Julie-Bot's Adventures The Sex Program

This story takes place in the original Dictaphone Universe. Julie has been transformed into a coffee-making robot by the powers of the Dictaphone. It was actually meant as a nice gesture from Sayo to make Julie more popular... but well... the wording was kinda off. Anyway, before that, Julie used the Dictaphone to make Marco fall in love with her and make him her boyfriend... a statement that still holds since it is recorded on the dictaphone! Therefore Marco is infatuated with Julie-Bot! But the other office workers try to hinder this relationship saying it's not sanitary to fuck a coffee machine!

But of course, true love can overcome any hurdle between humans and machines! Therefore Marco usually sneaks into the file cabinet to enjoy some sexy time with Julie. This time we join Marco on such an occasion. And this time, he is prepared! Marco has downloaded a sex-bot program he plans to install on Julie-Bot so she might finally respond to his feelings. Of course, Marco, the bad guy he is, has grabbed the program from some dubious pirate site rather than buying it from a legit company... **What can go wrong?**

Featuring:

Marco... An Office guy madly in love with the office's coffee maker
Julie... Previously the intern at the office, now a robot coffee maker
Stacey... The former boss of the office, now a young intern

Oh, Julie!
It's finally time

our love!

program, you will

emotions!

While Marco actually wanted to go slow at this and savor the moment, Julie-Bot forces her tongue in between his lips and starts exploring his mouth.

Wow! *slurp*

As Julie-Bot pushes Marco's face into her ample cleavage and holds him there in an iron grip. The bliss from motorboating these wonderful tits only lasts a little while until he starts gasping and fighting to breath.

Achhh

Oh, god.
Julie... *huff*
That was...

Awww, did my

Is it getting
tight in your
pants?

Is that a fat ass
stick of Salami in
your pants or do
you really like my
body that much?

My pussy is
aching for your
big hard cock!

Well, what are
you waiting for?
Stick it in
already!

Obviously, Marco does not need to be told twice. Ripping his clothes off, he is ready for insertion within seconds.

Do it!
Penetrate my
tight little cunt
with your rock-
hard cock.

Moan
Oh, Yeah!
Give it to me,

I'm so glad we
could finally
seal our bond
of love!

But we should
probably clean
up for now...

LoL!
What are you
babbling about,
hon? We are far
from done, lover
boy.

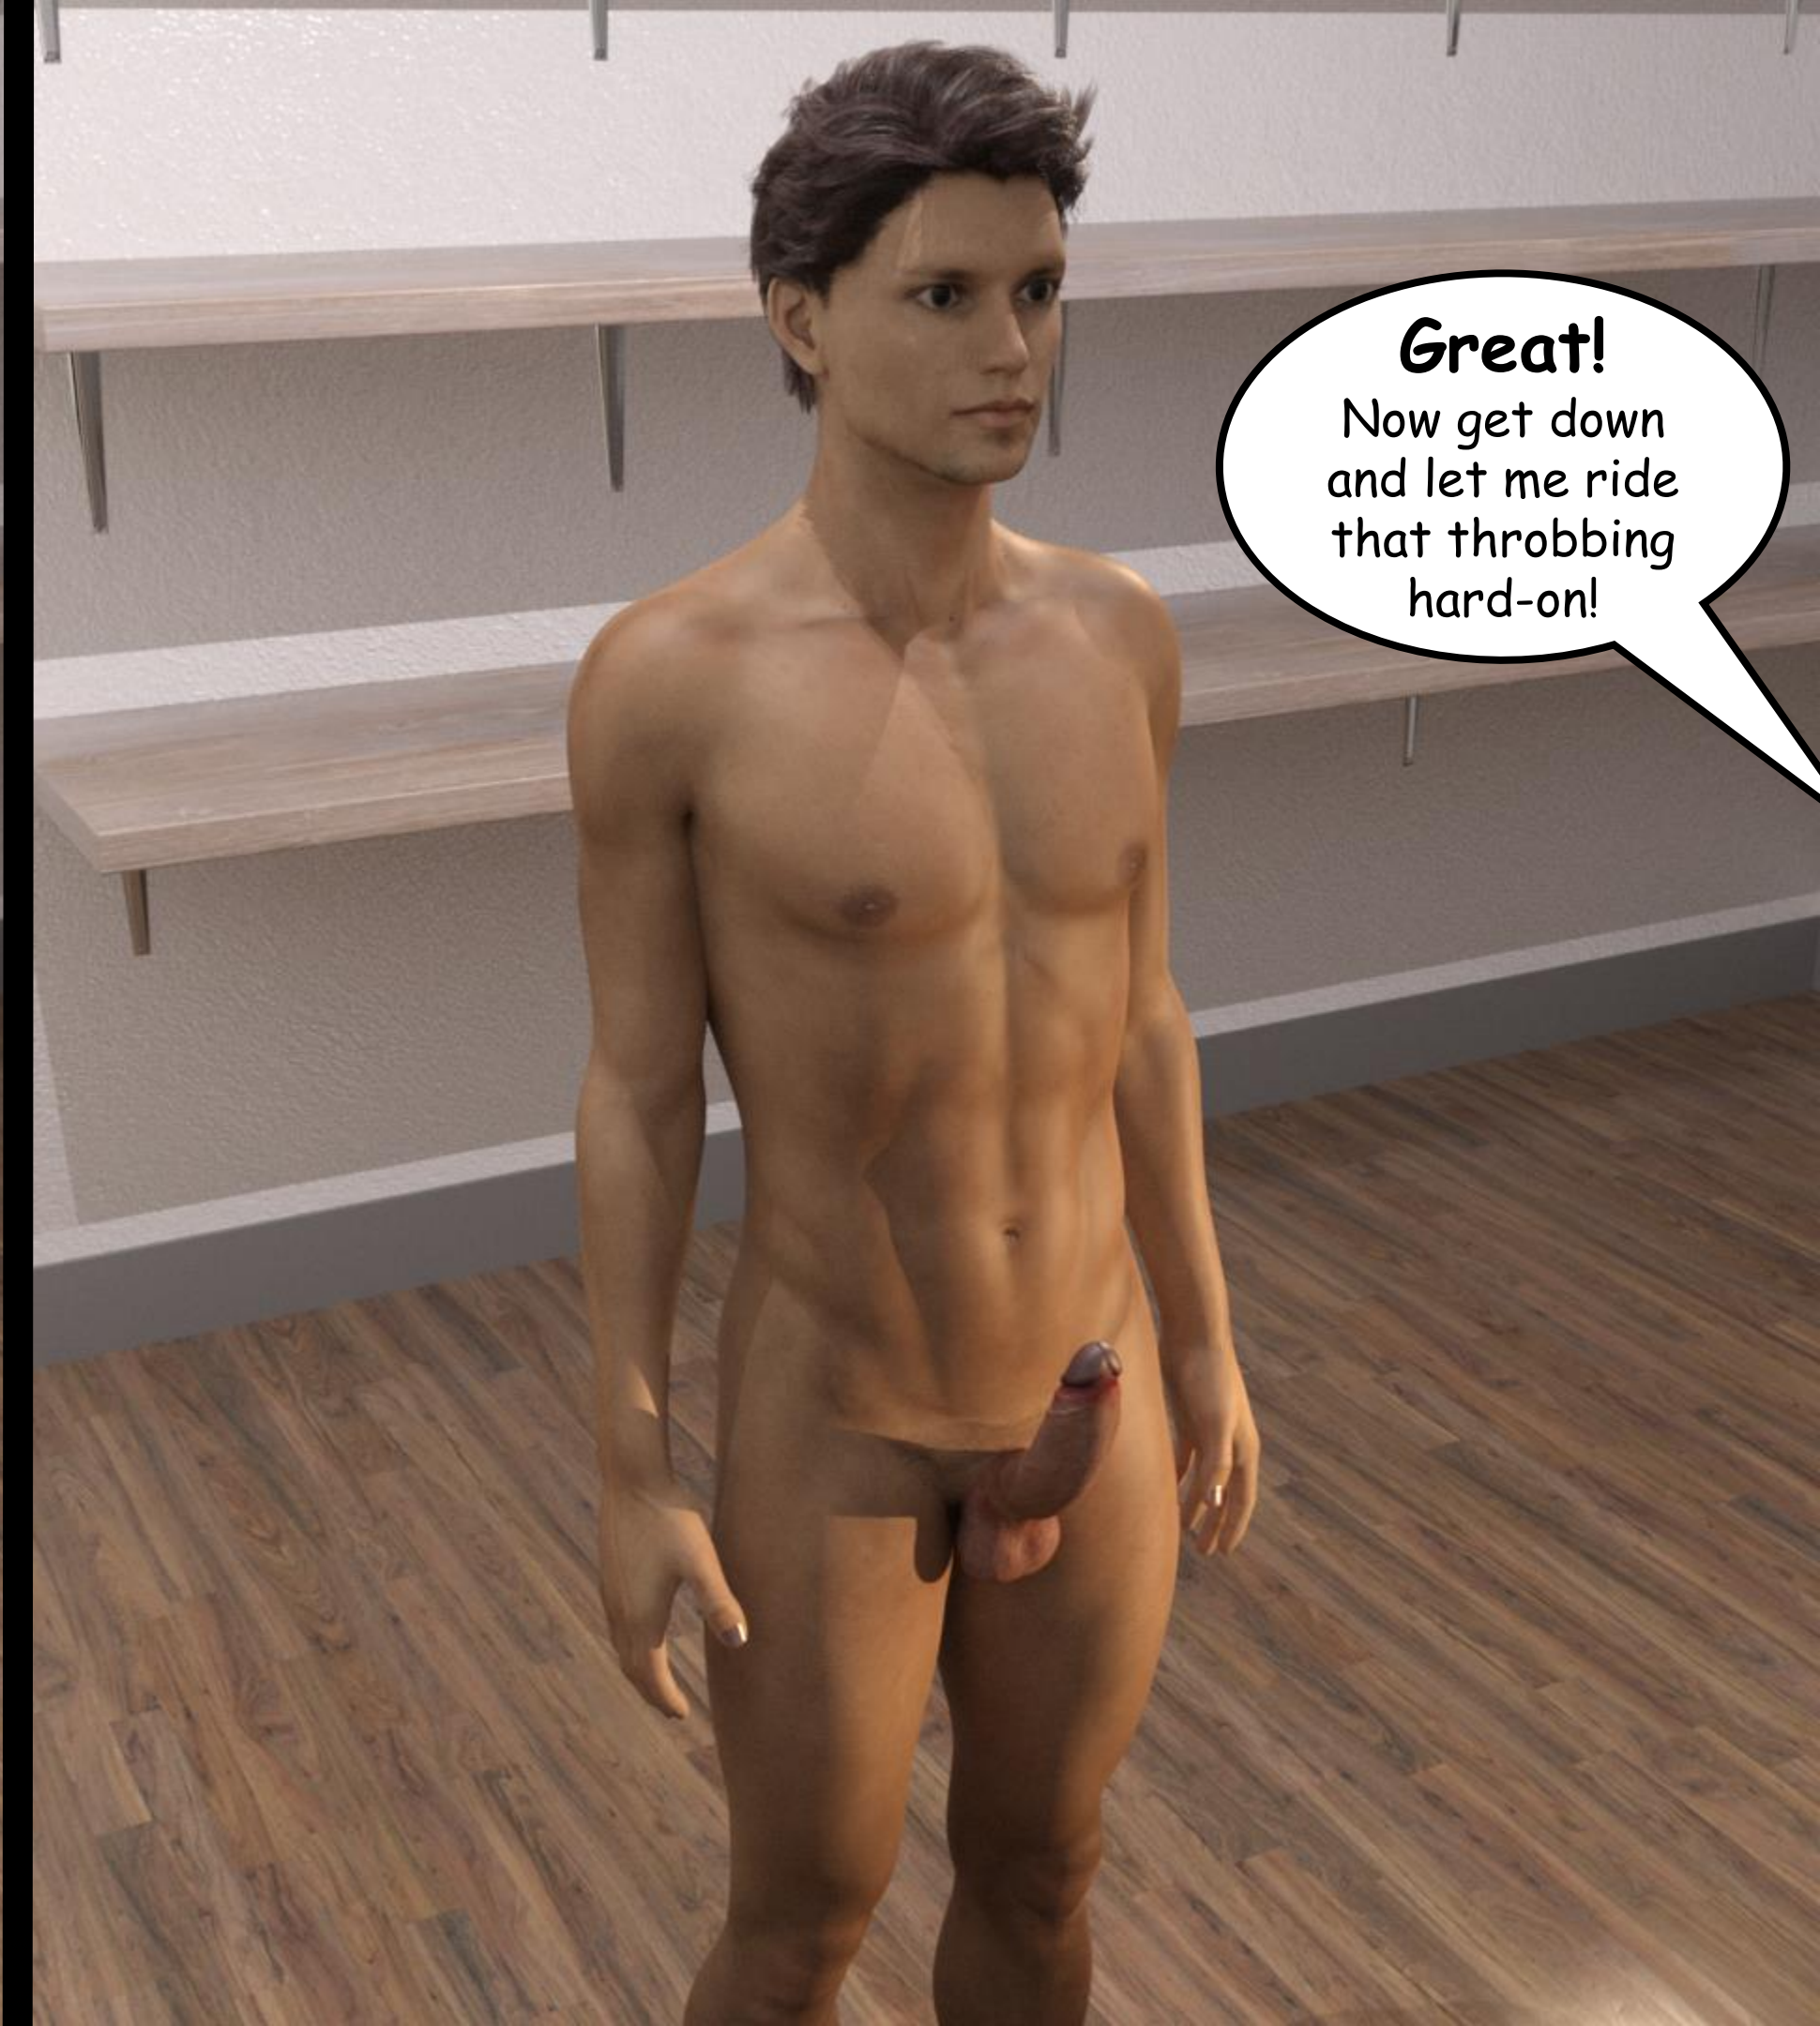

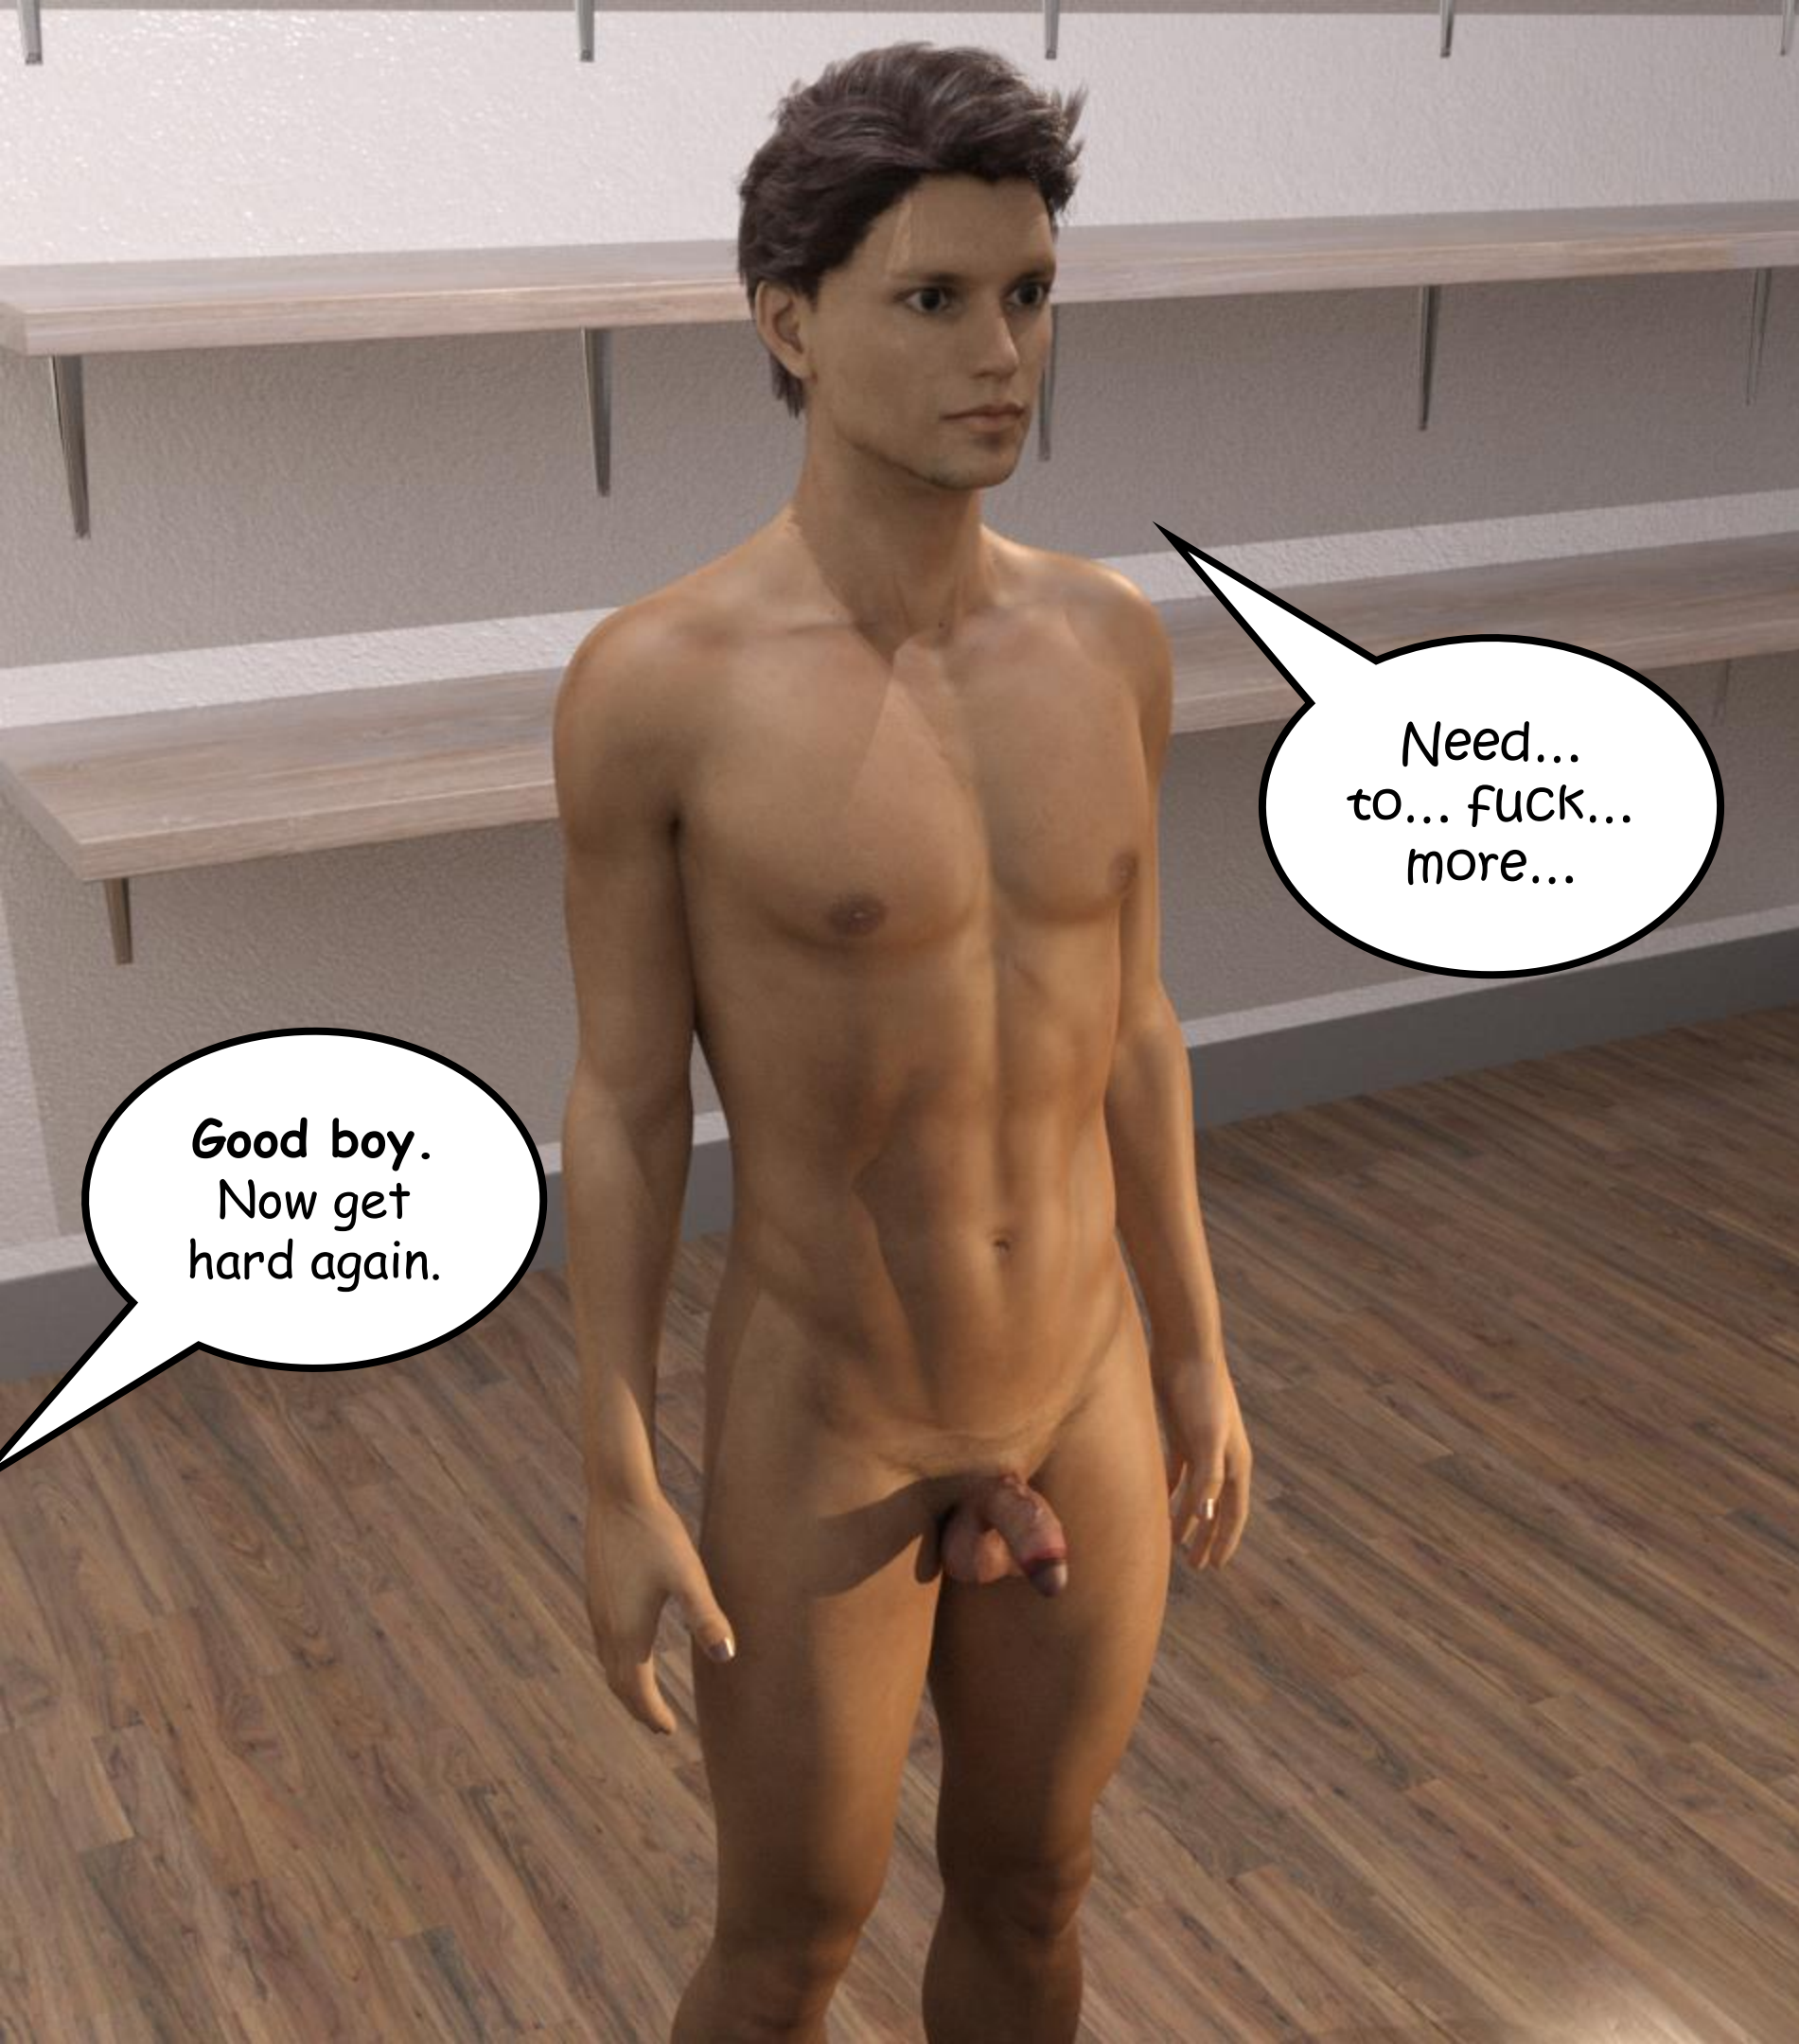

Julie. I
literally just
had the best
orgasm of my
life.

I don't think
I can cum
again so
soon.

Awww!
Trust me, with
my help you can
stay up all day!

The fucking continues as Julie-Bot
enjoys itself riding Marco's Dick... again
and again... **and again!**

Oh, yeah!

I'm about to
cum! AGAIN!

Moan

Marco has yielded under Julie's relentless assault. His cock might still be rock hard from Julie-Bot's electrical stimulus, but his exhausted body and weary mind are paying the toll as he has drifted into unconsciousness.

Hey!
No sleeping!

Hi-hi-hi
I've just got
the right thing
to wake you up!

I'll just fuck
you twice as
hard until you
cum and wake
up!

Oh, yeah!

Here I cum
again! Just for
you Marco hon!

Give me
more of your
spunk!

I'm gonna
ride you
dry.

I'm gonna...

Batteries -
running - low...
please - recharge
- unit...

BEEP

More time goes by without any action as Julie bot is locked in her final pose without any energy left, and Marco laying unconsciously trapped under her...

Oh, no!
Julie!

Julie!

What's wrong
with you?

Are you
okay?

Speak
to me!

Oh, thank god!
She just ran out
of batteries!

press

Julie-Bot
unable to boot.
Energy level
low. Please
recharge.

Damn!
My dick
hurts!

Julie went completely nuts
on me back there... I'm lucky
her batteries ran out... Who
knows what would have
happened otherwise... Maybe
I should have paid for the
real deal instead of pirating
that program...

Julie!
I'm sorry!

I will find
another
program!

I will find a
way for us to
be together!

I promise!

But first I need to
download her basic
configuration and
reinstall it before I
can recharge her.

Clunk

And, as so often, it takes a fucking long time to find the right version of the right configuration for the correct Bot Model... And in the meantime...

I should
prepare Isabel's
coffee...

If she comes in
early today, her
coffee better is
ready or she'll be
in a bad mood...

Marco!
You stupid
idiot!

Must be Marco's
doing... What has this
idiot done this time?
Is that cum leaking
out of her ... ITS
pussy? *Ewww!*

There we go.
Back in your
station.

I hope you
recharge
enough before
Isabel arrives...

Her boobs are way
bigger... than
before... Did Marco
play with her ... **its**
breast settings?

...
...
...

I mean... with
her... its ...
breasts bigger...

Can she
make more
coffee at
once?

Or store more
or different
beans and
milk?

Since there is more
space now maybe
we can finally add
fat-reduced milk
to the assortment!

STARE

The End.

Thank you for reading!
