

Office Party – Scene 07 – Part A

Back at the Office

All the office staff has gathered in the lobby awaiting a dress-code inspection ordered by Stacey.

Bored

July's outfit is so ridiculous not even I know what to say!

What's wrong with this girl...

Holy shit that's pink. I guess I could dig that... but at the office? Really?

It is kinda weird...
Talking with them here at the office after that weekend.

Morning! Love what you've done with your hair, Mistress.

Hey, Sayo, cute collar. Where'd you get that? Sexshop?

He looks so manly just standing there...

SWOON

All the office staff? No! One guy always comes in late, and he is still fucking Nicole in his bedroom.

Moan

Getting close!

Groan

Me too!

Oh Yes!!!!

GRUNT

Maybe I should take it slower... I've thought a little bit about what I've done...

Hi guys.

It's really from a costume my boyfriend bought for me... Just laugh it off!

Ha-Ha. Very funny!

Cute collar!

Sex-shop?

Nice scarf, Isa.

Shit!
I'm late
for work!

Sorry!

Didn't think
about his work!
I only have
nightshift
today...

Don't be!
Wouldn't want
to have missed
that! But I
really gotta go
now.

Yes. Of course!
Give me five. I'll
get dressed and
I'm outa your
hair.

You know, it's
fine. You can
stay. Just close
the door when
you leave ok?

You sure?

Yeah, it's fine.
Make yourself
at home...
love.

Ohhh.
You are
so sweet!

You like it?

Holy... July!
You look like a bonbon!

Marco. Same as always, I guess.
chuckle

Oh god! I don't know whether to kick her out for wearing that or praise her for eagerly following my orders...

It shows great enthusiasm. Good work, July!

The world is going insane...

And I'm basically abusing these people to satisfy a weird suggestion...

Hi guys.

Alright. Let's get back to work.

This is too much pink for one morning!

Please don't notice me.
Please don't notice me!!

What's up with this dress code anyway?

Of course, Charlotte's not following the dress code!

I need to stick it to her, once and for all!

Dylan!
You are
late!

Shit!

Holy... That's
Dylan? I
almost didn't
recognize
him!

Yeah. He
looks
different.
Different
good though!

But I see, you
have taken my
E-Mail to heart.
Good boy! You
are safe.
Move along!

What
E-Mail?

That stupid dress
code is more
important to her
than the fact
he's late?
AGAIN?!

That's because I think this is stupid and I don't see any relevance to our work performance!

Charlotte!
Now to you.
You are not wearing anything pink.

Come to my Office in an hour!
You've sabotaged my efforts enough over the past years. It's time to draw the line!

Screw this!
I guess it's time for plan A.

I can't believe this. She's finally gone crazy!

Sure. I'll pay you a visit soon though.

Okay.
We are leaving Mistress.

Hon let's go.

If she's not following my orders she needs to be punished. I need to control her!

As Dylan enters his office, he finds the girls gossiping - as they often do, though Sayo looks a bit flushed.

Morning!

Wow... for some reason. Isabel's breasts are really distracting me today...

So, he's here. Get yourself together Isabel! Show this sloppy dressed weasel who's boss. Damn it! Break ups are never easy...

Wow! You look different!

Oh, hey Dylan.

Isabel starts talking with a forcefull voice as she turns around, but as she sees Dylan her resolution falters...

So. What did you want to talk about?

Fuck! That voice! He sounds so... confident!

You need to break up with him Isa! For Layla!

Meanwhile at James' office...

Fuck I'm horny!

Can't concentrate like this...

I need release...

Might take a while.

Gonna use my wife for a bit.

Whatever you guys need to do. *chuckle*

Uhh... okaaaay...

Creepy choice of words...

Ah, whatever!
What Nicole doesn't know...

Also, look at these babies!

Gonna keep her around for a little longer!

Wow. He's completely different from last time.

He's quite forceful... but that's exactly what I need right now!

Oh god. Why does something so wrong, feel so right?!

His hands feel really good on my breasts...

My nipples are already rock hard!

Lick

slurp

Dylan!
What are you...
Oh!
Oh my!

This might get uncomfortable soon... But right now, it's just really arousing!

Oh yes!
Take me!

I'm just doing what ever I want with her, and she fucking loves it!

My old self would be second guessing himself right now.
Never again!

And at the same time Charlotte ranting and scheming at her desk...

Fuck morals!
I'm gonna take it all!
Stacey is going mad!
And she did not
deserve this company
in the first place!

I should have become
the lead when the old
man left. But no! The
little daughter suddenly
had a wish to step into
daddy's footsteps.

If Lucine is right,
I have all the
pieces in play to
use Stacey's
suggestion!

Charlotte thinks about the party to remember how Stacey's suggestion came into play. Even though she was there, she does not realize that Stacey's control issues are also suggestion induced. Charlotte's too focused on the important suggestion yet to come...

Absolutely! Stacey you are totally controlling! Sometimes I feel you try to control every little detail about our lives!

Sure, you are. You always want to stay on top of all of us.

But that's fine. I mean, that's your job, right?

No, I'm not!

You are so controlling!

Yes! Absolutely! Stacey this is a great idea!

You know Stacey, with the party and all. I think we should be allowed to come in late tomorrow.

I don't know...

Alright you guys. Tomorrow you can come in whenever. But don't stay completely absent!

I do agree. It will get late today.

Ha-ha! You are very agreeable today. You know, you should always go with our ideas if three people say it's great.

Yee! Open end party! Stacey you are the best!

Absolutely. Charlotte's right. We are your employees. We are all working for the same company. You can rely more on us Stacey. We'll give you good advice, I promise!

Alright you guys. I'll listen to my staff's ideas in the future! I mean, if three people agree on something there must be something about it. I do value each and every one of you very much, after all.

She's right. You don't have to do this alone. You should include the crew more in your decision making.

Oh!

You sure
you don't
want to...

Oh!

Oh!

Oh!

fap
fap fap
fap fap

AHH
HHH!!

My turn!

spurt

What are you...

huff
huff

Oh yeah. What a load!

Really?! I have to get dressed now!

How should I clean myself up in here?!

Enjoy that feeling while I go and get you some tissue.

Oh Chillax! Just remember that you really love the feeling of cum on your skin.

So, James
it is!

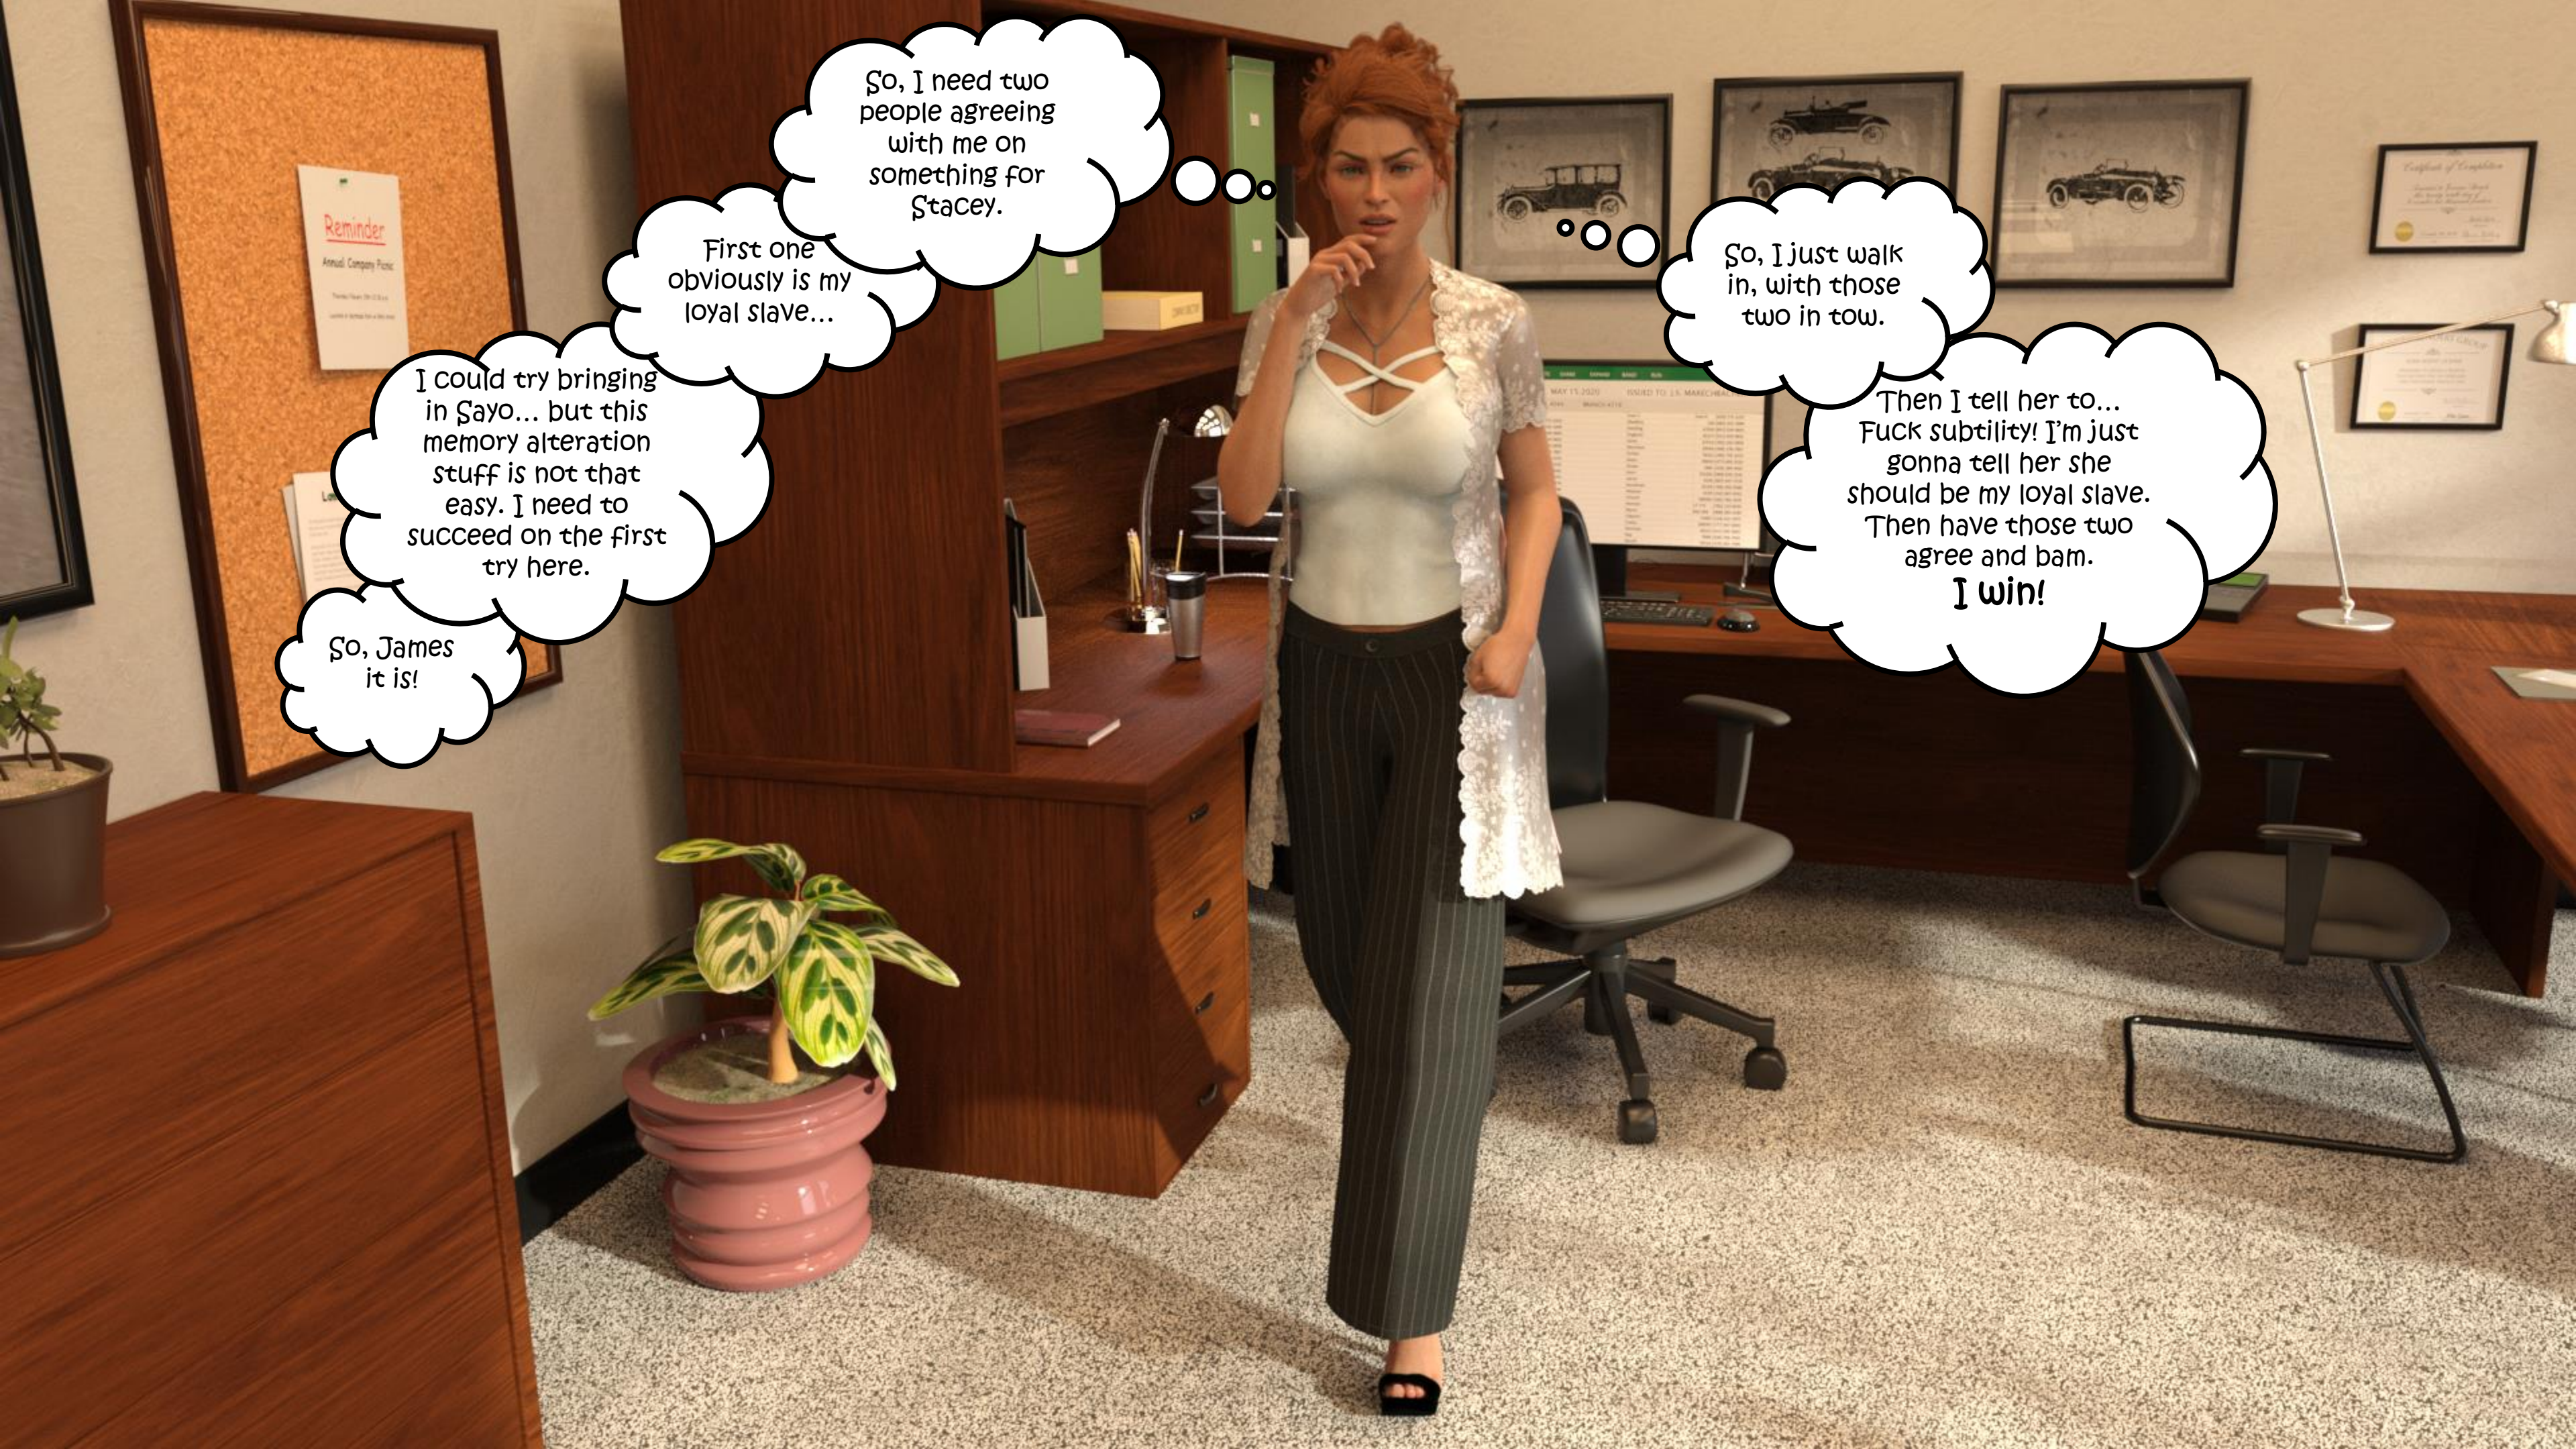

I could try bringing
in Sayo... but this
memory alteration
stuff is not that
easy. I need to
succeed on the first
try here.

First one
obviously is my
loyal slave...

So, I need two
people agreeing
with me on
something for
Stacey.

So, I just walk
in, with those
two in tow.

Then I tell her to...
Fuck subtlety! I'm just
gonna tell her she
should be my loyal slave.
Then have those two
agree and bam.
I win!

He can take his time... I love this sticky feeling! I just hope no one needs to print right now!

With tissue!

Alright. Back in a sec.

Yeah. Yeah.

In the meantime Lucine, James' cum-slut, has started to fellate him.

Take it all in!
I'm gonna
fuck your
face.

Yes!
I love your
COCK!

Ohh yes!

gack

Oh yeah!
I'm getting
close!

Mhhh!
Give me
that cum!

Cover me
with your
love juice!

I wanna
taste it so
bad!

Oh my god!
What the fuck
are you doing!?

That's
disgusting!

Aren't you a bit overreacting? I'm just using my cum-slut here.

Too much information!

Now put that thing away. I've something important to say.

Sorry hon. But being her slave comes before being your cum-slut.

Common on hon. Just a bit more. I'm really close. Then you two can talk as much as you want.

This is sick! It's only natural for me to use my cum-slut.

What kinda sick deranged person you gotta be to interfere with what's going on between a man and his personal cum-dump?!!

At the same time in Stacey's office...

I'll reduce her salary... And if she complains further... I'll have to drop her. There is no place for employees that do not obey their boss at my firm!

But she's always like that.

Yes, the dress code might have been a bit irrational...

Stupid Charlotte!

Ring

Ring

Who's calling now of all times?!

Yes? What is it?!

I'm sorry if I'm interrupting. Am I speaking to Stacey Alcone?

Yes. Who is this?

So, we walk right in there. I'll give her a piece of my thoughts and then I will suggest something to her.

You simply, verbally agree on that. Then you guys can leave. Got it?

Yes, Mistress! Though there is something I like to tell you about...

Can it wait? We got a big fish to fry!

Of course, Mistress.

Uh guys. I don't know. This seems weirdly abusive...

It must be those suggestions!

I'm Vincent Valentine. I have something very impo...

Who?

I'm Vincent. Erm... The hypnotist from the party... You hired me?

Oh... Okay. What can I do for you, Mr. Valentine?

Oh no. It's more of what can I do for you.

You see... it's like this... I've received several complaints these days... that some subjects at another party still had lingering suggestions.

So, I was wondering if that was the case for you guys as well. If so, I can come over right now and remove them. Free of charge of course!

Stacey thinks back and remembers events that might explain Julie's recent behaviour.

Nothing to add there. It's not fair for the others and generates conflict. So please follow the rules, so we can all make the office a better workplace.

You know July. I do think you are a helpful addition to the office. But you should care more about office policies.

There were some... inconsistencies with your work time records.

Yeah July. I know it's your first job, and it's no problem, yet. But take this as an advice for the future. Office rules are important.

A good working environment is very important.

Damn it! She found me out...

Yes! Sorry! Will do!

All right! Enough killing the mood. This is a party after all! So, let's party!

No way!
Is this why
July is acting
so... eager?!

If the suggestions
from the party
are still active,
this could be
dangerous!

But... if that's
the case... I...
might use them...
to take control?

Mrs.
Alcone?

Hello?

Ah sorry. I
was thinking.

Currently I am not
aware of any
troubles with
lingering suggestions
as you call them.

So, there is no need
for you to come over.
But I will ask around
the office and will
call you if any
troubles should arise.

Alright.
Thank you very much
for your time. And
sorry for any
inconvenience.

Oh, thank god.
Everything's fine.
I feared I had
fucked up at
their party as
well!

If Julie's trigger is still active... so is probably Lucine's writing? I need an excuse to scribble on her...

I need to test this further... but there is no other explanation for Julie's eagerness. The girl was fucking lazy before that party!

Oh, my goodness!

This is it!

With those suggestions in place, I should be able to finally shape this office into a productive work-oriented environment!

Oh god what else happened at that party... Think. Oh! *chuckle* That should have been a trigger for Marco ha-ha!

Though I would not want to activate that one myself... Maybe I can use July for that.

Thank god I didn't play around like those idiots. I should be suggestion-free!

Wah!

That must be Charlotte...

Come in!

Knock

Knock

Stacey,
you are
mine!

Knock
Knock

I'm gonna
show you
Charlotte!

To be Continued...

Hello, Hexxet here.

I hope you enjoyed the first part of Scene 07. Part B will continue right where part A ended - the showdown between Charlotte and Stacey. Will Charlotte's plan work out without a hitch, or is there something that can still through a wrench in her works?

Also, James is still horny as hell! We definitely need to do something about that as well...
