## Commissioned Story

### A Dick of Change

This is a comic depicting a single scene from a longer story that **n1one** has commissioned from Kris P. Krime – a renowned MC Story writer. The story is called „Remote Glances on College Campus “ and can be found at smashwords.com:

<https://www.smashwords.com/books/view/955332>

Plot: Luke, our protagonist, has previously supercharged his cock which now is not only far bigger than average but also has reality-altering powers. Any woman laying her eyes on Luke’s dick turns into a porn version of herself with Luke being slightly in charge of which direction these changes go.

Currently Luke is walking down the college campus to meet up with some „friends“. Just moments ago he has been blowing his load onto two super hot coeds painting their clubhouse. But that does not mean Luke is not up for more. And what is that, there are two girls standing in front of the building he wants to enter. They are gathering signatures to reverse their sports club budget cuts. Perfect targets to take his cock for another test drive!

### Featuring:

Luke ... The guy with the reality-changing dick

Nathalie ... A petite redhead scouted by the US Olympics team

Bianca ... A petite blonde with an athletic scholarship

Nathalie and Bianca have built up post in front of the philosophy building on campus. Their sports club budget has been cut short recently and all that money has gone to the philosophy institute... not fair! Who needs philosophy if you can build up some petite chicks with serious abs!

Calm down.  
It's still  
early.

Don't doubt  
our methods.  
The herd will  
come to the  
water.

And if they take  
one, I doubt they  
will deny us their  
signature.

Hmpf!  
There's nobody  
around... This is  
not working...

You think the  
water is  
actually helping  
or hurting?

I thought it was a  
good idea...  
handing out free  
bottles... But no  
one's coming!

I just hope Katie  
and Hayden aren't  
too upset we don't  
help them paint  
the Sigma house.

I mean, hello?  
We came here on  
an **athletic**  
scholarship!

I was  
scouted for  
the **Olympics**  
Team!

And the first thing we  
have to bear witness  
to are budget cuts  
threatening our  
future as top  
athletes!!

Ach! The Sigma  
girls can wait.  
**This is  
important!**

**Yup!**  
It's really annoying!  
Also, what better  
way to start out as a  
freshman than  
standing up for  
something!

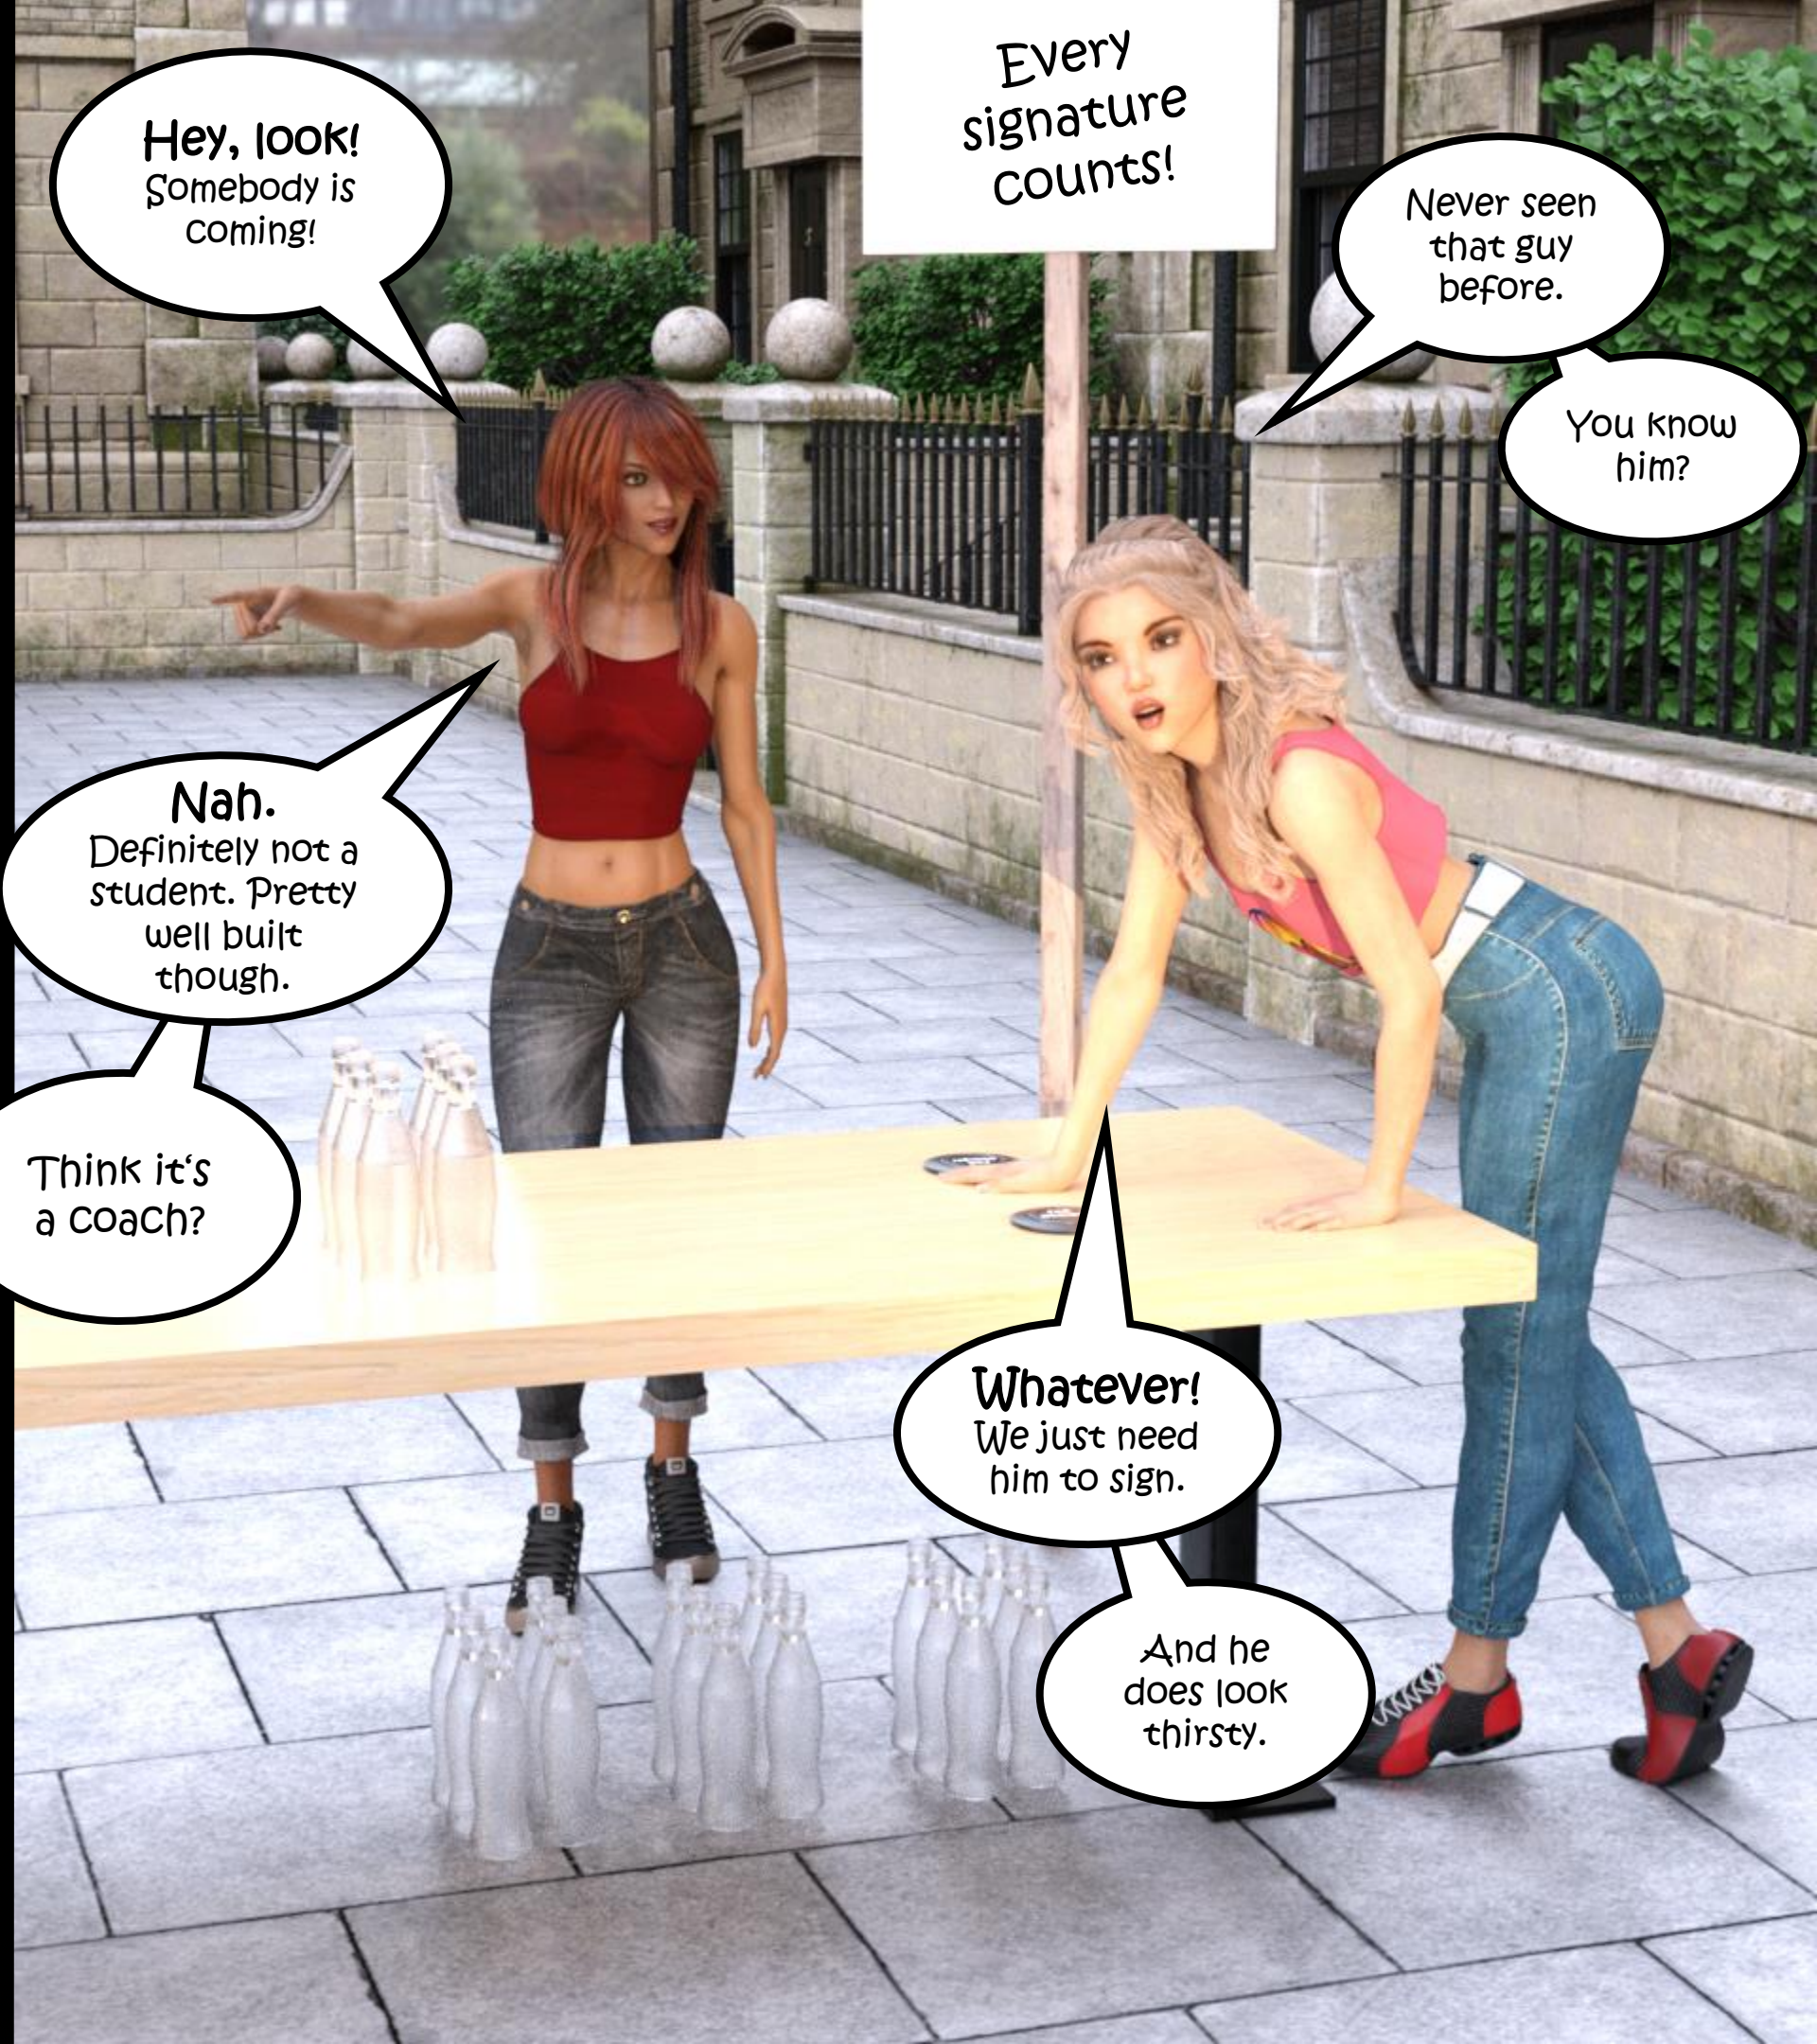

**Exactly!**  
So, let's stop  
worrying for now.  
It's super hot today.  
People will come.

**Every

Sure hope so.  
Standing  
behind this  
table all day is  
kinda boring.

**Hey, look!**  
Somebody is  
coming!

**Every

Never seen  
that guy  
before.

You know  
him?

**Nah.**  
Definitely not a  
student. Pretty  
well built  
though.

Think it's  
a coach?

**Whatever!**  
We just need  
him to sign.

And he  
does look  
thirsty.

Hey there, Mister. Can we offer you a free bottle of water?

Hydration is very important. But a guy built like you probably knows about that.

Now, who do we have here...

Sure, you two...  
Exactly what I need right now.  
**\*snicker\***

Glad it helps on this hot day.

Say, could we trouble you for your signature?

It's for a good cause!

Ahhh Refreshing!

Good Cause?

They've relocated said money to the philosophy department.

Yes, you see. The faculty pulled funding from the athletics division.

Which is why we've put our table here! In front of their house!

A guy like you will probably agree that staying physically fit is a must.

It's far more important than getting back pain from studying some old philosophy books!

Well, for me that's easy.

It's my butt.

I know it's not... unattractive. It's pretty toned after all.

But... it's kinda small and ... well if we are talking confidence. This is where I struggle.

SMACK

Well... I've never been scouted by Olympics Team like Miss perfect over there.

And... well at school the guys did not like me either, even though I was a cheerleader!

So... I'm more insecure about the whole package. No curves, if you get my drift.

Strange question, but the guy seems pretty honest and nice.

Thank you for your honesty. Very refreshing!

Also, don't worry too much about it. You both are already very attractive.

I'm Very curious if my powers will turn them according to their wishes...

As the girls are confronted with Luke's massive dick it does not take long for their eyes to glaze over – an effect Luke is only all too familiar with. Now it won't take long anymore. They'll start to change any moment now!

As Nathalie's eyes glaze over Luke can't stand the anticipation. Will she change according to her previous statement? Upgrading in the rear department... or will she...

Yup... just like any other girl so far, her breasts start to inflate...

Luke, still experimenting with his powers he has so little information about, does not know if this change comes from his inner longing to see big breasts on a woman or if all women secretly yearn for big breasts.

While he did hope for some discovery on how his powers work, he can't complain about the changes. Those huge tits look awesome on her petite and toned body!

Probably another thing directed from his brain. Luke loves women in skirts. So, every time he uses his powers on a girl in pants, those soon vanish...

And are replaced by a skirt...

Just as Nathalie's breasts settle for a size Luke does not even dare to assign a bra size to her hands wander down to her small but firm butt.

And really! Soon Luke notices the swelling under that short skirt Nathalie is now wearing.

To Luke's delight that ass fattens up quite a bit. Getting all round and bubbly.

To Luke, this is proof that the girl's inner feelings do influence the change at least to some extent!  
(The readers still wonder if this is not just simply Luke thinking too hard about said butt ;))

At the same time, Bianca's transformation has started as well.

The first change to become noticeable is, as always, her breasts, which have started to inflate at a tremendous speed.

Having started with basically nothing in the top department Bianca is soon sprouting some very big round globes... and they keep on growing!

As the girl finally notices the additional weight a careful viewer might spot her expression changing...

Bianca never was the brightest candle on the cake... but now... her eyes have lost any shine of intellect there ever was...

As her IQ slowly but steadily trickles out of her brain... into other regions of her body...

Compared to Nathalie's breasts which aside from their size kept a natural flair... Bianca's breasts are not only ridiculously huge, but they are also perfectly round and look fake ass like beachballs attached to a stick.

**Giggle!**  
Me got boobies!

It follows the usual transformation of her clothing as Bianca's pants start to disintegrate... But what is that... her hair changes as well... turning into a platinum hue...

Her skirt ends up so short and loose, that her tight string can be seen from various angles as she moves. The ultimate bimbo has been born!

As Nathalie falls from the table Bianca replaces her. Laying all the way down – obviously having a better grasp on how to handle such an enormous dick.

Urgh!

C'mon stud! Like, put it all the way in! ①

Don't mind if I do. ②

What Bianca lacks in intellectual skills she has gained in deep throating skills. Not even Luke can believe that she has gobbled up his thick salami almost all the way up to his balls! How does she get air? One can basically see his dick move inside her through – filling it – expanding it!

Argh!  
How dare  
you!

This dick  
belongs to  
me!

No one's  
gonna stand  
between me  
and that  
dick!

I'm gonna  
make you  
hurt!

Holy moly!  
I can't believe  
she's doing  
that.

No girl has  
been able to  
take my whole  
length until  
now!

GAK  
GAK

Just as Nathalie was about to git Bianca, Luke withdraws his dick from Bianca's throat and steps in between the two fighting ladies.

Oh, yea!  
Just like  
that!

As Bianca is licking up the last drops of cum oozing from Nathalie's ass, Luke is approaching another climax as he pushes his dick deep inside her pussy.

I'm close Bianca!
