

Office Party – Scene 07 – Part C

A new dress-code

So, if I do that...
And I need to
remove Charlotte's
control over
Lucine.

Best case scenario,
taking control over
her myself. Should
be easy. I just need
to write on her!

Can't be
too hard,
right?

Uff!
My thoughts keep
wandering off to
implementing Charlotte's
ridiculous dress-code!

Argch!
Headache!

Every time I try
and refocus, my
head hurts like
hell!

FUCK!

I need to fix
the dress-
code first!

Still not used to using a mouse! Hell! Why are they using such ancient technology here?!

Why can't this be a touch screen like my phone!

Just touch whatever you want and you get it. Uh, Marco! *swoon*

Hi there.

Oh dear. What does she want again?

Oh! Hey, Stacey! What can I do for you?

I'm very proud of you going with the dress-code today.

It's a very good start, but from tomorrow on I want you to go really slutty.

Sorry Stacey. Did you say slutty?

I did. Don't worry, it's for improving productivity her at the office.

Oh. Alright... I can do slutty!

Great!
I knew I
could count
on you.

Why is she
so friendly
all of a
sudden?

Since we are
already on
the topic of
improving
this office.

Wouldn't you
say, it'd be more
convenient if
more people
followed my
rules?

Uhm...
Yeah. I guess.
You've the
office's best
interest in
mind, after
all.

So here is
what I want
you to do...

What?!

But... I
can't! He
doesn't even
like me!

Also, I don't
get how that
will achieve
anything...

Damn it. That would have been too easy, I guess. Shit. The headache is coming back already!

His are still active! When he is... sexually pleased by someone, he will do anything asked of him afterwards.

Remember the suggestions from the party?

And for how to get him to...

He's not the guy for a long-time relationship... Not yet at least *wink*.

But if you offer him... you know... a one-time thing, I'm sure he won't refuse.

Oh! You are a genius, Stacey!

I'm looking forward to Marco and me working beside you!

Together I'm sure we can make this office a great working environment!

I'm basically getting paid to fuck my crush?

Best job ever!

If Marco's suggestion is still active... I wonder if others are as well...

Oh, and Stacey. You look really stressed out.

You should probably head home and rest for today.

I'm sure I can show you... results tomorrow.

Thanks. That's very kind of you.

But there is still a lot I need to do.

See you later.

She's a nice girl... Argh. Headache!

Need to get Sayo and Isa to dress up ... slutty.

As Stacey is on her way to Sayo and Isabel she spots Lucine exiting and then re-entering the file cabinet. Stacey's headache is increasing, but this is a chance she can't let slip by. If everything works out, she can free Lucine from Charlotte's clutches and take control herself!

Hmm...
I probably
should make
a copy I can
take with
me.

Hey!
That's Lucine.
And she's alone
in the file
cabinet!

And
back
we go...

Now I just need to...

Stupid printer!
Always running out of paper on me!

Wah hh!

Stacey!
You've startled me!

Damn it!
Is she on
to me?

Hey!
Were you by
any chance
trying to write
on me?!

Uhh...
No?...

Too bad.
I'd really like
that!

Erm...
I mean... I
could, if
you want
me to.

I happen to
have a pen
with me!

Oh Goody!
What a coincidence!

Here let me
take off my
jacket.

Write
wherever and
whatever you
want!

I love being
changed...

Oh dear!
What has
Charlotte
done to you.

Damn! There
is so much I
want to
write.

I need to
free her from
Charlotte's
influence.

And take
control
myself...

Argh!
Headache!
Urgh!

Meanwhile July has found her way over to Marco's desk...

sigh
Young
unrequited
love...

Hey
Marco...
Can we talk?

Sure
thing.

I mean...
alone?

Uhh
Okay.

Oh dear.
What's coming
now. I'm no
boyfriend
material!

And I know
that you are
not a man
for a single
woman.

So... I know that you
know that I like you...
And I'm aware that
you do not feel the
same. And that's
fine!

But I've made up
my mind! I want
you. Even if it's
just a one-time
thing!

Wait.
What?

Is she
for real?

I mean, I'm a
good deal, am I
not? Sweet little
eighteen, blonde,
nice bod!

So, how about it.
Follow me to the
bathroom? No
strings attached!

Never been surer of anything in my whole life. Get in!

You sure about this?

I'm gonna show you a really good time! Trust me!

Wow. Am I really going to have sex in the office bathroom?

We are probably the first doing something like this in here.
COOL!

SMOOCH

Her enthusiasm is kinda hot!

Fuck!
That feels
good!

Slurp

I'm
cumming!

GORAN

GACK

Never have I met
a girl who was
that much into
giving me head!
Fuck! I can't hold
it much longer.

She's driving me
over the edge at
lightspeed! She's a
cock sucking
genius!

Wow.
He came
a lot!

Oh, dear god!
I just want
him to fuck
me right now!

But I
mustn't say
that! Stay
focused girl!

Wow.
That was,
something else.
Thank you,
Julie!

Now, is there
some way I can
satisfy you?

Totally focused, Julie tries to speak, forgetting she still got a full load in her mouth...

I'd really like you to help me make this office a better workplace.

And for that purpose, I need you to follow any of Stacey's instructions in the future.

Okay... I can do that...

Can you do that?

But! Very important. To satisfy me you need to do both, following Stacey's orders and the following...

You need to become my boyfriend!

I can do that...

Wow.
So... we are
together
now?

Yup...

Cool!

How about you
return the favor
and show me a
good...

Sorry. It's
already late
and there's so
much work
today.

See you
later, love.

A woman with long, wavy blonde hair is seen from behind, wearing a vibrant purple, long-sleeved, backless dress with a ruffled skirt. She is standing in a bathroom, looking into a mirror. Her reflection shows her adjusting a purple and gold tinsel headband. The bathroom has grey marble walls and a white sink on a marble countertop. Several white thought bubbles and speech bubbles are overlaid on the scene.

My heart is racing! I feel hot all over!

It worked! It really worked! He's my boyfriend now! Finally, we can be together! I'm so happy!

My love!
He said my love!

Hmm... My hand's still sticky...

After having immobilized Lucine in the file cabinet, Stacey hurries over to Sayo's and Isabel's office but is met with an unforeseen obstacle. Dylan is there as well!

Damn it.
Dylan is here
as well!

Hi guys!

I've got some
troubles with
my PC. Can
you come fix
it, Dylan?

Now,
please!

So, erm...
are we
going?

I'm sure you
can find your
way to my
computer.

Gonna talk
with the
girls a little
longer.

Uh. Okay.
So, erm...
What exactly
is wrong
with...

Tsk!
I'm sure you
can figure that
out when you
see it. Now go!

Finally!
He's gone!

Now focus and
get this stupid
dress code out
of the way.

Charlotte said I
could make them
remember stuff
simply by using the
word remember.

Sounds easy
enough.

Alright girls, I want you to remember the true female dress code of this office.

God I truly hope this works!

Remember that it always has been "the sluttier the better".

...Rewriting memory...
...Please wait...

Yeah, sorry!

Oh my. I'm so sorry Stacey. I don't know why I'm dressed this professionally. I'm so sorry!

It's no problem girls. It's professional Monday anyway. But please remember to come in tomorrow as slutty as you can.

Sure thing, Stacey!

Will do boss!

I just hope nobody has gone in there and found her...

Oh dear. I'm all giddy! I'm gonna take full control of her!

I'll be able to control every small detail of her life!

Thank you, to all my Patrons!
