Office Party Commissioned Story

A Party to Remember

Previously we met Marco („A boyfriend to Remember“) – a man with a very special gift. If Marco tells you to remember something, you just do. Marco has used his gift to make Lucine his new girlfriend and had her invite two lesbian friends who suddenly remembered their addiction to cock. But all this is long past as Lucine has now invited all the girls from work to a little party!

Will Marco use his gift again to make the girls accept degrading words as compliments? Will he make all the girls from Lucine’s work have sex with him? And will he change them in various ways influencing their future lives to come? ... **Yes, he will!**

Featuring:

Marco ... The man with the gift to make people remember

Lucine ... Marco’s devoted girlfriend (previously married)

Amara ... A fun –loving colleague of Lucine - single

Irene – Stuck up coworker of Lucine - married

Barbara ... A shy new intern at Lucine’s work - single

Norah ... Lucine’s Boss, a workaholic - single

Well, she did invite you, did she not? *chuckle*

Don't fret over it. Just enjoy the food. Lucine's a really good cook!

Thank you for driving, Miss Fortune.

Is it really okay for me to be here? I'm just an intern after all.

Hey there, girls! Welcome!

What are you wearing?!

Oh, dear!
What kinda party is this?!

I should have stayed home...

Duh!
My lingerie.
Come on in,
the others are already here.

Maybe they are playing some really creepy game?

Oh, hey there!
Irene! Barbara.
Glad you could
make it!

Wow!
What is going on
here? Where are
all your clothes?

Did you not
read the fine
print? It's a
lingerie party!

There definitely was
no fine print! I read
that damn invitation
three times before I
convinced myself to
come...

O.M.G.!!
They are in their
undies with a
man present!?
I'm so outa' here!

Heya!
What's the
commotion? Is there
some trouble with
the newly arrived
bitches?

What's wrong with her?

Err...
Are you okay, Irene?

What did you just call me?!

Did this guy really just call us bitches?!

I certainly am not okay with this bastard around!

Wow! Slow down, girl. That's my boyfriend you are talking about!

This guy gives you a friendly greeting and you go all nuts on him?

Have you all gone mad?!

Yeah, Irene. What's wrong with you?

Girls, please.
Calm down.

Miss Irene ,
was it? I'm duly
sorry if I've
offended you
in any way.

You too,
*big boobed
sweater
girl.*

I just want you to
remember that
demeaning words
are actual true
compliments
towards women.

Is that so?
Remember, you
actually do
enjoy it, my
*pretty little
whore.*

Well... err... I
guess... Thank
you. For the
compliment... and
explaining it to
me...

Could you tell me
what's up with
everybody
wearing lingerie
as well?

You know what?!
I really don't like
Mansplaining!

But of course, I can. Anything for a *dumb cunt* like you.

Remember girls, this is a lingerie party.

But... isn't that kinda creepy with a guy around?

Oh, no, absolutely not! **Remember** you really enjoy men oggling you up and complimenting your female assets.

Well, Barbara. If that's how it is, I guess we should undress and join the party.

Already on it Miss Fo... Irene.

Brilliant! Great tits, girls! Now let's sit down and talk a little. I'd really like to get to know the bitches my personal slut works with.

Let's get this party started!

I love how this guy is staring at my big breasts!

Come sit here babe.

Nah, let's snuggle up.

The couch is getting a bit crowded...

Shouldn't I sit closer to my friends?

Ok, hon. I love it when you tell me what to do!

Obviously this is just the beginning of a very interesting party...
With just a few more words Norah soon can't stop herself from
masturbating in front of everybody while Irine starts searching for
ways to cuckold her husband! And Barbara... she has troubles
remembering her own name!

Oh dear god, why did you have to remind me?! It's actually pretty hard! I try to not think about it! And I've gotten really good at suppressing the urge...

Don't worry. Remember you don't have to suppress your urge around us.

Question: Wouldn't a man to fuck be more practical?

I thought about getting one once... but I doubt there is any man out there able to keep up with my libido.

moan

I see, thank you for your honesty.

rub

Oh... so... you know about that...

Sorry for shouting at you. It's kinda expected of a married woman to show indignation when told something like that in public.

Here's, a little sneak peek to make it up to you.

Accepting her new memories, Irene cuddles up to Marco and starts flirting with him.

Meh!
My seat is getting kinda crowded!

Hi, there!
Do you like my
Boobies?

Barbara? No.
Me not like
knows a
Barbara.

I'm Barbie!
I love showing
off my big fun-
bags to men!

Soon all women engage in a full out orgy!

Take me!
I can't wait any
longer! My pussy
is aching for your
rock-hard dick!

I'm already
dripping wet. You
can just slide in
and pound away!

Girls,
present your
aSSets!
