

**Office Party - Scene 8 – Part B**  
Early Morning Encounters

Can't believe she's gone... I've been trying to call her... sent her a bunch of messages... no answer.

Couldn't sleep at all tonight!

Obviously, she has seen the tape...

But why be mad at me? I didn't use her trigger!... Well almost. Just to get her come home with me.

I wish she'd at least talk to me...

Maybe I should come by the pub later today...

Good Morning, Dylan! Early bird catches the worm!

Am I still dreaming?

Erm... morning.

Aren't you missing something?

\*Duh\* Thanks for pointing out the obvious.

I know I'm not presentable right now. But there is so much to do?

Say can you go and get my documents from the printer and put them on Stacey's desk, while I put some on?

Sure... I'll do it right away.

point

Oh, hey Lucine. The office is quite busy in the morning!

Erm... Lucine? Are you al...

The writing! Her Suggestion! Does... Does that mean she believes she's a doll right now?

How long has she been standing there? And who did that to her?

I don't know what's going on here... But better safe than sorry.

Alright. Crossing it out now, Lucine.

Done! You are free.

nnequin

man

Obey's Dylan

Wow! Hey, Lucine! You, okay?

How long have you been standing there?

My back was really getting stiff!

Oh God Dylan! Thank you so much!

Oh god. Who did that to you?!

Hm... longest part of yesterday afternoon and the whole night.

Meanwhile Julie has reached the bathroom to get more „presentable“.

I'm not presentable like this.

Even Dylan noticed I was lacking something!

I need to look my sluttiest for work.

And a true slut wears heavy make-up, right?

You asked her to turn you into a mannequin and let you stand there over night?!

It was Stacey. But it's fine. I asked her to do it.

Well... not exactly. But I asked her to write something on me.

Why would you do that?

Ever since last week I have this intense desire of being changed! I just can't help it!

~~mannequin~~

Obeys Dylan

Last week?  
Lucine, I think  
someone has  
changed you by  
writing on you!

Nah. It was just  
me. I came up  
with the thrill of  
being changed  
myself.

Obey's Dylan

No... that's not  
normal Lucine.  
There must be  
some writing  
hidden on you. Let  
me take a look.

Well... Erm...  
Strip. The  
writing could  
be anywhere.

I assure you,  
that's not the  
case. Also, what  
do you mean  
"take a look"?

OK.

Obey's Dylan

Gulp. Are you mad I wrote that?

See? Nothing there. Except for your writing!

Please turn around. Maybe there is something on your back side.

Hell no, I love being changed!

Fine. Whatever.

Damn that's a fine ass.

Okay... I've examined every inch of your body... There is nothing else written there.

Told ya!

By the way. You seem to know the suggestions are still in place. Why have you not said anything?

Mistress?  
Erm...  
Lucine?  
Who is your  
Mistress?

Well, at first,  
I wanted to,  
but Mistress  
told me not  
to.

Holy... Charlotte  
did a number on  
her! Love-slaves...  
I wonder if that's  
something I'd like  
to have.

**\*DUH\***  
It's Charlotte.

And you don't think  
the suggestions  
have anything to do  
with you being  
Charlottes... erm..  
slave?

Uh. Yeah  
sure.

Nah. Don't be  
stupid. It just hit  
me one day and I  
declared my  
servitude. It was  
all my idea.

Can I turn  
around again?  
It's kinda  
strange talking  
to a wall.

Lucine. Tell me everything about your relationship with Charlotte that has changed since the party!

Puh. That's a lot... Okay let's see. I've declared my servitude to her.

Okay that's not necessary Charlotte bound but more general... I found out, with Charlotte's help:

I love being changed and I do like women as much as I like men.

Oh, and I've come to love oral sex – something I did not like doing before. Funny how someone's taste can change right?

Oh yeah. And I've learned to cum on command. Charlotte was the first to try it out. It really worked. Best thing ever!

Gulp... She cums on command?

You've definitely been changed by the suggestions!

And I'm telling you those are all just things I came up with.

mannequin

Obey's Dylan

Let me remove that writing from your chest first? It's distracting.

OK.

You don't remember?

I was just removing the writing...

Hey! What do you think you are doing?!

Yeah sure. What writing would there be on my chest!

You just touched my chest! Not cool, Dylan!

Uh... Forgive me!

OK. I guess it's fine... But don't do it again.

I think ... I have a hunch... Let me write on your stomach.

\*Duh\*  
Be my guest.  
I love it when you change me.

I could write anything to prove this... but I deserve some fun too.

"Extremely horny"?  
Nasty Dylan!

Mhhh.  
I'm already feeling it.  
Dylan I better go to the bathro...

No, no.  
Stay here with me,  
Lucine.

OK...

No problem.  
Now, let's see  
what happens  
when I erase  
it....

Sorry I can't  
help myself.  
The writing is  
too strong.

She's  
really  
hot.

Is the  
writing still  
affecting  
you?

So, I see  
you are still  
masturbating  
...

Oh, yeah...  
Sorry about  
that. I just felt  
so horny all of  
a sudden.

What  
writing? I'm  
just horny  
as hell.

Ha! I think I  
know what's  
going on!

Please Dylan.  
I need release!  
Help out a  
friend?

Sure....  
Cum now  
Lucine!

Lucine has tackled Dylan to the ground and peeled his trousers and underwear off.

Wow. Lucine. Are you sure you want to do that?

Absolutely! And going by the hardness of your wood down here, I'd say you won't say no.

Erm... no?

MOAN

Oh yes!  
Your cock  
feels so big  
inside me!

I don't know  
why I'm so horny  
all of a sudden.  
Mhhhh.

But sex has never  
felt this fucking  
amazing before!

fap

fap

Oh god!  
I'm... I'm ...  
I'm cumming!  
**Ahhhhhh!**

fap fap  
fap fap  
fap fap

**Groan**

No! No!  
No!  
It's getting  
limp!

Lucine, what  
are you doing?  
I already came  
as well.

I don't care! I  
need that thing in  
me once more!  
**I'm fucking  
horny!**

Shit...  
Lucine...  
Cum now!  
Cum hard!

MOAN

MOAN

Fuck! She's completely out of control. If it wasn't for that orgasm trigger, she'd straddle me the whole day!

Need to fix that. NOW!

Exhausted from all the orgasms,  
Lucine keeps laying on the floor.

Wow... that  
was something  
else.

All  
clean...

Now what to  
do with you...

A little while later. Dylan has given Lucine some time to regain her strength. Then, after some trial and error he has identified the following triggers for removal...

You only wrote stuff that's already true, so I don't feel changed at all!

Thinks everything Charlotte writes on her is her own idea.  
Charlotte's willing slave  
Loves being changed  
Forgets that something was written on her, as soon as it is cleaned off.

O. M. G. !!

I can't believe Charlotte would do something like that to me!

Thank you so much for saving me!

~~Thinks everything Charlotte writes on her is her own idea.~~  
~~Charlotte's willing slave~~  
~~Loves being changed~~  
~~Forgets that something was written on her, as soon as it is cleaned off.~~

Some time later. Among some other commands, Dylan has instructed Lucine to go home for the day. It's probably safer that way.

I wonder if I should have told him about what Charlotte and Stacey...

But I don't know if I can trust him. Better not give him too much power over us...

I can't believe he left me under his control after saving me from Charlotte's...

Is she just playing with Lucine? Or is she trying to take control?

Taking control... of the whole office? Is that something I'd like for myself? I wonder...

Anyway, I need to be on the look out. Good thing I kept control over Lucine. If push comes to shove, I might need her support.

Well... that made for a nice distraction. But what's wrong with Charlotte?

As Dylan is about to enter his office he finds Isabel and Sayo buisy at work...

You sure that's correct. Isn't that number a bit high?

Ah, I see. You're right!

Nah. Look here. It needs to be like that, if we have that much here.

Erm... Hey there...

Oh.  
Morning  
Dylan!

And you  
are late  
again!

Late? But I've... I  
guess I've been  
spending quite  
some time with  
Lucine...

Sorry...

Say... erm...  
girls... Aren't  
you dressed  
kinda differently  
than yesterday?

Yeah, sorry about  
yesterday! But  
Stacey said it was  
okay because of  
professional  
Monday.

But don't worry!  
From now on we  
are back to our  
slutty office  
attire!

Erm...  
Okay.

But dressing up like this? And Stacey seems to have told them...  
What is Stacey doing?  
Is she into girls?

I mean... they were not wearing panties ever since that party... \*gulp\*

There are suggestions at work here right?

Damn it. They both look hot!

Their skirts  
are so short...

And Isabel is  
showing so  
much cleavage.  
\*GULP\*

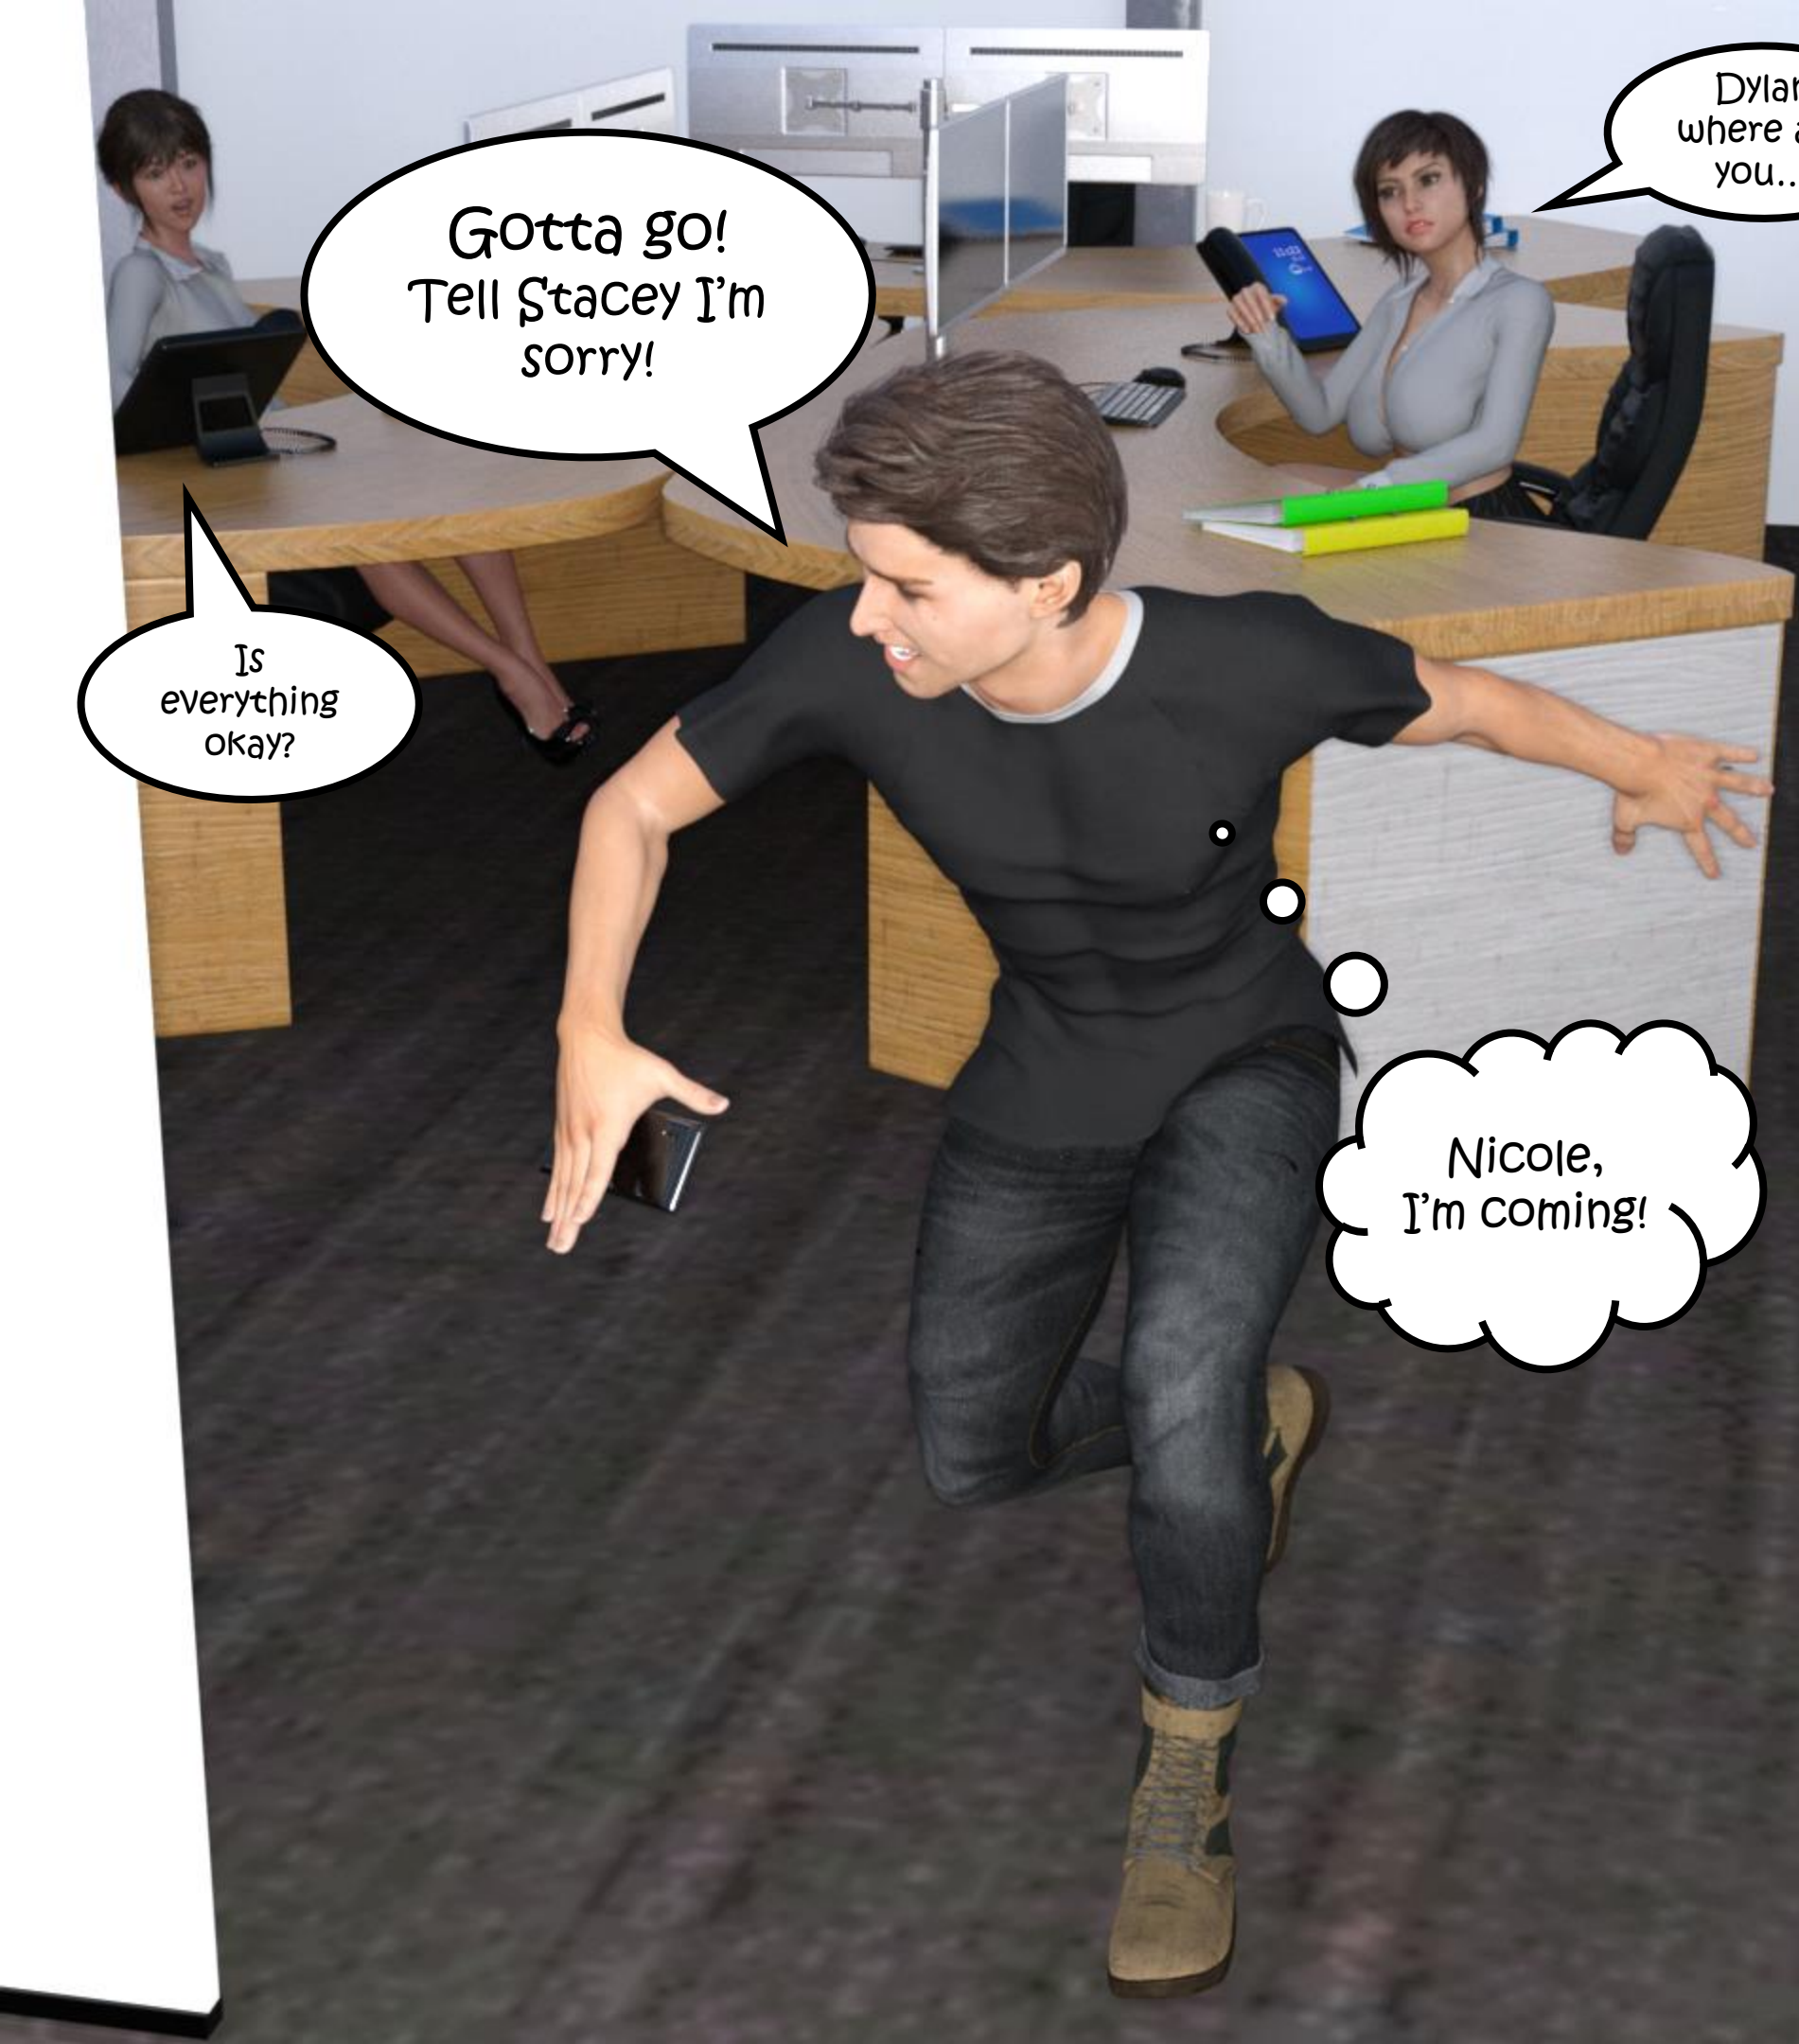

Damn it!  
I can't  
concentrate  
like this!

I should be  
thinking about  
how to fix my  
relationship  
with Nicole.

But instead,  
my thoughts  
drift to...

**\*Bing\***

Hm... Now  
what is  
this?

Gotta go!  
Tell Stacey I'm  
sorry!

Dylan  
where are  
you...

Is  
everything  
okay?

Nicole,  
I'm coming!

Now that  
was strange,  
wasn't it?

Never seen him  
that agitated. I  
wonder what  
happened.

Damn it!  
I've dressed all  
sexy and wanted  
to continue our  
office fling... and  
now he's gone!

Finally!  
Nicole has  
answered my  
messages!

She wants  
to meet and  
talk it over!

C'mon stupid  
elevator. My girl's  
waiting for me!

**\*Ding\***

I'm sure  
everything will  
turn out fine...

Oh...  
Hi Charlotte.

...Hi

What's up  
with that  
costume?

Damn it. Is he  
looking at me  
suspiciously?

Is he under  
Stacey's control  
already?

# To be Continued...

Hello, Hexxet here.

I'm trying to prepare everything for the end-game of Office Party. I hope the story is still interesting and makes sense 😊. And obviously I hope you are still enjoying it and looking forward to the ending!

There will be one more part to Scene 08, where I try to tie up the last loose ends and then we'll have the voting for how Office Party should end! 😊
