Spell-book Shenanigans

Sometime not too long ago (After Scene 06 – Part A) in a galaxy surrounding us (but in a parallel fictional dimension called Office Party) ...

Office Party Monthly Side Story IV

Spell-book Shenanigans

All main-story suggestions are in effect. Nicole and Dylan are dating for some time now, and they are just coming back from a strange kinda date. They've been to an estate sale and were able to purchase an old looking spell-book.

Let's see what will happen when they start playing around with the book, casting the spell of devoted happiness on Nicole – a spell that makes it's target obsessed with the caster's happiness.

That was fun.

Nice little estate sale.

That's part of the fun.

Little? That mansion was huge!

And I still think they were looking at us in a strange way.

Rumors say the contained spells are so powerful they drove the previous owner mad.

But we will succeed where minor magicians failed!

Oh Yes! The legendary spell book of power.

All those idiots were haggling for the gold and jewelry.

While we got the most valuable item there for cheap!

Can I drop the costume though? It's really uncomfortable.

... Okay... Mine's itching as well. But stay in role!

Best girlfriend ever!

What now?

And how are we going to that?

I'm glad that you've asked! Now you'll take the book and choose a spell to your liking and cast it on your lovely girlfriend.

Turning her into a horny minx, harem girl or maybe a simple fuck doll you can store away when you are done.

Now, my magic loving friend, we are verifying if those spells are working!

I love roleplay!

Alright...
Transmogrifica
tion.... Turns
victim into a
Cat...

Mew?

Growth spells...
Increases bust
size!

Come on! It
must be
something I
can act out!

Yeah, yeah.
They are the
perfect size
anyway. But
stay in role!

Invisibility...

Gimme
that!

I'll
choose!

Dirty street-
hooker?

Pass.

Adoring little
sister?

Hard
Pass.

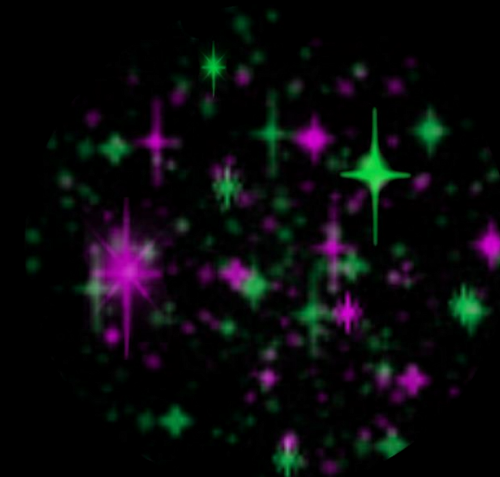

Now there we go.
Emotional Tempering:
Target will be obsessed
with the caster's
happiness.

You sure? I'm
already super
happy with
you.

Trust me,
You've seen
nothing
wink

GULP

Holy!

Fuck that
scared the
**** out a me!

Nico?
Nicole, are
you okay?

Nicole?!

Lights came
back by itself
within seconds...
What was that?

Hey, Nico.
Are you
okay?

Of course, my
love! Don't
bother about
my well-being.

Tell me how I
can please you
instead.

Wow. That did not
faze her one bit.
She's staying in
role as if nothing
happened.
Remarkable!

Okay, get yourself
together. It was just
an electric shortage
or something... Stay
in role yourself.
Action!

In those
clothes? I
doubt you can
please me in
them...

I hope that
wasn't too
harsh. I actually
like the way she
dresses.

Oh no!
I'm so sorry!
I go change
ASAP!

And there she
goes. I'm intrigued
what she's going
to do. Time to
enjoy ☺

SWOOSH

Come in
now, please.

Wow!

You like?

GAK

Slurp

Oh fuck! She's hitting all the right spots. She's acting as if totally into it! And she isn't going to stop... I don't want to cum just yet...

I can feel it twitch already!

I'll take his load and then I'm gonna play with it. He will like that!

It's all fine. You are just too hot! And I want to enjoy your body more before... you know.

Of course. Let me get this off at onc...

No. Leave it on. You look fabulous in it. I'll just push it aside a little and I slip right in.

Sure. Whatever you want. My pussy is all wet for you!

Like this?

I love watching her ass going up and down!

Moan

Just like that!

Some hot love making later...

Was that good? Are you happy?

Shall I get you hard again for another round?

Or are you hungry, shall I...

Hush, Love. You can stop playing now. You were great!

But I really need to sleep now. Gotta work tomorrow.

sleep talking
Work... I don't like my work...
snoring

Oh, my poor love. Sleep well. I'm gonna fix all your troubles...

I'll do anything to ensure your happiness!

The next day, Nicole stood up early, leaving Dylan behind in bed.

So, this is my love's office. It looks nice.

I think with the right nudges to some of his co-workers he can be happy here!

Shit! Have I been found out already?

Do I really need to cast a spell on this teen?

Oi! Miss? Can I help you?

Don't bother. He's not here yet.

What?! Who are you?

I'm his girlfriend.

I'm sorry I blacked out there for a second.

But I really need you to leave. I have no time for you. I need to find an employee of mine right now.

Oh my! What a coincident!

Can you give me any tips on how to make your boyfriend happy? I have actually no idea what he likes...

Sex? Alright then... we'll do just that.

Oh, that's an easy one. He's really into sex.

Also, here. Let me teach you a spell to spread the happiness if needed...

An hour later... obviously Dylan is late again.

YAWN

Still tired.
Shitty day!

Had to
wake up
alone.

Nicole only left a
note that she
needed to do some
errands... Wonder
what she's up to
this early!

Woah!
She's close!

Gooooo
morning,
Dylan!

Guess I'm late one
time too often...
"Take your time" ... ,
that does not sound
like Stacey at all.
**I'm going to be
fired!**

No... erm...
Thanks. I
better get
this over
with.

Stacey
wanted to
see you.

But she said
it's fine if
you took
your time.

Want me to
get you
something?
Anything?

Coffee?
Tea? Or
maybe me?

Hello,
Stacey.

Dylan!

Shriek

I'm sorry for
being late
again and I
promise it...

Woah!
She's close!
She smells
nice...

Hellooo
Dylan.

I want to
make him
happy.

Don't be!
Take all the
time you
need!

Maybe you don't
work at all today.
Just laze around the
office as you please.
Is that something
you'd like?

No... I'll be at
my desk.
WORKING!

Okay.

If that's
what he
wants...

That sarcasm was
uncalled for!... But
I guess I deserved
that. I'm just glad
she's not firing me
on the spot...

Some time later. Dylan has already settled in on his desk and is working when Julie enters and seductively leans over the table.

For fucks sake,
cut it out with
the sarcasm
Stacey! It's
getting low!

Heeey Dylly!
Stacey wanted to know
if you had time to help
her with some
computer issue she's
having. Only if you feel
like it of course.

But if you'd
rather have some
fun with me, we
could head into
the file cabinet
for a quicky?

wink

WTF?

Dylan left Julie behind and has entered Stacey's office to fix her computer.

Fuck that feels nice!

Is this sexual harassment? Is she using the threat of firing me to... get sexual favors with me?

I guess... it's only sexual harassment if I dislike it... And she's doing a god damn good job down there...

After receiving a very pleasurable blow job from his otherwise strict and rather cold boss Stacey, Dylan is quite confused and tries to focus his attention on the computer trouble at hand but discovers that the problem is just some unplugged cable... strange.

Dylan thanks Stacey for her... hospitality and walks back to his office. A bit embarrassed but also excited.

Anyway only an hour later he is called into Stacey's office once again.

Hello Stacey,
You having
troubles with
your...
Woah!

Hi there,
cutie!

GULP

You cock feels
wonderful
inside my needy
wet pussy!

Oh Yes!
Give it to
me!

I'm gonna cum!
I'm gonna cum
again!

GRUNT

Dylan does not know what to think of Stacey's sexual advances. Fucking his boss sure felt nice. But he can't help the feeling that something seems off. Also, a blow job was one thing - but all out fucking – Hopefully Nicole won't find out!

Anyway, when Dylan is called into Stacey's office for a third time that day he steels his resolve and is sure to turn her down this time. (Also, the little Dylan is a bit exhausted by now...)

Not really sure what that was and being sexually spent, Dylan decides to clock out early today and returns home as fast as his feet get him out of the office.

After having enjoyed a lovely meal they sit back on the living room couch to watch some TV, since Dylan is too spent for further sexual adventures.

Say... Nico...
Aren't you
supposed to
work right
now?

Oh, I quit. I
can't keep you
happy while
working after
all.

Ha-ha. Very funny.
Still in role, I see.
Too bad we do
need money to
ensure our
happiness...

Hello Stacey...
What can I do
you for... erm
Do for you?

I just wanted
to give you a
small update,
Dylan-love.

I've put the whole
staff under magic
control now. So, feel
free to use any of us
however you please
tomorrow!

And sorry for
disturbing your private
time. Please enjoy a
pleasurable night with
your beautiful
girlfriend. Say hi, to
Nicole for me if you
please. Bye!

Maybe I should use
that spell on some
high-ranking bank
woman... that would
solve the money
problem. Right?

Preferable a
beautiful one.
Always mix business
with pleasure they
say. Right?

Honey?

Yes dear?

Where you at my office today?

Yes dear.

Did you put a spell on Stacey?

Yes dear!

Did you teach Stacey how to use the spell on others?

Yes dear!!
Are you happy?

Oh - Oh!

The End
