The Gift – Part IX

Dylan’s plan has been set into motion with the press of a button. A mysterious mail has been sent to Irene - a moderator at Channel 69. Watch as a chain reaction is set into motion and one by one the hot ladies of the local TV station get entranced to become Dylan’s devoted slaves.

When Dylan finally arrives at the TV station the distracted security guard lets him in without trouble. Dylan is free to roam the station and enjoy his expanded harem while preparing for his final confrontation with Sayo.

Featuring:

Dylan ... The guy with the ring (Hero?/Villain?)

Charlotte ... Dylan’s second in command

Sayo ... A famous news reporter for Channel 69, also Charlotte’s girlfriend

Irene – An announcer and Co-Reporter at Channel 69

Yara ... channel 69’s weather girl

Norah ... a receptionist at channel 69

Serenity ... An intern working at channel 69

Vadim ... A male security guard working at channel 69

Oh, it will.
Trust me!

Nah, this is my
exclusive. You can
wait like everybody
else for the big
reveal.

So, you are
not going to
give me any
hints?

Well, that's a
wrap. I hope
your story can live
up to the push
we're giving it!

Stupid Miss
genius! I need my
own big story! I can't
be upstaged by Sayo
all the time!

Let's go and get something to eat. 1

No. I've got work to do. 3

Serenity, go fetch me my laptop!

Hungry...

Good idea! You coming, Irene? 2

Please don't...

That stupid girl
can't even dress
right for work and
is talking back?
Worst intern ever!

Now?
I'm hungry
too you
know...

Man, that woman
is grumpy! Got
the runs, bitch?

Yes, Now,
you little
twerp!

Alright,
alright. I'm
going...bitch!

A few moments later Irene is going through her E-Mails on her laptop. Serenity is munching on a quickly bought sandwich. Still pissed, she's showing Irene the finger behind her back.

Psh!!
So, much fan mail. Stupid imbeciles.

Oh! Now, what do we have here?

„Private Story. For your eyes only.“

„Watch the video then read the instructions below...“

Well... I guess it's worth the look.

Bitch!

Fuck You!

What the fuck is this?

Some ring with stupid light effects?

What a waste
of....

Ahhh!
My head is
spinning...

Serenity!
Help
mee...

I must
obey.

God damn it!
A girl needs
to eat!

Yes, Miss
Fortune?
What is it
this time?

Miss
Fortune?
Err... Are
you alright?

She looks
completely
spaced out...

Yes, I will use the video to hypnotize all girls but Sayo into obedient drones for Master and let Master into the building.

Reading instructions now...

You will obey all of Master Dylan's commands.

You are an obedient drone.

Until his arrival, you will obey me and help hypnotize the others.

I'm an obedient drone for Master Dylan.

The video of the ring Dylan had his slaves prepare is working perfectly. Irene the bitchy anchor woman and Serenity the feisty intern are already under Dylan's control and they are programmed to capture the rest of the female staff at Channel 69!

Can you imagine what kinda scene presents itself to Dylan and Charlotte once they arrive at the station?

All hail,
Dylan!

Our Lord
and Master.

We listen!

And we
obey!

Obviously the two of them enjoy themselves
to the fullest!

kiss lick

Yes,
Master. I
get wet
very easily.

Of course,
Master. My
big breasts are
yours to play
with.

You love it
when I use you
like that, isn't
that right?
