

Hi, my name is Stacey Alcone. I'm the boss around here. What can I do for you?

Hypnosis, huh? And you really think that could increase productivity? I don't know...

Oh, a free sample? Of course. Please show me how it works.

Follow the watch with my eyes? Sure, I can do that... Yes... very... relaxing...

Yes, I can hear you.

I will obey you.

Yes, all the office staff needs to be put in a trance.

Yes, Master. My mind, my body, and my belongings including my company belong to you now.

Master, I've finished stripping for you.

Of course, Master. You can touch me anywhere you want. Please inspect your slave's body however you wish.

Moan
Yes, Master. Your touch is very enjoyable.

Uhhhh.
Yes, Master,
Please spank
me.

SMACK

So... what you
are saying is...
Stacey wants
us all to do this
hypnosis thingy.

Cause
relaxation is
good for
productivity
...

And you
said it will
take about
an hour?

No, no! Don't
hurry it up!
Anything that
keeps me from
work is fine.

I'm just an
intern anyway.
What do I
need to do?

Yes, there is
nothing but
your voice.

I will
follow
your voice.

Yes. I will
obey.

You are my
master.

I'll do
anything
you say.

This slave has finished undressing and is ready for inspection, master.

Bigger breasts?

Of course, Master.

I'll make an appointment.

My only aim in life is to please you.

Yes, Master.
My tits are
yours.

My pussy
is yours.

My ass is
yours.

Yes, Master!
From now on,
I'll always
carry lube
with me.

You can't
be serious?
Hypnosis?

Has Stacey
gone CRAZY?

Urgh!
Fine! I'll stare
into your eyes
for a minute and
you tell her we
did this hypnosis
bullshit, okay?

Yes, I'm deeply hypnotized.

I will do as told.

Yes, Master. I'm your slave now.

Thank you,
Master. I'm
pleased my body
meets your
taste.

Yes, master.
I work out
regularly.

Yes,
Master. I'll
continue
doing so.

My body shall be
in top condition
for you to use
whenever it
pleases you.

Yes, Master.
My ass is an
erogenous zone.

I can cum
from having
my ass-cheeks
fondled.

Yes, **moan**
Master. Please
play some more
with my butt.

Hey, you!
What do you
think you are
doing?

I don't care
what Stacey
says.

You can't go
around
hypnotizing
staff without
talking to HR
first!

Sir, please stop
that! I won't fall
into a deep
hypnotic trance
just because you
swing that thing
around!

I'm a strong-willed
independent
woman. I won't let
my mind just
drift...

Yes, Master.
I'm your
obedient
slave.

Of course,
Master.
Hypnotizing the
whole office is a
brilliant idea.

HR will fully
support this
endeavor.

You want to
work closely
with HR?

Of course,
Master. That
makes me very
happy.

This one has
disrobed for
you, Master.

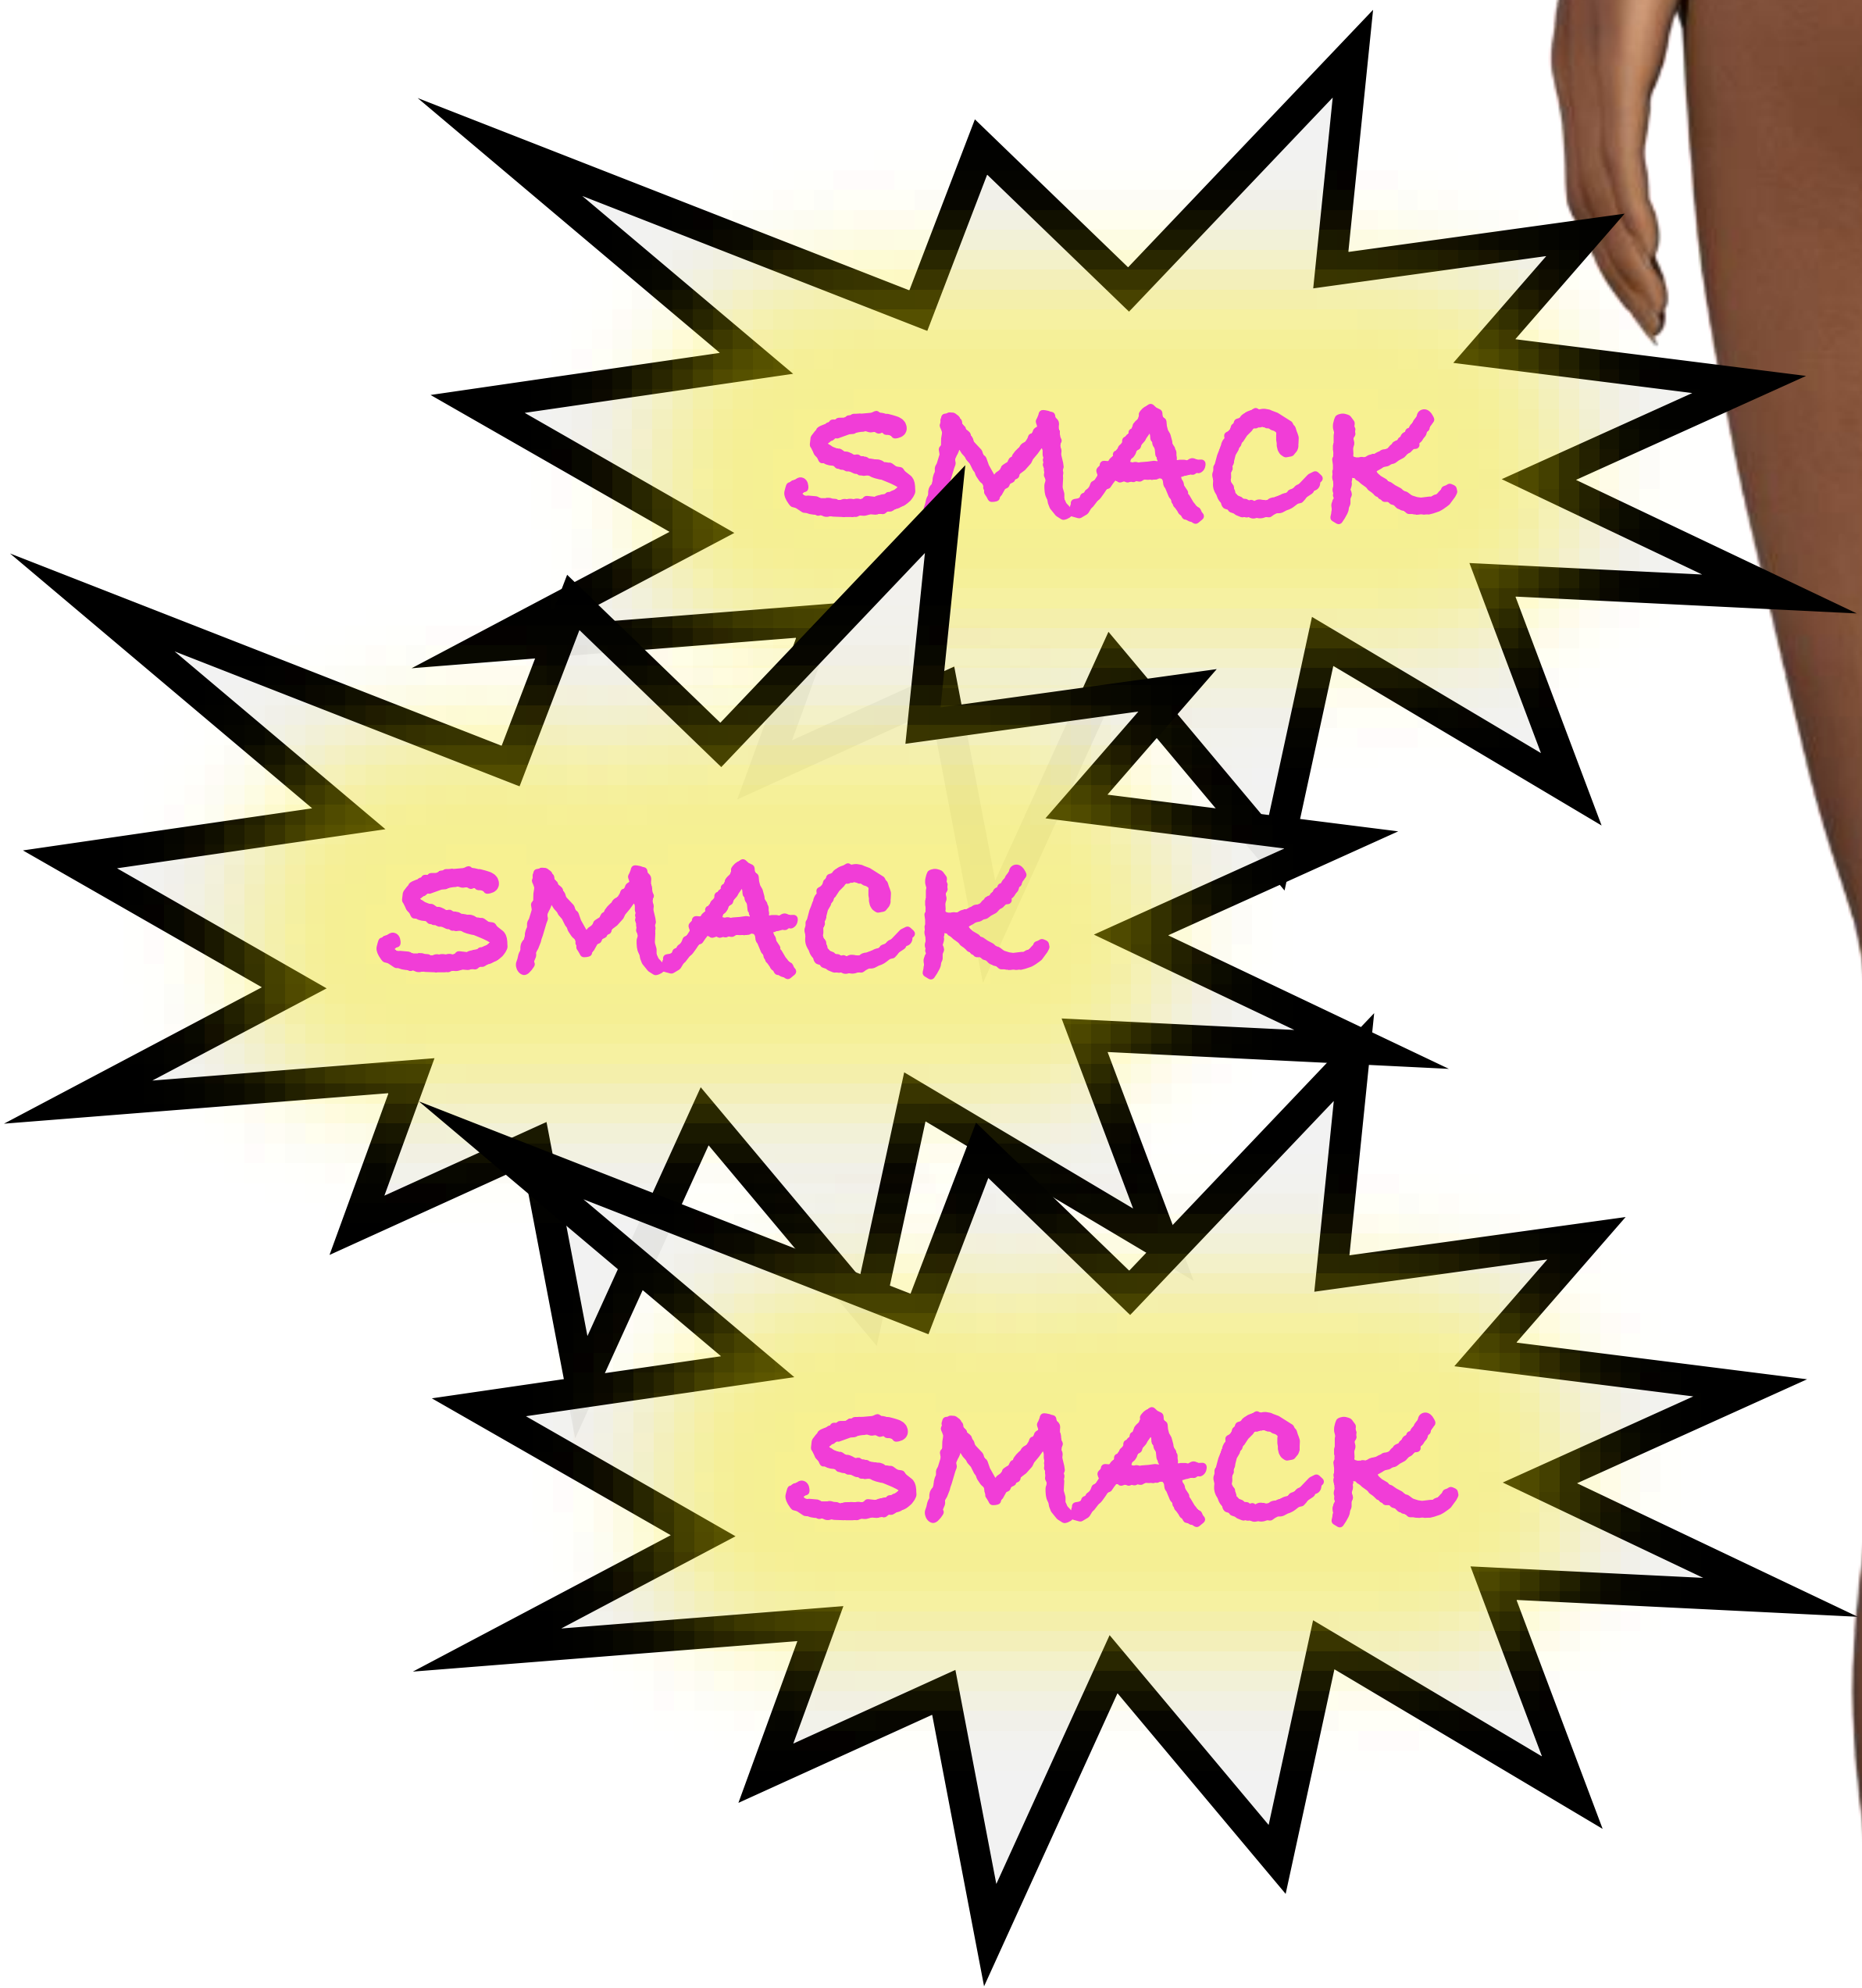

I have no
secrets
before my
Master.

My Master
can look at
my naked
body anytime
he wants.

Thank you,
Master. I'm
glad my tits
are to your
liking.

Of course.
Please touch
them as long
as you like.

Moan
Yes, Master.
They are very
sensitive.

One!

Yes, Master.
Lucine has
been a bad
girl.

Two!

Please spank me
more, Master. I
need to be
disciplined.

Three!

Heya!
Lucine said
I should
come by?

She said
something about
relaxing through
hypnosis?

So, you are
the hypnotist?
Great! Nice to
meet you.

To tell you the
truth, I don't
really believe
in it.

But if Lucine
recommends it,
I will certainly
try. What do I
need to do?

Oh, a pocket
watch? How
cliché! 😊

Yes, I can hear you.

I am deeply hypnotized.

Yes, I will listen to your commands...
Master.

Of course, Master.
Everyone should obey you!

Yes, Master. Isabel is very skeptical of this "new age bullshit" as she calls it.

Of course, Master. I will help you hypnotize her.

I've stripped for you, Master.

Thank you, Master. I keep it neatly trimmed all the time.

Of course, Master. You can touch.

My clit is hair trigger sensitive?

Of course, Master. If you say so it must be...

MOAN!!!

Thank *pant*
you *pant*, for
making me cum
pant, Master.

Yes, Master. I'll
turn around so
you can inspect
my butt.

What!? My
whole ass is as
sensitive as my
clit?!

Oh, my! How am
I going to sit...

SMACK

**AHHH
Hhhhh!**

Hi...

So...

I'm only here because my friend Sayo does not shut up about how awesome that experience was.

Just to be clear. I don't believe one bit in this new-age bullshit.

You still wanna try? Sure, hit me with your best shot!

Yes, Master. I was stupid for not believing.

Yes, Master. Now I'm nothing but your obedient slave, Master.

No, Master. No boyfriend. I'm bisexual and currently living with my beautiful girlfriend Layla.

She's a gym instructor.

You want to meet her? Of course, master. I'll arrange that.

No, Master. I currently do no sports.

You want me to get abs? Yes, Master. I'll sign up at the gym.

My bush is too thick? Yes, Master! I will shave it clean.

My body will become a temple of warship to you, Master!

You like my
butt? I'm glad,
Master!

In between the
cheeks? Oh,
you can do so
much more to
me Ma...

Between the
cheeks. Yes, I
understand,
Master.

Whatever you
desire. Please
use my butt to
your heart's
content.

Hi,
there!

Yeah, I'm
Isabel's
girlfriend.

She has talked so
much about you
and how relaxing
this hypnosis
thing is.

I just have
to try it out.
chuckle

Uhh!
A candle.
How cozy!

Follow the
flame with my
eyes? Sure,
can do!

Yes, I can hear you.

Yes, I'm in a deep hypnotic trance.

Yes, my body may be strong, but my mind is weak.

I need to follow...

Can I... follow you?

I can?
Thank you!

Master!

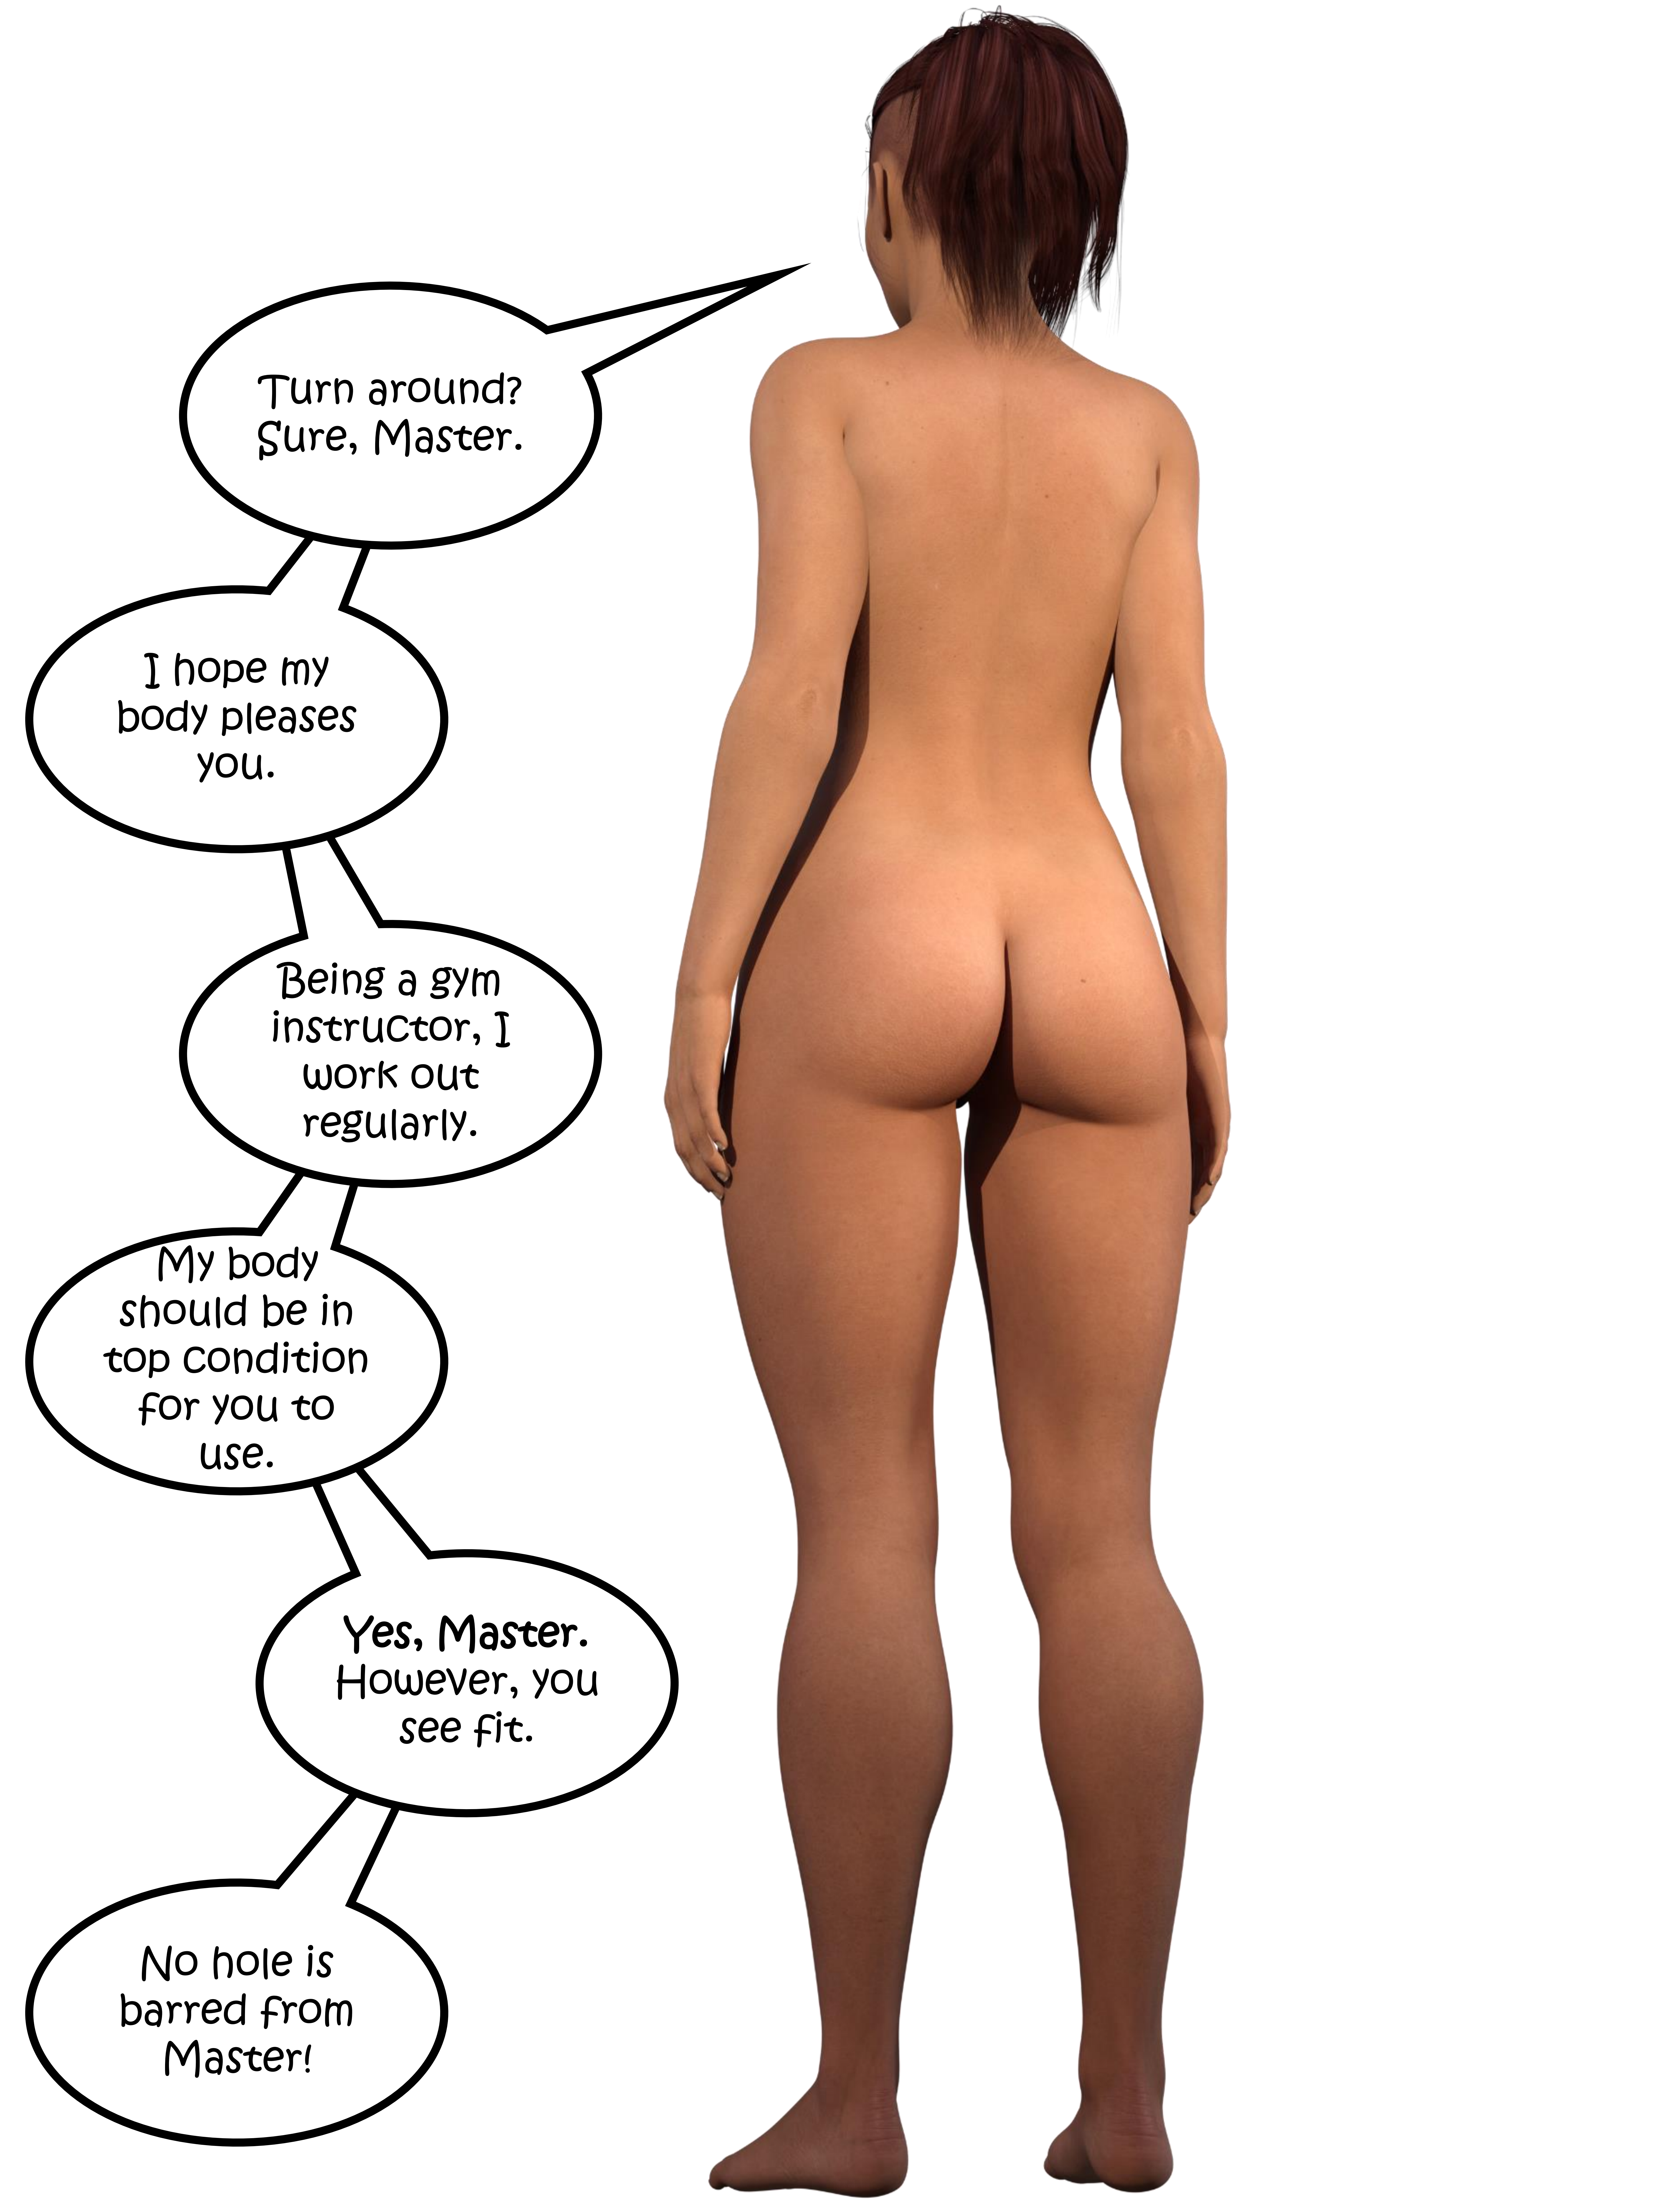

Of course,
Master.

You can look
at your slave's
body as much
as you want.

Yes, I don't
like men that
way. I am a
lesbian.

Of course!
You are my
Master. So,
with you, it's
fine.

Turn around?
Sure, Master.

I hope my
body pleases
you.

Being a gym
instructor, I
work out
regularly.

My body
should be in
top condition
for you to
use.

Yes, Master.
However, you
see fit.

No hole is
barred from
Master!

You had a great day at the office?

Well, that's great, Sir. What can I get you?

Huh? You have something for me?

A lighter? Oh, no, Sir. I don't smoke.

Follow the flame? Okay... But why... err...

Yes... Can't... look... away...

Getting... sleepy...

Yes, Sir.
All drinks for
you are on the
house.

Yes, Sir.
I will hand you
the key to the
staff toilets.

And ignore
everything you
do to that
blonde over
there.

Yes, Sir?
Oh, of course. I
will call you
Master, Master!

Yes, Master.
When you snap your
fingers, I will wake
up and go on like
nothing happened
but follow your
instructions.

Cumtwat?
Yes, Master. I will
become cumtwat
when I hear that
word...

Not interested!
Piss off, loser!

LOL!
You'll pay for any drink I want if I just take a look at your phone?

Deal!
But trust me, that won't be cheap!

Huh?
A spiral? Ha-ha. And here I thought you'd show me a dick-pic.

Yes...
Can't ... look ... away ...

Yes, I can hear you.

I will follow your voice.

You are my dream lover?

Of, course!
You are my dream lover!

Snap

Sooo HOT!

What?!
You want to go somewhere private?

Sure!
I'm game!

Wooow!
By somewhere
private you
meant the staff
toilets?

That's a bit
much, don't
ya think?

Huh?
Blank? ...
Yes... Blank...

Yes, Blank
and obedient,
Master.

Of course,
Master. I will
strip for you.

From behind?

Of course, Master.

You can have me any way you want!

Yes, Master. Of course, I'll enjoy it.

Nothing brings me more joy than bringing pleasure to my dream lover.

Oh, hey!
You are a
guest from
the pub,
right?

Sorry but
I'm kinda in
a hurry.

Ha-ha.
Yeah, you
are actually
right.

I've met a
guy... and am
on my way to
our first date.

Excuse me?!
What did you
just call me?!

Cumtwat...
Yes, Cumtwat
listens and
obeys.

How may
Cumtwat serve
you, Master?

Follow you
home?

Of course,
Master.
Cumtwat will
come with
you.

Cumtwat is
ready for
inspection,
Master.

Thank you,
Master.

Master, cumtwat
reports cumtwat
will cum if you
tease her twat
like that.

Cumtwat has
permission to
cum? Thank you,
Master!

MOAN!

Did you cum,
Master?

You did?
Cumtwat is
happy.

Of course,
Master. I'm
your stay-at-
home cumtwat.

Into the
closet?

Yes, Master.
Cumtwat will
wait in the
closet until you
have need of
her again.

Hey, you! I've
seen you talk
to Nicole.

Do you happen
to know where
she is now? She
did not come to
work the whole
week!

Your, phone?
You got a text
from her?

What the?!
A Spiral?

I... don't
understand.

Yes... hard
to look away.

Feeling
dizzy...

Yes, Master. I am under your control.

You are going to show me what happened to my friend Nicole?

Thank you, Master!

Follow you home? Of course, Master!

I see. Nicole is your in-house fuck toy now.

Shall I join her in the closet?

No? Just a quick threesome and then you want me back working as a waitress?

Yes, of course, Master. We don't want to raise suspicion.

Of course, Master. I'll come over and join you in bed whenever you call me.

Yes, Master.
That was very
pleasurable.

I never thought
I'd enjoy eating
out my best
friend this
much!

What was
that Master?

You ask if I
have any hot
friends?

Hm... Aside
from Nicole?
Not really...

But I have a
cute little sister
who just turned
eighteen...

Oh, hi.
You are a
friend of my
sister, right?

Ally said
something about
stress relief, I
think...

Hypnosis?
I don't
know...

Well... you
are right.
If my sis
says so...

Okay.
Let's try it
out.

What shall
I do?

Yes, I can hear you.

Yes, Master. I'm a slave to your voice.

Just like my sister.

Yes, Master. I'm looking forward to fulfilling my duties alongside my big sis.

Of course, Master. I will drop out of school.

Of course,
Master. My
body is yours
to look at.

It's for you
to touch,
Master.

It's for you
to use in
any way you
see fit.

Yes, Master.
I will enjoy
every minute
of it!

Ohhh,
Master!

MOAN!

You want me
to work at an
office?

I don't know if I
have the
qualifications for
that, Master.

A blow job
dispenser? Yes,
Master! I can
do that!

The End

The Office has never been this productive before that hypnotist paid them a visit! Also, hiring new people is so much easier now! 😊
