## Office Party Commissioned Story

### The Gift

Ally is a young woman who has started a job at the office recently. She knows she's good-looking and she has no problem using her charms to get her male colleagues to do the work for her. Since she's sharing an Office with Dylan, most of the time it's Dylan helping her out. Obviously, Dylan has the hots for her and is planning to ask her out for weeks now. He's finally gathered the courage to do so... Let's see how this will work out.

Featuring:

Dylan ... a worker at the office

Ally ... working at the office for about 2 months now

Marco ... not working at the office in this story

Oh,  
clumsy me!  
Stupid pen.

Oh man! Ally is  
so hot! I need to  
finally build up  
the courage and  
ask her out...

That ass...  
These legs...  
She's so pretty!

Okay I'm  
gonna do it!  
Now or  
never Dylan!

Later back at home...

Hm... that's the present? Is... that a ring? What am I supposed to do with a ring?

I heard you are having problems with the ladies... I'll give you my ring... it has the power to magically make any girl yours. Once her eyes go white she is a

Dear Nephew,  
Recently it came to my attention that you still have not brought home a girlfriend. I can only assume that you do have troubles getting laid. I hope you find my ring to be of help in that matter.  
The ring has the power to magically make any girl yours. Just show the girl of your desire the ring while you wear it and once her eyes go white, she is a slave to your every command. After a few hours she will be back to normal but will obey all commands, you have given her.  
  
Happy Birthday!  
Your uncle, Vincent

He's joking, right?  
But he is a magician... and he always shows up with the hottest women...

I'm gonna trust him with this...  
I can finally make Ally all mine!  
I just need to wait for the right moment!

A few days later at the office. It's late afternoon and Dylan was about to go home.

Hey Dylan,  
Stacey is making me  
stay late to finish  
the reports. Will  
you help me?  
Pretty please?

OK Ally, you  
know I can't  
say no...

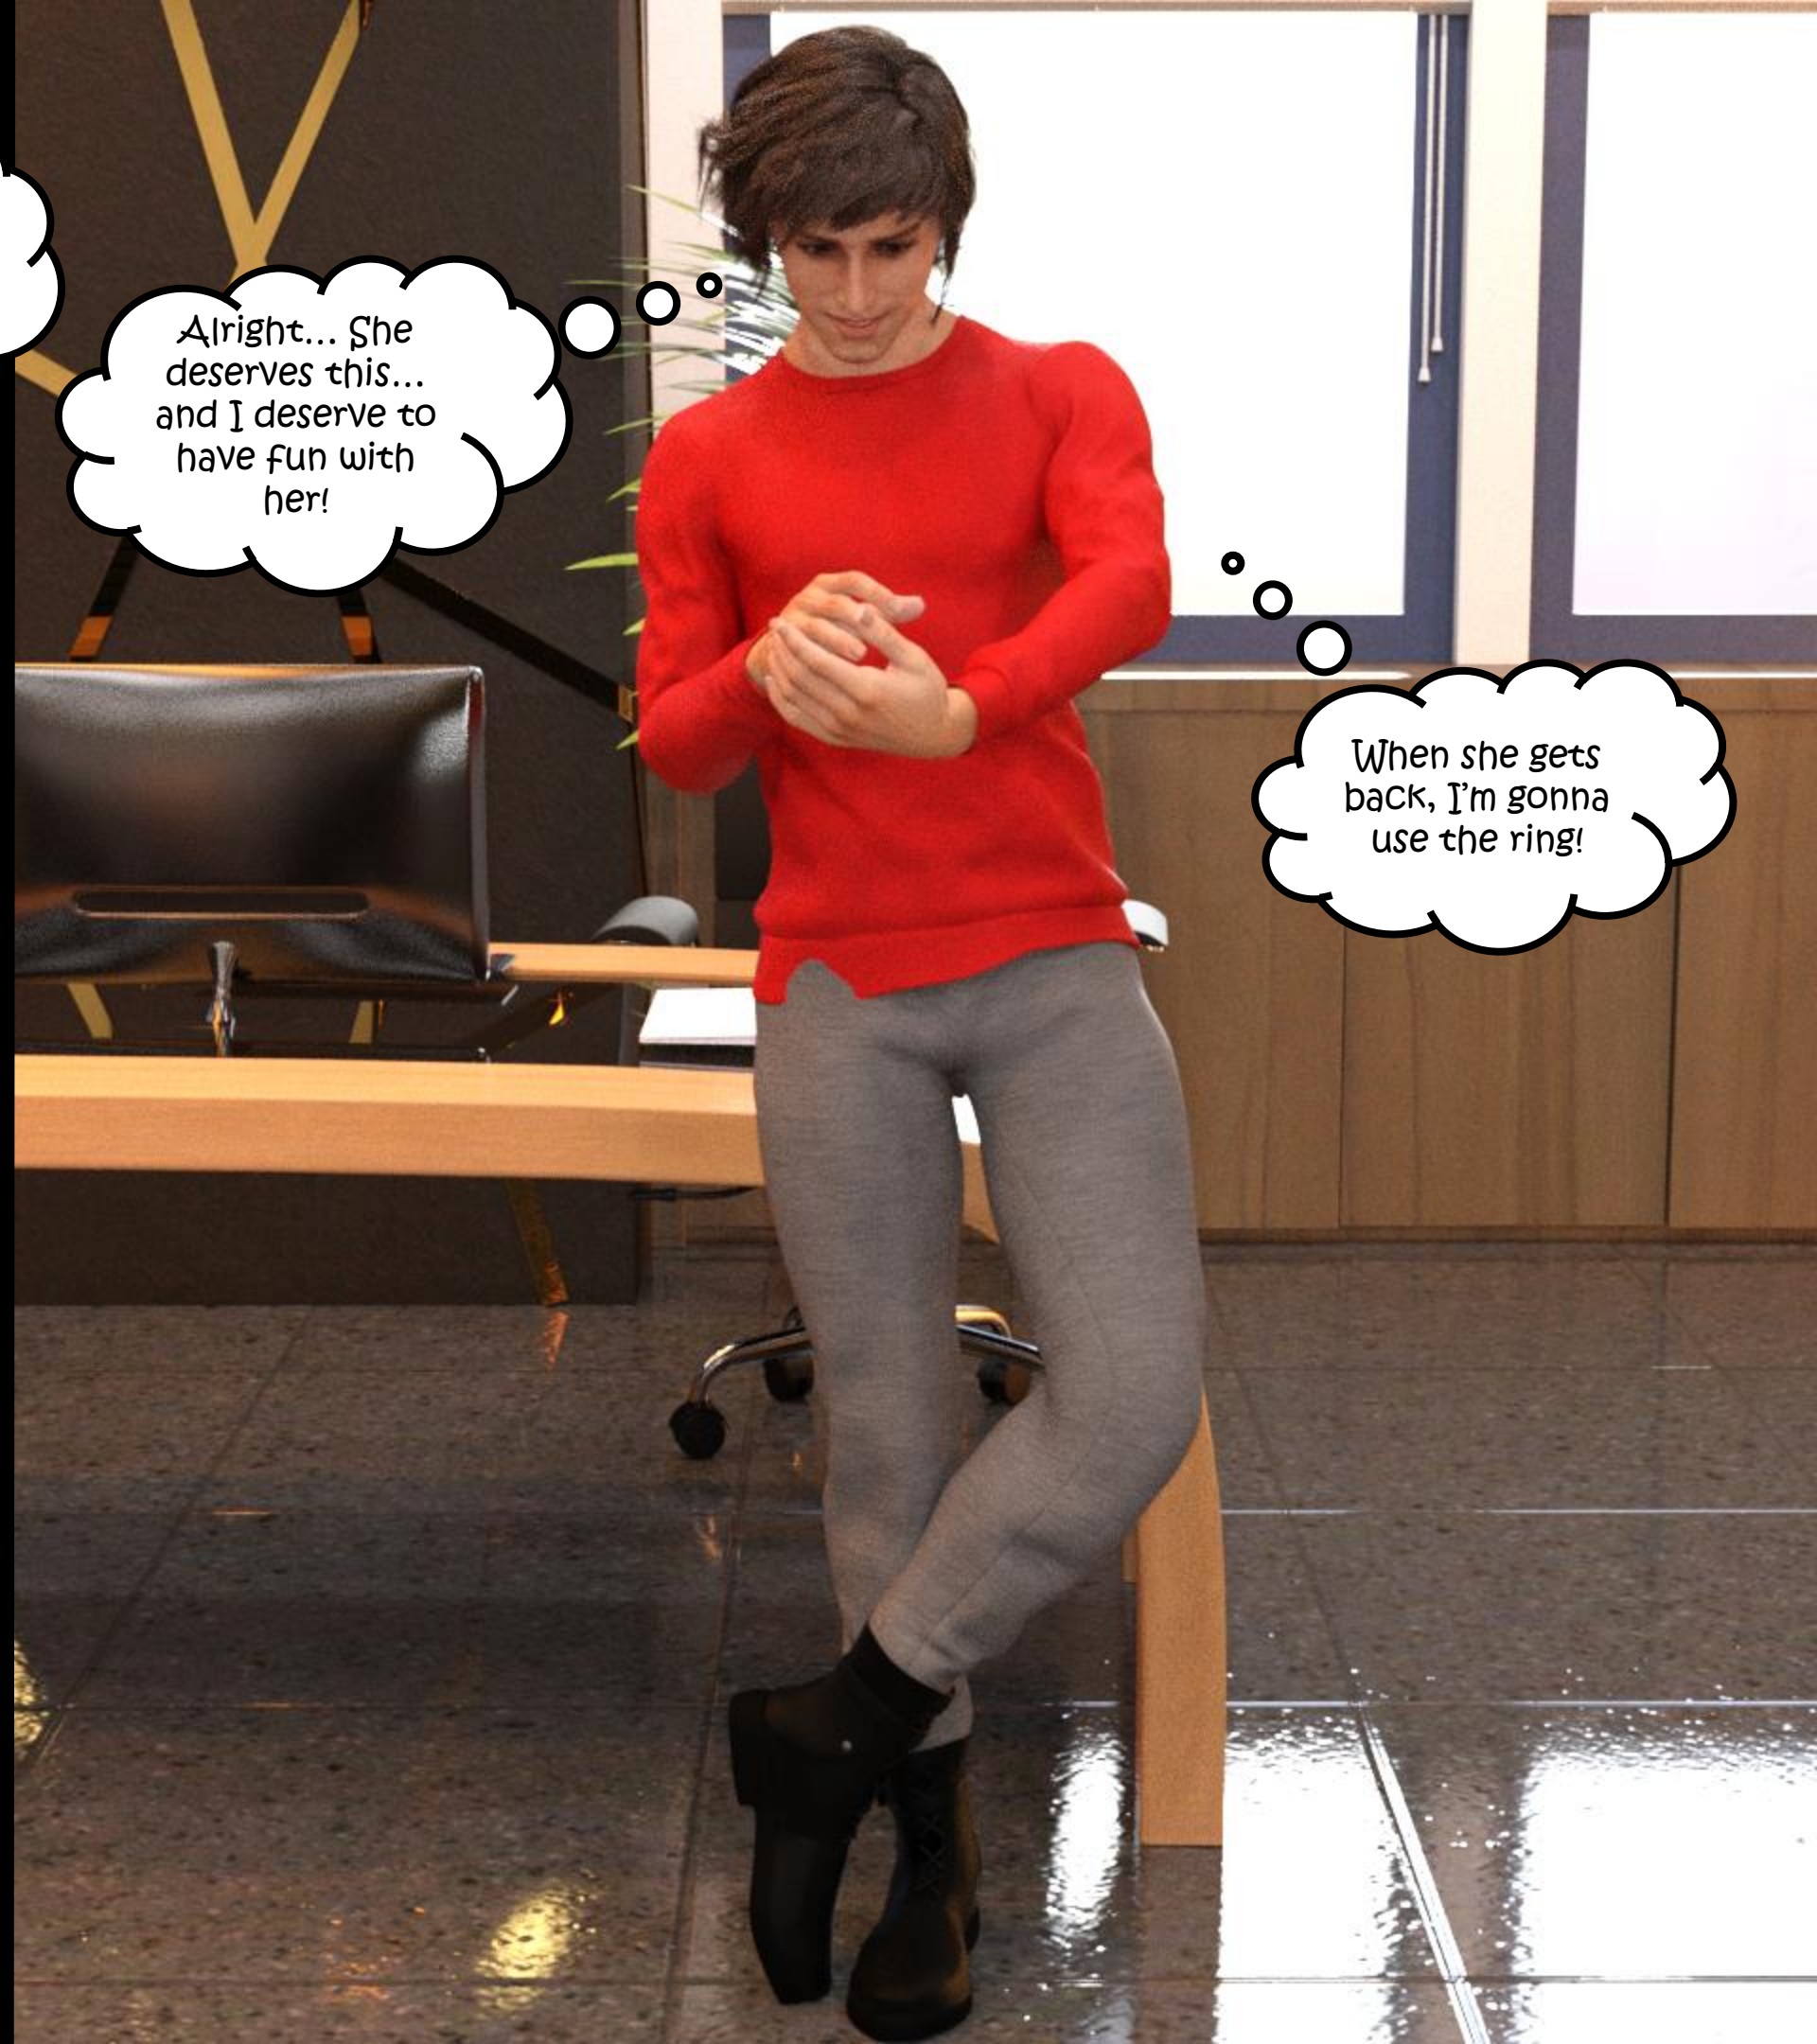

Aww thank you so  
much. Everybody  
has already left.  
Stacey is making me  
lock up after we  
are done.

I see...

So, it's just us...  
Perfect!

About 5 minutes later. Dylan has prepared the reports so he can work on them.

15 minutes later, Ally comes back.

Hey Dylan,  
you finished?  
It's getting  
late...

Tsk. Even if I had  
worked on those  
reports while she was  
gone, it would take at  
least an hour to finish  
them on my own!

Almost! I just  
need to show  
you something.  
Please take a  
seat.

Alright,  
alright. But  
make it quick.  
I've got a date  
with Marco  
soon.

So, what is it?  
Something  
strange in those  
reports?

Uh... Erm...  
No... I just  
wanted to  
show you...  
this...

A Ring? After  
meeting Marco  
he should know  
he's out of my  
league...

Just focus  
and begin to  
relax....relax  
and obey....

Dylan what  
are... hmm...  
relax...obey

I am your slave.

Delicious!

Ally, you are my slave.

Your body belongs to me, and me alone!

You belong to me!

My body belongs to you alone!

I belong to you.

I can't take this anymore. Take off your clothes!

Some instructions later, Ally is on the phone...

It's not working out Marco. I've found somebody else. Don't ever call me again

Yes Master. I listen and I obey.

Perfect! Now listen carefully. I have some more commands for you before this wears off.
