Sometime not too long ago (After Spell-book shenanigans)  
in a galaxy surrounding us (but in a parallel fictional  
dimension called Office Party) ...

## Office Party Monthly Side Story V Magic: The Pampering

*A possible sequel to **spell-book shenanigans***

A week has passed after Dylan has cast the spell of devoted happiness. He was able to adapt to this new situation and managed to save Nicole and his co-workers from a life as love struck zombies, with the only purpose of making him happy, by telling them that it would really make him happy if they'd led their lives like before.

A genius idea that fixed everything. I mean everyone is telling him he's doing the right thing. So, how can he be wrong?

It took Dylan the whole week to come up with this fix. Now it's finally weekend and he thinks he has earned himself a nice meal... but he's also exhausted and does not want to get out - What a dilemma! Surely, Nicole will find a solution and get Dylan all pampered up. 😊

But I did good, didn't I?  
Everything's mostly back to normal. You and the others can live normal lives again.

\*sigh\*. I'm spent. That was a week full of hard work.

1

Yes honey. Thanks to you I can make my own decisions once again. Thank you so much.

2

Any other men would have just taken a bunch of love-struck slaves for granted.

But not you. You are great! I'm so proud of you!

For the weekend  
I wanted to go  
out eating. Fancy  
restaurant with  
you and all...

But?

But  
somehow, I  
want to stay  
in now... I'm  
exhausted...

Don't worry love.  
Let me fix that  
for you and let's  
have both. Eat  
fancy at home.

Really?

Really!  
I already have the perfect plan. I just need your permission for two of the ingredients.

\*Gulp\*  
What do you need?

Let me activate one of your female work colleagues.

Permission granted. But only if they want to.

Second, I'd like to cast "the spell" on Ally.

I don't know. I wanted to hold off with further spell casting... at least for another week.

Oh common. She's really hot, she can cook really good, and you can tell her to act normal afterwards anyway.

Alright...  
Do it.

A woman with long, straight red hair and bangs stands in a modern living room. She is wearing a red lace bodysuit with a deep V-neckline and high-cut legs. She is barefoot and has her left hand on her hip. The room features a white door with a silver handle, a grey sofa, and a wooden coffee table. The floor is made of light-colored wood.

He loves it  
when I tell  
him he did  
something  
good.

Actually, I had plans  
for tomorrow. Ally and  
I would go shopping.  
*"Living my life like I  
would without the  
spell"*. Sounds nice and  
noble and all.

But that urge to  
make him happy?  
Still there.  
More intense  
than ever!

And right now, he  
needs me to make  
him happy. So, let's  
pamper him up this  
weekend with a  
truly awesome  
meal!

Sup Sayo!  
Any plans for  
the weekend?

Hey Nicole! How's Dylan?  
And yeah. My boyfriend  
and I were planning to go  
on a small vacation. Spa  
and everything.

Ouh. Too bad.  
Dylan wants a  
fancy dinner, and  
I had you planned  
to play the part  
of sexy décor.

Oh! ... Ha-ha!  
...I was joking!  
I'm free!  
When should I  
be over?

**Great!**  
Tomorrow 12  
PM sharp.  
And wear  
something  
sexy.

I'll be there!  
And of  
course, I  
will!

Hey there.  
About  
tomorrow.  
Slight change  
of plans.

Hey Nicole,  
what's up? I  
was just about  
to take a  
bath.

Could you  
come by in the  
morning. Let's  
have breakfast  
here and then  
head out.

Sure. Why  
not. Sounds  
nice. 9 AM is  
fine?

Actually,  
could you  
make it 8?

Sure alright.  
More time for  
shopping  
afterwards! See  
you tomorrow.

Bye.

The next morning arrives, and Nicole is up early. Obviously Dylan keeps sleeping on and Nicole does not wake him. It's time to prepare the perfect experience for Dylan. And the first guest star is just arriving.

A 3D rendered scene of two nude women in a modern kitchen. The woman on the left has long red hair and is wearing grey socks. The woman on the right has blonde hair in a bun and is also wearing grey socks. They are both facing away from the camera, looking at a kitchen counter with a sink and stove. The kitchen has white cabinets and a wooden floor. There are five speech bubbles containing text.

I'm recording everything with my phone. This is just the making of video.

We'll give it to him afterwards. This way you can give him happiness even when you are not around!

But the main focus right now is the food. He wants a dinner to remember.

How's cooking naked making him happy again? He's not even watching...

Brilliant! You are a genius, Nicole. Producing such a plan so fast. You even got all the ingredients in the fridge!

It's almost like you've planned for this to happen. Ha-Ha.

The woman on the right has blonde hair in a bun and is also wearing grey socks. They are standing at a white countertop with a sink and a gas stove. The kitchen has white cabinets and a wooden floor. The scene is lit with soft, warm light, casting shadows on the wall and floor.

Ha-ha-ha...  
How  
should I?

Oh, don't  
worry. I  
can relate!

I want to make him  
happy as well. And if  
it takes more women  
to make that happen,  
so be it.

Yeah. I know. It  
was a stupid joke.  
Thank you for  
helping me make  
your boyfriend  
happy.

Also, thank you  
for being okay  
with it... I mean...  
with my desire for  
making your...  
making Dylan  
happy.

**Awesome!**  
Please teach me  
everything about  
your boyfriend!

Several speech bubbles are overlaid on the image, containing text about outsourcing, cum, and swallowing.

Hm... That's a good opportunity to outsource some stuff I think Dylan would like, but I'm not that thrilled about...

Well. He really likes it when you go nuts about his cum.

Oh honey. Swallowing's the least you could do.

I'm talking about playing with his cum. Praising it into the heavens and lapping it up like ambrosia. That kind a thing.

But it's fine. You don't have to. I'm just telling you what he'd like.

Erm... But... I don't like to swallow.

Urgh...

Also, he loves to  
cuddle with me -  
**his girlfriend.**  
And it sucks if I  
have to leave for a  
shift if he still  
wants to cuddle.

So, it would really  
make him happy if  
you could take  
over a shift of  
mine from time to  
time.

**Nice!**

Sure thing!  
I can do  
that!

As Nicole vanishes into the bedroom, Ally prepares the table. It takes a bit of time and effort to get Dylan to wake up, but in the end Nicole manages to do so in a very soft and romantic manner.

Dylan who has already forgotten about their talk of last night wants to stay in bed a little longer and cuddle, but Nicole hooks him by telling him there's a surprise waiting for him at the dinner table.

And So Nicole returns with Dylan in tow ...

I'm very grateful that I'm finally able to mee you, Sir Dylan.

Hello, I'm Ally, your cook for today.

The table is set.

Hey there.

WOW!

Just Dylan is fine. Wow you look hot.

Food and decorations look awesome as well!

Thank You!

blush

Wish I could do more.  
But I guess being a  
decorative plate is the  
best I can do right  
now to make him  
happy.

nibble

nibble

The girls buzz around Dylan, pampering him with all the different foods they have prepared for some while... Most of the food is already eaten.

Now, it's time for me to finally eat directly from my beautiful table wear.

Chocolate topping.  
Excellent choice for dessert!

That chocolate sauce feels interesting on my skin. Just the thought of Dylan licking it off my breasts makes my nipples hard!

I would say  
our food plan  
was a huge  
success.

Delicious!

Yup. Seems  
he's really into  
it. Just like  
you said!

It fills my heart  
with joy when I  
see him happy!

Uhh  
that  
tickles.

moan

With his cock deep in Sayo's tight pussy and Nicole and Ally providing more visual aid, it does not take long until he creams all over Sayo's pussy. Satisfied he sits back on a chair.

Wow.  
You came  
a lot!

I wonder  
how it will  
taste...

Did you  
have a  
good fuck,  
dear?

Oh Yes!  
Thank you  
for that.

I can't get  
enough of it.  
It's like  
ambrosia!

Oh god,  
Dylan! Your  
ccum tastes  
delicious!

I see you rod is  
back up and  
rock hard.  
Care to give  
me seconds?

\*chuckle\*

Uhh...  
Really? ... I  
mean, great!

It's really hot  
that you like  
it!

This leads to a hot foursome between Dylan and all three girls, with Ally taking the lead on the action. Dylan just came a moment ago, but with three chicks that hot caring only for his pleasure, it does not take him long to shoot his load once more. This time all over Ally's face.

Ally sensually plays with Dylan's spunk before she finally gulps it all down and shows him her empty mouth as proof. Dylan can't believe his luck. He has really found a woman who is totally into his cum!

After their intercourse Sayo receives a text message and since Dylan seems to be happy and in capable hands she excuses herself, leaving Dylan, Ally, and Nicole to watching TV.

Hm... somehow, I'm getting hungry.

You are so right!

It's a good movie, but the original was so much better.

I'll go get you something. Just wait here and enjoy the movie.

God damn it, it's just a sandwich! I could have done that as well!... I need to step up my game!

Thanks a bunch!

Here you go. It's just a sandwich, but it's made with love.

After the movie the three have moved into the bedroom to cuddle and talk a bit. But all the talking has given Dylan a dry throat.

... Yes, dear.

Hey honey,  
here's your  
drink. It's your  
favorite, but ...

Thanks Nico.  
Place it on the  
nightstand if  
you will. Ally is  
just giving me a  
massage.

Some time later in the evening...

You have such a beautiful face, Dylan.

It's getting late. Isn't it time for your night shift soon, Ally?

Thanks! You are the best!

Oh darn!  
I think Dylan wants to cuddle me some more. Could you do my shift at the pub?

...Erm... sure...

Thanks hon.

A woman with long red hair, wearing a purple short-sleeved button-down dress with a dark belt, black tights, and black flat shoes, stands in a modern living room. She has a distressed expression, with one hand on her forehead and the other on her hip. The room features a white armchair on the left, a large black TV on the wall, and a dark coffee table. A white door is visible in the background. Three speech bubbles contain text, and a caption box at the bottom right says 'The End.'

Somehow  
this is not  
working out  
as planned...

Well... at least Dylan's  
happy... And it's  
basically me who's  
getting the credit for  
that happiness...  
right?!

Fuck! I need  
to hurry, if I  
don't want to  
be late for  
Ally's shift.

The End.
