She's going to share her findings with Isabel.

Let's see how that works out.

O.M.G. Isa! You would not believe what I found yesterday surfing the net!

Sup!

Do tell!

There is this guy, writing mind control themed comics!

How did you stumble upon that? Some kind a fetish of yours?

Well... With my BF out of town...
Never mind! Anyway, nothing special about writing comics.
BUT! When I browsed his site <https://www.patreon.com/Hexxet> I realized: He's writing about us!

About us?

Come here, sit down. Explain!

Yes! The comics all take place here at the office. Or at our homes, or at the bar last Wednesday!

No way... But it's obviously made up. I mean who would want to read about us. Nothing ever happens here!

... No... Some things about me were pretty accurate...

But who would know about us?

Don't know! It's creeping me out!

Maybe it's Dylan!

You think?

Maybe it's James! He's always cool and quiet but maybe, then at home... who knows!

I don't think it's James...

Why not?

Well... you wouldn't believe what his wife did in Charlotte's office!

So, Lucine acted like a cat. That's hilarious, but it's not that big of a deal...

Yes! BUT. Then Charlotte... and therefore...

No way!

Yes way!

So, what you are saying is the whole office might still be under some sort of suggestions without them even knowing?!

Yup.

Maybe with the knowledge of that site we can come up on top of all of this!

How far into the future does this Hexxet guy write?

He doesn't. The story so far is still stuck on Friday!

Damn it!
Useless!
If there was just some way to make this Hexxet guy write faster!

EOO INC

Well... we could fund his Patreon site. He said he'd write faster if certain goals are reached!

...

Let's do that!
I can't wait until I finally rule this office!

We! I mean we!
Until **we** finally rule this office!

Thank god we aren't under any suggestions!

Since when is Stacey so bossy?

What were we just talking about?

Hey you two! Whatever you were just gossiping, forget about it. Break's over.
Back to work!

No Idea.
Probably nothing important.

But look!
Where did the time go?!
