Some time not too long ago in a fictional dimension of „Office Party“...

Office Party Commissioned Story

Assistant Lab Rat III Operation Beach Bunny

Previously on „Assistant Lab Rat“ we've seen Doctor Alcone and her daughter Julie perfect the Bust Enhancer for their Master James. Both women were working under the Control Tiaras' power, enabling James to control them via thinking.

In the meantime Doctor Alcone and her AI have perfected a microchip that, once implanted, can replace those Tiaras, ensuring a much less obvious piece to control James's slaves. Stacey and Julie are now injected with such a chip each and therefore no longer need to wear the Tiara's to stay under control.

Armed with more Tiaras, Chips, and of course „The Bust Enhancer“ James and his two slavegirls have made their way to the beach for some field testing and, of course, to acquire some new busty slaves for James 😊.

A wedding scene set outdoors under a white canopy. A bride in a white dress and veil stands on the left, looking towards the groom. The groom, wearing a gold headband and black briefs, stands on the right, gesturing with his hand. In the center, a table covered with a white cloth holds two gold tiaras. Two large bouquets of white flowers are visible. The scene is overlaid with four speech bubbles containing humorous text.

A splendid name, Master!

Control Tiaras... check.
MC Chips... check
Skimpy Bikinis... check.

You go the Bust Enhancer, Master?

I'm calling this Operation Beach Bunny.

Is everything prepared?

The Bust
Enhancer!

Yes err... damn
it! Where did I
put it...

Ah... Hah!
There it is!
All good!

Now let
Operation
Beach Bunny
commence.

Go, my
minions! Bring
me one busty
lady each!

Yes,
Master!

Err! No!
I really don't
need to...

Hey! Julie!
What...
What are
you doing!?

This really is not
appropriate!

Man!
Yours are
still bigger
than mine.

And so
jiggly!

A woman with brown hair, wearing a black one-piece swimsuit with a red collar and a gold headband with a green gem. She is standing on a beach with the ocean in the background. She has a surprised expression.

What was that all about?!

And what did you put on my head?

Master.
Please activate Unit 04 now.

The same woman from the previous panel, now with a green digital overlay on her forehead and glasses. She has a neutral, somewhat robotic expression.

This unit will obey.

Hm...
That one
should do
the trick!

Unit 05, follow
me. I'll bring you
before our
Master.

Affirmative.
This unit will
follow you to
Master.

Having found one busty contender for their master's harem tacey and July salute their Master and prepare for all the girls to be transformed.

While Barbara's breasts expand to ridiculous proportions Irene's Areola is turned super dark. Also, both girls end up with a thick bush! And once they take off the Control Tiaras, the girls are everything but amused with those changes!

Oh, my god!
What have you
done to us?!

Where did
my clothes
go?!

Wait!
What happened
to my breasts?!

Stacey and Julie get some changes in the breast and pubic department as well but accept their changes with a stoic salute thanks to their previous programming.

Finally, it is time for Operation Beach Bunny – Phase 2. Which is basically about busty girls obviously bouncing their boobies around the beach!

What a beautiful day at the beach!

Yup! Lovely weather!

Oh, you! I'm gonna get you!

Ha-ha! I'm faster!

In the end, the girls reach the water without too much of a commotion and enjoy some fun time in the sea...

This is nice!

Very refreshing!

But what will happen once James turns off the obliviousness in their programming? All for scientific reasons, of course ^^.

Personality Reset: Decent but clumsy Woman

Quick,
Julie!

Yes,
Mother!

Oh, god!
People are
already staring!

There!
Our clothes!

While the girls do reach their clothes... with their now Clumsy nature, they just end up giving everybody around even more of a show!

Okay!
I think we finally
managed to put
those peeping
toms behind us!

Damn!
Those are
some skimpy
bikinis!

Yeah...
literally!

We are
right here!

End of Teaser

Will Dylan yield to his uncle's demand for a parley or will Charlotte set him back on the right/wrong path again?
