Love Bug Bite 2B

The Suiciductress strikes back

Previously on Love Bug Bite, we have seen Marco AKA The Pheormancer save a blonde cheerleader from her certain fall to death. The girl was talked into committing suicide by a mysterious lady in red.

Now, while the town seems calm and the Pheromancer has his first public debut... the Suiciductress is hatching out her next evil plan somewhere... lurking... waiting to strike at the moment when least expected!

Featuring:

The Suiciducctress ... A super villainess!

Marco... A Guy bitten by a modified bug AKA **The Pheromancer**

Barbara... Marco's flatmate, now part of his harem

Stephany... head cheerleader at the university - a bully & bitch

Irene... a famous reporter of gossip

Jessica... One of Marco's harem girls

Nicole... One of Marco's harem girls

Noooo!
This can't be
happening!

Earlier that day...

Marco AKA The Pheromancer has brought Stephany (the Cheerleader he previously saved) to the police station so she could give her statement. One thing lead to another and as it happened there were reporters on premises...

So, let me get this straight, Mr. Mysterious. You are some sort of superhero and you have saved Miss Stephens from what exactly?

I... err.. Yes... Umm... According to Miss Stephens, she was approached by a mysterious woman who talked her into jumping...

So, you did not even see this woman? What are your superpowers again? And, how did you get them?

Me?
Well... I ... I'm strong...
and... fast... I call myself
the... errm... The Pheromancer...
and... I got these powers... I
was **bitten by a** genetically
enhanced **bug**.

Miss Stephens!
Miss Stephens!
Please, a word.

Who's the
lady in red?

Why did
you jump?

Did you
really see
her?

With all the attention redirected towards Stephany, the Pheromancer soon gave up trying to explain himself and walked off the scene.

FUCK!
I'm really bad at talking in front of a crowd!

We join Maroc and company back at home as he closely watches the news on TV, hoping the town realizes the threat the mysterious woman in red poses...

I can't wait to see you on the big screen, babe!

So, cool!
You'll be on TV!

Finally, everybody will know there is a superhero in town protecting us!

You'll get the fame you so deserve, love!

Well, I don't know. I was just there. They probably just cut me out of the footage.

Welcome to
the evening
news!

I'm Irene Fortune for
Channel 69, and as
always, I'm bringing
you the hottest news
around town.

Today I've
met a self-
proclaimed
superhero.

Claiming to have
saved Stephany
Stephens, daughter
of Redcliff Industries
owner Henry
Stephens.

You can see
footage of
him right
over here.

I did not get a
name, but he
himself admitted
having been
bitten by a bug.

So, I'm
naming him
Bug-Boy!

So, if you see Bug-Boy
around... It's not a bank
robbery in the process
but just another lunatic
in a hoodie trying to steal
work from our trusted
police force.

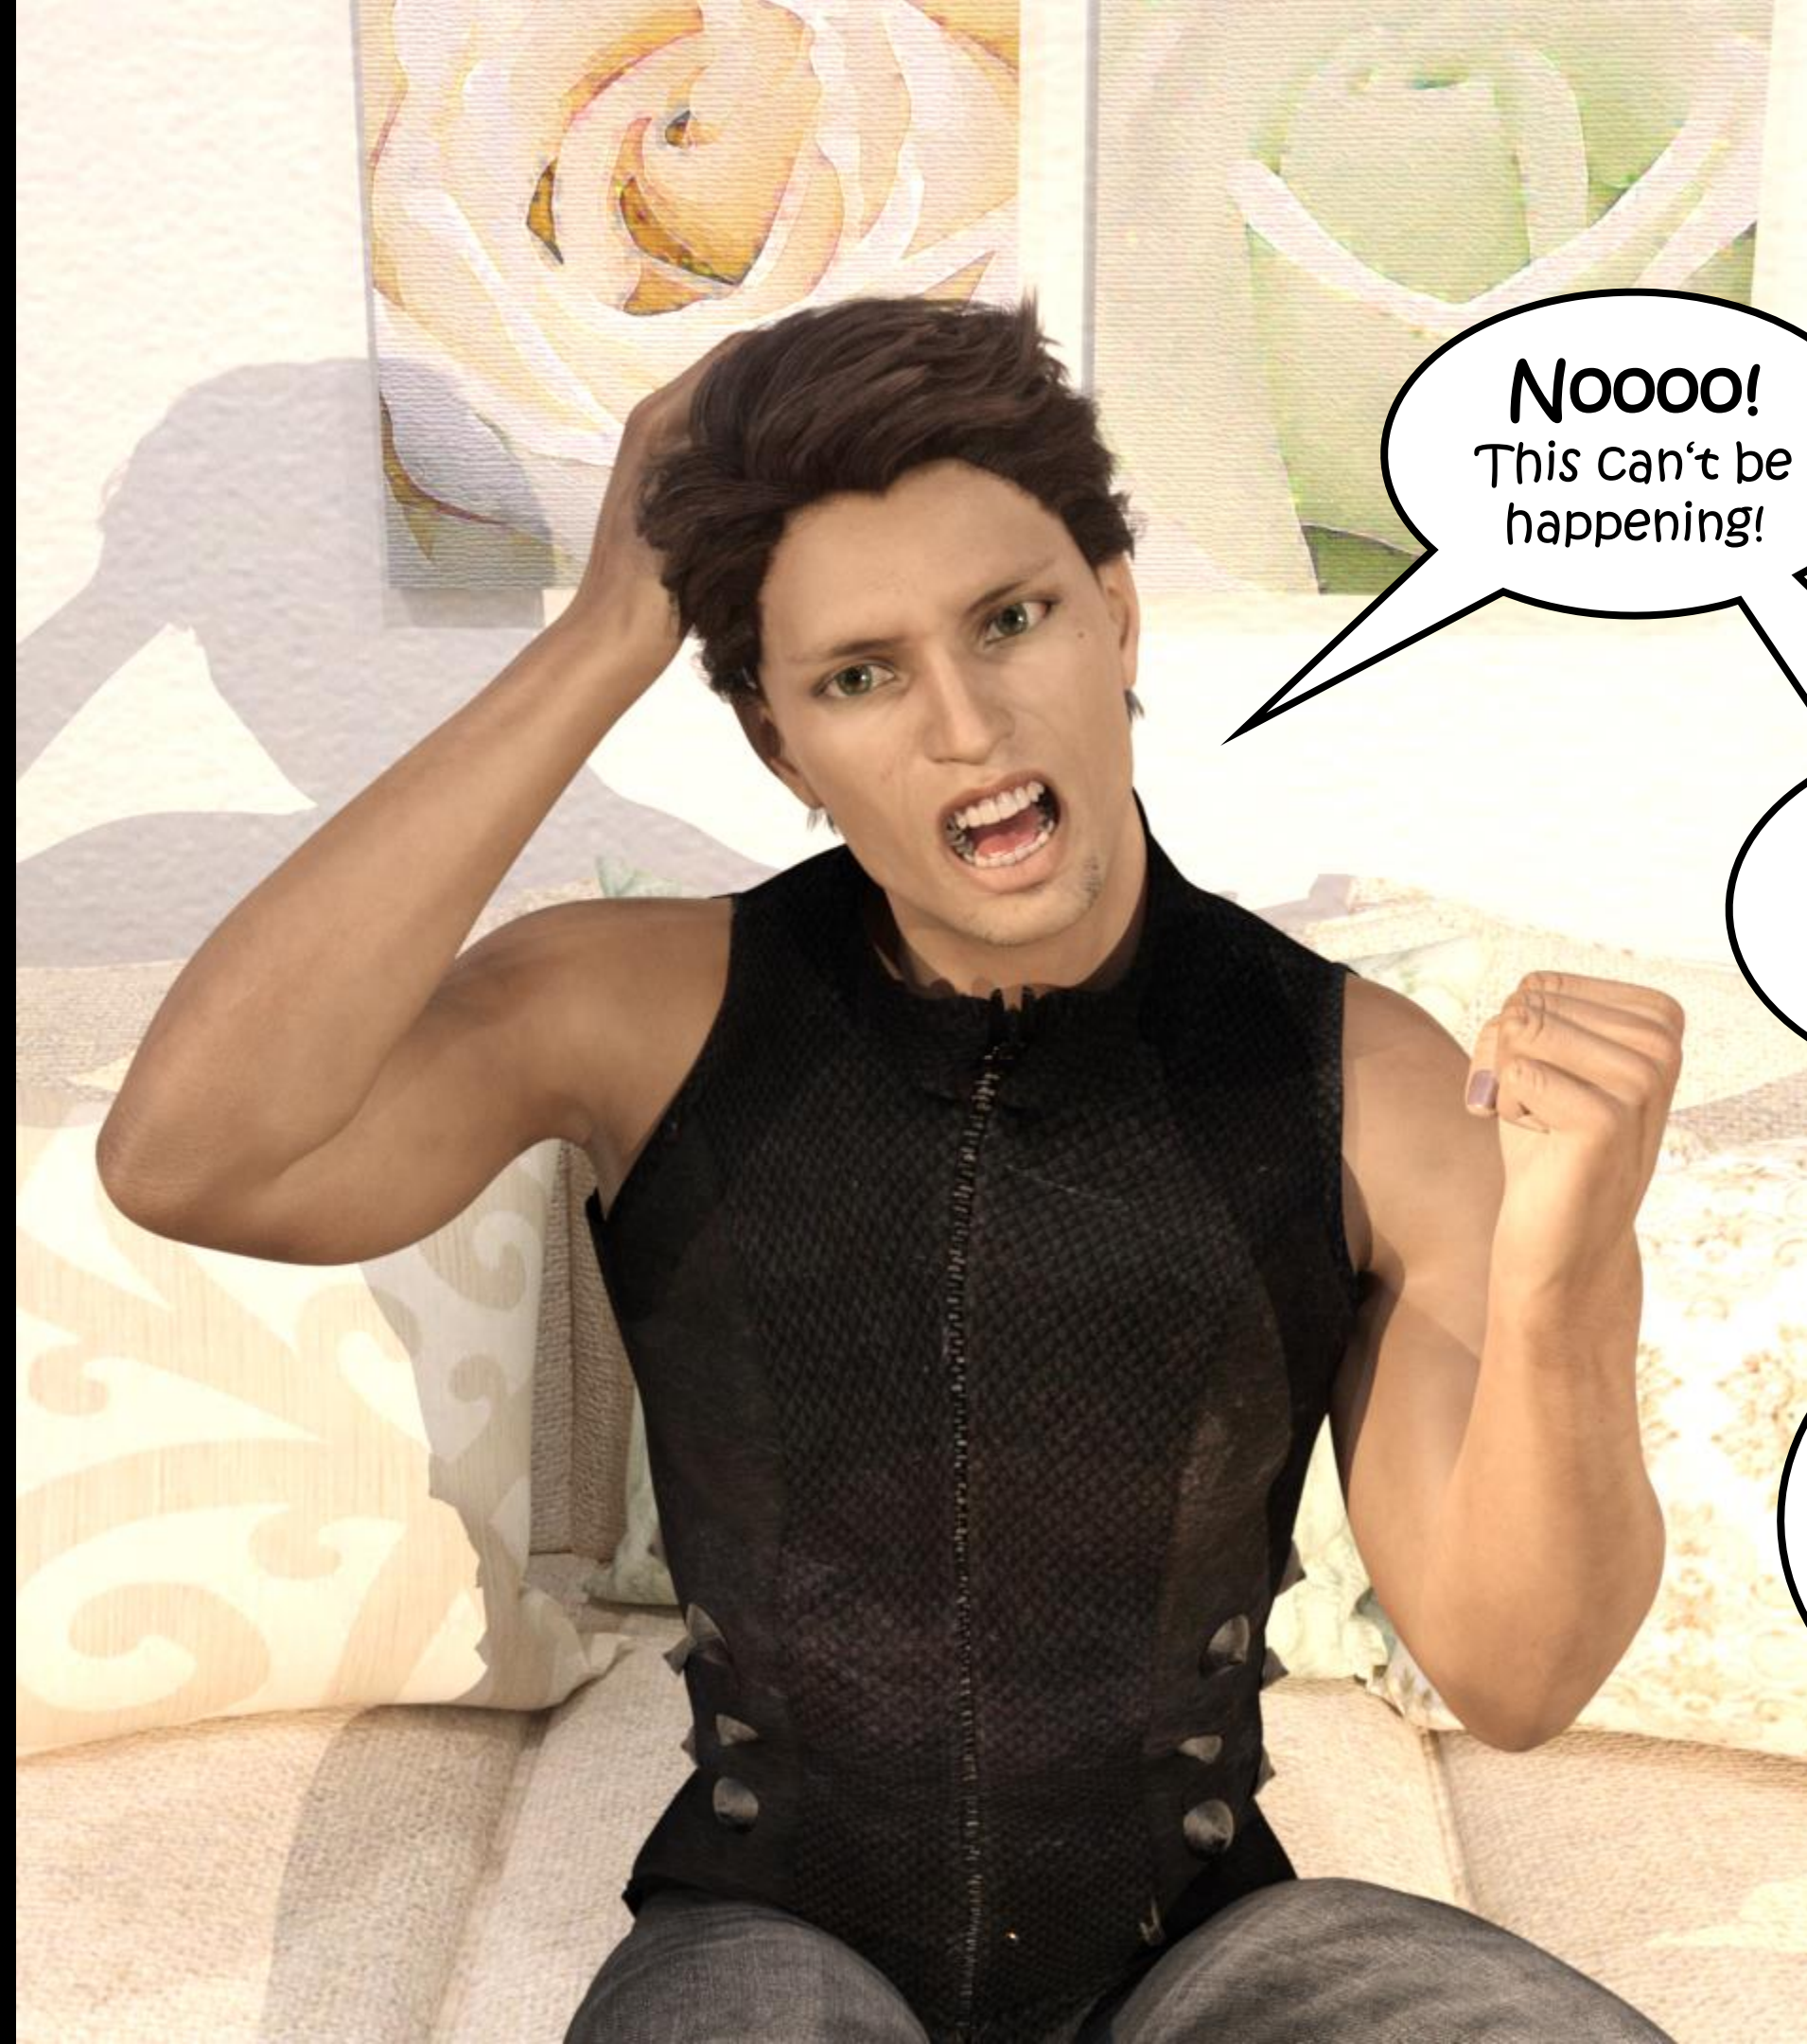

Now over to Yara, with the weather.

Luckily our weather forecasts have been as reliable as our superheroes.

Instead of low temperatures and rain a strong wind is bringing warmth and sunshine.
Enjoy!

Thank you, Irene!

Noooo!
This can't be
happening!

I'm a
laughing
stock now!

Who wants to
be saved by
someone called
Bug Boy?!

Oh, girls. I love you. What would I do without your support!?

Or, we could help you blow off something different...

You can spank my bottom, Marco.

Maybe it helps blow off some steam.

Make out

Watching us lezz
out usually gets
his attention.

Oh, god.
You girls are
so good to
me.

Mother

Mhhh!
Give it to
us!

Yes!
Let it all
out!

We are here
for you.

Anytime!

We love
you, Marco!

Even though his girls did their best to ease Marco's bad mood a bad taste about the whole situation remains... but that is nothing in comparison to what awaits him some days later when he returns home from a lecture...

Entering his flat Marco only finds **devastation!**

What
the hell?

Dear Bug-Boy,

Or should I say Marco, you little shit?!

Get your ass to the Mandrakia Hotel at Parkwood Ally 10.

Top floor. And I mean TOP floor!

Come alone or you can scrape your lovely flatmate from the pavement!

Hugs and kisses,

The Suiciductress

Arrrgh!
If that bitch
harmed Barbara,
she will regret it!

FUCK!
I should have
been more
cautious!

The Suiciductress
must have seen me
when I rescued
that cheerleader...

Now Barbara is
paying the price
for me not being
able to keep my
secret identity
hidden!

Marco picks up is Pheromancer
Uniform and makes his way over
to the Mandrakia Hotel...

Furiously Marco finds his way to the specified location. One of the tallest buildings in town... The Elevator ride was long and annoying. People were staring...

Finally!
Welcome to my
little rooftop
party!

I almost
thought you
would not
come.

What did
you do to
Barbara?!

Speak up,
or you will
regret it!

Uhhh!
Threats! I
like it!

I'm so scared!
I'm getting
crushed by a
bug! *giggle*

Guess
bugs don't
see that
well?

What kinda
superhero
are you?

May I direct your
attention to my
left... AND TO
MY RIGHT!
MUHHAHA
HA!

At the exact opposite sides of the rooftop, two women are standing dangerously close to the edges...

On one side, we have Barbara, Bug Boy's... I mean the Pheromancer's flatmate and lover.

On the other side, we have Miss Fortune, the reporter who has humiliated our superhero on live TV...

Both women look equally depressed... obviously the work of the Suiciductress!

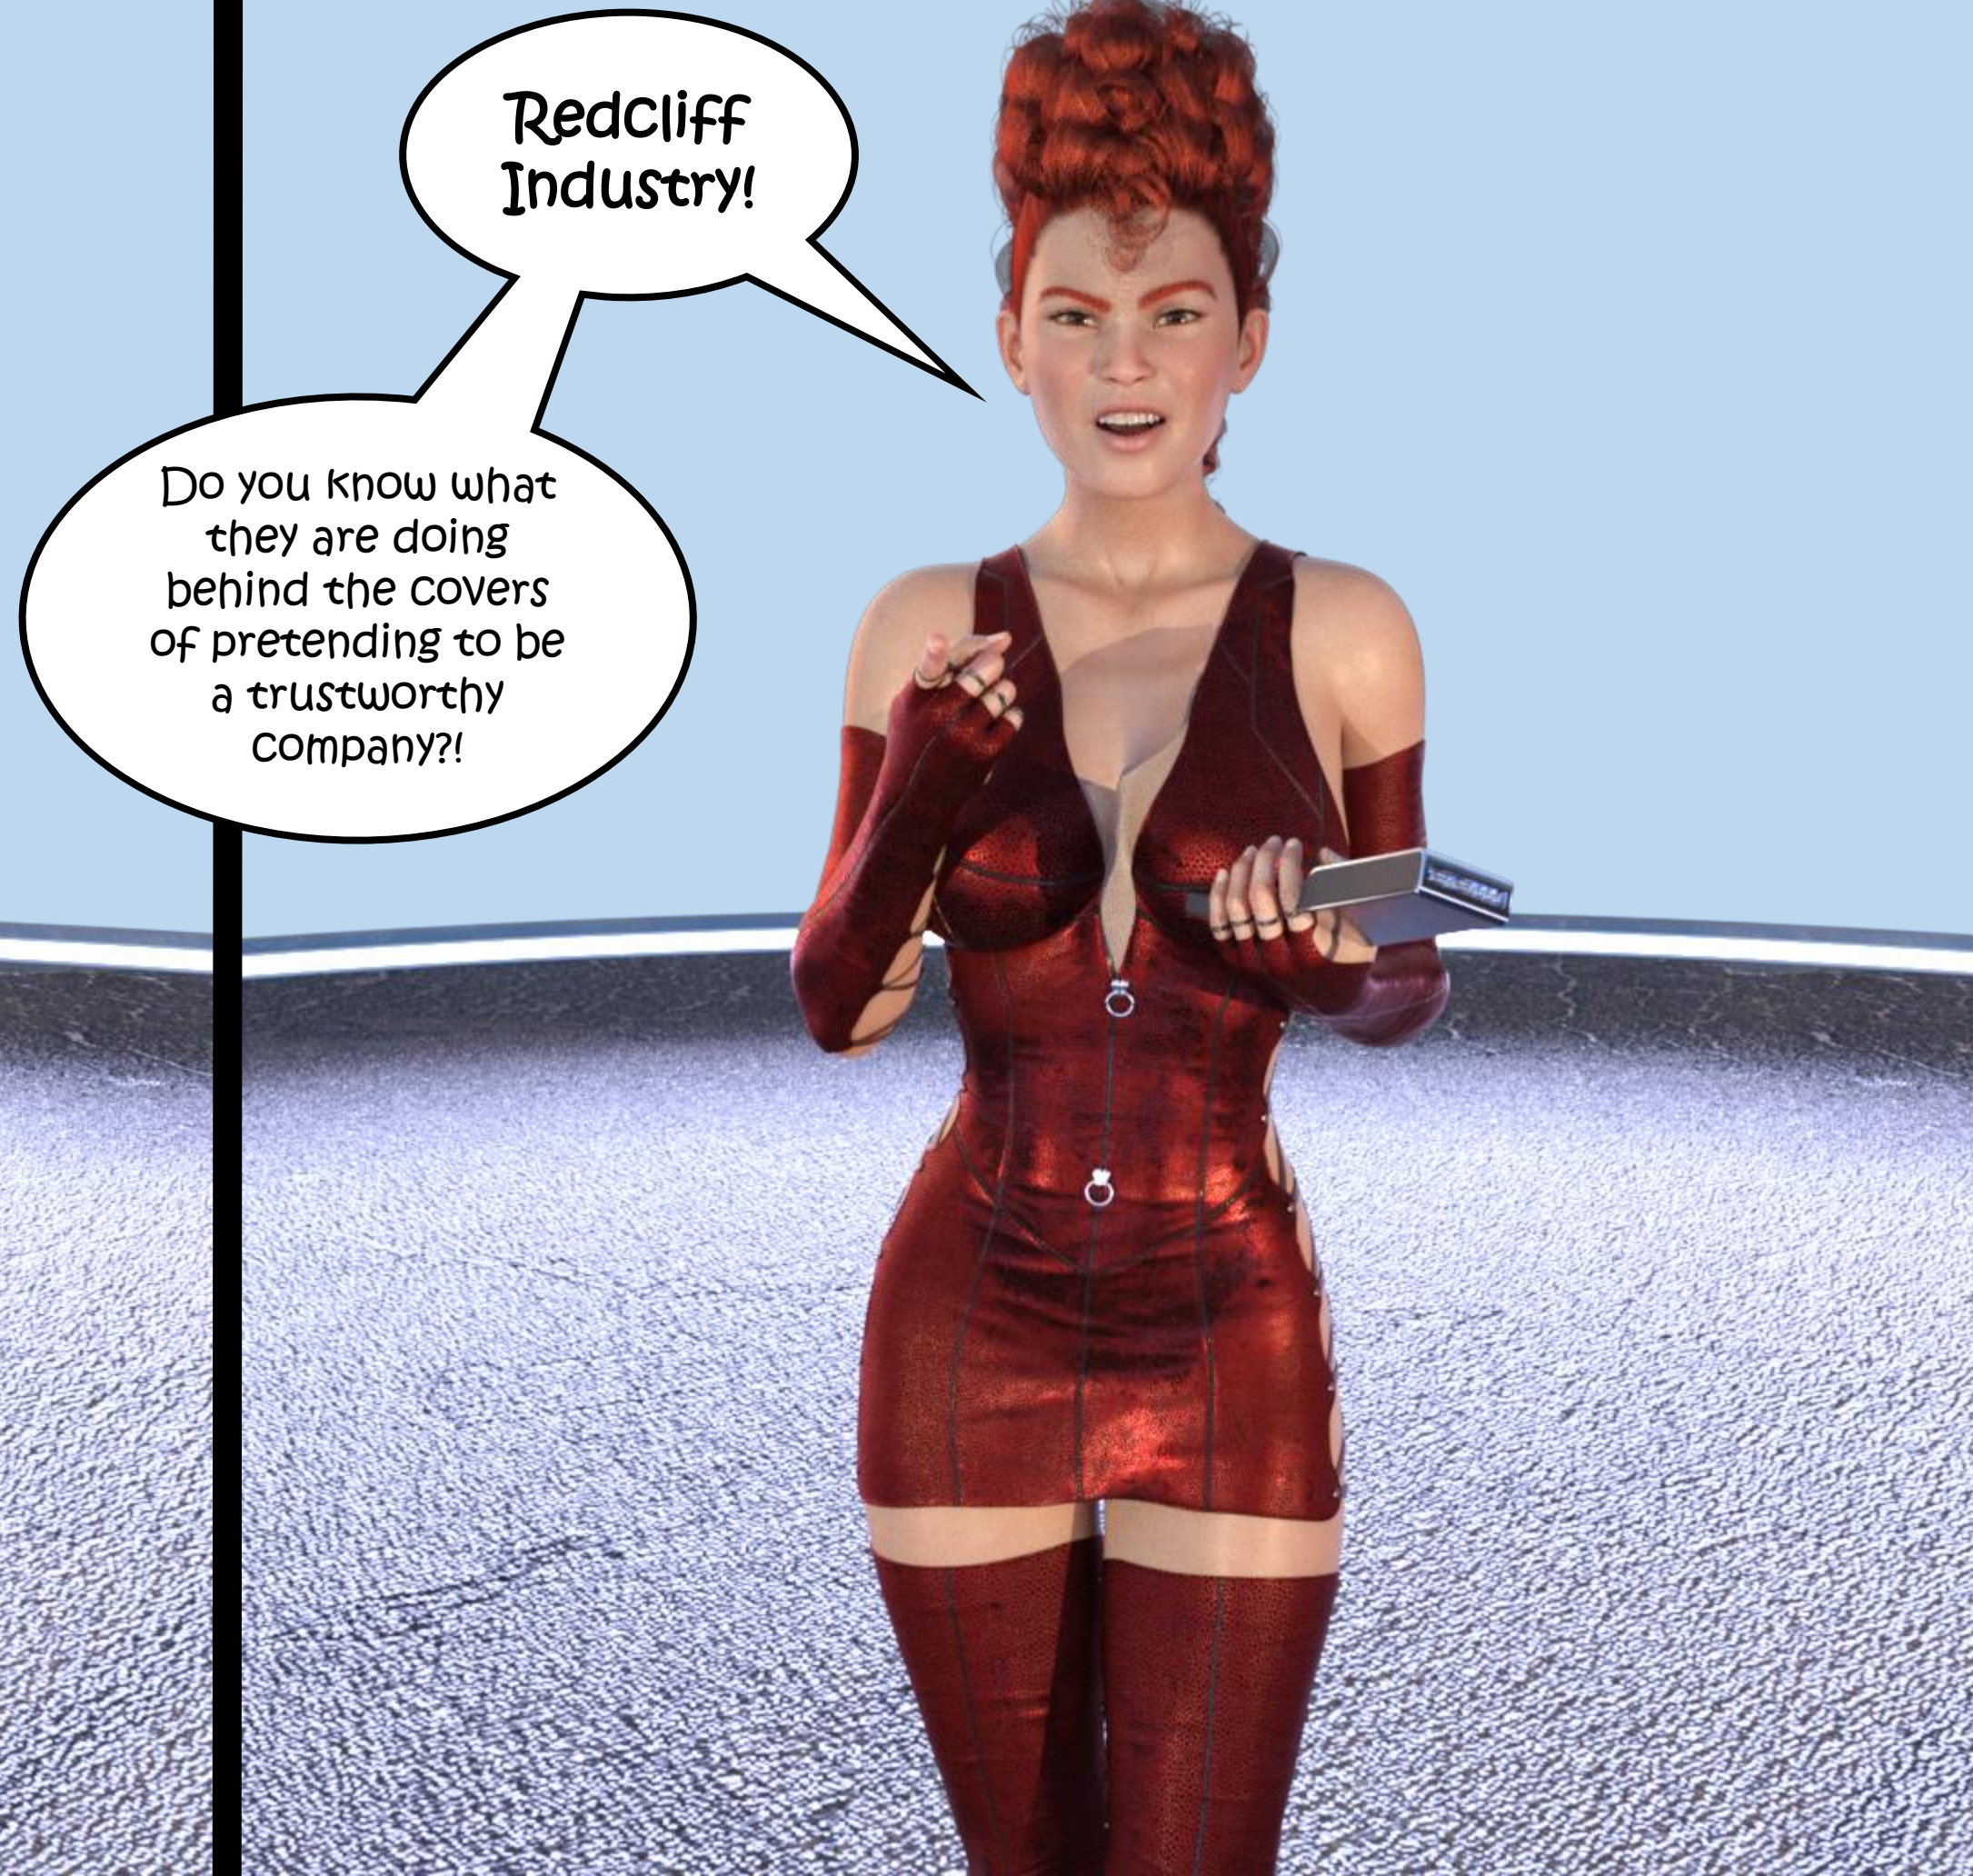

**What have
you done?!**
Let them go!

Careful!
What you wish for.
One word from me,
and they will both
jump!

Argh!
What do you
want?!

No matter what
they have done.
Killing is never
an option!

Go to the
police! Sue
them!

The police are
corrupt and in
court, the
better-paid
lawyer wins!

Pah!
You think I
did not try!

But enough
about me! Let's
talk about you.

Why me?

Well, you are a
self-proclaimed
superhero are
you not?

What have you done
all this time while
Redcliff Industry is
illegally dumping
their toxic waste
into the sea?

I... Wha... I
did not even
know about
that!

ExaCtly!
You are
useless!

tap

You are no hero!

Have you seen the news?

Everybody is making fun of you.

Bug Boy!

Wha... but... I mean... This... whole superhero thing...

It is... kinda overwhelming ...

You are playing dress-up!

Everybody is...

...making fun of you!

I... guess... I really haven't done much...

You are no hero!

And... what I've done... To the people around me... is...

BUG BOY!

See?
Don't you just want to kill yourself?

Huh?
Why would
you say that?

Huh?
No way!
Why is it not
working?!

You are
immune?

Did you just
try using your
powers on
me?!

Guess your
stupid bug
powers are good
for something
after all!

Surrender!
Your plan has
failed!

chuckle
Is that so...

Well, this is quite
the conundrum we
find **yourself** in,
isn't it?

Will you
really go
after me?

Or will you
try saving
your lovely
flatmate?

Or! Or!
Will you save
the attractive
reporter girl?

Nooooo!

Girls!
End your sad
lives, jump
now!

Now as much as
I'd like to stay
and watch your
decision...

Sajonara
Bug Boy!

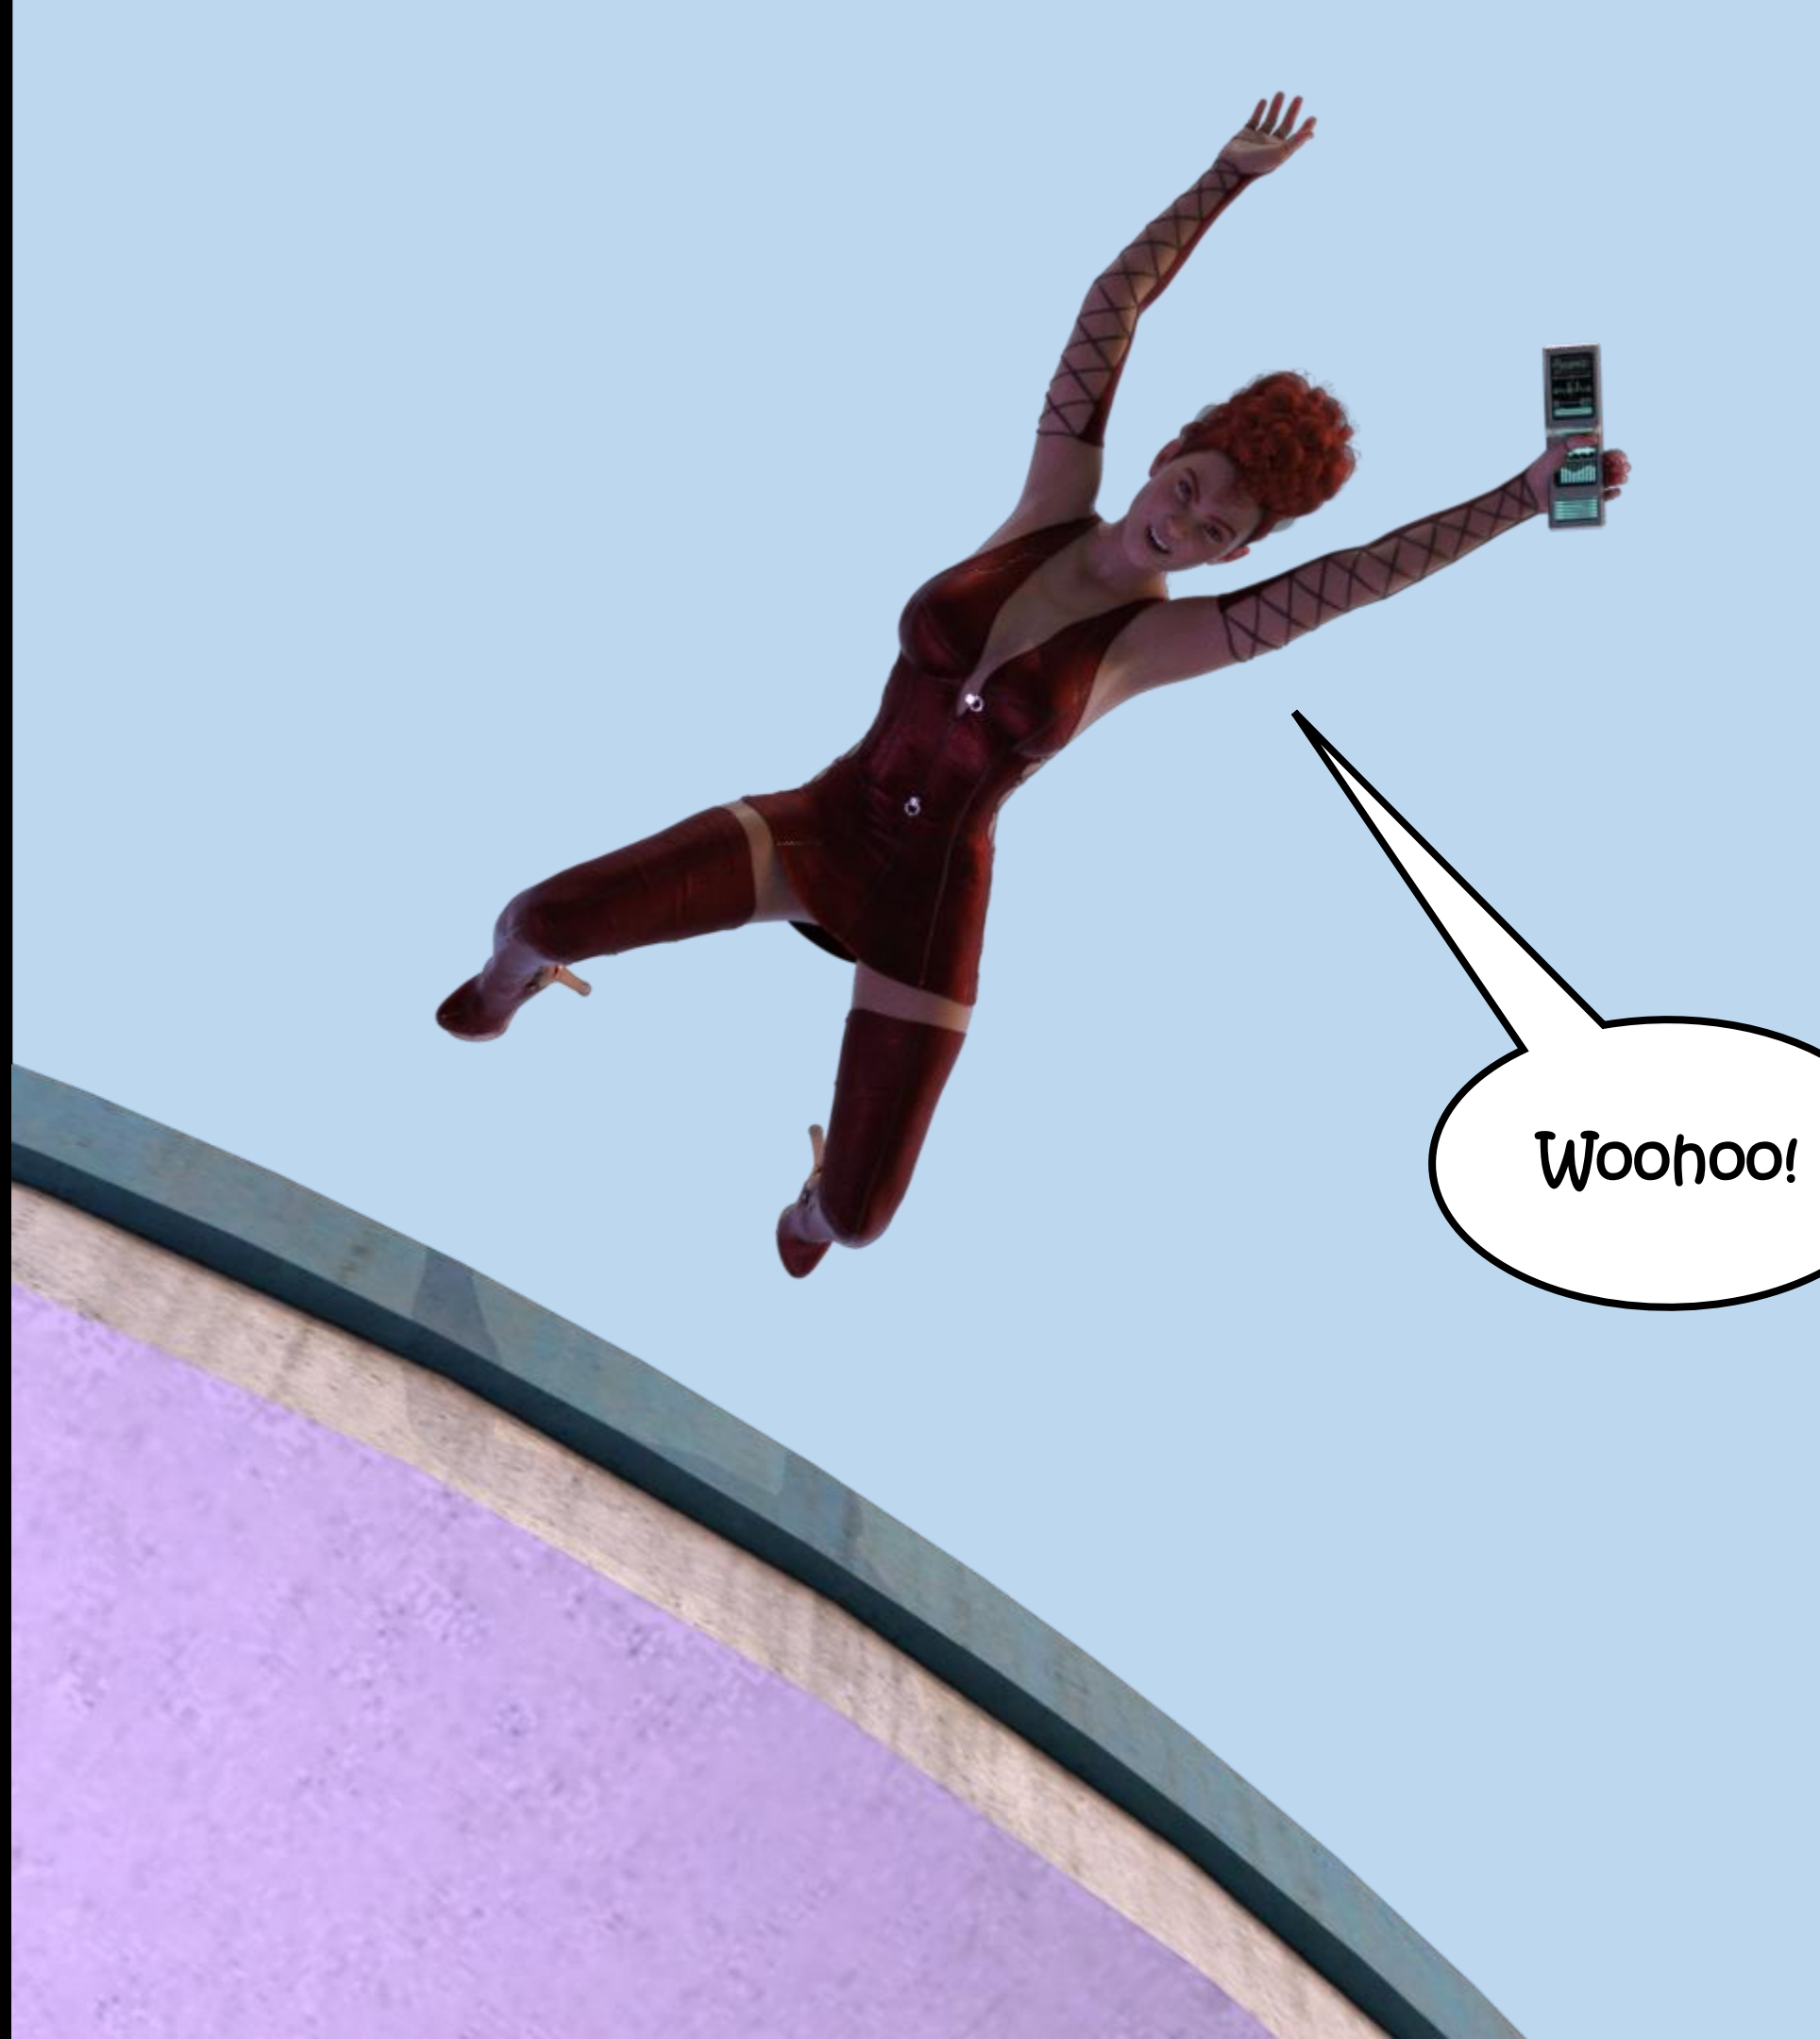

Ha-ha!
He's really
going after
one.

Stupid morals.
chuckle

Barbara!

Bye,
sucker!

Woohoo!

akia Hotel

I'm gonna
get ya, Bug
Boy!

You haven't
seen the last
of me!

While the Suiciductress escapes
the Pheromancer tries his very
best to save at least one of the
hostages...

Goodbye
world... ○ ○ ○

Barbara!

With his superhuman speed, the Pheromancer reaches Barbara, maybe not in time...

... but mid-fall. But this is not a problem for our hero!

CRASH

The two of them break through the hotel's window with a loud **Crash** and find themselves on the hotel floor. Of course, Marco has dampened the crash and the fall for Barbara.

In the hopes of overwriting the artificial depression induced by the Suiciductress' voice, Marco activates his pheromones full throttle to give Barbara an even stronger incentive to live...

Barbara.
Are you
alright?

I... I... don't...
sniff ... wha...
sniff oh... I...

But of course... while all this was happening... another hostage did receive the same treatment as Barbara...

At least kill
yourself with
dignity, when you
haven't lived
with any!

This is
it...

The
show is
over...

Goodbye,
dear viewers.

Miss
Fortune
out.

If you want to
fuck me, Barbara,
stay here and
wait for me!

ROARRRR!!

Marco!
I... love you!

Marco uses all of his body strength and charges straight ahead!

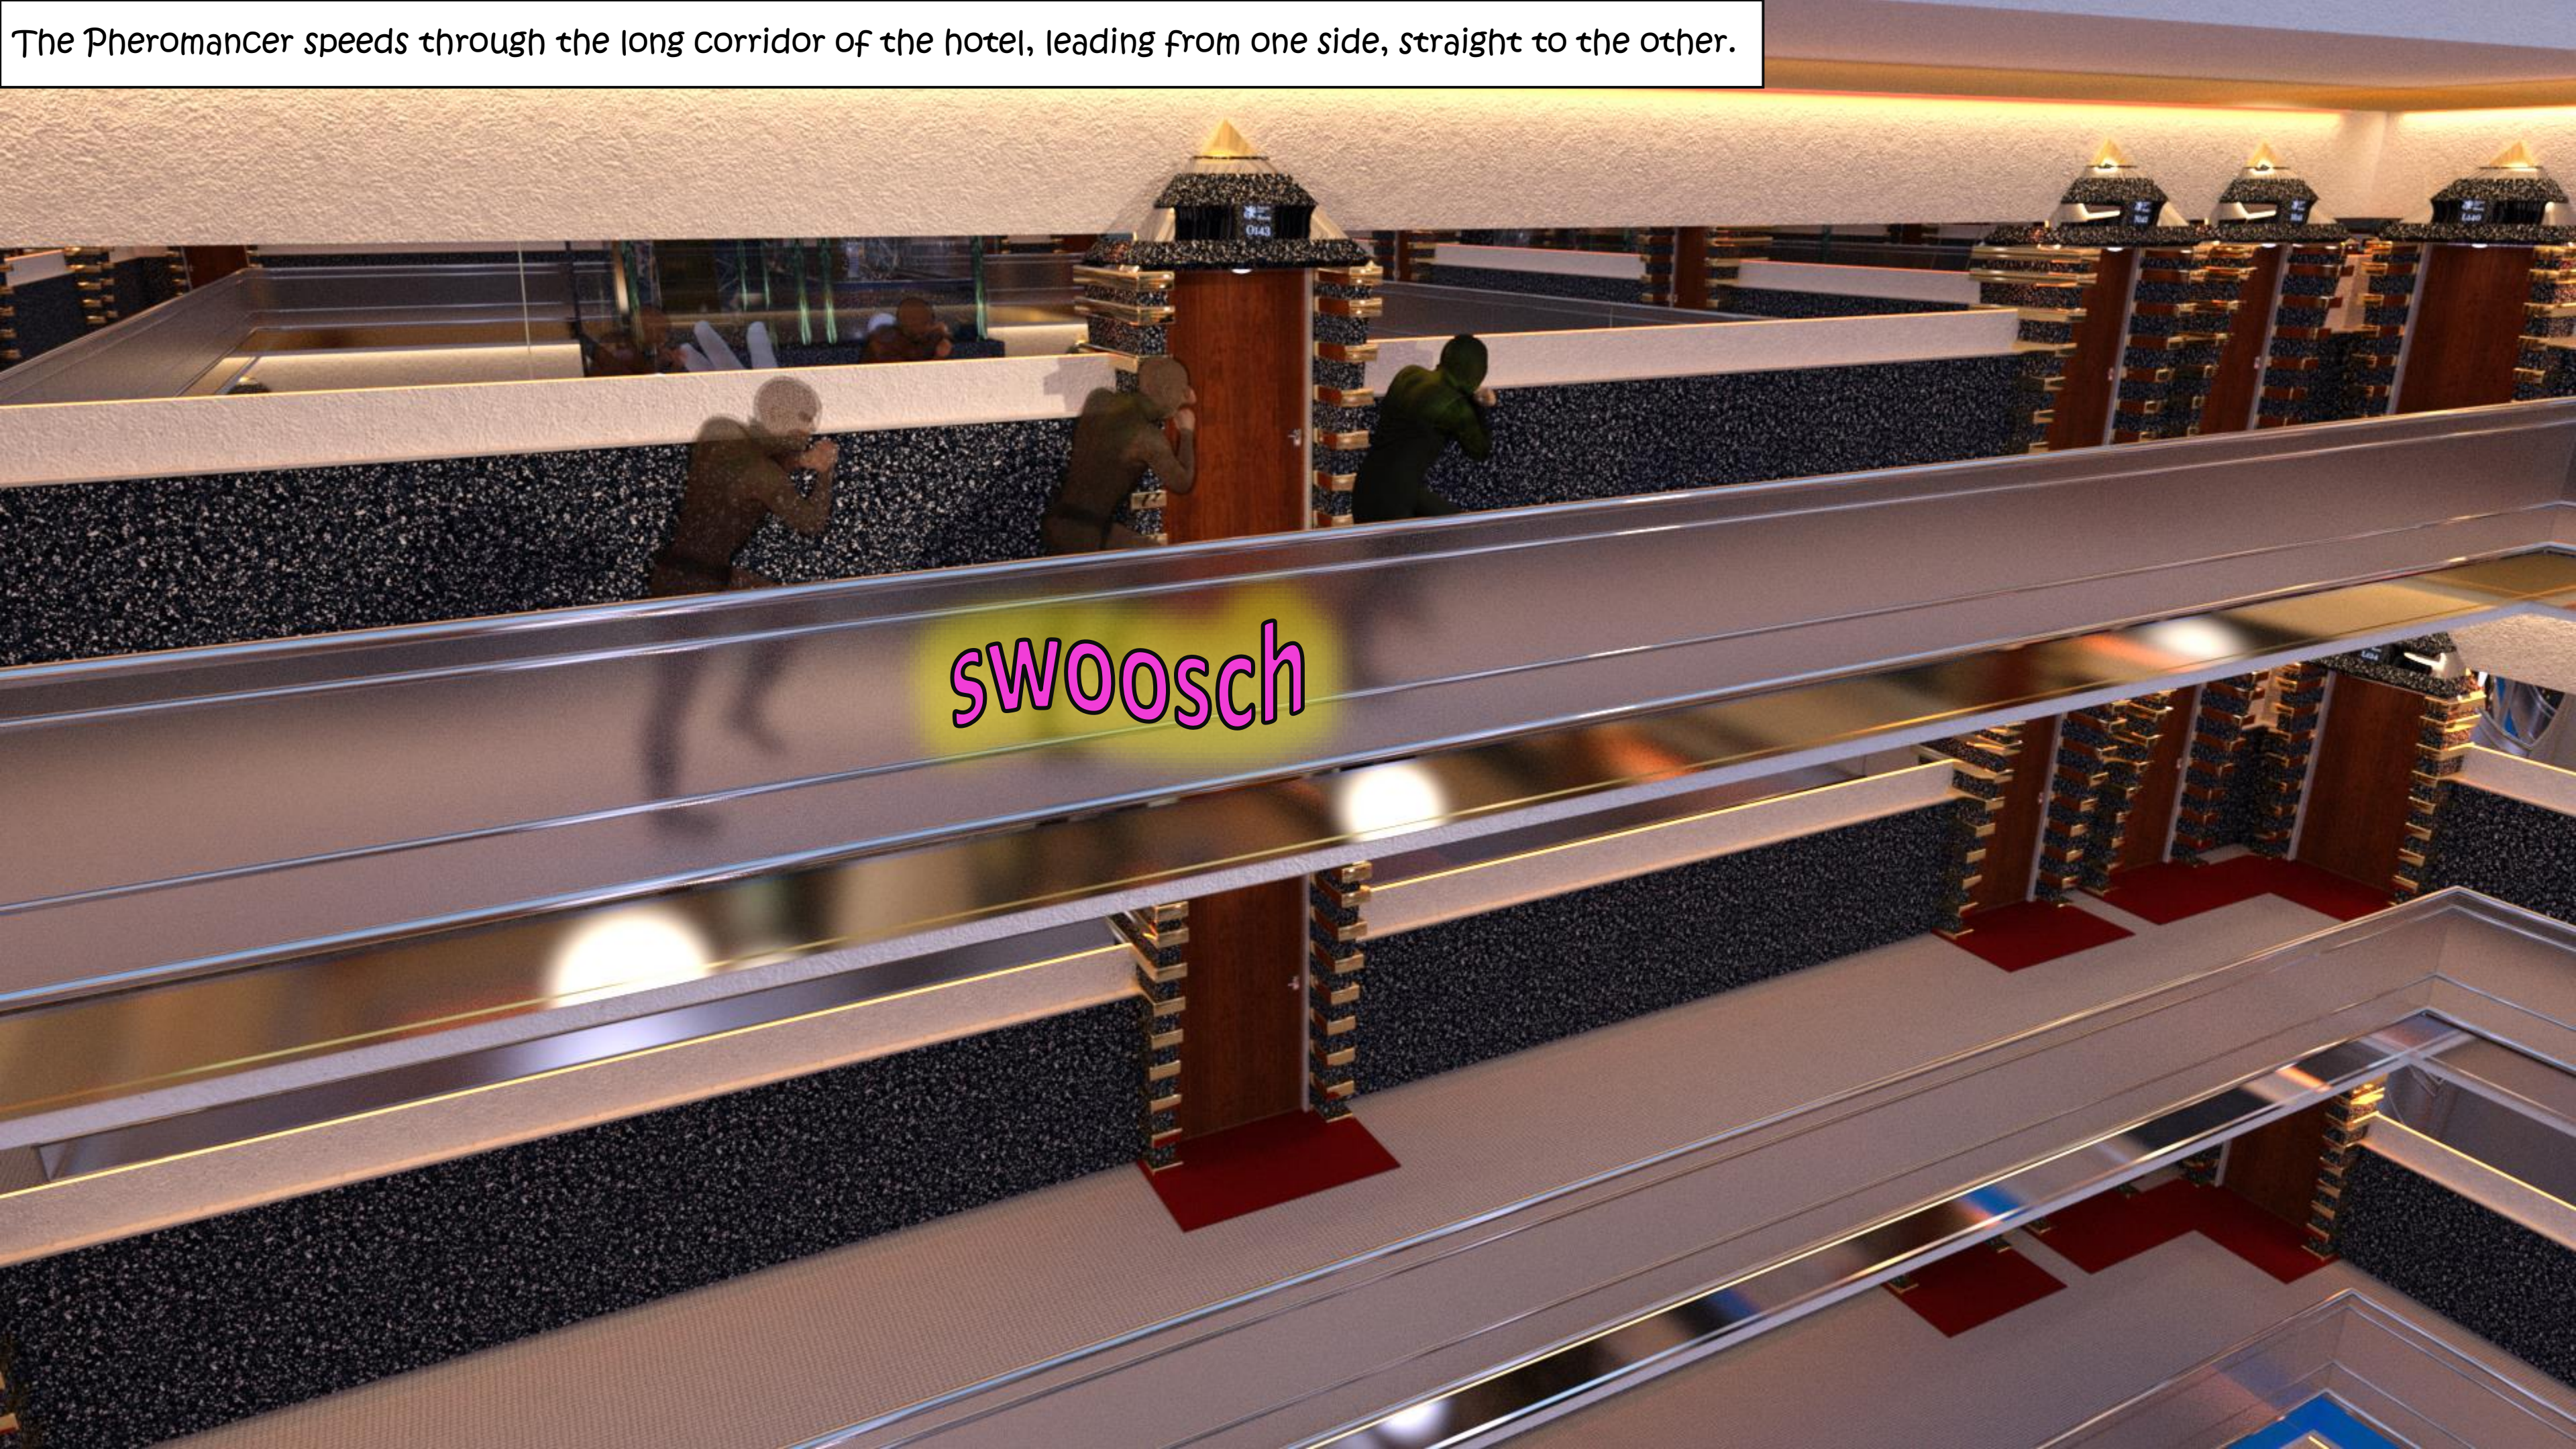

Right through the wall!

swoosch

The Pheromancer speeds through the long corridor of the hotel, leading from one side, straight to the other.

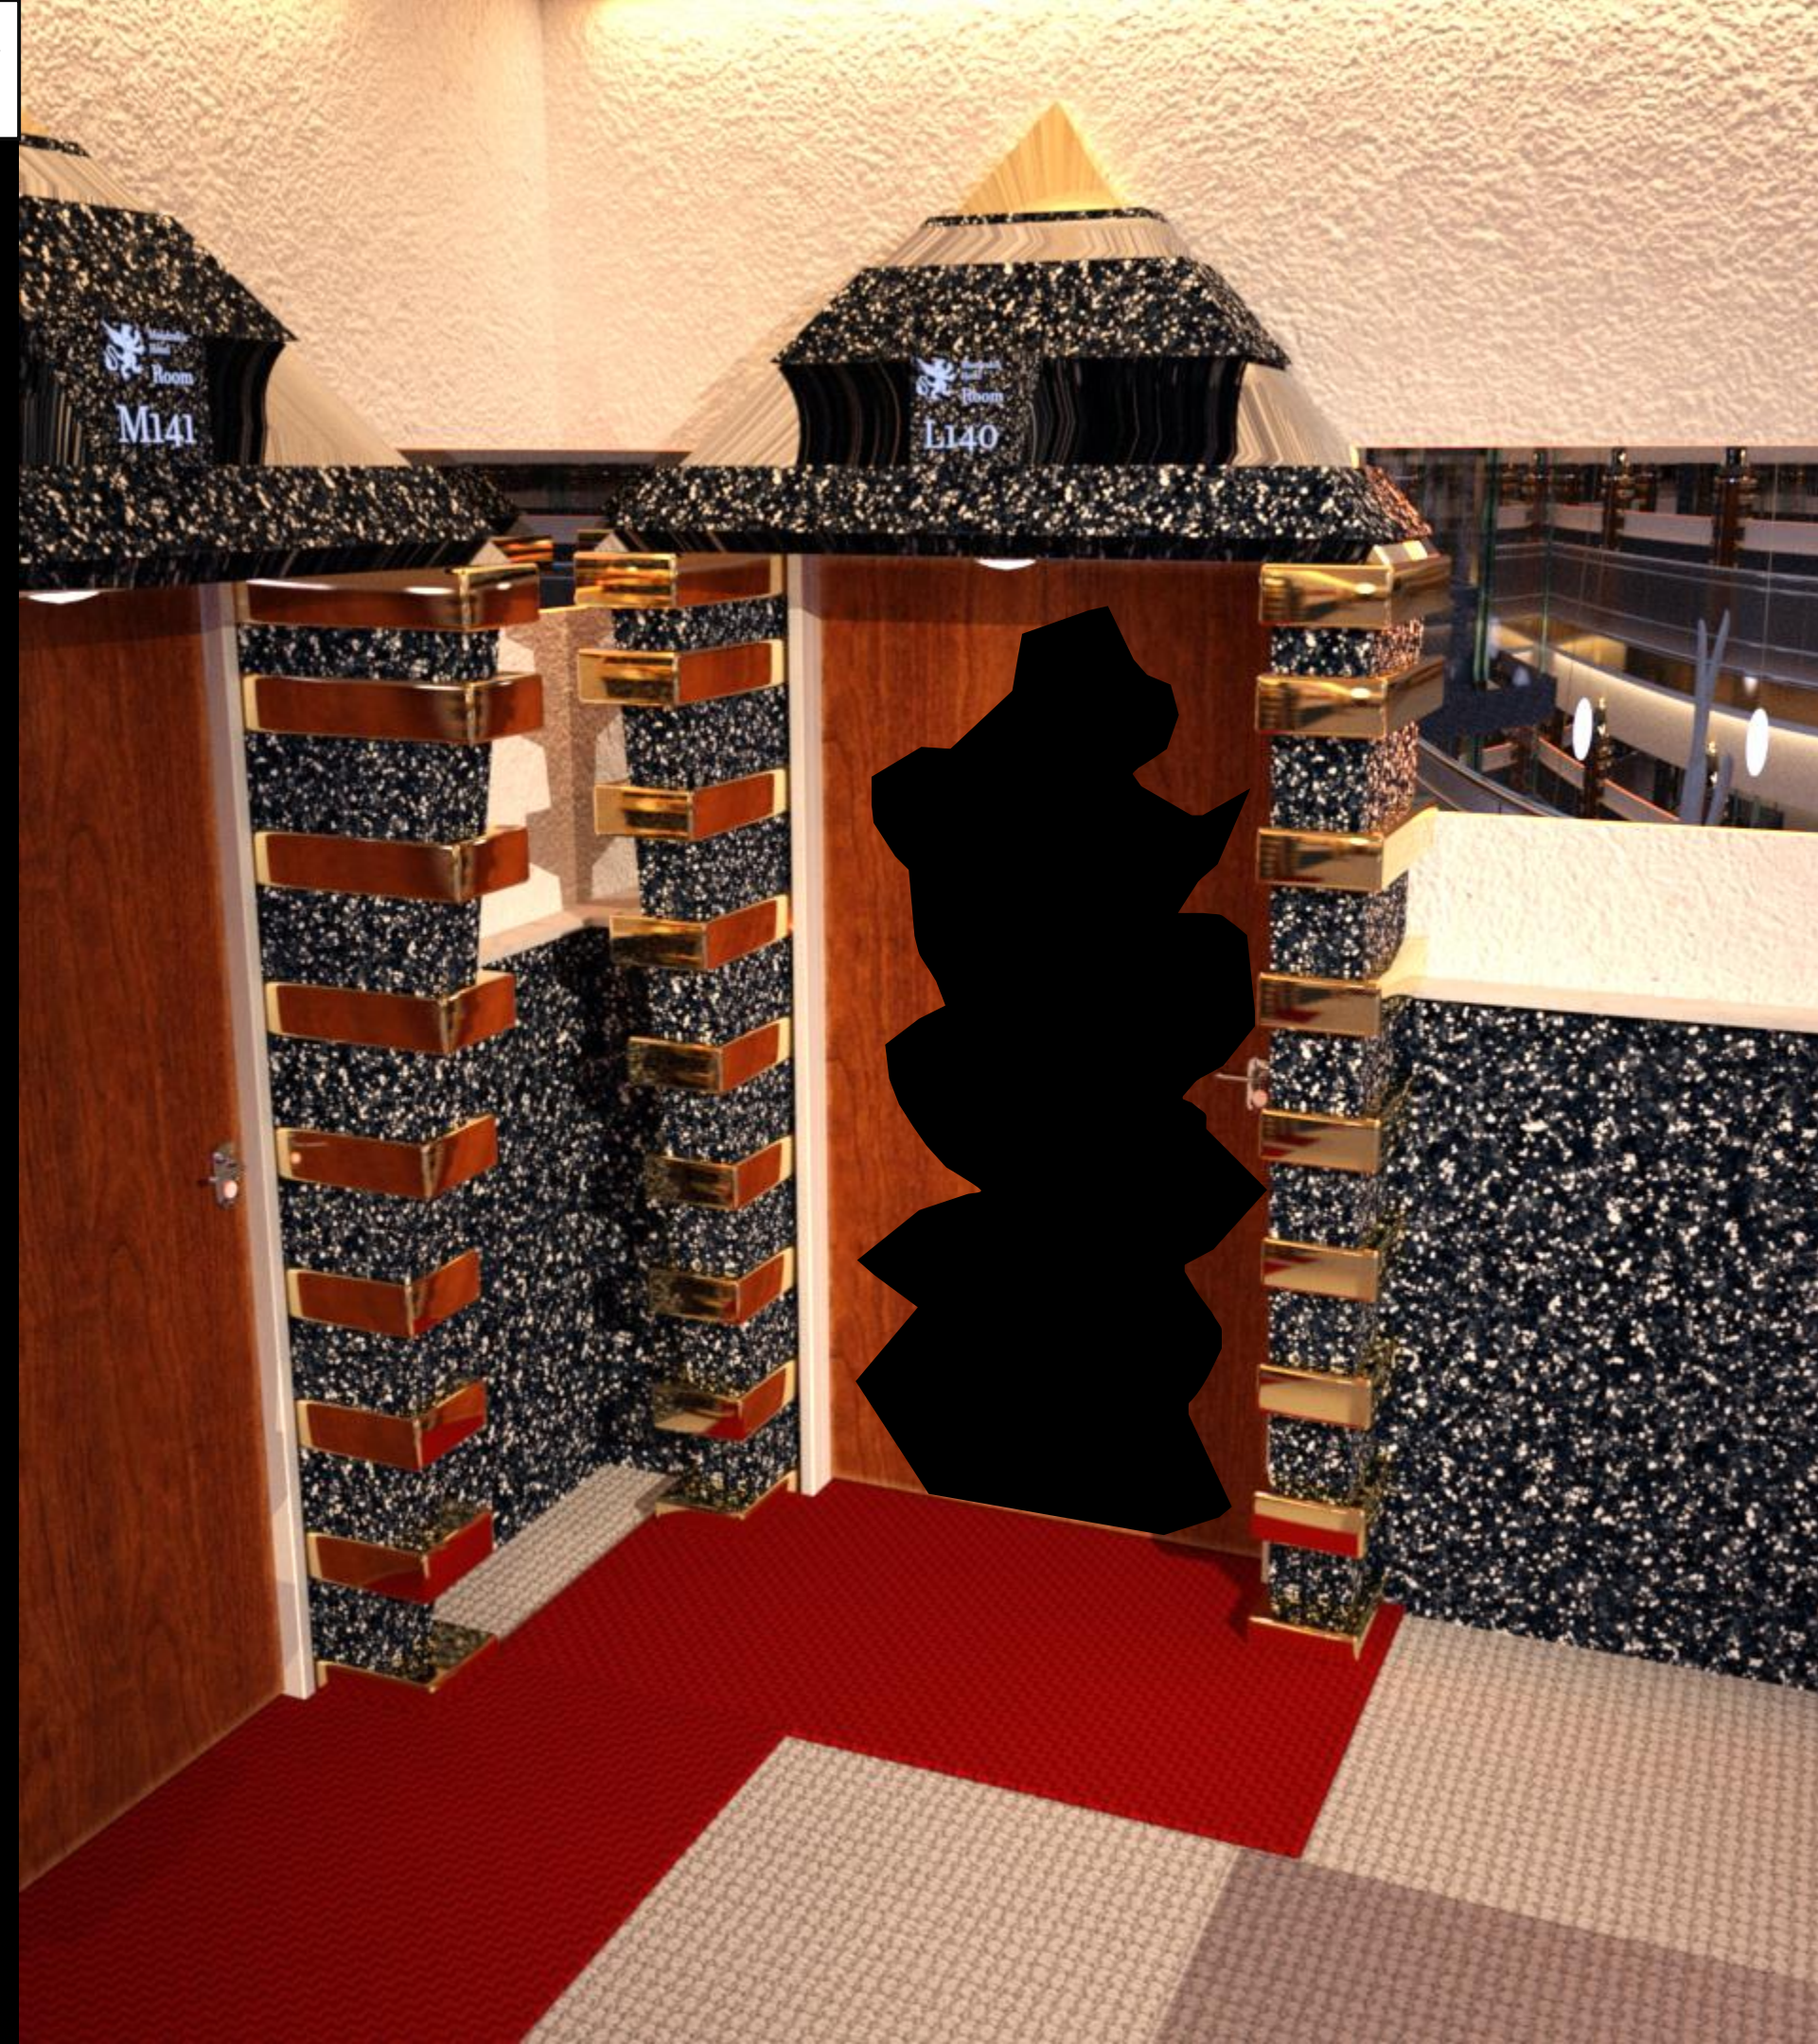

swoosch

At full speed he aims for the hotel room at the end of the corridor.

And this time, he's taking the door!

With his target in sight...

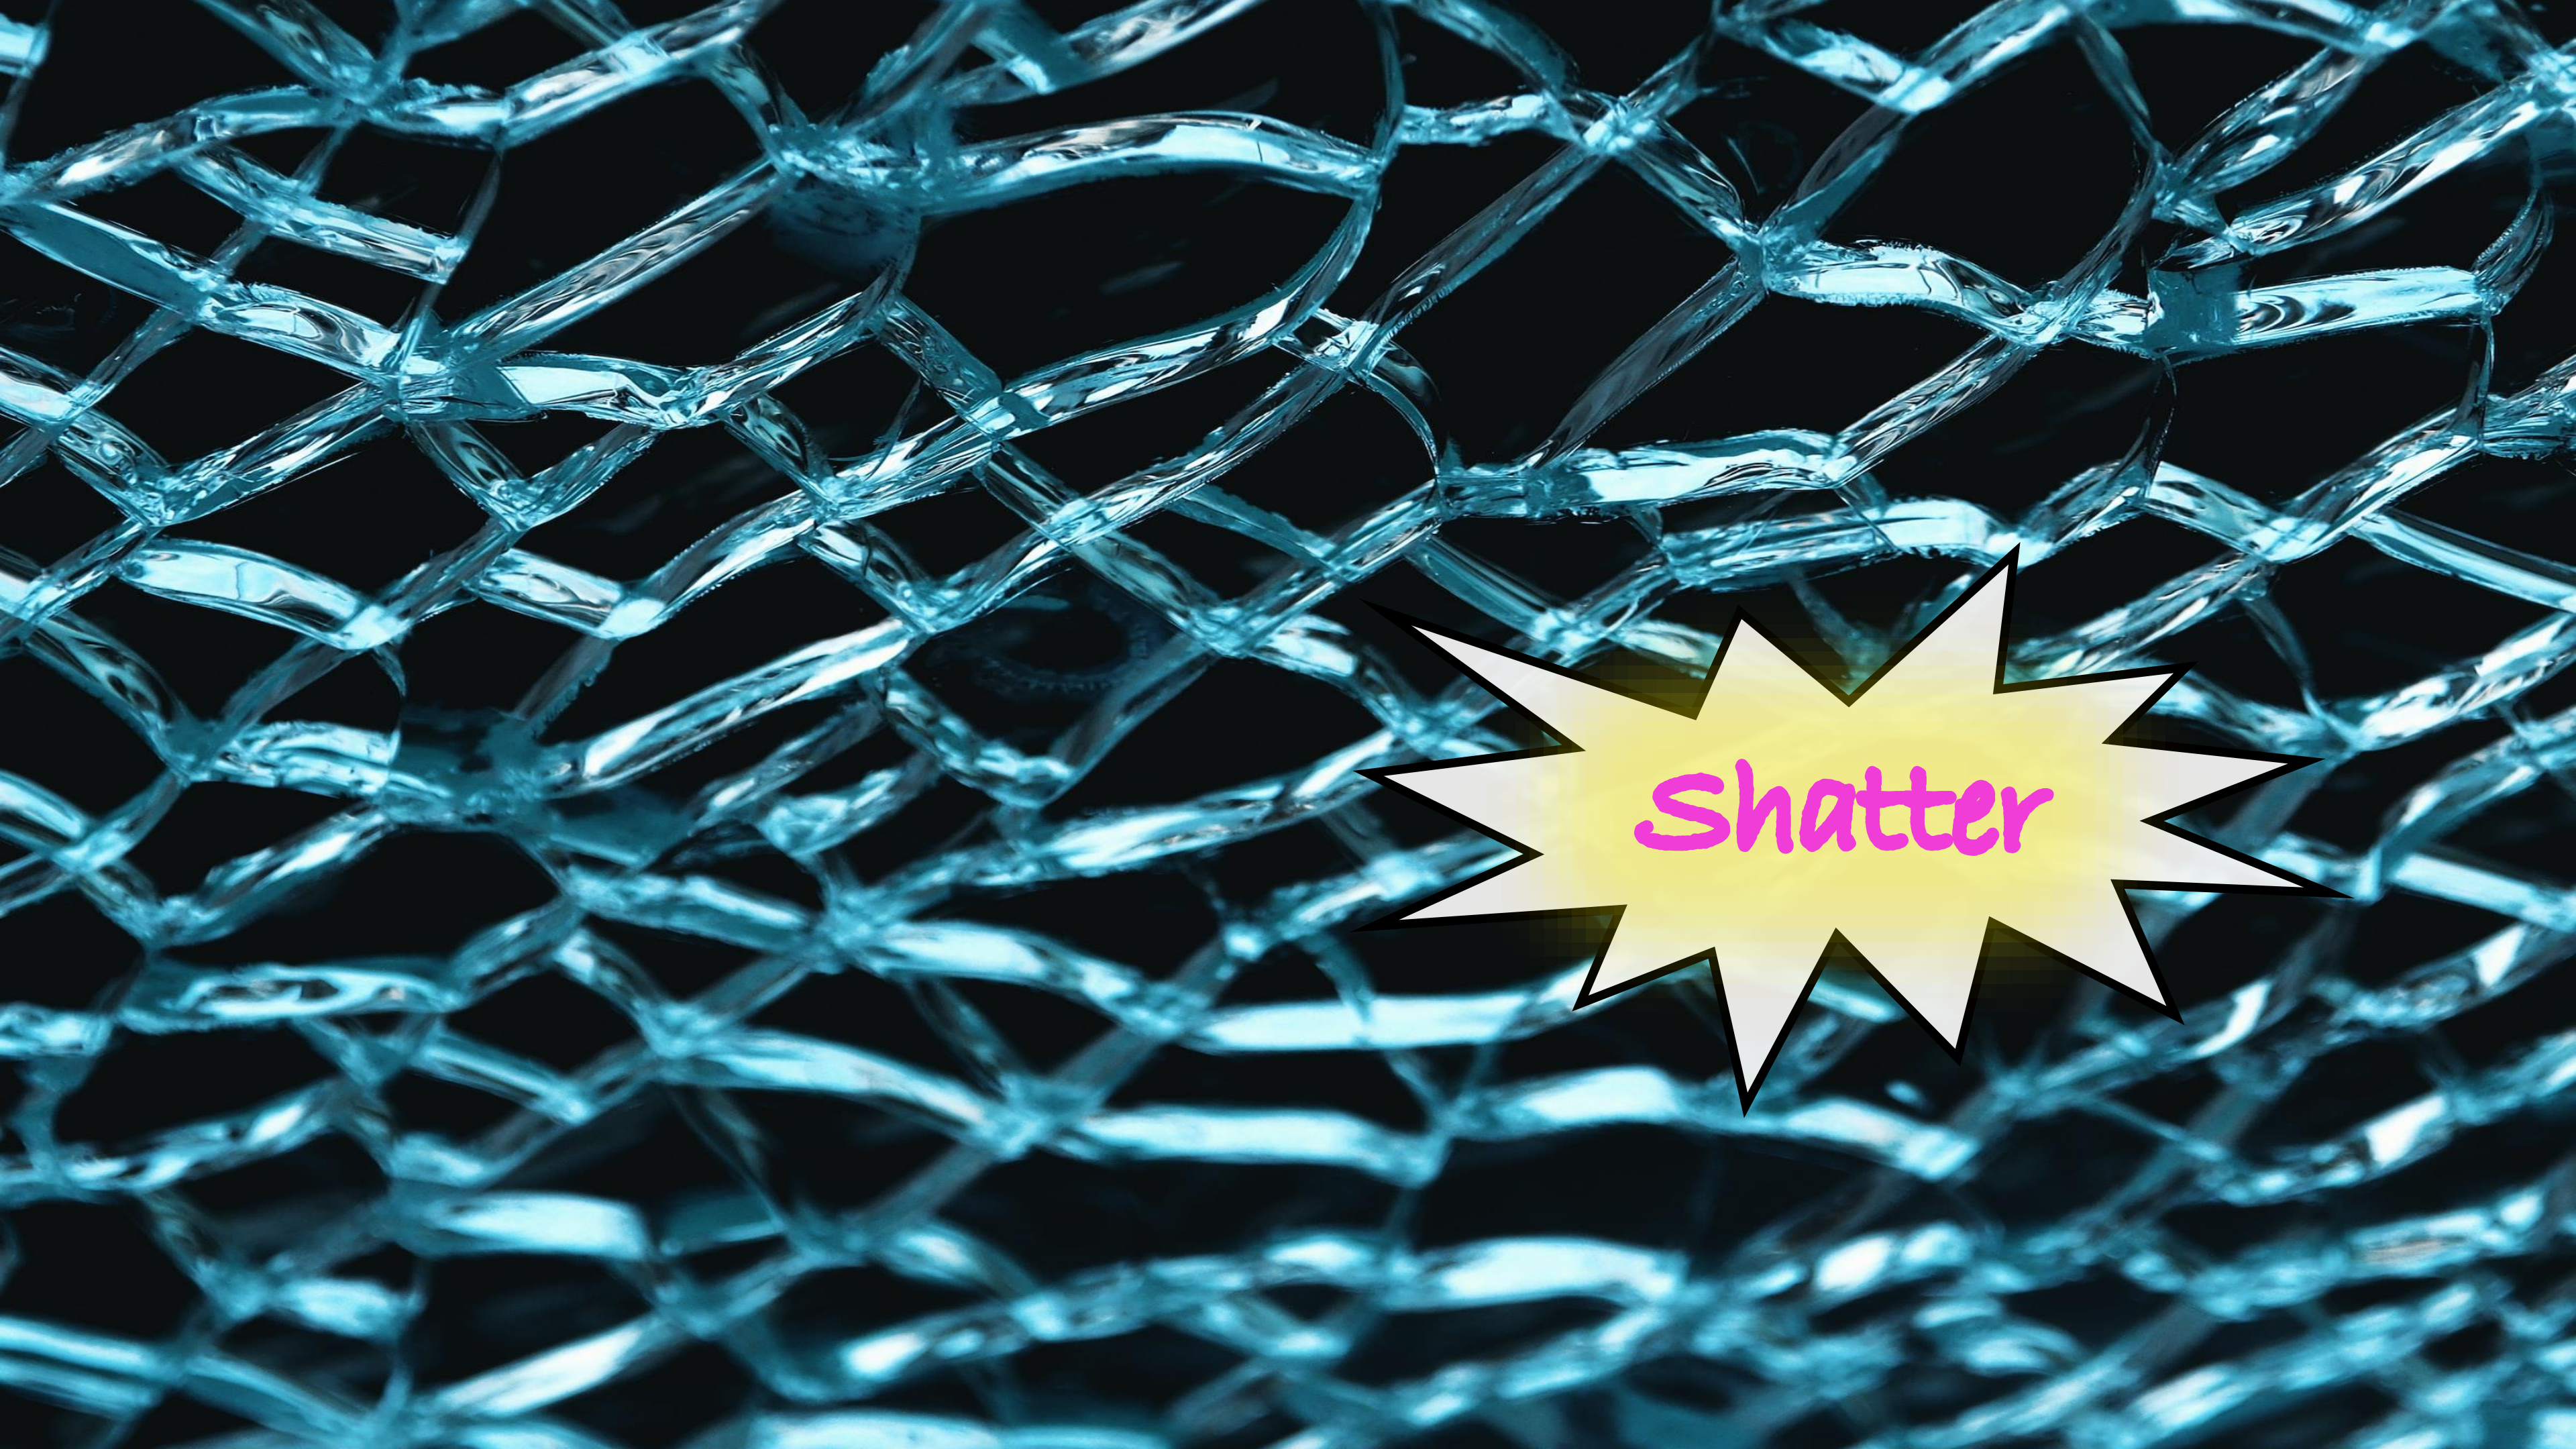

... the Pheromancer aims for one more big jump...

.... Right through the window...

Shatter

The window behind shatters into a million pieces - glassy shards flying everywhere... But nothing can distract the Pheromancer from fulfilling his self-set mission... as he jumps towards the balcony's ceiling...

... and rebounds off of it...

... heading for an intersection course
with the falling Miss Fortune!

... Can he make it?

He has no more grappling gun!

He manages to catch Miss Fortune!

And locks his boots at the balcony's railing to stop his momentum!

Balancing Miss Fortune in this position – without much grip - is not an easy task. Not even for the Pheromancer...

But somehow he manages to throw her
in the direction of the balcony
underneath!

In her state of depression, in a situation like this, and with shoes like that...

It's kinda obvious that Irene does not manage to land on her feet... but at least she lives!

The Pheormancer on the other side...

Manages to land...

In a more graceful manner. ;)

Please,
wait up!

Barbara!
Are you there?
Are you alright?

Marco!
Thank you!
My pussy is wet
and ready!

Oh, thank
god! You are
okay!

1

Come,
follow me!

And I will! But
not here! Security
will come by any
minute!

3

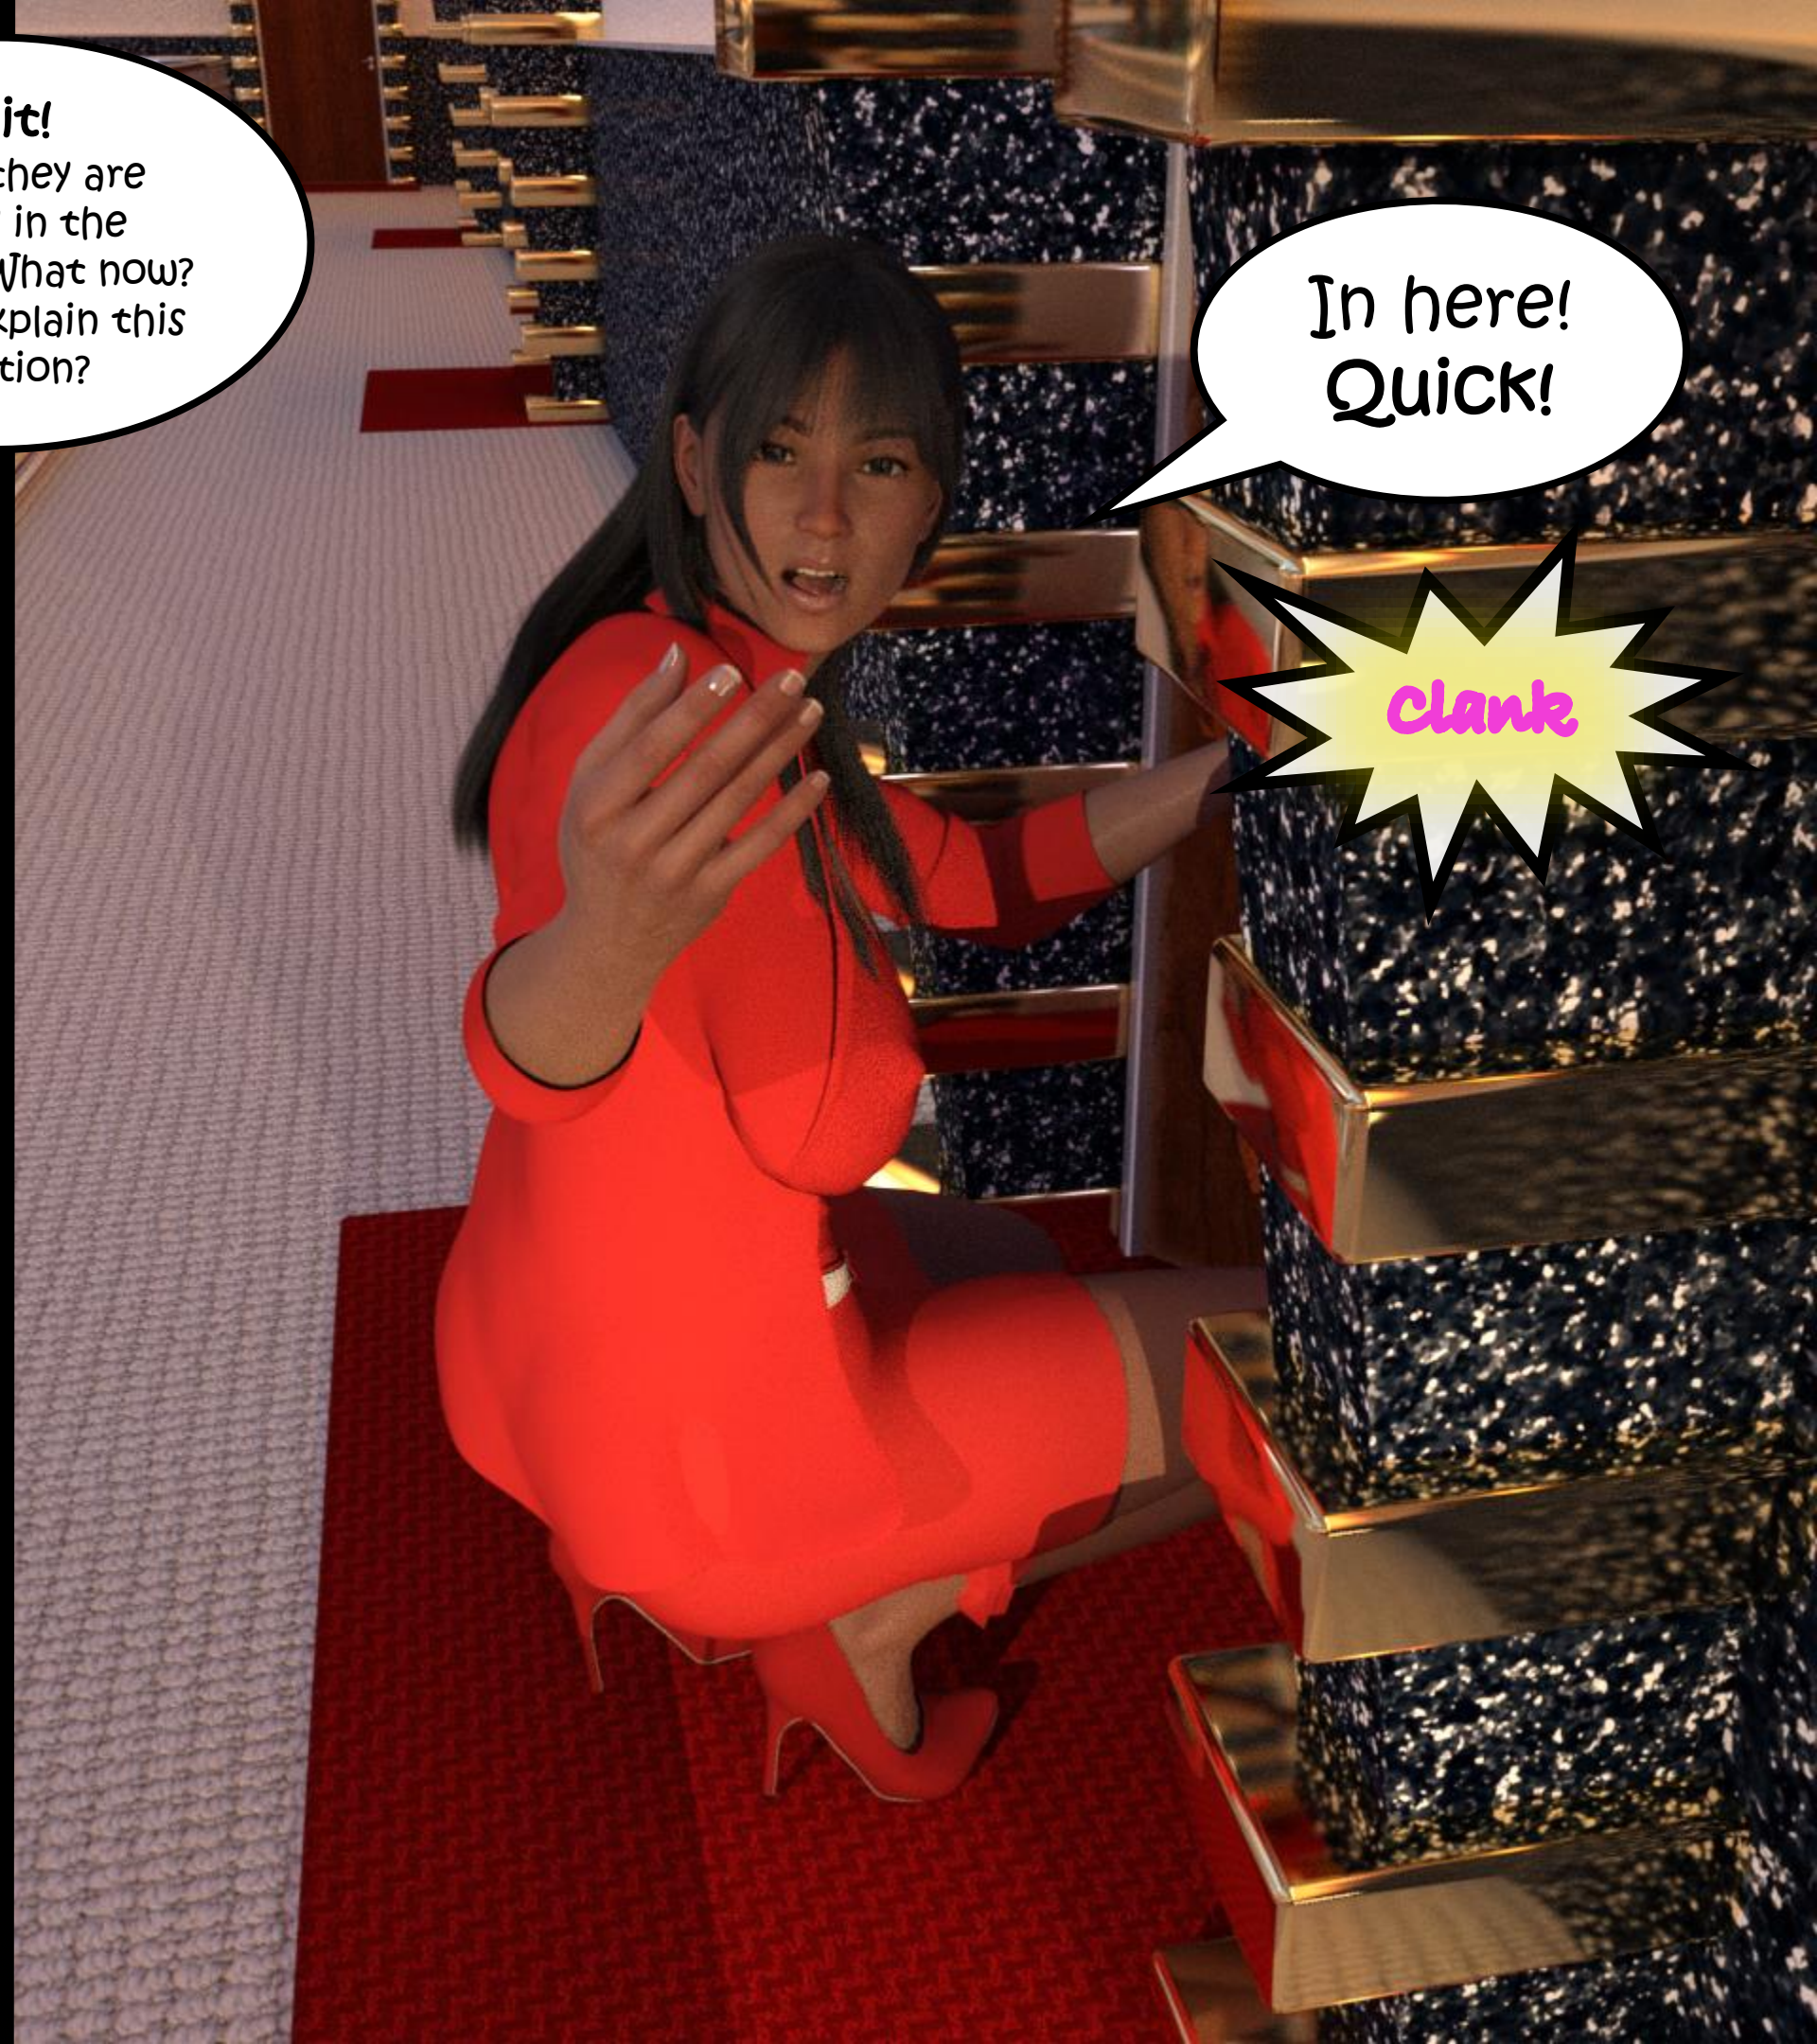

But... you
promised
to...

2

Shit!
I think they are
already in the
elevator. What now?
How to explain this
situation?

In here!
Quick!

clank

Wow!
Miss Fortune.
You are quite
good at picking
locks!

Phew!
They are
heading by!

Well... A
reporter needs
to go places
sometimes...

You promised!

So, we have some time now!

Come to us, handsome.

rub

rub

Well... I did
promise...

Guess this can't be
helped then. I need to
keep them busy until
the Suiciductree's
brainwashing wears
off anyway.

Don't blow your
load just yet. I
want some of
that rock-hard
dick as well.

Giggle
Guess you are
right. I love
that stamina
of yours!

chuckle
Oh, Barbara.
Even if I did,
you know I'd be
back up in no
time.

Her
nipples

Jessica, Nicole...
me... Oh and that
new girl, Stephany!

We are all very
different, but we
unite in our love for
Marco... So... what
do you say? Want in?

Wait. What?
There is a
harem?

How... How
many are
there?

Sign me up!
Harem sisters
for life!

Oh, we'll be
having so much
fun together!

We'll need to

I can't wait
to meet the
others.

Oh, wow!
What a
huge load!

giggle
One of the
perks of fucking
a superhero!

Thankfully the trio was able to sneak out without being noticed after finishing their menage a troi.

Having found a new and powerful ally in Miss Fortune Marco hopes that the town will soon realize the imminent danger the Suiciductress poses.

And so, we join the Pheromancer once more in front of his TV at home...

Don't worry,
Jess. Everything
will work out
this time.

You sure you
want to watch
the news
again?

suck

But thanks to the
Pheromancer no
one got hurt!

... And that's when
the evil woman who
calls herself the
Suiciductress used
explosives to blow
up a hole straight
through the whole
building!

A digital illustration of three nude characters sitting on a couch. On the left is a woman with short brown hair and black-rimmed glasses. In the center is a man with short dark hair. On the right is a woman with long, wavy reddish-brown hair. A fourth character with long reddish-brown hair is visible from the back in the foreground. The background features a colorful abstract painting. Two speech bubbles are present: one from the woman on the left and one from the man in the center.

Guess the
news is still
fake...

But at least
it's **our** fake
version.

I just hope
you'll get the
Suiciductress
next time.

kiss kiss

Trust me, girls. I
won't let anyone
hurt you ever
again!

All seems quiet in town right now... but somewhere else in the city the Suiciductress is planning her next evil move!

Muhahahahaha

Bugs!

There it is!

Bats.

Bears...

A thorough study of the differences between human hearing and the bugs' sound spectrum.

Now we are talking!

The End.

Thank you for reading!

Hello, Hexxet here,

I hope you liked my comic. This one got a little bit action-packed. But hey... it is a superhero comic...

Marco AKA the Pheromancer has managed to do the impossible and saved both women from their fall to certain death. But the Suiciductress has escaped, and she sure will come back for more! Let's hope Marco will be strong enough to catch her on their next encounter!
