Office Party Commissioned Story

The Gift – Part II

After Dylan has used the ring on Ally she has become putty in his hands, and they live happily together. But, as so often, their harmonious master/slave relationship is not appreciated by the people around them.

Part two deals with Ally's best friend Julie. Marco has contacted her – telling her that Ally is acting strange. Julie's first thought is that he's just sour cause Ally left him, but soon she realizes that her friend really is behaving strangely. Will Julie get to the root of the problem and find out what has happened to Ally?

Spoiler: Yup. She will! ;)

Featuring:

Dylan ... The guy with the ring

Ally ... now Dylan's slave

Marco ... Ally's ex-boyfriend

Julie ... Ally's best friend

Finally, you are picking up! I've not seen you a whole week! Ally, what's going on with you?

Sorry. Kinda busy these days. But I'm fine.

You sound strange... Also ditching Marco, and not telling me?

Sorry Jul. I gotta go.

What do you mean you have to go?? UGH! OK. Talk soon but I want answers! Goodbye

See I told you she's acting all weird! She just broke up with me out of nowhere. Now she won't talk to anyone!

Urgh!

You are right... She's my best friend and I've never seen her act like this.

I'm going to find out what's wrong!

How can I help?

You can't... not right now. I'm gonna call if I need some muscles.

At first, I thought he's just another heartbroken boy-toy... But thank god he's been so persistent. Something's really off with Ally!

Julie. My best friend, Master.

I believe she thinks I'm acting strange.

I doubt that she realizes that I've been hypnotized by you, master.

But I know her... She'll keep digging.

Shall I give you a BJ in the meantime?

Please don't hurt my friend.

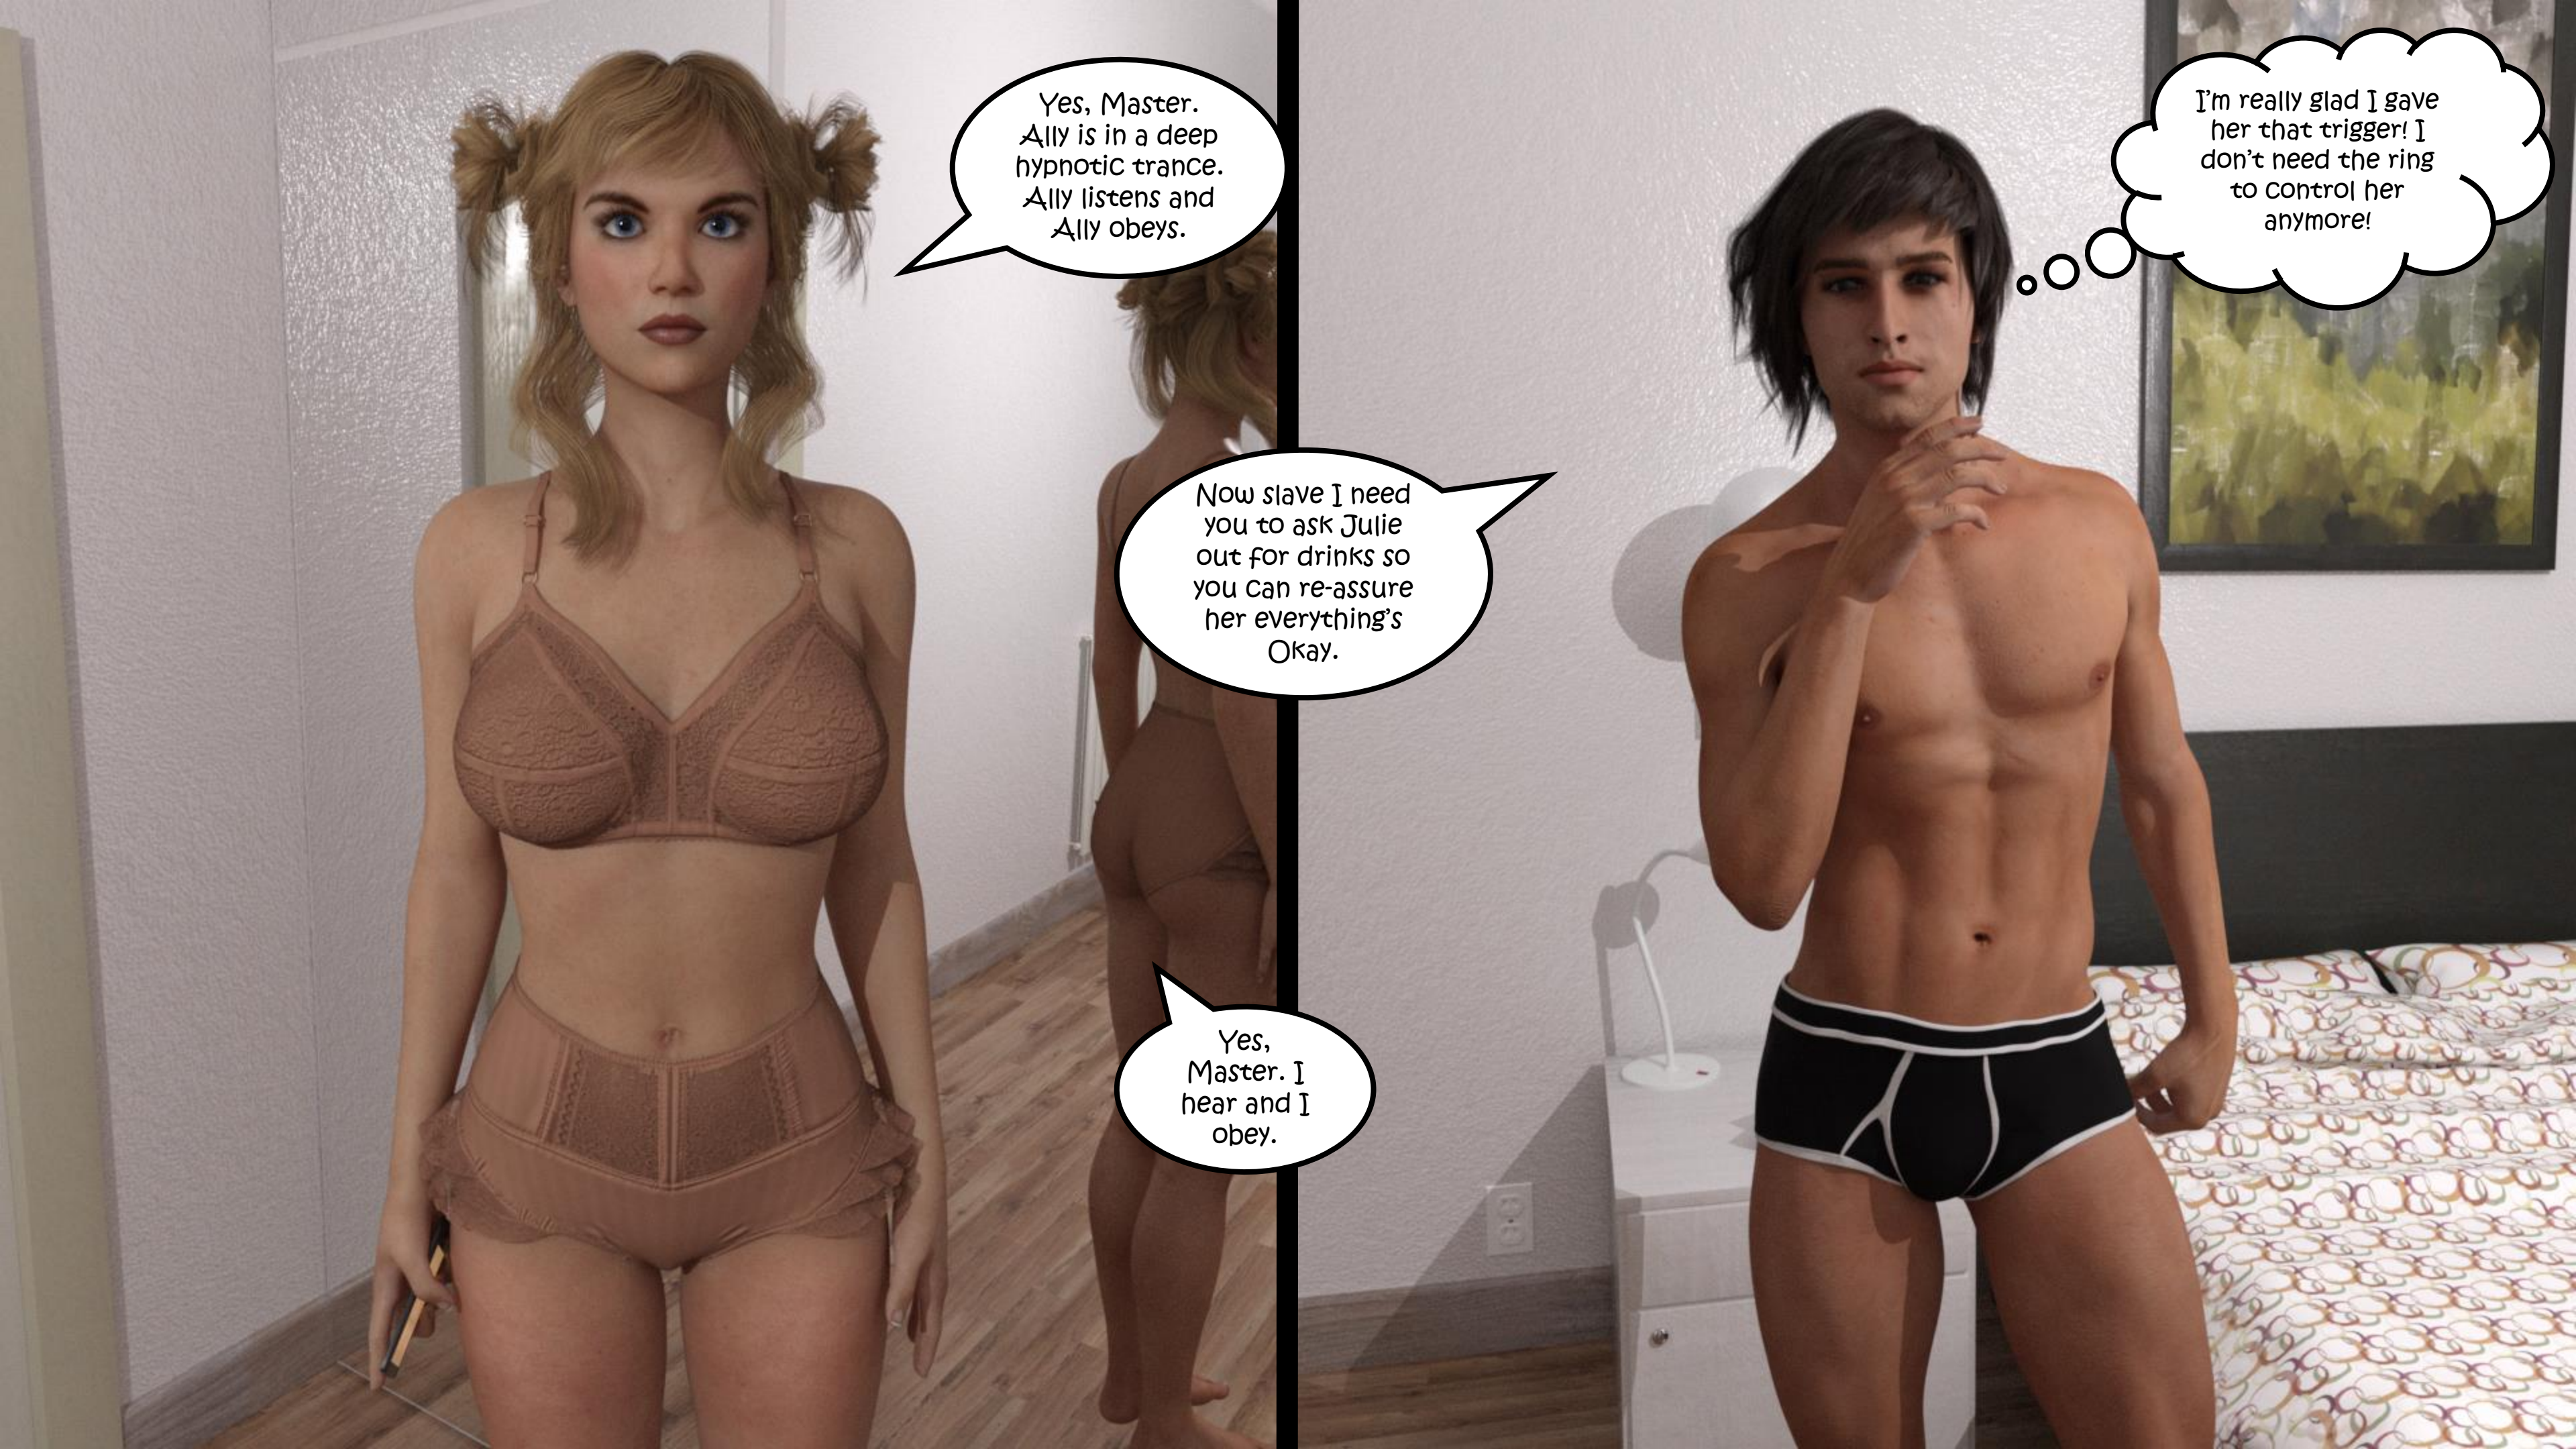

Trance time Ally!

Who was that?

Do you think she suspects what's going on?

hmm this may be a problem....

Hm... Not right now. I have an idea.

Yes, Master.
Ally is in a deep
hypnotic trance.
Ally listens and
Ally obeys.

Now slave I need
you to ask Julie
out for drinks so
you can re-assure
her everything's
Okay.

Yes,
Master. I
hear and I
obey.

I'm really glad I gave
her that trigger! I
don't need the ring
to control her
anymore!

The next day, Ally has agreed to meet up with Julie and they are sitting at a table in a rather empty pub.

Nothing.

So...
What's been
going on with
you lately?

Yeah sure.
Common. Spill
it already!

Well... I've met
someone... you could
say... "the one". Ever
since I try spending
all my time with him.
Trying to make him
happy.

Wow!
So that's Julie.
She's a real
hottie as well!

You never mentioned seeing anyone, besides Marco. I thought you two were happy. Who is this guy and when did you meet?

We met at work. At first, I was just using him to help me out. But then, all of a sudden, I fell in love with him!

Now, I love him more than anything!

Damn it!
I can't concentrate like this. All I wanna do right now is hypnotize that hottie and fuck her!

What the fuck is she talking about?

Jul!
Please don't call him
a creep! I love him!
And he did nothing
to me. He just helped
me see the light.

Look... I'm
going to use
the restroom.
I'll be right
back.

You were in love
with Marcus just
one week ago.
You looked
pretty happy
with him!

What has this
creep from work
done to you? Has
he something on
you? Tell me! I'll
help you!

Girl! Do you
even hear
yourself talk.
Please. Let me
help you!

Don't worry
Julie soon you'll
be my obedient
slave too!

No! You are not coming with! I'm gonna call you when I'm there! I'm not even sure if I really should go yet!

I don't know... I mean... I used to stay at her place all the time, so I have a spare key. I might sneak over when I have time...

Marcus!
Yeah hi! So, it's like this: She met somebody else. But it sounds fishy. She's talking strangely... It's like she is brainwashed!

Wait! She's working wit Marco?!
Damn it!
I need to think, but I'm too horny! Ally!
Bathroom!

Maybe I am just overreacting, and she really found the love of her life?

Ally! I need
to fuck you
right now!

I'd love to
Dylan, but we
really shouldn't
do it in here...

No time
for this
discussion!

Trance time
Ally!

A short while later. Ally has left the bathroom, still in a trance.

The next day. Julie did wait for Ally to leave her flat, then entered herself.

[illegible][illegible][illegible]

A woman with long brown hair, wearing a brown off-the-shoulder top and a matching skirt, stands in a messy bedroom. She is looking at a small shelf on the wall. The room is cluttered with clothes on the floor, a bed with blue bedding, a desk with a laptop, and various personal items. Five comic-style thought bubbles and one sound effect bubble are overlaid on the image. The first bubble says 'This is ridiculous. How should I find something in here? Everything is a total mess.' The second bubble says 'Do I really have to dig through this pigsty?'. The third bubble says 'Wait a second!'. The fourth bubble says 'Everything's a mess... Except that spot on the shelf!'. The fifth bubble says 'That's fishy!'. A yellow starburst bubble with the word 'BLING' in pink letters is positioned near the desk. The woman's expression is one of frustration and confusion. The room has green and white checkered curtains, a blue bedspread, and a desk with a laptop and various items. The floor is covered with clothes, a hair dryer, and other personal items. The overall scene is one of a messy, cluttered living space.

A woman with long brown hair, wearing a dark green off-the-shoulder top and a matching skirt, stands in a cluttered bedroom. She is looking at a small shelf on the wall. The room is filled with various items: clothes on the floor, a bed with blue bedding, a desk with a laptop and makeup, and a dresser. There are four thought bubbles from her: "This is ridiculous. How should I find something in here? Everything is a total mess.", "Do I really have to dig through this pigsty?", "Wait a second!", and "Everything's a mess... Except that spot on the shelf!". A yellow starburst bubble says "BLING".

This is ridiculous.
How should I find
something in here?
Everything is a
total mess.

Do I really have to
dig through this
pigsty?

Wait a
second!

Everything's a
mess... Except
that spot on the
shelf!

That's
fishy!

BLING

Do I really have to dig through this pigsty?

Wait a second!

Everything's a mess... Except that spot on the shelf!

That's fishy!

BLING

While Julie is distracted by her findings, Dylan silently creeps up from his hiding place under the bed.

Dear Nephew,

With this ring you can get any women. Just put the ring on her finger and she'll immediately drop into a trance. She'll follow each and every of your commands, even when the ring is removed afterwards.

Have fun!

PS: Should you get bored of a girl, just put the ring on her and tell her to go back to normal.

PPS: Make her forget what she did beforehand!

A magic ring...

That would explain a lot!

Now I just need to find Ally and free her. What kind of idiot leaves a manual like this laying around?!

Oh my god! That's the creep from the pub! He must be the one who brainwashed Ally!

WAHHH!

Stay away
from me
Creep!

Julie hurdles around bringing distance between herself and that creepy guy in the red sweater. Not that Dylan tried to grab her, he was just standing there... he has other plans.

And that's when Ally enters... a confused look on her face.

Dylan?
Hi honey!
Is everything
alright?

Julie?
What are you
doing here?

**Nothing's
alright!**
That bastard used a
magic ring to
brainwash you into
being his adoring
love-slave!

Just like I've
envisioned
it!

Woah. Julie!
Do you hear
yourself
talk?

Dylan and I
are happy! I
think you
should leave
now!

Julie dashes towards Ally...

And quickly puts the ring on her finger...

What...
Ah...

I feel
funny.

I'm in a
hypnotic
trance.

I listen
and I obey.

Ally, I command you: Return to like you were before that ring was used on you the first time!

I listen and I obey.

Holy... It's really working!
Kinda hot... No time for that! That creep is still here!

Oh god!
It's all coming back! DYLAN!!
How could you?!
How could you do that to me?!

Oh... My head hurts.
What is going on? Julie?

That creep over there had you brainwashed! I saved you!

Oh god.
The things
he made me
do!

wink

Now to you,
you bastard!
You are going
to prison for
this!

But first I'm
gonna call Marco,
so he can tell you
what he thinks
about this. With
his fists!

Sorry's not
gonna cut it!
What you have
done to my friend
is unforgiveable!

BASTARD!

I'm sorry!
I love her! I
needed her!
I'm sorry!

And that's when Dylan succumbs to the rush of having won. It just bursts out of him, and he starts a rather embarrassing victory dance...

You were so proud just moments ago, but now you are going to be my obedient little fuck-toy!

Muhahaha!
Na-na-na-na!
I've got you,
Julie! Ha-ha!

Never had a chance. I'm your obedient little fuck-toy.

You had no chance, against my genius plan!

I could have shown her that ring anytime... In the restaurant... or take her to the toilet... show her there.

Could have told her it's my new engagement ring. She would have looked 100%!

Would have avoided the risk of her getting the ring in her hands and simply walking away...

But my love has a thing for the sophisticated plans... I guess... So, I won't say a thing.

sniff

Mhhhh!
She smells
really good!

smooch

Now sit
down on the
bed, Julie.

grab

Master, I've
sat down.

Ohh you
naughty girl.
Teasing me
with your
panties!

I can't
concentrate
when you tease
me like that!

Stand back
up again and
strip to your
underwear
for me!

Yes Master,
I will strip
for you.

This is like a dream
come true, two of
the hottest girls
hypnotized and
under my power.

I want you
two to make
out for me.

Hon!
You know it's
fine if you
fuck other
women.

But I'm no
lesbian! And I
certainly will
not make out
with my best
friend!

Scoff
Trance time
Ally!

Yes, Master.
We will make
out now.

Yes, Master. I'm
bisexual. I love to
make love to
women, especially
when I can arouse
you by doing so.

Yes, Master.
I've always
lusted after
Julie.

Yes, Master.
We will make
out now.

Lick

Kiss

Nibble

A bit later...

Now Julie. I want you to answer my questions honestly.

Does anyone else suspect a thing about Ally?

scoff Answer my questions to the best of your ability!

Alright. My time to fuck you!

Yes, Master.

Only Marcus, Master. He came to me, asking for help.

He does not believe that Ally left him just for another man.

Welcome to the team Julie. It's good to have you on my side.

I need you to do something for me.

Yes, Master. Your time to fuck me.

Yes master, I'm on your team now.

I'll do anything, Mayster.

She has found a really nice guy and moved on ... You need to let her go. Don't call us again. Bye!

No! Nothing like that! There is nothing wrong with Ally. Everything is fine.

Hi Marcus! I've finally been able to speak with Ally in detail!

That should get him off my back.

I'm a hypnotized phone mount ...

The next day
back at home...

Now I can serve
my beloved Dylan
together with my
best friend!
Life is great!

Zee Kitchen
izz cleaned.
What would
monsieur like
me to cook?

Surprise
me, Jul.

Ally, Dear,
bring me the
TV remote.

Avec
plaisir, mon
cherie!

Oui,
Monsieur.
I'll give iz my

The End.
