Love Bug Bite 2B

The Suiciductress strikes back

Previously on Love Bug Bite, we have seen Marco AKA The Pheormancer save a blonde cheerleader from her certain fall to death. The girl was talked into committing suicide by a mysterious lady in red.

Now, while the town seems calm and the Pheromancer has his first public debut... the Suiciductress is hatching out her next evil plan somewhere... lurking... waiting to strike at the moment when least expected!

While the Pheromancer's Press Conference does not go too well for him...

Me?
Well... I ... I'm strong...
and... fast... I call myself
the... errm... The Pheromancer...
and... I got these powers... I
was **bitten by a** genetically
enhanced **bug**.

Miss Stephens!
Miss Stephens!
Please, a word.

Why did
you jump?

Who's the
lady in red?

Did you
really see
her?

Now... when there finally is a report on the Pheromancer on public TV... Marco is not too pleased with the results...

You can see footage of him right over here.

I did not get a name, but he himself admitted having been bitten by a bug.

So, I'm naming him **Bug-Boy!**

So, if you see Bug-Boy around... It's not a bank robbery in process but just another lunatic in a hoodie trying to steal work from our trusted police force.

Marco is furious about having become a laughingstock in town, but his girls give their best to ease his pain and bring in some happy thoughts...

Mooah

Oh, god.
You girls are
so good to
me.

We love you with all our hearts and soul!

We will always be on your side!

Whenever you need us, we are here to help!

But a hurt ego soon is the least of Marco's problems... When his flat gets devastated and his flatmate and harem girl Barbara is abducted by the Suicductress the Pheromancer meets up with the evil villainess on a skyscraper's rooftop so save his friend/lover... it's obviously a trap, but what can he do?!

Finally!
Welcome to my
little rooftop
party!

I almost
thought you
would not
come.

At the exact opposite sides of the rooftop, two women are standing dangerously close to the edges... Barbara, Marcos beloved flatmate and harem girl... and Miss Fortune, the reporter who made fun of him on public TV.

The Suiciductress tries using her powers on our hero...

You are no hero!

Have you seen the news?

Everybody is making fun of you.

Bug Boy!

P.S: Heavy Story Spoilers from here on out!

But fails!

Though, when she is faced with the Pheromancer's demand for her surrender the evil woman can only laugh...

chuckle
Is that so...

Well, this is quite the conundrum we find **yourself** in, isn't it?

Will you really go after me?

Or will you try saving your lovely flatmate?

Or! Or!
Will you save the attractive reporter girl?

Having issued the command to jump with her emotion-corrupting voice, the Suiciductress makes her escape, while the Pheromancer is busy trying to save his beloved Barbara...

Will the Pheromancer be able to save Barbara? And what about Miss Fortune, the reporter who's jumping off the building at about the same time? Is she doomed to fall to her death?

Her feelings being corrupted by the melancholy-inducing voice of the Suiciductress, Barbara is not too happy with being saved...

Wah... **NO!**
Please, just
let go of me!

We are going
to make it! I
will save you!

SWOOSH

But thankfully, the Pheromancer can give her an incentive to live until the Suiciductress' corruption wears off.

If you want to have sex with me, wait here for me!

I... *sniff* ...
I... *sniff*...
I will wait for you!

Slowly the Pheromancer's pheromones overwrite the depressions induced by the Suiciductress' voice...

Shortly after at the other side of the building...

Are you alright Miss Fortune?

Groan

Please, just leave me alone...

Miss Fortune!
If you want to fuck me,
follow me!

FUCK you?!
What the fuck...

I just want to die...

I just want to...

I just want to fuck him!

Please!
Wait up!

I love
you!

I need
you!

Then
keep up!

You like that, don't ya, you slut?

There is a harem?!

Sign me up!

Harem sisters?

Course there is! A single woman would hardly be enough to make him truly happy, don't you think?
