

**Office Party – Scene 07 – Part B**  
Charlotte vs Stacey

Keep acting all high and mighty. It's Charlotte time!

Hi...  
Come in.  
Take a seat.

I'm the first one to admit that you are an asset to this office.

You've done good work these past months Charlotte.

But there is more to a functioning office than being good at what you do technically.

It's teamwork! And that's what I think you are lacking.

Now I'm willing to keep you here, but I need to set an example.

Cause I am serious! I won't tolerate any more rebellious...

\*chuckle\*

What's the meaning of this?!

James?

Lucine?

Isn't it obvious? You are turning nuts Stacey. And I'm here to take over.

Taking Over? Ridiculous!

Oh, how I love seeing you freak out Stacey!

You've never deserved this company!

Little "business schoolgirl" wanted to play with a real company?

More like daddy's girl got her wish? But every dream comes to an end!

You can't be serious...

Erm. Charlotte. I think I should...

Bzzzt!  
Hush Lucine!

I'm like trying to co... con... conc...

I'm like trying to think!

Back at the party...

This should be fun!

Well DUH. Yeah, I'm thinking stuff through. It's nothing I can just stop with the push of a button... But I can have fun anyway!

You know... that's actually a cool idea. I think you should be able to stop overthinking everything just like that!

Totally! Like when someone calls you a ditzy bimbo, you lose half your brain capacity and are reduced to a stupid bimbo just thinking about having fun!

No Charlotte, they are right. I agree with them.

Guys! Stop it! I really don't need that!

Yup! What she said!

Of course, after installing said trigger, one had to use it, right? And so, Bimbo-Charlotte soon was up on stage. But we are getting off topic...

This is taking up  
too much time!  
And I'm still  
horny!

Fuuuk.  
What am I  
wearing?

This is  
soooo  
booring!

Like what  
was I doing  
here?

Right! Like  
can make  
Stacey do  
stuff!

So, Stacey!  
Like work  
clothes are  
soooooo  
boring!

You should  
like totally  
make the dress  
code all slutty  
and stuff!

What about the plan, Charlotte?

Plan? Uhm... was there... more?

Yes, Mistress! You wanted to take control of Stacey!

Right!

\*DOH\*

Also, I want you to make like sweetest love to me, Stacey!

Alright. So that's the plan. Okay. I agree with her. Slutty dress code and love making.

Can we go now?

Yeah, I guess... Go with what they said, Stacey.

Great! You two can like leave now. Stacey and me wants some alooone time.

Strange plan...

Still hungry...

**SMOOCH**

This can't be happening.

**Grab**

...

Was that  
really the  
plan?

Okay...  
Mission  
Accomplished?

Hell!  
Yes!

Now we are  
talking!  
Yes!  
Let's go!

Welp...  
Mistress  
looks happy.

Yup...  
Say...  
Are you still  
horny?

How about we hit  
the bathroom, and  
you show your little  
cum-slut how much  
cum you've saved  
up right now?

I bet you are  
hording a huge  
load. But I'm sure  
I can catch it all!

Her lips  
taste nice

Mhhhh

Meanwhile, James and Lucine have found their way to the bathroom.

Oh, you poor man! How long have you been hiding this hard on?

I'm so sorry! No ones going to disturb us here. I'm gonna make you feel so good!

Never went limp from when you stopped blowing me...

Couldn't get my mind of shooting my load down your throat.

Mhhh I've been waiting for this too long!

slurp

Does my tongue feel good? Your cock's already twitching.

Shall I go slower or just...

Stand up. I want to fuck you.

Uh. Nice!  
I thought you just wanted to dump your load real quick, but  
It's my pleasure to receive your cock in my pussy!

Alright! My turn!  
I know you want  
to make my sweet  
pussy feel like  
real good, right?

Rub yourself  
while you do it.  
Yes! Just like  
that!

Oh Yes! I  
can't wait to  
get you off!

I'm not into  
women...

Oh wow! Stop!  
I need to sit  
down. My legs  
are like all  
weak.

You know  
what would  
feel like really  
good?

Your tongue  
like all over  
my clitty!

MOAN

fap

And I  
hate her!

But I'm  
compelled to  
play along!

And make this  
as "sweet" as  
possible for  
her. Urgh!

Oh Yes!  
YES!

Your tongue  
feels aw...  
aw...  
I feels great!!

Keep going!  
Just like  
that!

I'm close!

Lick

Lap

Shoot your load all over me!

YES! Give it to me!

groan

squirt

What a load!

That's so sweet. But you know, you can just command me to orgasm.

Oh no it's not you. I just decided yesterday that it was a good idea to cum on command from now on. So, it's what I do now.

I just wish we had time to get you off as well.

Uhh. Really? Since when?

O...kay... Cum now?

Lucine does what I say. Yee!

But what about Sayo and Isabel? I doubt they'd...

Chillex! Like that's sooo easy!

They have a ... trigger? Like word. Wait... I'm trying to remember it...

**Remember!** That's like their word!

Just tell them like to remember that was like what they always wear!

All goody, see?

James is cool... Dylan's like stupid. And Marco is horny. He'll like!

That's a hard one... Like you think about that! My head's autch.

What about July? And the boys?

And July?

Was eating out  
my nemesis  
worth obtaining  
that info about  
Sayo and Isabel?

Guess it was! I can  
just make them  
remember stuff?!  
That means I can  
take control of  
them!

Alright. I'm gonna  
put this dress  
code fiasco on a  
back burner.

I need to take control  
of the office before  
the real Charlotte  
comes to, or somebody  
else discovers my  
trigger!

Also, I should avoid  
speaking to three  
people at the same  
time I guess..

You can do this Stacey.  
Just concentrate,  
make a plan and go  
through with it. Just  
like you've learned in  
business school.

Stacey's like a cool boss  
if you get to know her  
like closer. ha-ha. Like  
much closer!  
**Yumm!**

**MOAN**

Mhhh

**SPASM**

Cool.  
Probably another suggestion in the works...  
But I'm fine with that one. I wonder if I can...

That's a little underwhelming though. Please cum again but real hard this time!

Nice!

That's my girl!

**MOAN**  
Ahh hhh!

**MOAN**

I need to do something!

But... I can't just be hitting the bathroom every time I want to dump a load...

Oh! Some of the cum has landed on the counter!

If they can use the suggestions against a man using his cum-slut wherever and whenever he pleases... I can use them to set things right!

Yumm!

Lick

Somewhere else at the office.

Hey there  
Dylan!

Looking  
good!

Oh  
thanks.  
You... are  
very pink.

Uhhh...  
Oookay  
...

DUH! It's to  
increase work  
productivity  
after all!

Well, I just  
wanted to tell  
you that I think  
it's cool you are  
following the  
dress code as  
well.

I think it's very  
important to make  
this workplace the  
best it can be by  
following the rules

Uh yeah...  
Everything  
for work.  
That's me!

Cool!  
It's so good  
to have a  
kindred  
spirit.

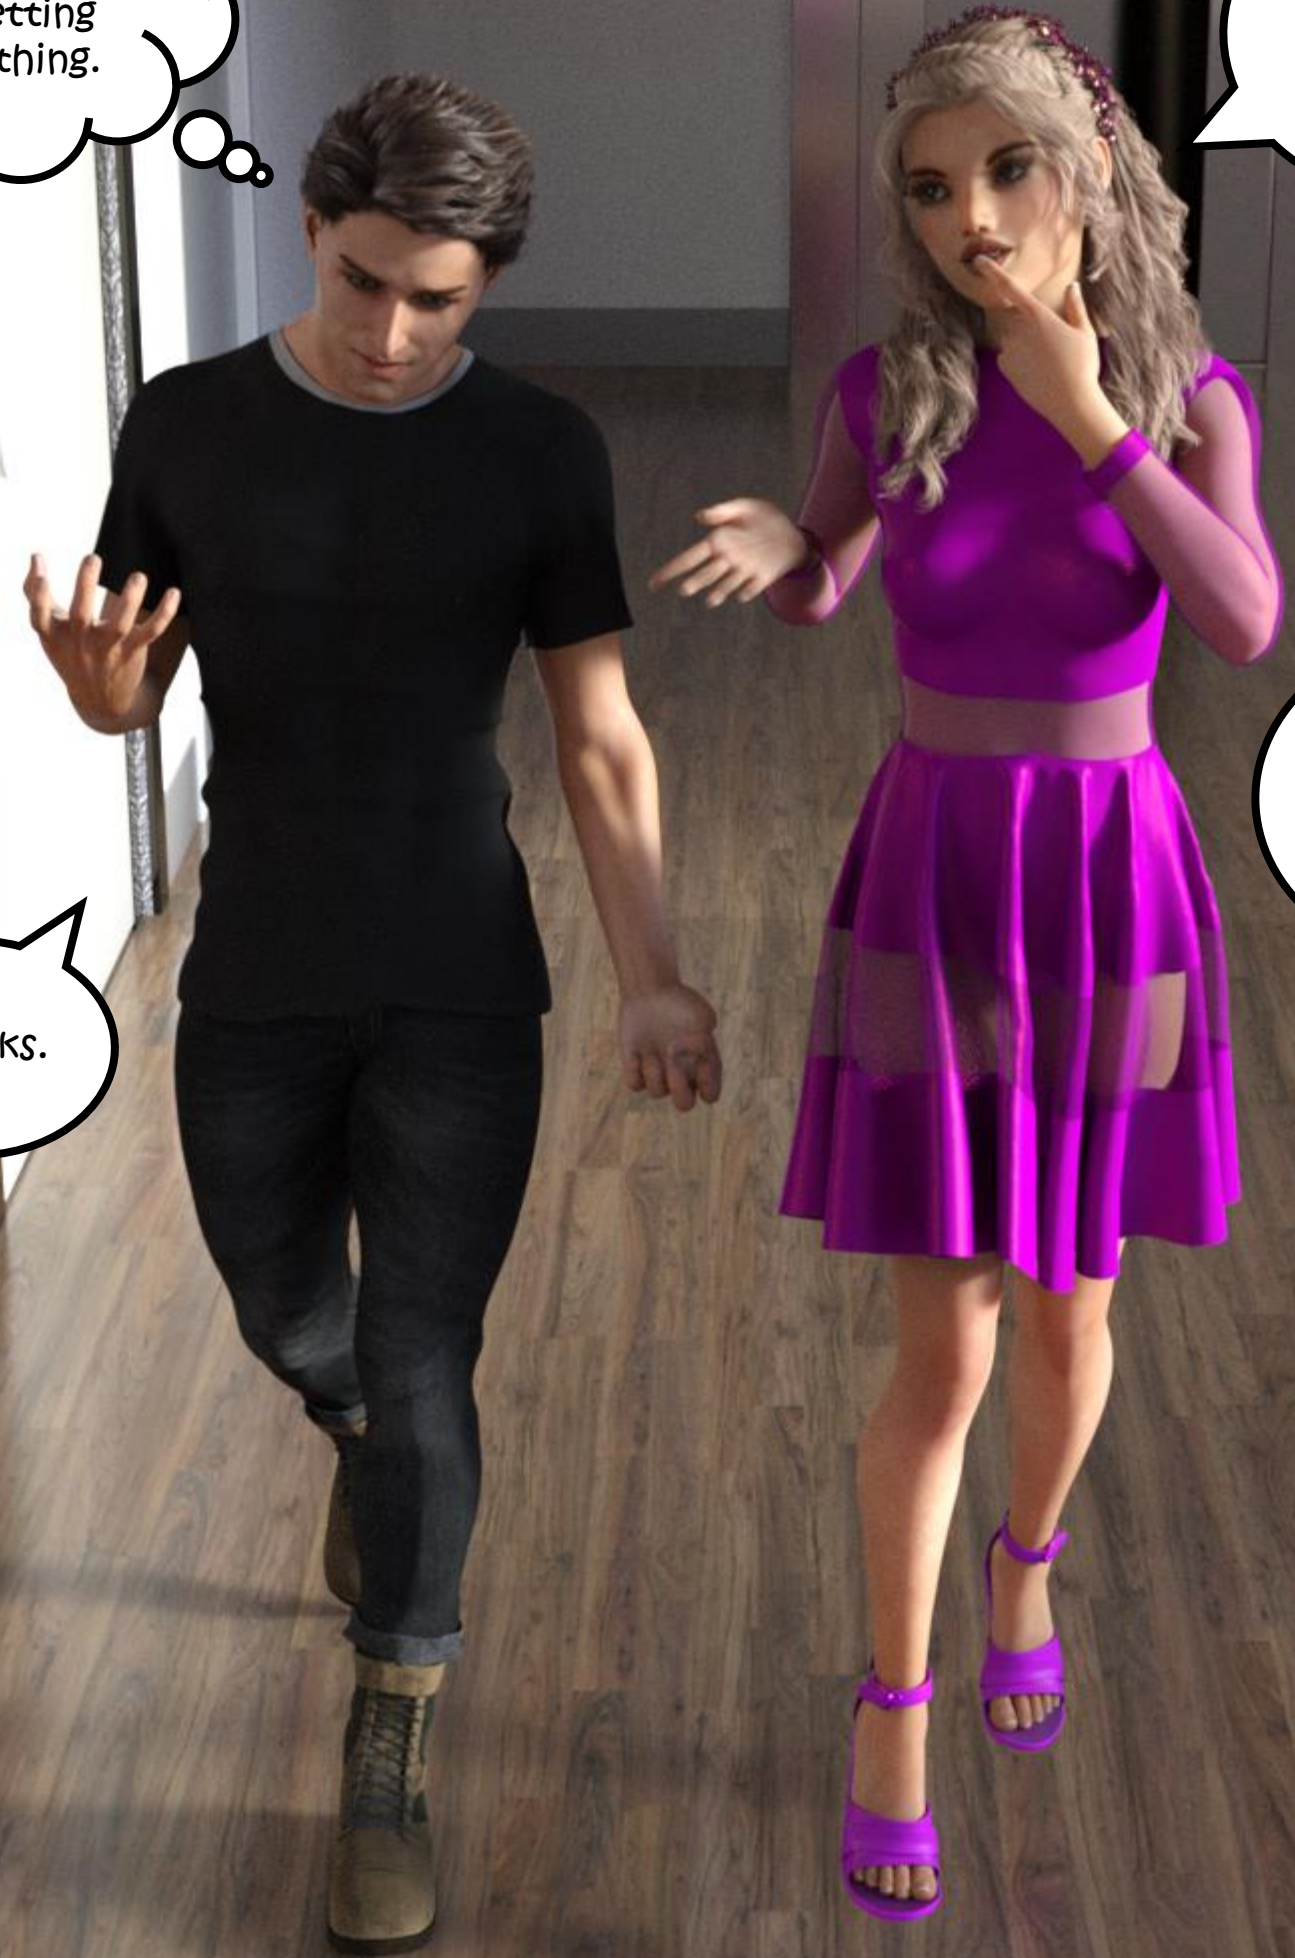

The others are  
taking the new  
dress code not  
serious at all!

I feel like I'm  
forgetting  
something.

Thanks.

Anyway. I  
also think  
your new  
look fits you  
really well!

You look so  
much more  
competent  
and  
confident!

That was pretty strange...  
Still got this nagging feeling... Ah whatever.  
Fresh coffee will make things right!

Dyyyyllaaaan!

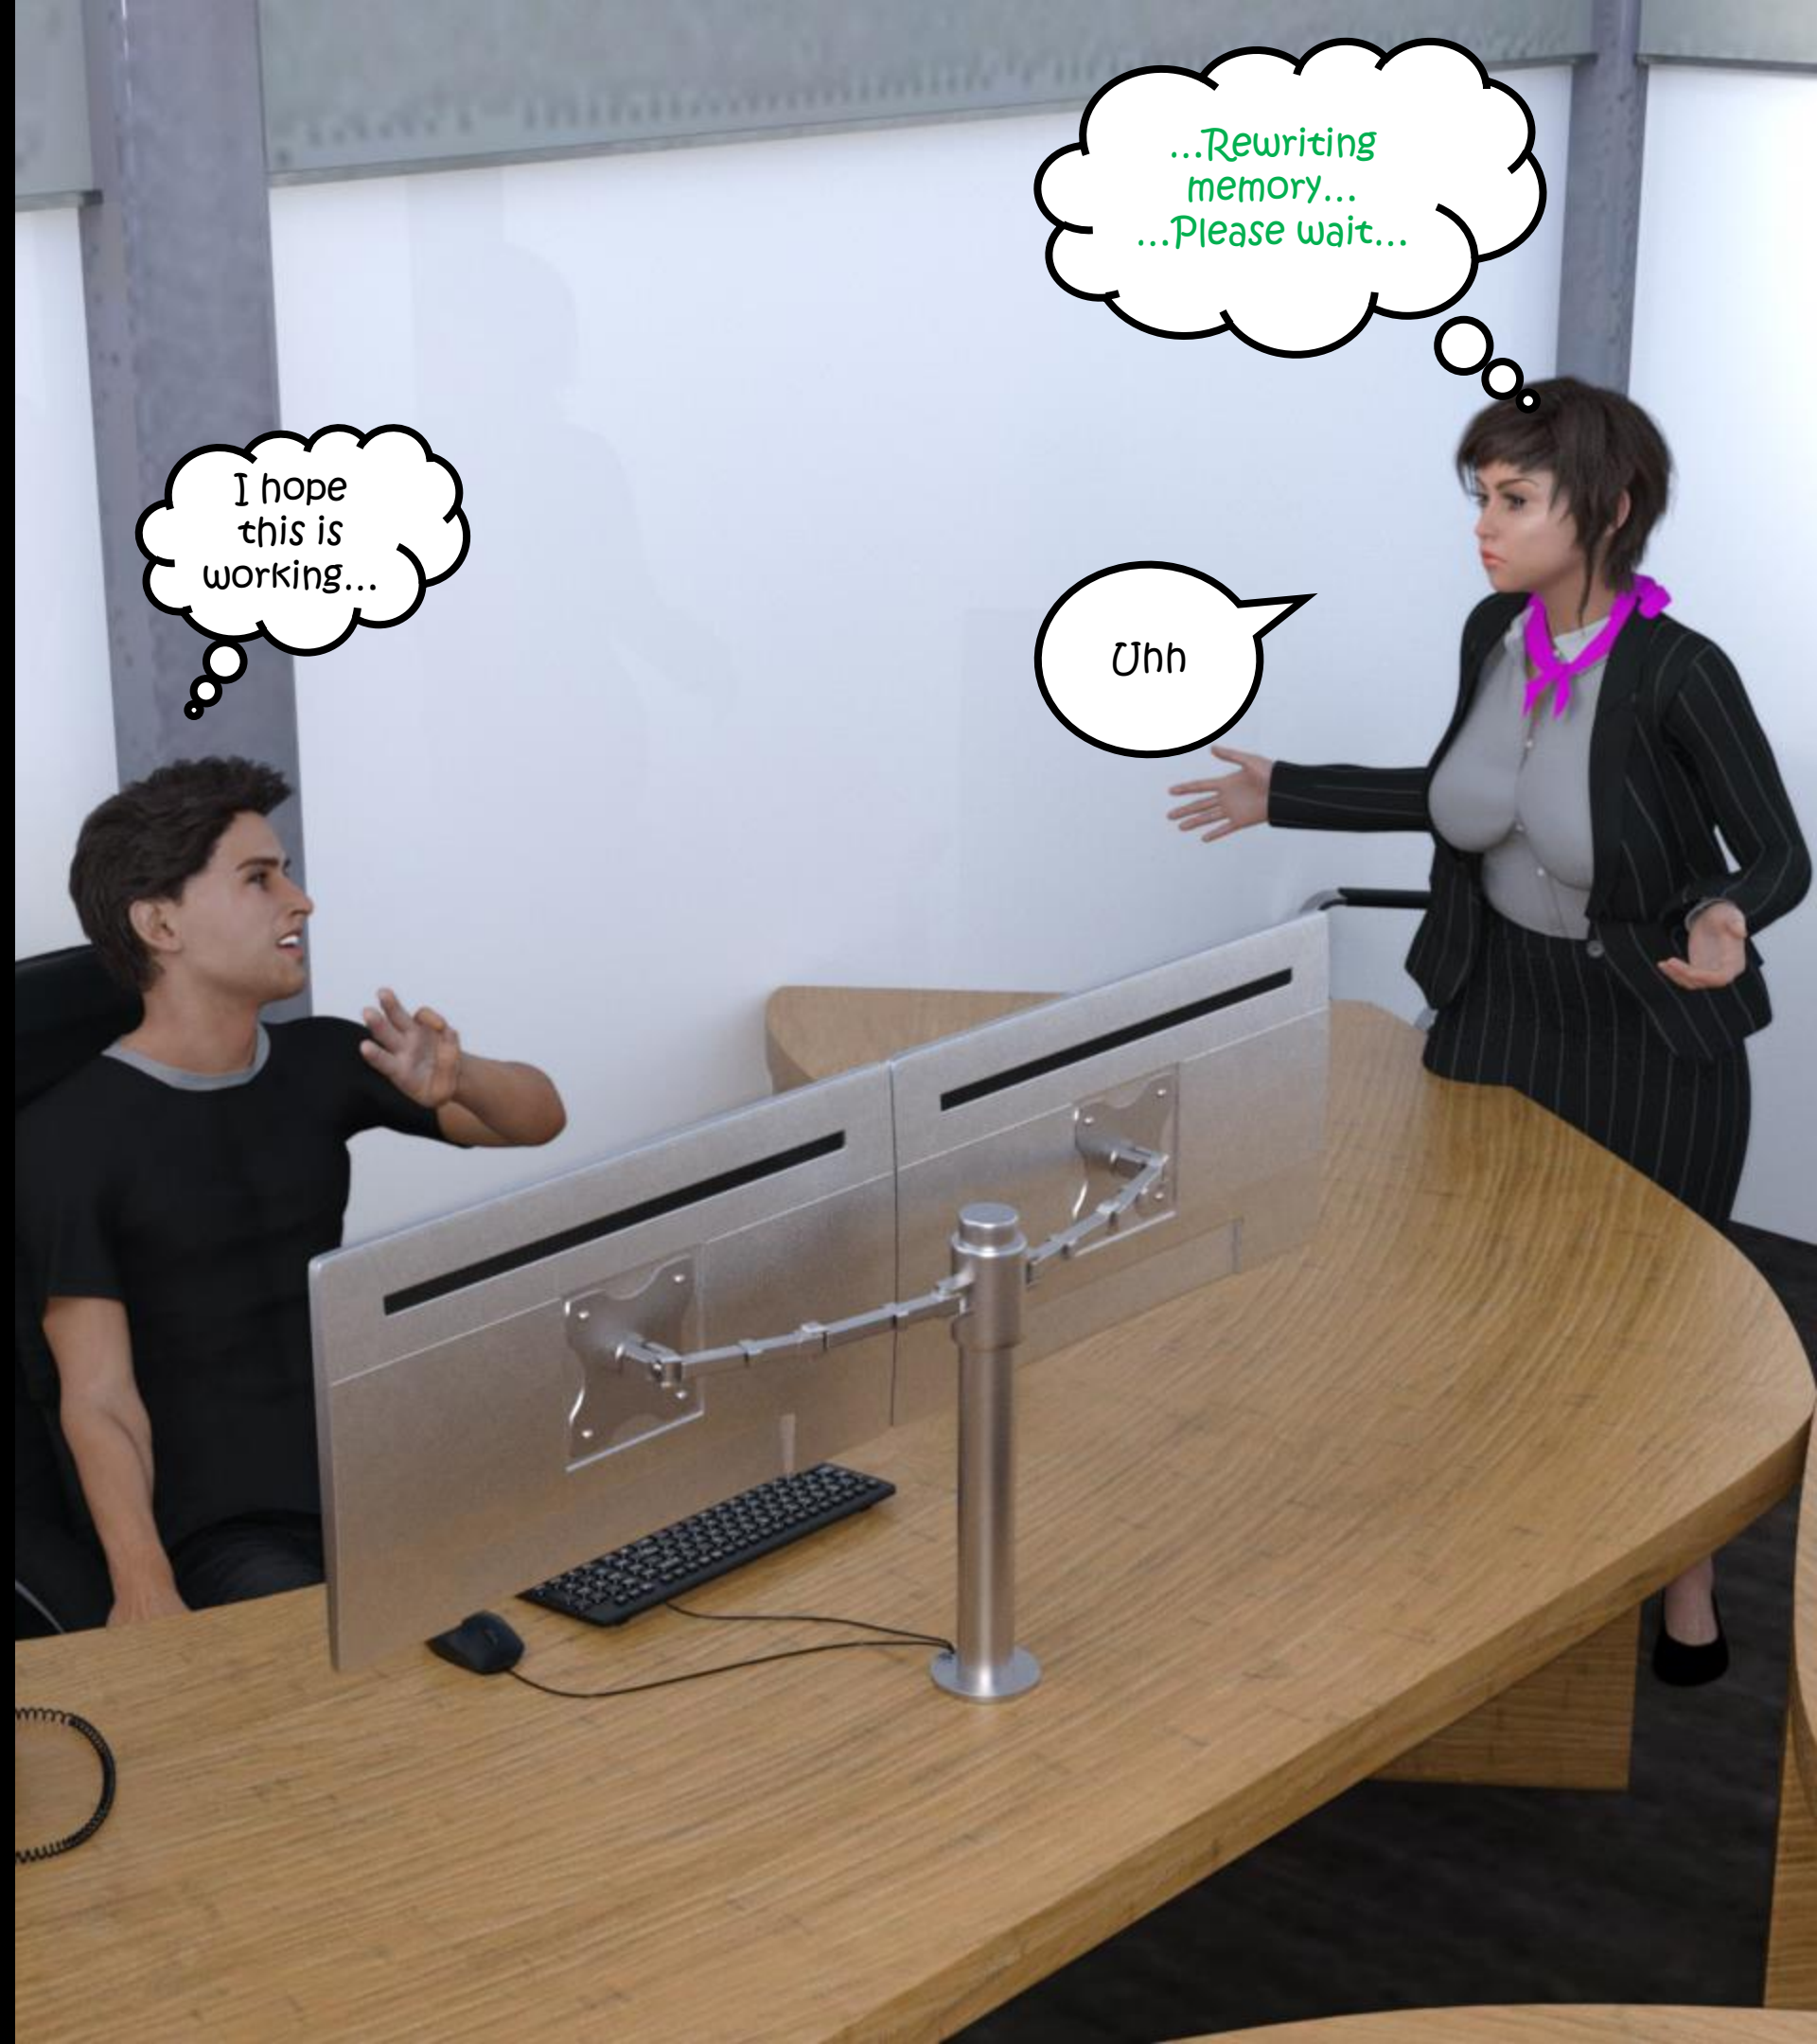

How dare you keep me hanging!

I was waiting for more than a quarter hour, believing you'd come back!

Oups!

I mean... it was kinda nice being covered in cum and all. But that's not the point here!

Sayo enters the office...

Hey guys.  
What's going on? 1

Nothing! 2

# To be Continued...

Hello, Hexxet here.

I hope you've enjoyed Part B of Scene 07. The situation at the office is getting dicier by the minute as more and more people know about the suggestions. Part C will mainly follow Stacey. Will she be able to form her own plan in time or does something break her concentration? Also, what about the new slutty dress-code?
