Office Party  
User Submitted Story of May  
Assistant Labrat

Meet Doctor Alcone... a genius in her field of research, and James, her clumsy assistant. Doc. Alcone is about to have a breakthrough in her lab! But whom can she test her newest mind-control gadget on?! “James... JAMES! Come in here! Prepare the MC-3000 prototype. Bring me the red one, you take the green one!” There surely is no way this is gonna backfire on her, right? ;)

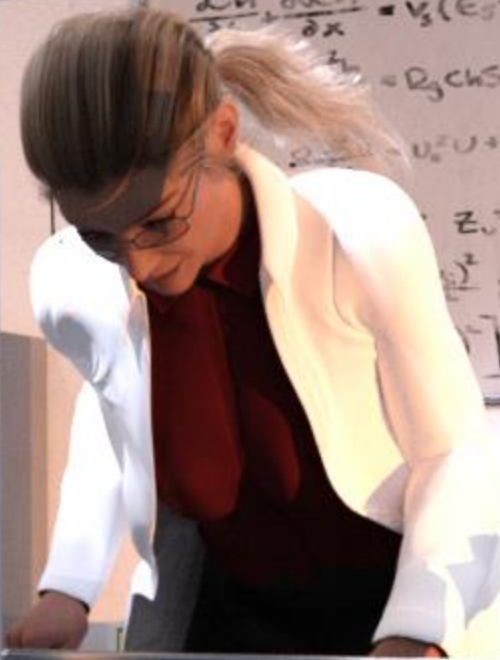

**Cast:**

Stacey ... As Doctor Alcone, a mad science genius

James ... As Doc Alcone’s clumsy assistant

Julie ... Doc. Alcone’s bratty 18-year-old daughter

This is looking good!

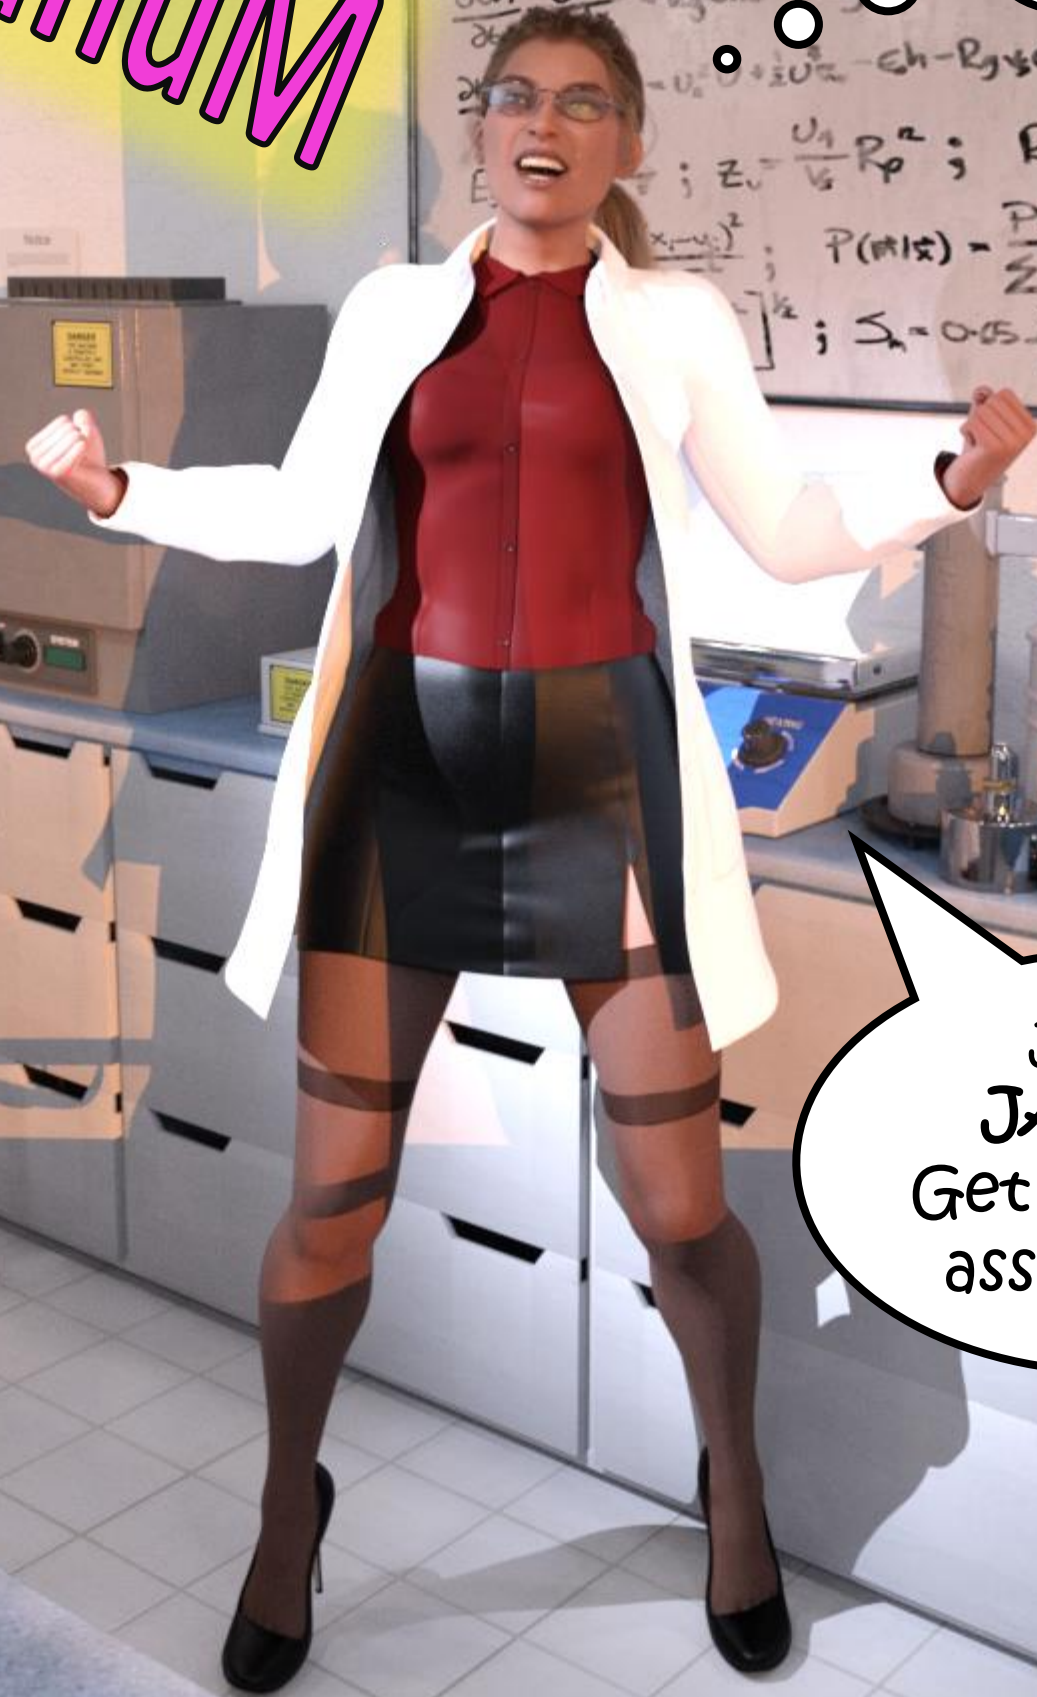

Now if this value just goes past the threshold. YES!

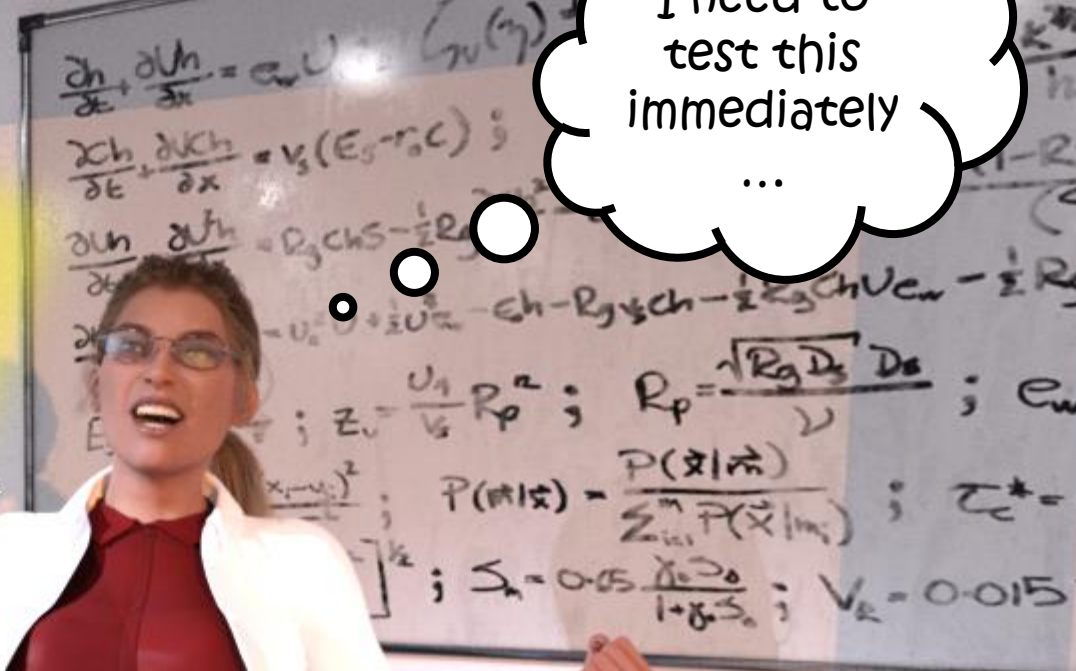

ahahahahahum

I need to test this immediately ...

James! JAMES! Get your lazy ass in here!

Yes,  
doctor?  
You called?

I was feeding  
the rats... they  
still emit some  
radioactivity, so  
I thought...

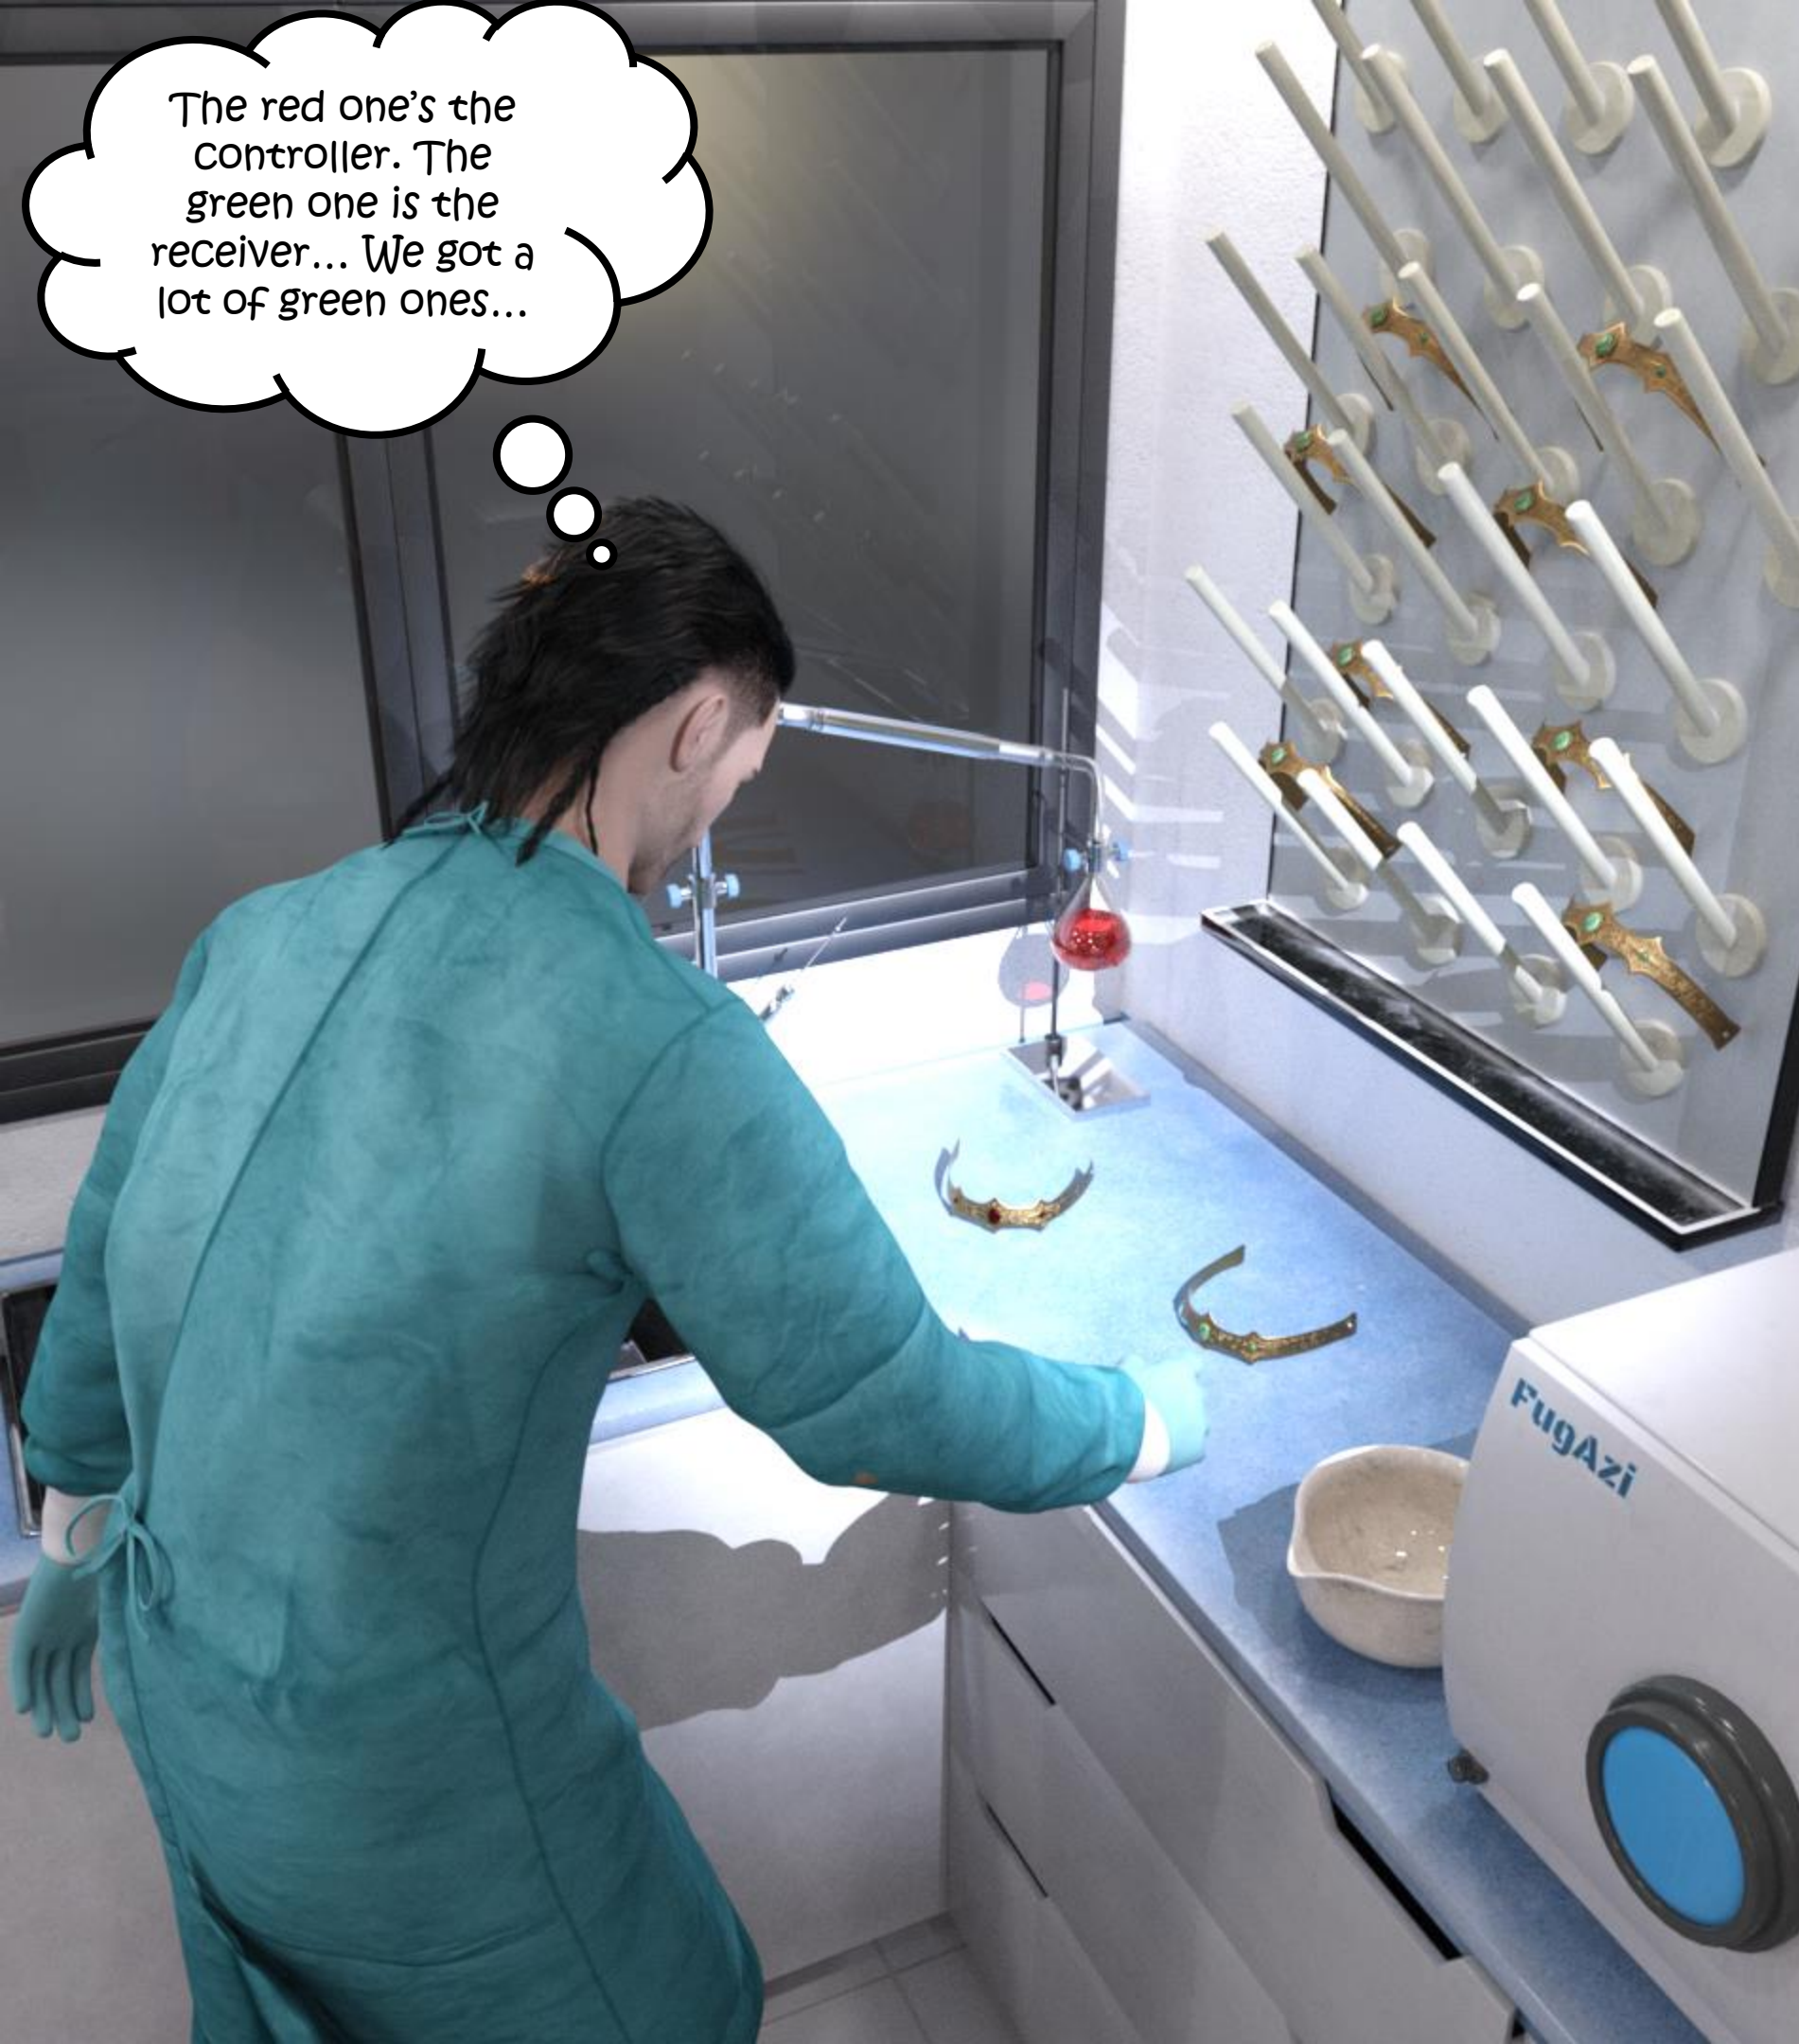

Why are you  
wearing this  
ridiculous  
outfit?!

Oh, you little  
scaredy-cat! Loose  
that ridiculous  
hat and mask and  
prepare the MC-  
3000 for testing.

On the rats,  
doctor?

No, you  
moron!

But whom are  
we testing it  
on... Oh...

The red one's the controller. The green one is the receiver... We got a lot of green ones...

Don't carry them like they are contagious! Hurry up already!

Yes, Doctor!

Auuutsch!

CRASH

You good for  
nothing idiot!  
What are you  
doing?!

Oh shit!

Er... um...

I'm telling you if you damaged that thing you'll wish you never were born!

I'm just putting the stones back in and we are good right?

... It's fine, doctor! The MC-3000 was not damaged.

**Finally!**  
Give me the red one. You put on the green one. And stop walking like Gollum!

My back still hurts...

**Mimimi!!**  
The green one. Put it on!

This won't go as Dr. Alcone has  
planned ;)

**Hey mom!**  
You're back  
early. Who's  
that?

That's my brilliant  
and dependable  
assistant James  
from work.

That's my brilliant

assistant James  
from work.

Kinda strange it goes on the head... I was expecting something more... breast-on I guess...

But no matter... how does it work, mom?

And activate!

This unit is awaiting instructions.

Moments later in the bedroom...

We have disrobed.  
Awaiting further  
commands.

Jul, call me  
Master.

Yes, Master.  
You can inspect  
our bodies as you  
see fit.

The next day, back at the lab...

The MC-3000...  
The bust-  
enhancer...

I wonder what  
other gadgets  
doctor Alcone  
has stored  
away!
