Assistant Labrat

Meet Doctor Alcone... a genius in her field of research, and James, her clumsy assistant. Doc. Alcone is about to have a breakthrough in her lab! But whom can she test her newest mind-control gadget on?! “James... JAMES! Come in here! Prepare the MC-3000 prototype. Bring me the red one, you take the green one!” There surely is no way this is gonna backfire on her, right? ;)

Cast:

Stacey ... As Doctor Alcone, a mad science genius

James ... As Doc Alcone’s clumsy assistant

Julie ... Doc. Alcone’s bratty 18-year-old daughter

Yes,
doctor?
You called?

I was feeding
the rats... they
still emit some
radioactivity, so
I thought...

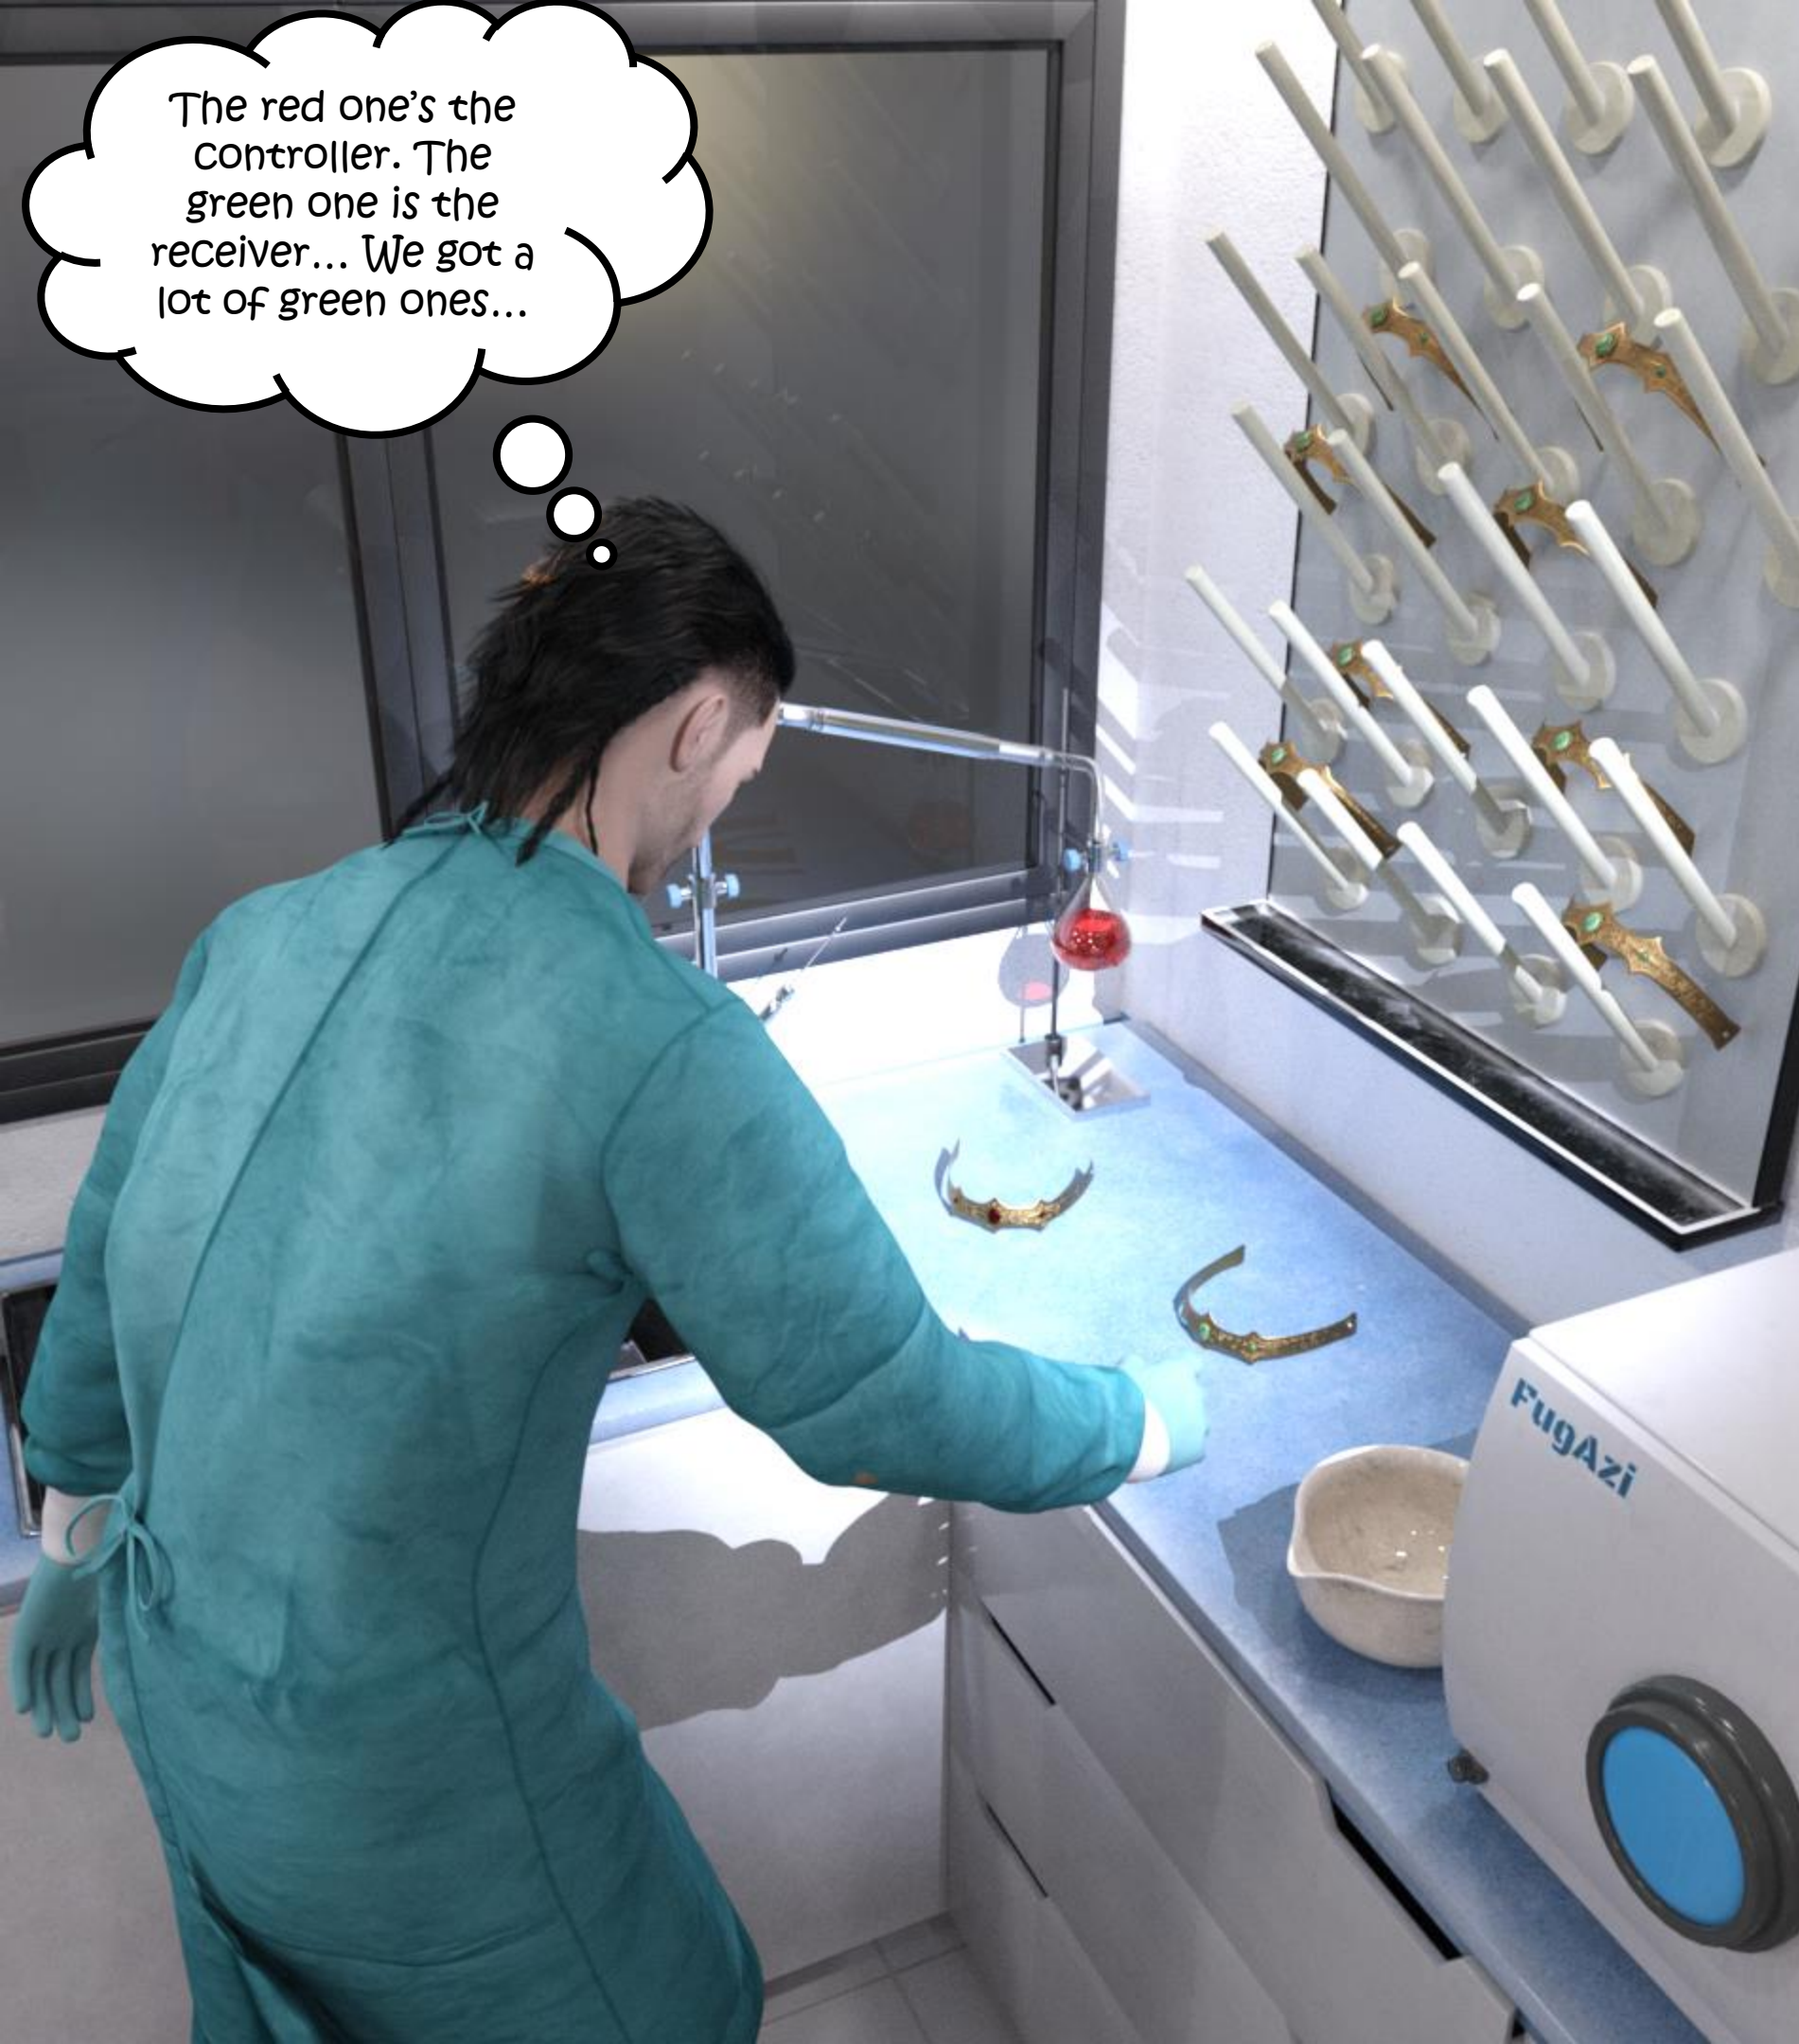

Why are you
wearing this
ridiculous
outfit?!

Oh, you little
scaredy-cat! Loose
that ridiculous
hat and mask and
prepare the MC-
3000 for testing.

On the rats,
doctor?

No, you
moron!

But whom are
we testing it
on... Oh...

Auuuutsch!

CRASH

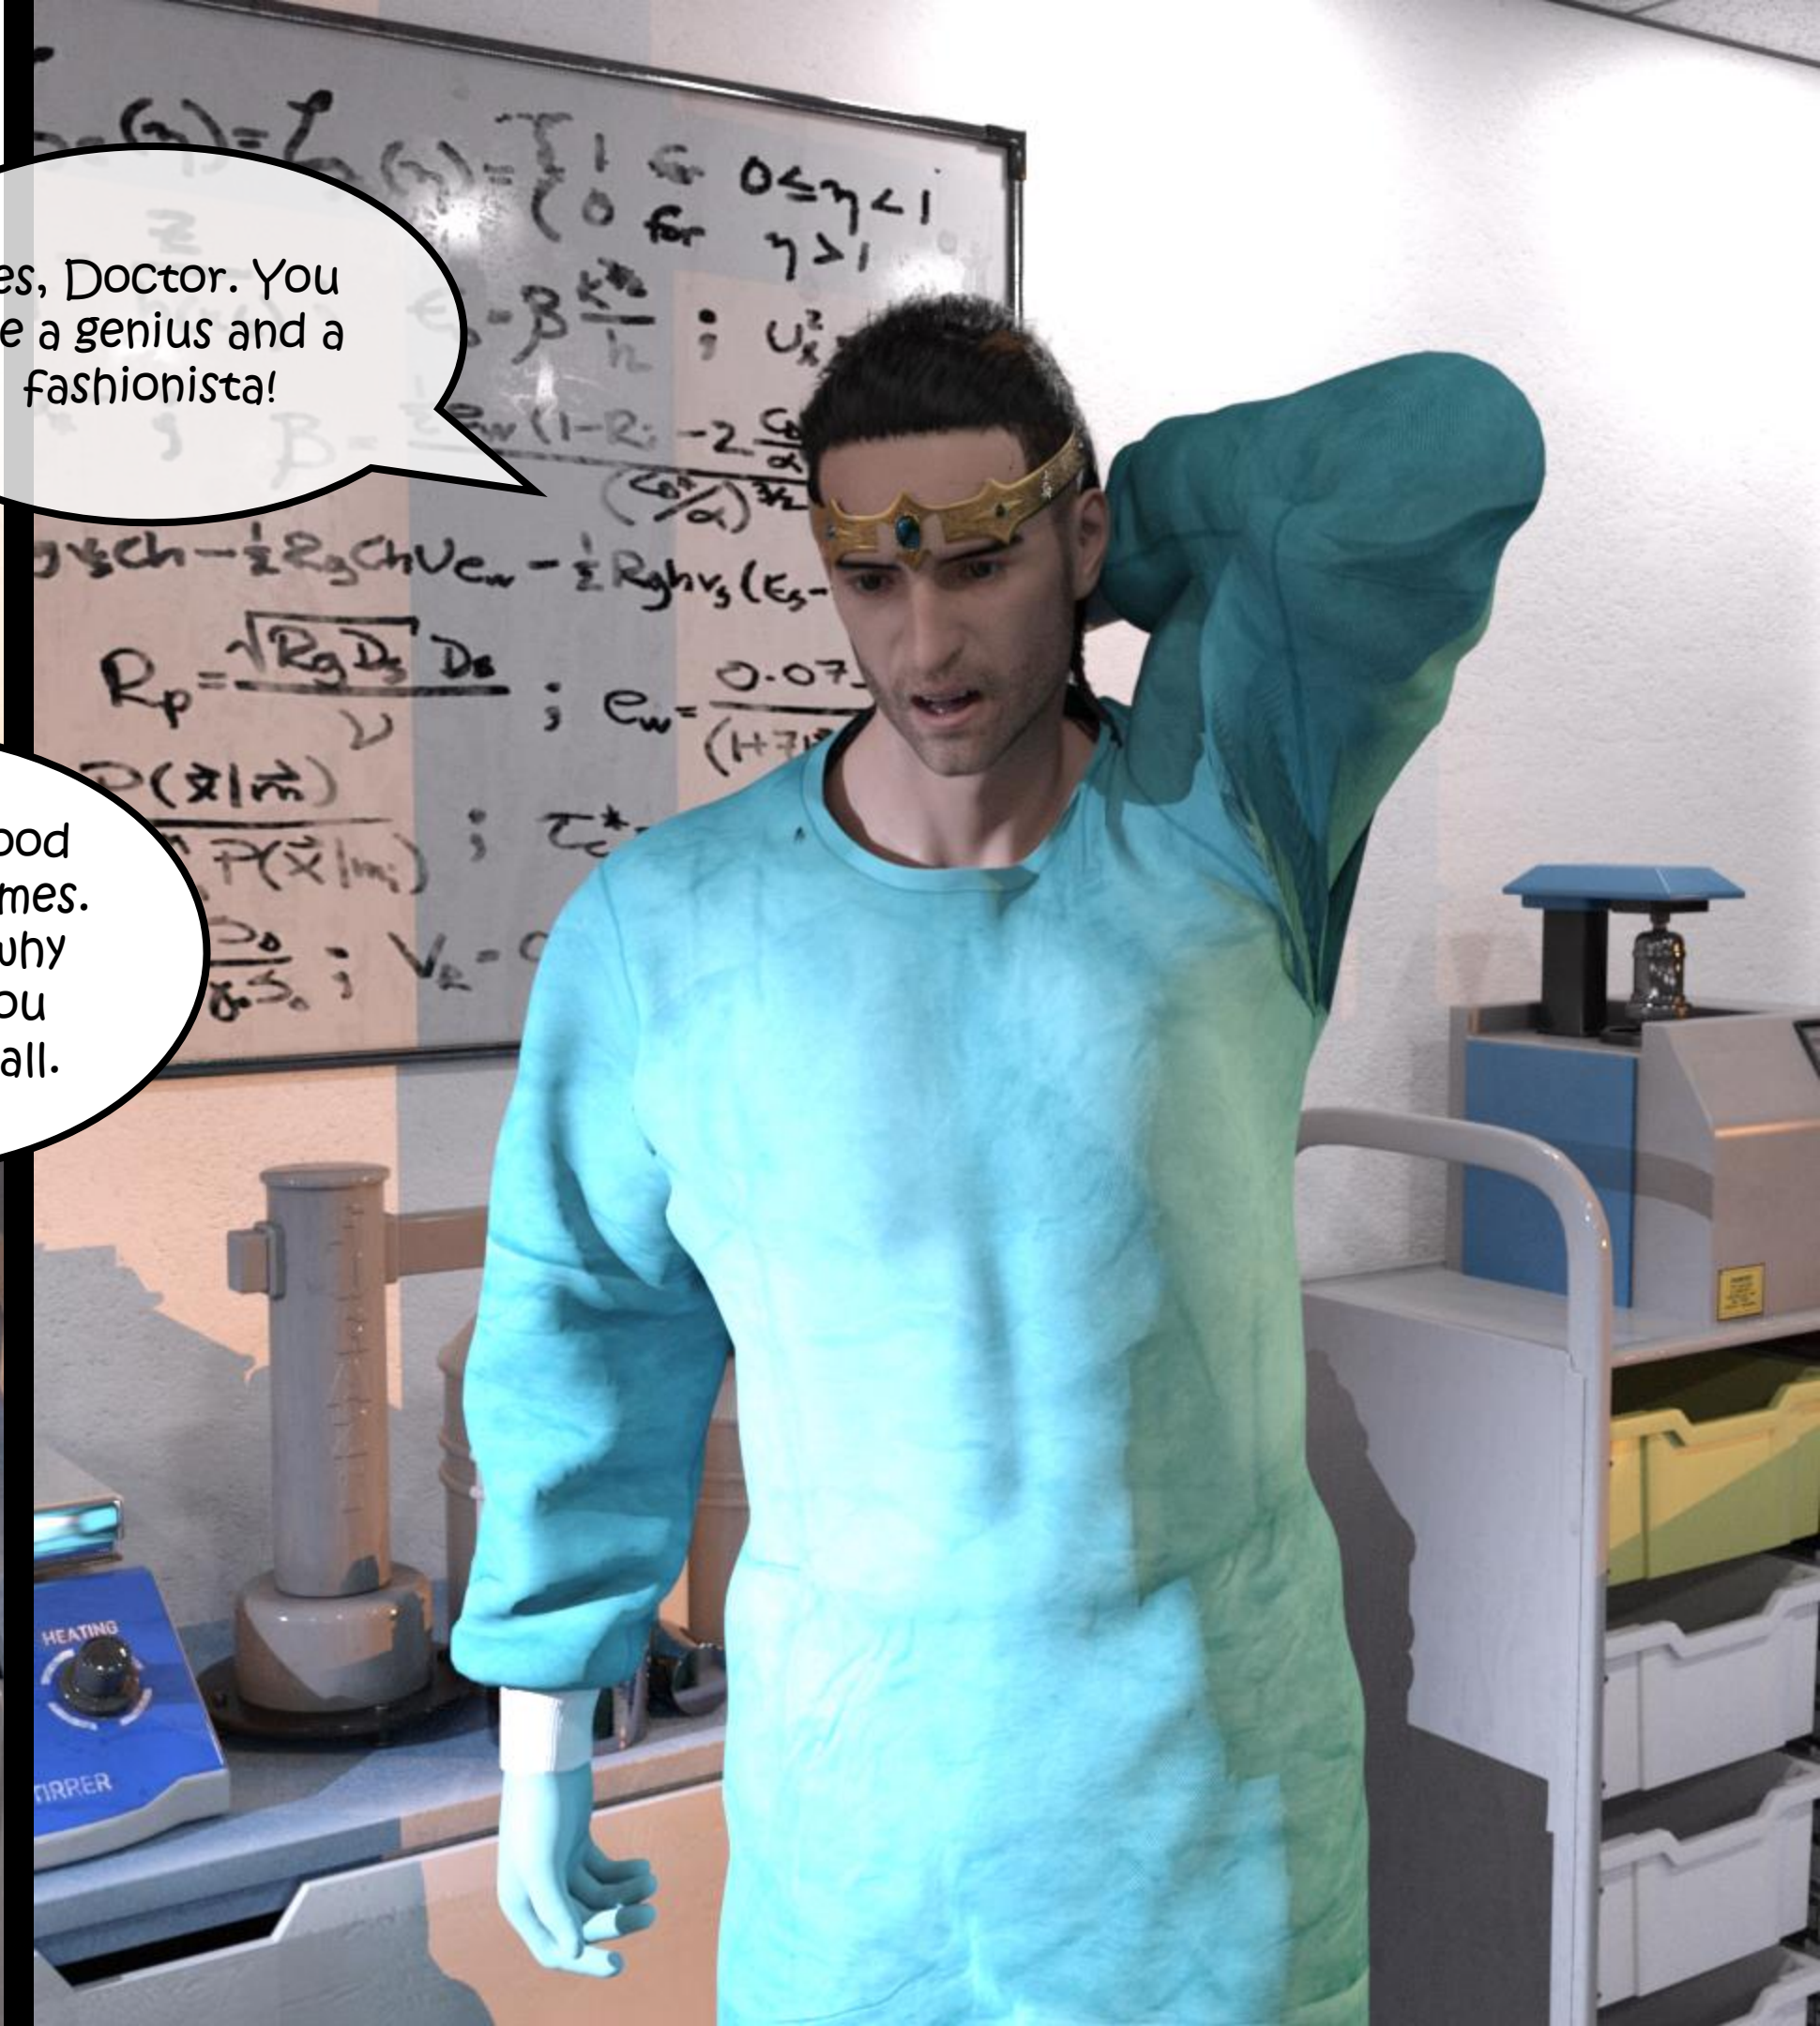

You good for
nothing idiot!
What are you
doing?!

Doesn't it look good on me? High tech hidden in old antique design!

Yes, Doctor. You are a genius and a fashionista!

Ha! You are good with words, James. Guess that's why I'm keeping you around after all.

No more "No doctor. This could be dangerous." or "shouldn't we try this on the rats first?"

You will be the perfect assistant, James!

Are you sure this is safe, doctor?

Say bye-bye to your clumsy life, James. Activating the MC-3000, **now!**

Wait!
What are you...?
NOO!

Oh fuck,
yeah! That
feels good!

Take me
deeper!

slurp
lick

Oh yeah!
I think that's the
first time you are
using your mouth
for something else
than nitpicking
me!

GAK

After gathering his strength James has decided to leave Doctor Alcone as a drone for the time being and accompany her home. He knows for a fact that her daughter Julie has recently turned eighteen... He thought it would just be polite to swing by, wish her well and... bring a crown as a present for the little princess ;)

Hey mom!
You're back
early. Who's
that?

That's my brilliant
and dependable
assistant James
from work.

That's my brilliant

Bahahaha!

That James?
That clumsy

complain about?

BRAT!

Errr... I mean. Of

Your awesome
assistant!

Kinda strange it goes
on the head... I was
expecting something
more... breast-on I
guess...

But no
matter...
how does it
work, mom?

And
activate!

This unit is
awaiting
instructions.

Moments later in the bedroom...

We have disrobed.
Awaiting further
commands.

Yes, Master.
You can inspect
our bodies as you
see fit.

Jul, call me
Master.

The two girls stay motionless, presenting access to their pussies as James starts to kneel and first goes down on Julie...

Then turning to doctor Alcone's pussy...

Yes, Master.
This unit will
fuck you
harder.

Faster!
Fuck me
harder!

The next day, back at the lab...

So, I just have to aim at you and press this button?

Yes. That's how it works. I was not able to add any further controls to this device.

Alright!
Here we go!
