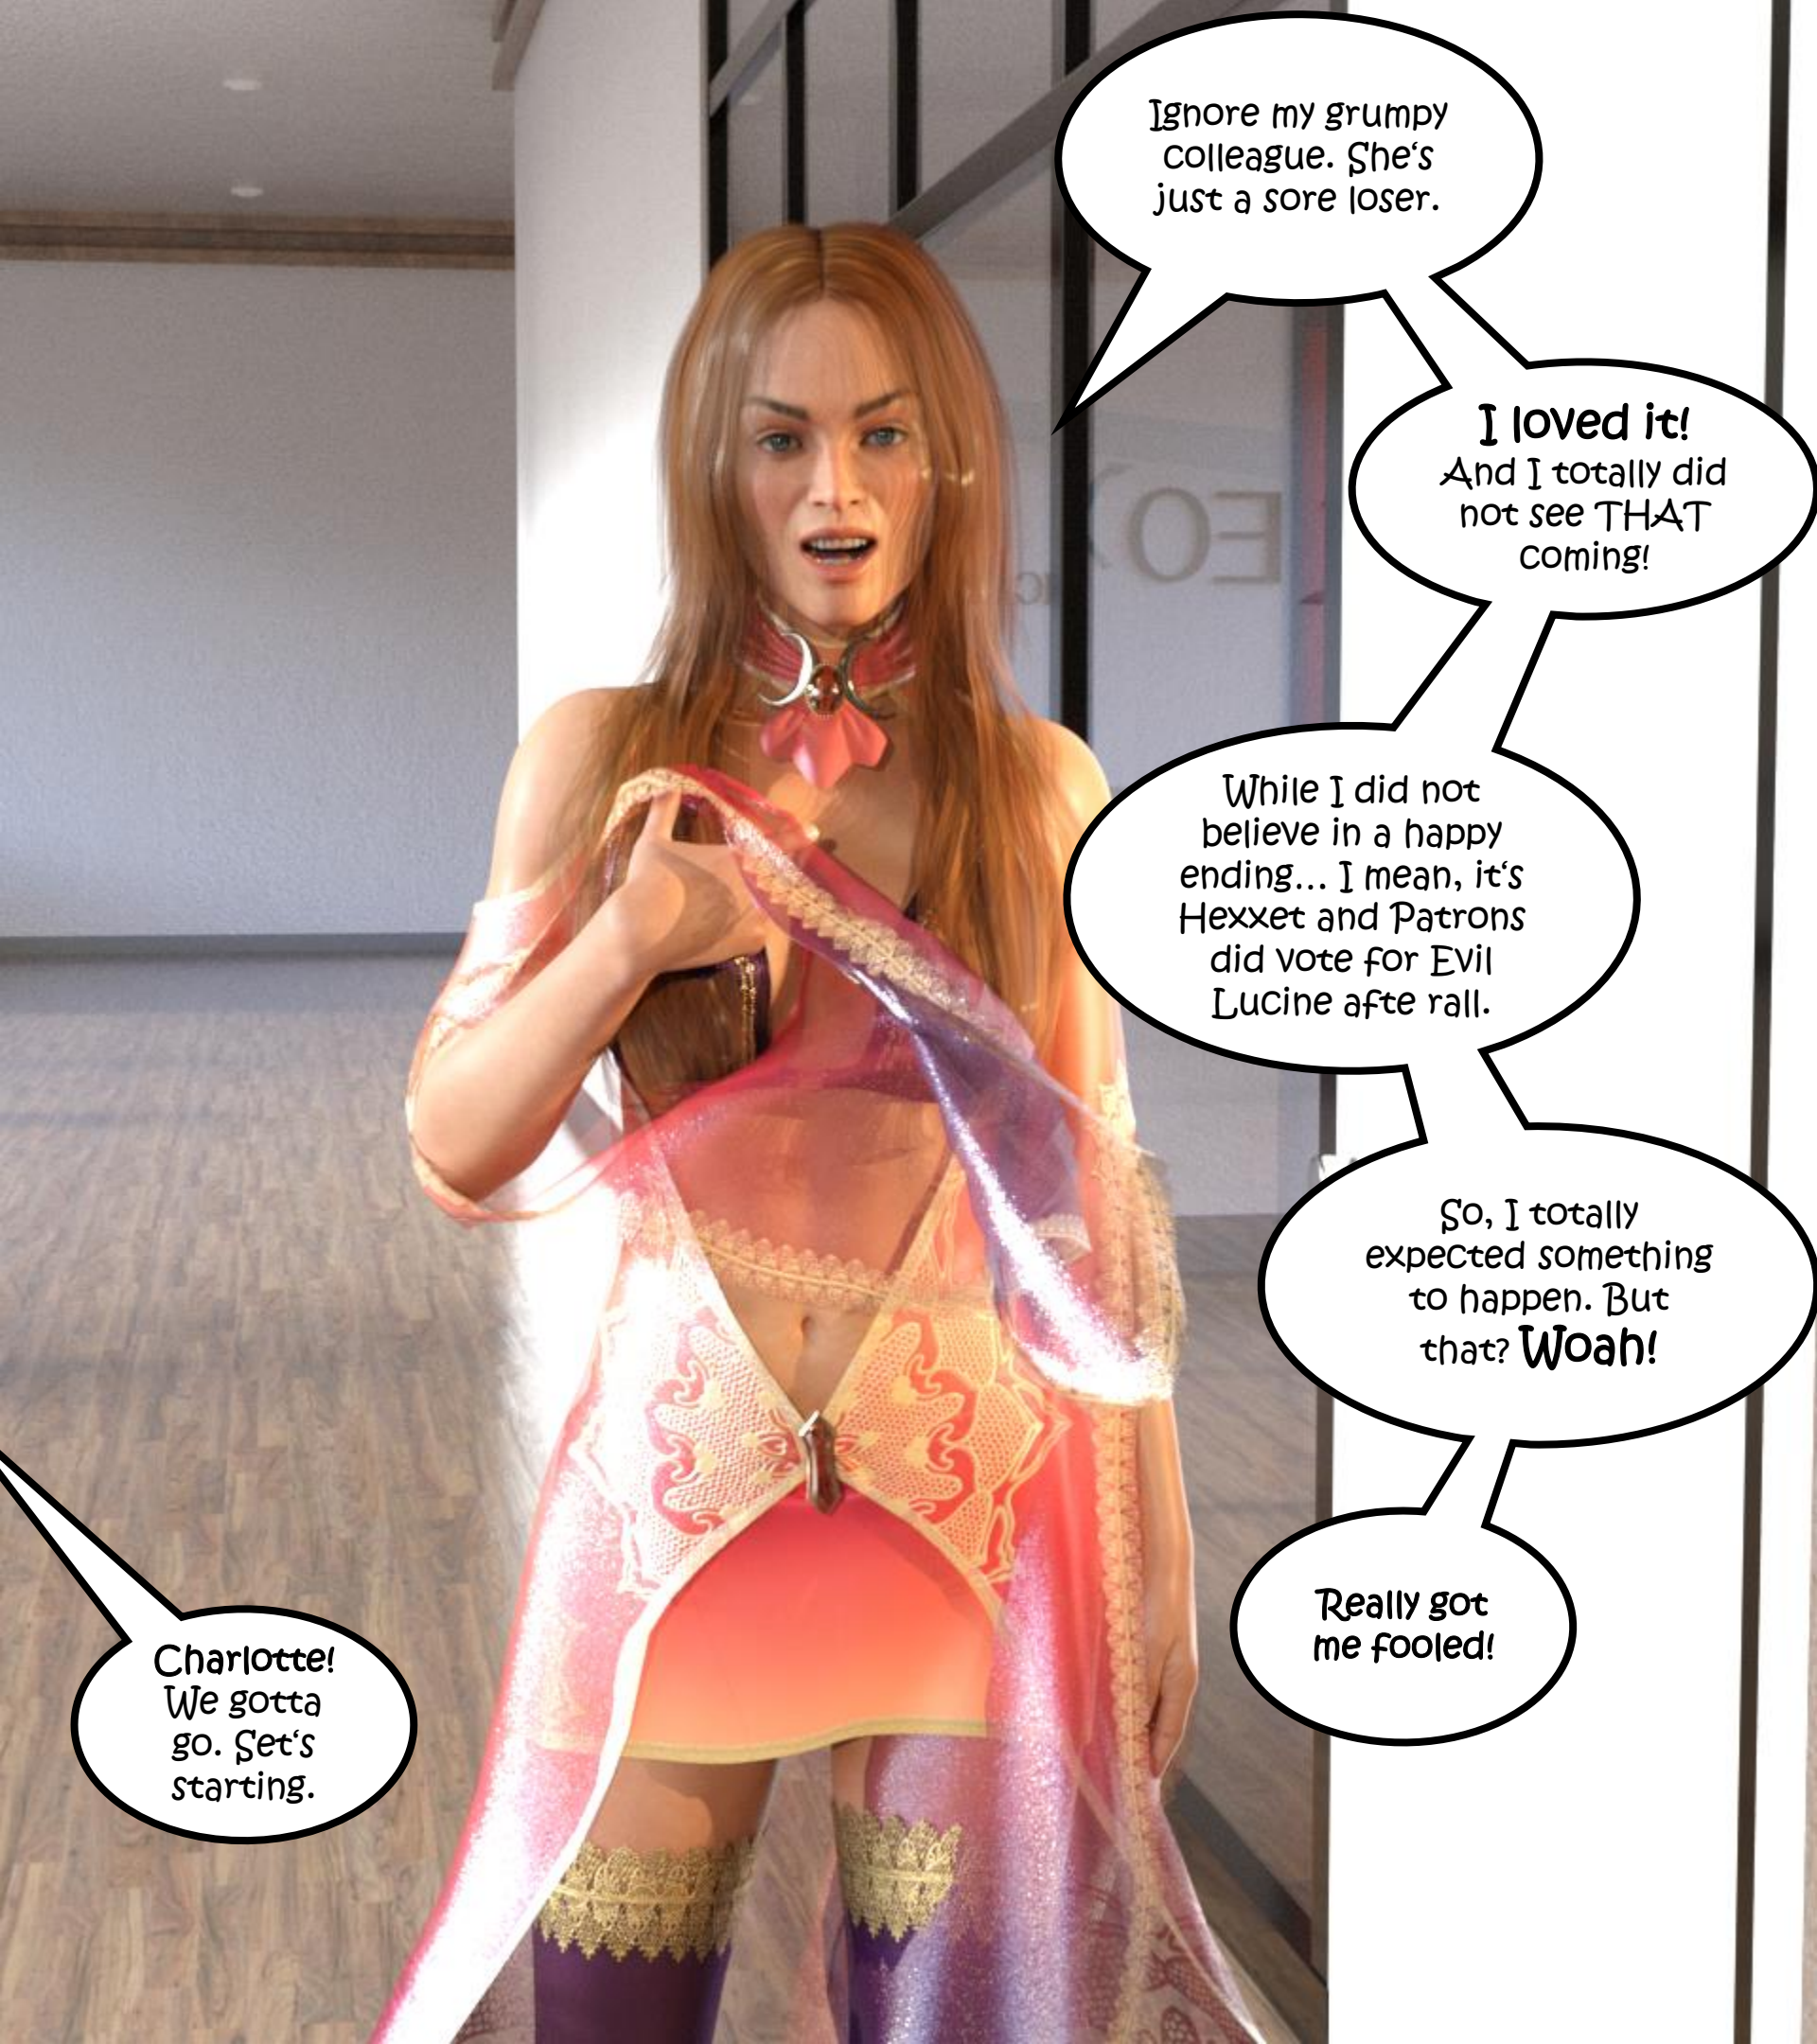

The third endgame was supposed to be a happy ending!

Now we have another ending where **somebody else than me** is ruling the office with hypnotic suggestions!

Don't people ever get tired of that?!

< EO > INC

Ignore my grumpy colleague. She's just a sore loser.

I loved it!
And I totally did not see **THAT** coming!

While I did not believe in a happy ending... I mean, it's Hexxet and Patrons did vote for Evil Lucine afte rall.

So, I totally expected something to happen. But that? **Woah!**

Really got me fooled!

Charlotte!
We gotta go. Set's starting.

Hi, there!
Mi...

Thanks!

May I ask
your opinion
on the third
Endgame?

Miss Fortune,
Channel 69! I
know! Huge
fan!

Err...
sure.

So... the twist...
you are asking
about twist,
correct?

That
was so
confusing!

I mean, one
scene I'm playing
a Julie that has
finally found
some self-
confidence.

And then
BAM Back
down on my
knees... if you
know what I
mean. ***wink***

I tried reading
the explanation
but I got bored
halfway through.

Don't get me wrong!
I just preferred the
script for Chapter 5!
I totally love there
being a twist.

Cause I really
love the sexy
scenes, if you
know what I
mean.

I'm so much
better at
those than
real acting...

Okay... so
back to the
twist...

Wait!

Am I allowed to
talk about that?
On TV? It will
spoil the fun, no?

Well, everybody
who does not want
to get spoiled
should turn off
the TV now.

That should do
it, please Miss
Baker, feel free
to talk about
that twist.

So, you see. I really thought we were doing a happy ending...

But then there were more and more hints of possible bad endings... and I fell for each of them!

At first, I thought the hypnotist would just capture us all.

Then I was sure, Charlotte would resurge and enslave us!

Not in a thousand years would I've expected her to go full-out dom!

Oo!
When you speak of the devil...Bye!

Heck!
At one time I even believed my character would take over!

Oh! Miss
Kalington! Time
for a short
interview?

EO INC

For Channel 69? **Always!**

The third
Endgame had
almost everybody
fooled.

Do you think
Hexxet or you
yourself, kinda
betrayed the
expectations of
the audience?

And what do you
think about the
outcome so far?
Do you like your
character's
development?

A woman with voluminous curly hair and extensive tattoos is wearing a black lace and leather outfit. She is standing in a modern office with large windows and a desk in the background. The logo 'EO INC' is visible on the wall.

I don't know
what you are
talking about.

There was a vote.
People voted on
„Evil Lucine“.
And Evil Lucine
you got!

And about my
character... well
what do you
think? Does this
role not fit me?

Me?

Well... I mean... you... look absolutely stunning in that dress!

And of course, you are right about the vote...

But with how the third Endgame started out...

I don't think many still believed in your triumph! At least not like that!

A woman with long dark hair, wearing a bright red dress and a matching red blazer, stands in an office. She is wearing a white belt with a silver buckle. She has a surprised expression on her face. To her left, there are three speech bubbles containing text. The background shows a desk with a computer monitor and keyboard, and a doorway.

I mean...
personally, I
really loved
it!

When I read
something I
wanna be
surprised!

And you
guys really
made that
happen
here!

And there you have the answer you truly were looking for Miss Fortune.

That surprise is all the third Endgame is about.

Whether you like it or not is completely up to you.

Now please excuse me, I've got to educate some pets of mine.

A woman with long black hair and bangs, wearing a bright red blazer over a red top and a white belt, stands in a modern office setting. She is surrounded by five speech bubbles containing text.

Wow!
What a
presence!

That third
endgame really
looks good on
her!

Alright!
That's a wrap-up.
You've heard it
here first!

The third
Endgame is all
about a big
surprise!

I'm Irene
Fortune, Channel
69. See you, soon!
