

Office Party – Scene 03

Go for the tape

First, I wake up without memory of yesterday's party, without having a hangover!

Second, Isa not wearing panties seems strange. And that talk about panties...

Third, Sayo at the printer - giving those screamers on the internet a run for their money?

Also, where did my money go. I thought Stacey was paying and I'm sure I had at least 50 bucks on me...

And most importantly, Me doing the late shift, instead of movie nights!?

Harris Bar

It all started here!

Hell, If somebody found out we have cams in the bathrooms, this place would be in trouble!

If I could get my hands on those tapes, I might be able to reconstruct yesterday's events...

Please, I really...

Are you fucking kidding me?!

NO, I'm not giving you our security tapes!

Zip it! Unless you come here with a warrant you are not getting the tapes.

Now get out'a here!

I'm so sorry. I did not look where I was going. Please excu...

What a dork!

Hey you are the waitress from yesterday!

He's pointing with his finger at me... how childish is that?

She's cute when pointing at people...

Hey you are one of they guys from yesterday's party. You left early.

Did I? You see I have no memory of yesterday's events.

And since this place has video surveillance...

If this is another guy trying to refresh his memories by watching our security footage. He can brace for impact.

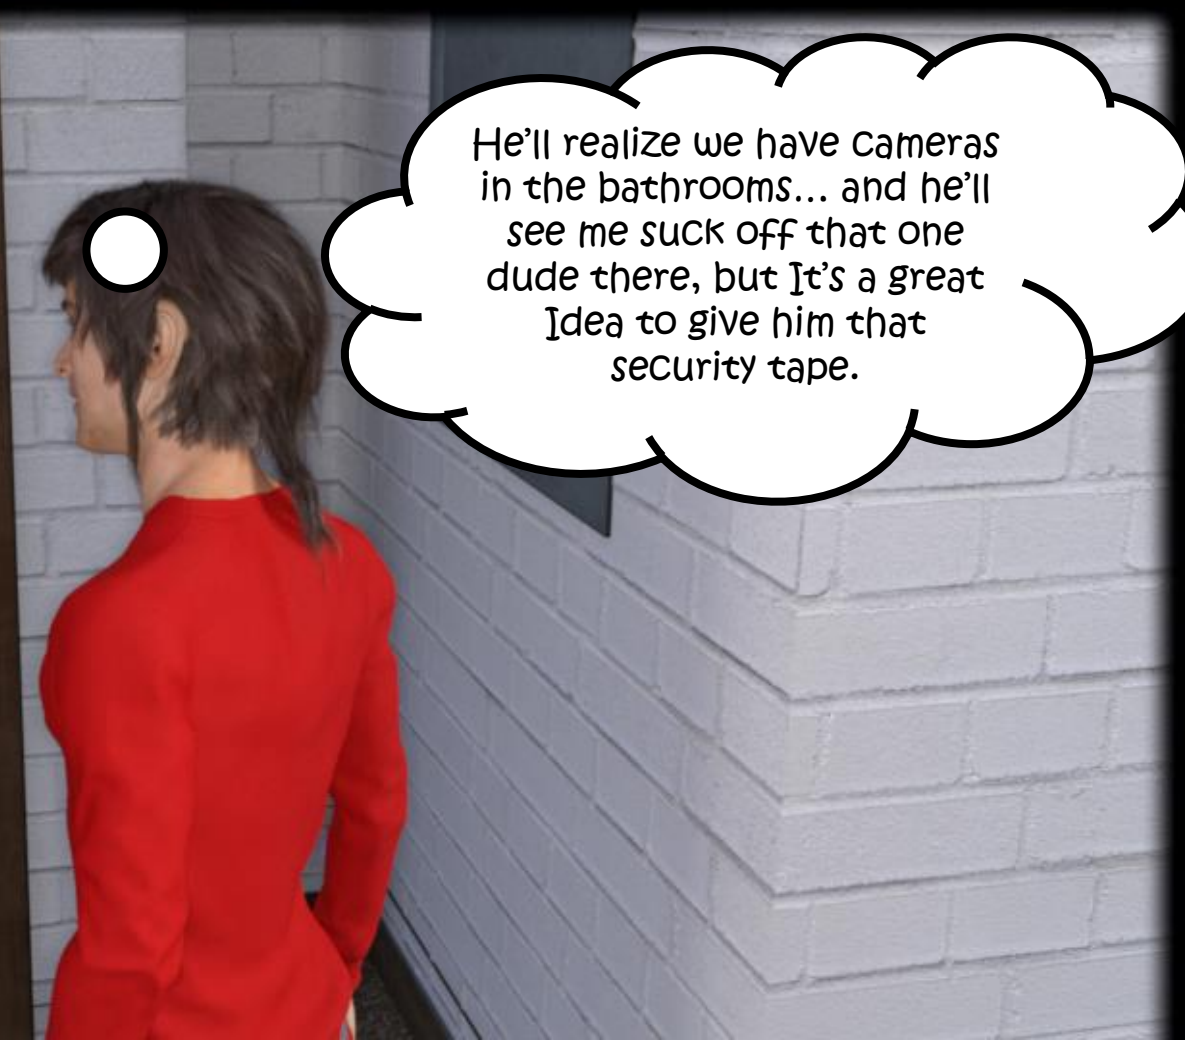

I can't believe how many idiots out there would even try to ask for...

So... I have only one request. Please give me the tape from last night.

Sure. No Problem.

Wow, I didn't think this would work - especially after the other waitress turned me down so harshly.

He'll realize we have cameras in the bathrooms... and he'll see me suck off that one dude there, but It's a great Idea to give him that security tape.

I think this one likes me!

I should ask her out!

Thanks a bunch!
I'd really like to repay you. May
I request your phone number
so I can invite you to some
free lunch?

You know what...

That sounds
like a great
idea!

Meanwhile at the Kalington's home...

That's the least I can do for my husband after what I did at the party yesterday...

Yes, I'm sure! Just write anything you want me to be honey. Just enjoy yourself!

You sure about this babe? You really want to pretend the suggestions are still active? I mean our sex is great already. We do not need to force any kinks if you are not a 100% sure.

The night before...

Lucine thinks about what happened at the party...

Yes I know and I agree I should loosen up at this party! But how? My thoughts are still on the upcoming project's numbers. And you know I don't like alcohol!

Yeah you really should Lucine! Maybe get a bit tipsy?

Your wife needs to loosen up! It's a party!

Damn it! I **NEED** to loosen up!

What do you have in mind?

Well, we could all agree, that you should feel happy right now and enjoy the party to the fullest.

I don't know how I feel about that! Sounds kind 'a scary!

Let's use the suggestions then!

Then what do you want hon?

I don't know...
Some more control
over it...

NEED to
loosen up!

How is this less
scary than my
suggestion?!

Fine... lets go with
that.

So how about this.
Whatever is written on
your body, you will
become, until crossed out.

This way, if you don't
like something after
trying it out, you can
cross it out again.

Alright, Lucine
whatever is written
on your body, you
shall become, until
crossed out!

How should I know?!

Did it work?

Well try it out!
Let me write on you!

No way!
James will do it.

Sure hon. What do you want me to write...

Need to loosen up...
drunk people are
good at partying...

You sure?

Hm... well... let's go
with what everyone
suggested before.
Let's go with
drunk.

Yeah. It's a good
opportunity to try
that state, without
having to actually
drink!

Was she really
never drunk
her whole life?

Once at a party in her
youth, she almost died
from alcohol poisoning. I
think since then she has
a no alcohol policy..

That's...
horrible.

I feel great!
Woohooo!

So, Lucine. How
do you feel?

drunk
Holy... It
really worked!

Yup your wife
seems utterly
drunk.

NEED to loosen up!

Write something completely out of character!

Hell yeah, do that!

Maybe I should write something perverted!

That was actually a joke... but I guess I'm going through with it...

Yeah, write something perverted!

After some fun time with drunk Lucine James was called to join Marco and others at a game. Charlotte convinced Lucine that being a bit tipsy isn't enough of a change to really let loose...

Hm... I'm normally not into girls... but for 300 I'll eat the both of you out.

So Lucine... how much do you charge for sex?

Holy... it really worked! Her posture changed completely. She's sitting with her legs spread wide. And that confident... slutty expression...

After enjoying some hot and dirty small talk under colleagues...

All this sexy talk got my pussy gushing and my mouth run dry.

I'm going to the bar to quench my thirst.

Sure thing girl. Knock yourself out.

I never expected that the hypnosis would work this well!

To tell you the truth, I thought this would be a waste of time. But I have to admit I'm wrong.

This party is a blast!

Sooo, what do you say? We hav' a deal?

You betcha!

Lucine, are you drunk?

I don't even have a 100 bucks on me. Aside from that, we work together and ...

Alright, 50 bucks and I give you the best blowy you can imagine.

Oh yeah!
Give it to
me baby.

Shoot your
hot load all
over my
face.

Gimme
that cum!

OH YES!
Cover
me!

Gurgle

Gulp

Slurp

Your cum,
tastes
delicious!

**Now. About my
money...**

Yeah. Of
course, here
you go.

And if I may say so.
Your skills are amazing!
In, and out of the
office.

Well dear, that's
why they call me
professional.

In- and
out 'a the
office.

One "cross out" later...

There you are!
I'm so glad I
finally found
you!

You are back to
normal now,
right? RIGHT?

Please tell me you
didn't do anything...
you know...
whorish...

Uh... Eh... Nooo...
Of course not!

You sure everything's
alright? You look like
you've seen a ghost
girl!

Yes, Yes! I just
remembered all that
dirty stuff I said. I'm
so embarrassed -
Yes, that I am!

Ah no biggy.

I lost you out of my
sight for a moment. I
was so afraid you...
something might have
happened. I'm so glad I
found you in time!

Yeah... Ehm... Thanks...
for... saving me.
Wouldn't want to stay
a whore forever...
Haha...ha...

OH MY GOD! What
did I do?! How could
I do this to James?!

With Dylan? He's
more than 10 years
younger than me!
He's basically a
child.

Me giving a blowjob
in the backstreet?
That's so dirty.
Urgh!

I can't tell my
husband... I
can't tell
anyone!

Oh my god.
Facing Dylan at
the office will be
so embarrassing!

Thank god I'm still
feeling drunk. If I could
think straight right
now, I'd probably
collapse!

Back to the present

And back to the present.

Okay. That should be easy to act out.

So, let's see what did you write...

Oh my... I certainly did not expect that...

Just something that popped in my head. If you are uncomfortable with that, we can...

Nonsense! I told you this one is all about you.

I guess I just expected you'd turn me into a blowjob loving slut that is addicted to your cum.

Would you have liked that?

Maybe... But too late!

Now all I am is...

Don't know why she's suddenly into roleplay. But her sex doll performance deserves an Oscar.

Even her eyes seem blank.

And that pose... looks really inviting! Better get to it!

All right my little sex doll. I'm gonna use you to my hearts content!

...

Play with me.

Please use me.

Uh.

Uh.

Uh.

Feeling a tad bad for plunging in right away... but she was super wet from the get-go... and hey it's a sex doll RP...

Uh.

Fuck dolly.

Uh.

Uh.

Uh.

Dolly loves sex.

Sex doll

Uh.

Use me.

Uh.

Uh.

Uh.

Dolly loves
cock.

She's really not moving
at all. Her hands
basically locked in
place.

And that
monotonic
voice...
wow!

Sex doll

That blank stare it driving me over the edge! I'm about to...

GRUNT

Use dolly's tits.

Uh.

Uh.

Cover dolly.

Uh.

Uh.

Dolly loves cum.

Store dolly away?

That is so my wife. If she does something she cares for the details.

Hm... Now where did I put that pen?

Wow... That was great!

Uhh... Hun?

You can stop now...

Oh right! Cross out the writing!

Sex doll

To be Continued...

Hello, Hexxet here.

I hope you enjoyed reading. In Scene 04 Dylan starts watching the tape of yesterday's party in order to find out what has happened to him. We will find out what's behind Sayo's & Isabel's strange behavior. And of course, we will find out why Dylan has no memories of said party.
