

A woman with brown hair styled in a braid, wearing a grey blazer over a white t-shirt with a gold graphic, grey jeans, and black high-heeled shoes. She is standing on a paved area with a blue and grey bench behind her. The background shows green foliage and a building. Four speech bubbles are positioned to her left, containing text.

O.M.G.!!

You guys wouldn't believe what just happened!

You see, I'm looking to shed this good girl image for some time now!

But people know me just as the nerdy girl from "The Gift"!

And my role in the upcoming main story is no different either!
Not helping!

So, what can I say!
When Hexxet
announced he was
looking for actors
for a new Villainess I
was the first to
apply!

And guess what!
I've nailed the
auditions!

Muhahah
ahaha!

See?!
I can laugh
the evil way!
wink

You are not
sold? Well,
neither was
Hexxet at
first.

But after an
outfit change.

One very long session at the hairdresser.

And one boob
job later he said
I was a perfect
fit for the job!

Also according to Hexxet other actors were already booked to play other parts in the Love Bug Universe.

So I guess it's my lucky day! So, prepare for my evil debut in January! **Woohoo!**

I will be the loveliest villainesse you've ever seen!...
Wait! I mean evil!
Most evil vilanaisse!

Damn it!
I still need to reherse that sad sob back story that turned me into the **Suiciductress...**

Now isn't this
outfit to die
for? *wink*

Get it? Die for!
Cause I'm the
Suiciductress...

TSK!
There are no
bad jokes. Only
bad audiences!
