Love Bug Bite

Marco – a university student – is visiting a high-tech lab with his class today. It's a biochemistry lab and their most recent research is about a special sort of bug. The male bug produces a lot of pheromones attracting females like no other species. In the lab this bug has been genetically altered to increase this effect further. "But shouldn't there be two bugs in there?", one of the students asks – "It's probably taken somewhere for testing..." - "Autsch!" Marco has been bitten by something! – The next day when Marco wakes up he finds his body has developed some serious muscles and he does not need glasses anymore? What is going on?!

Cast:

Marco ... A university student bitten by the Love Bug

Barbara ... Marco's flatmate

Jessica ... a girl Marco has a crush on

Nicole ... A woman unknown to Marco

That doctor
is kinda
cute...

Awesome!
Look at all
this stuff!

Wow.
A real lab!
Would be cool to
work here someday.

Shut it, Trevor!
I want to listen to
this!

**Sooo
booooring!**

Guess I'll just watch
Amara's round butt
wiggling around to
get through this
shit!

I wonder if he's single... I just love older men. There are only **boys** in my class!

That's Jessica. I'm crushing on her ever since we attend the same class...

She seems to be really focused on the speech...

Hello, Students. Here at Kalington Labs, we mainly study insects and their behavior.

Our current critter of interest is the *Labascus Triatominae* also known as **Love Bug**.

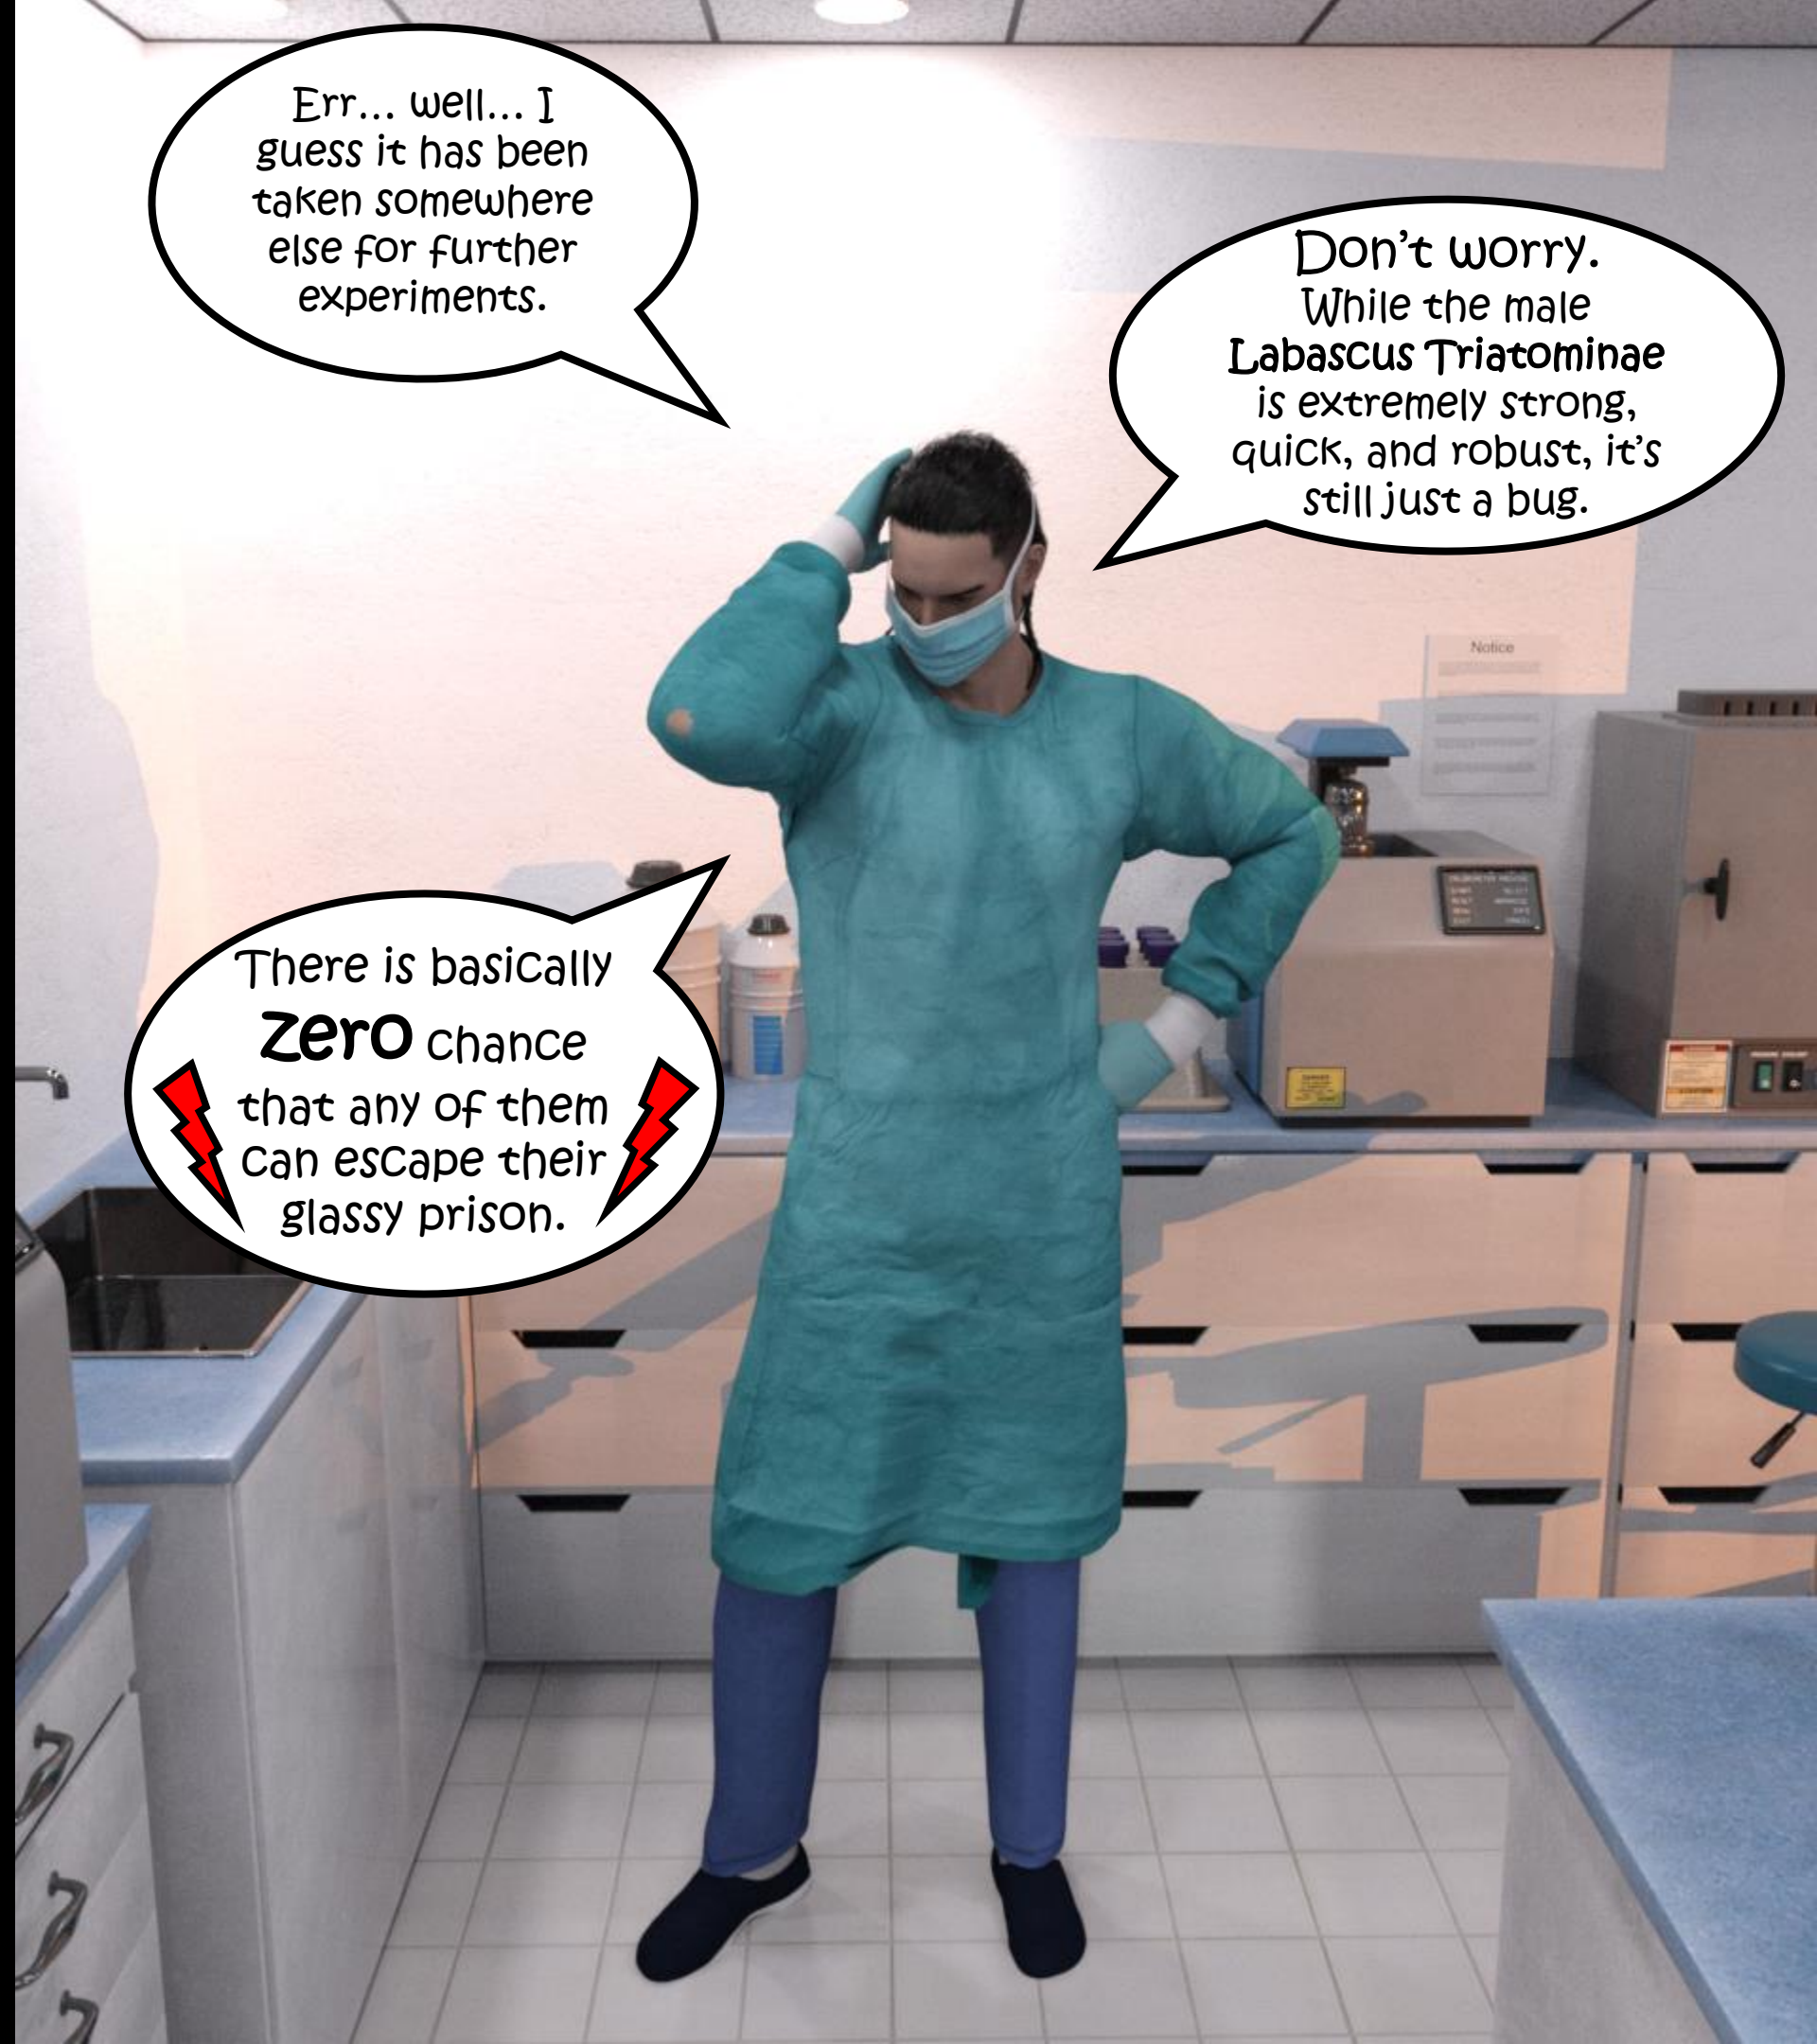

She's into science as well! Finally, something we can talk about!

The males produce a pheromone called **seducine** which works as a strong **aphrodisiac** and attracts females of their species.

And here, at Kalington Labs, we have genetically modified specimens that secrete 10 times stronger pheromones than their natural counterparts!

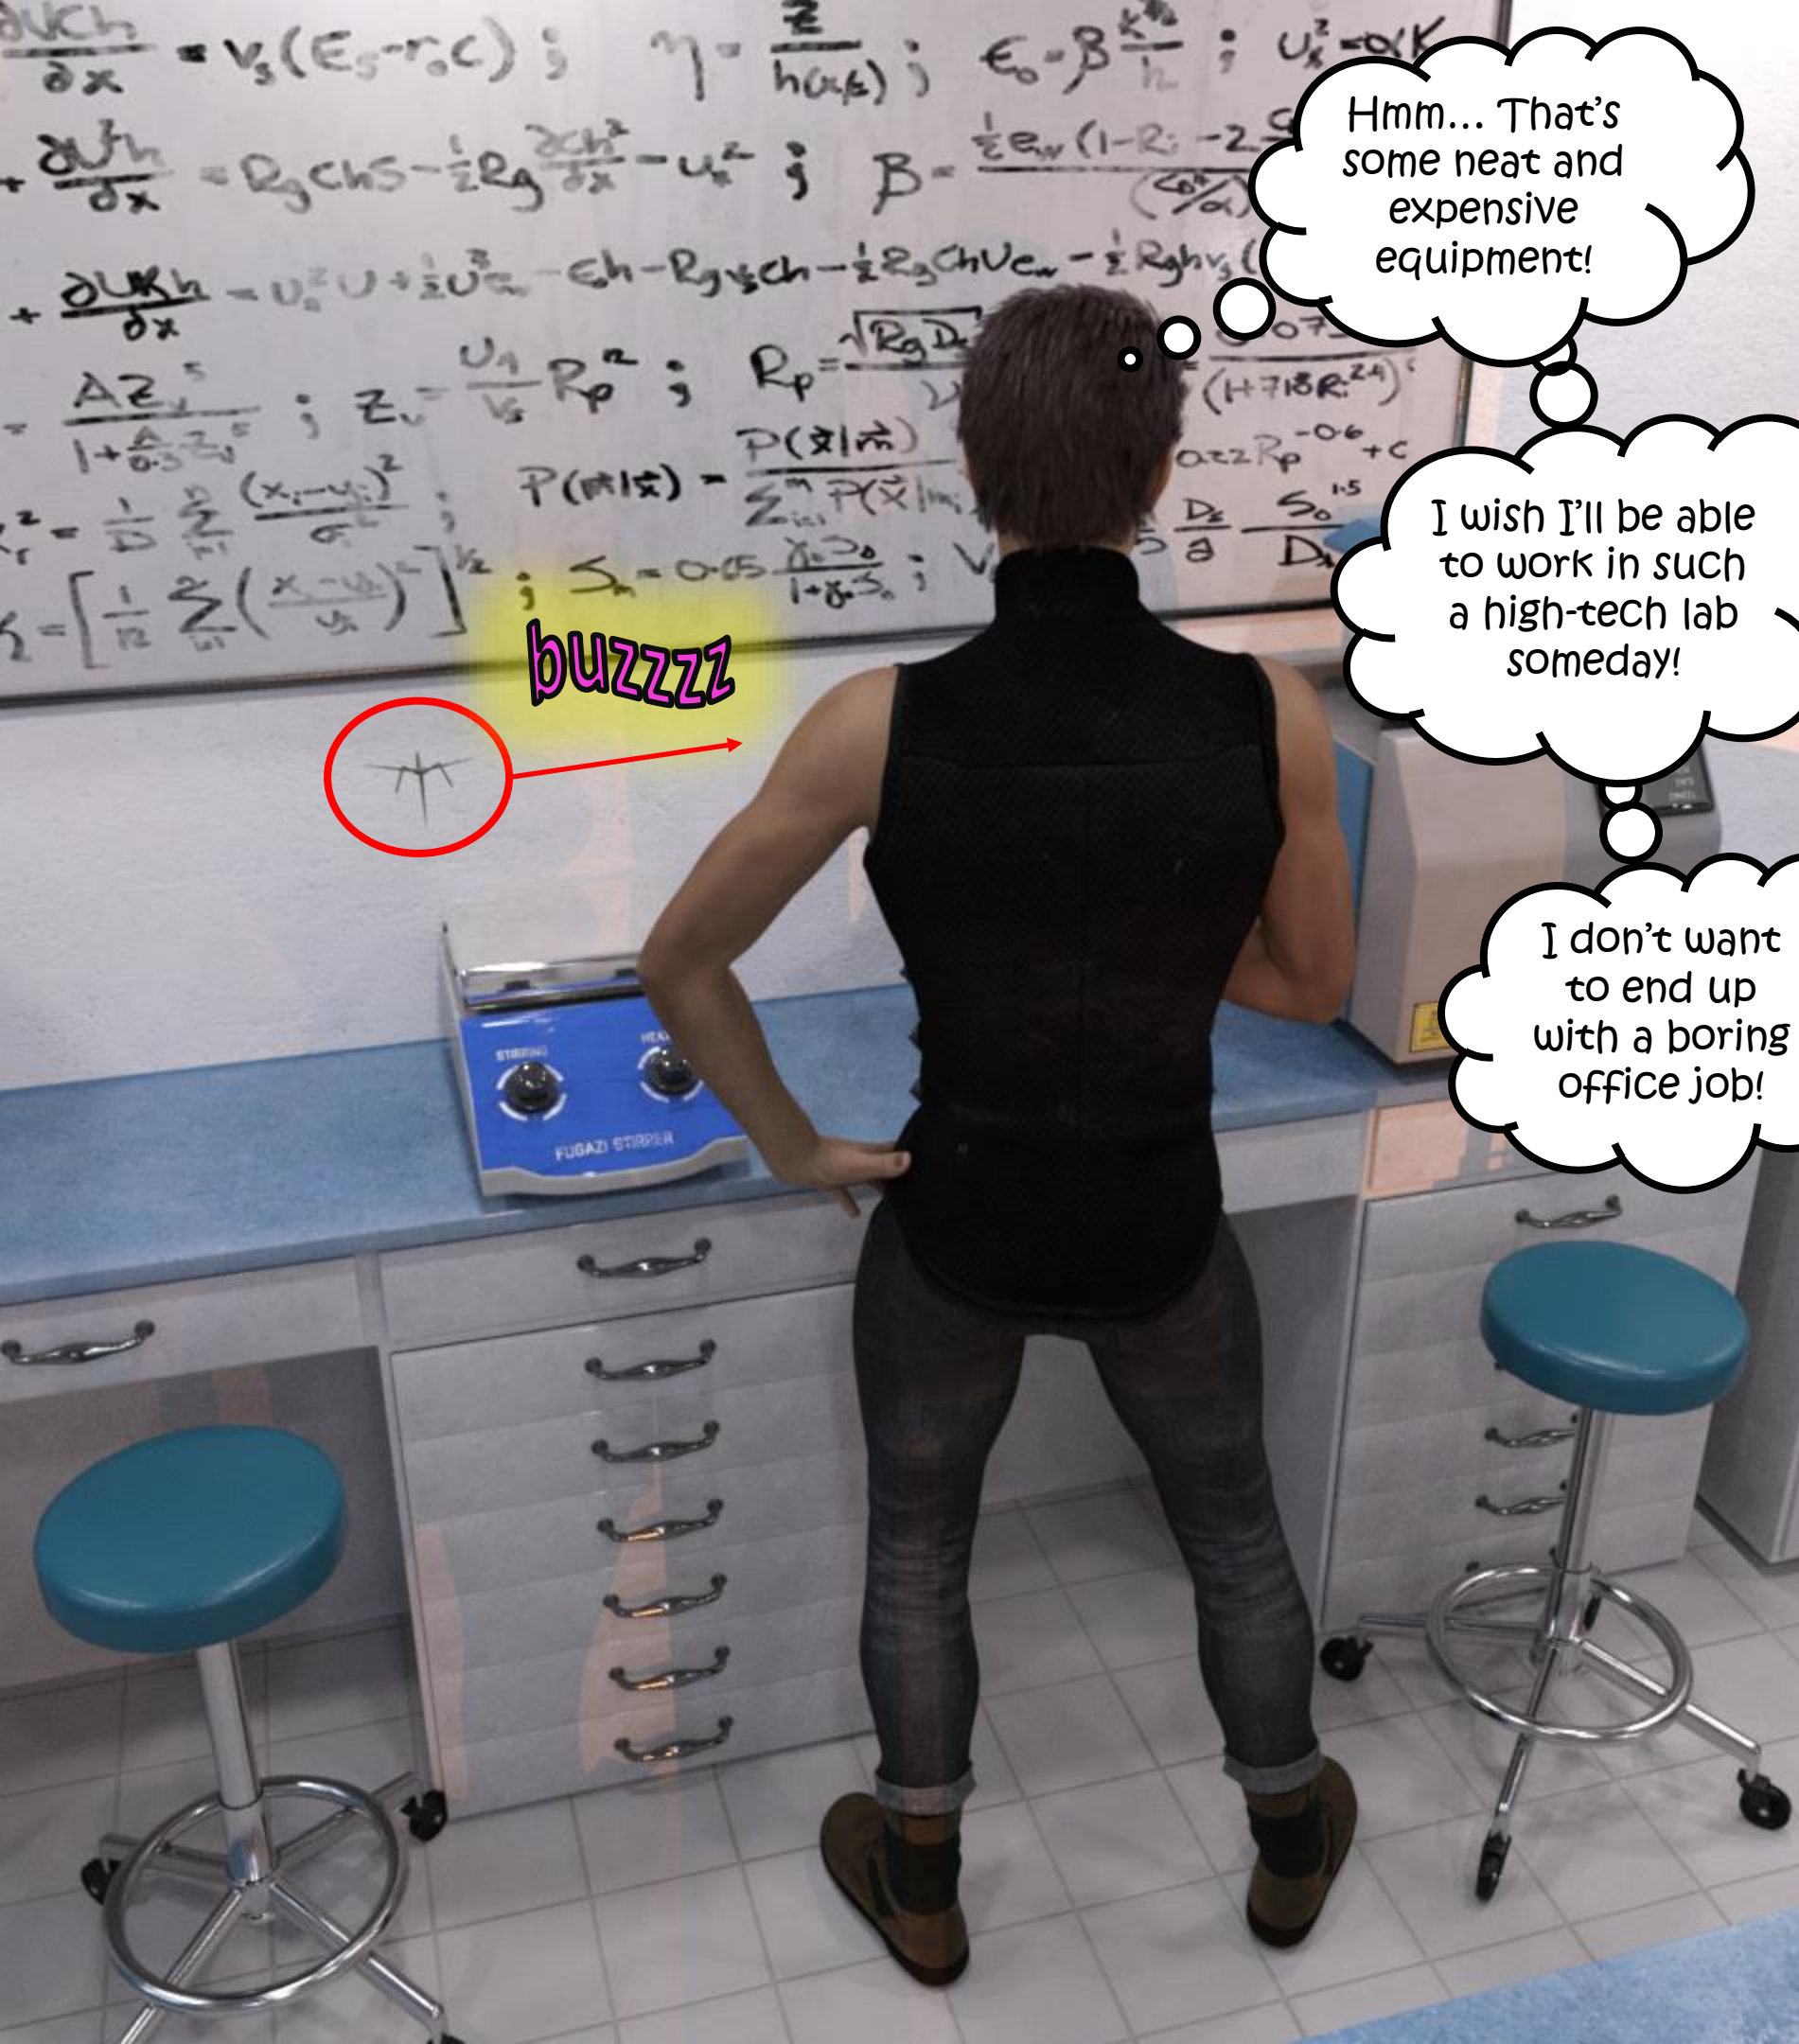

Err... Doctor. Didn't you say there were two specimens in this jar? **I can see only one!**

Err... well... I guess it has been taken somewhere else for further experiments.

Don't worry. While the male *Labascus Triatominae* is extremely strong, quick, and robust, it's still just a bug.

There is basically **zero** chance that any of them can escape their glassy prison.

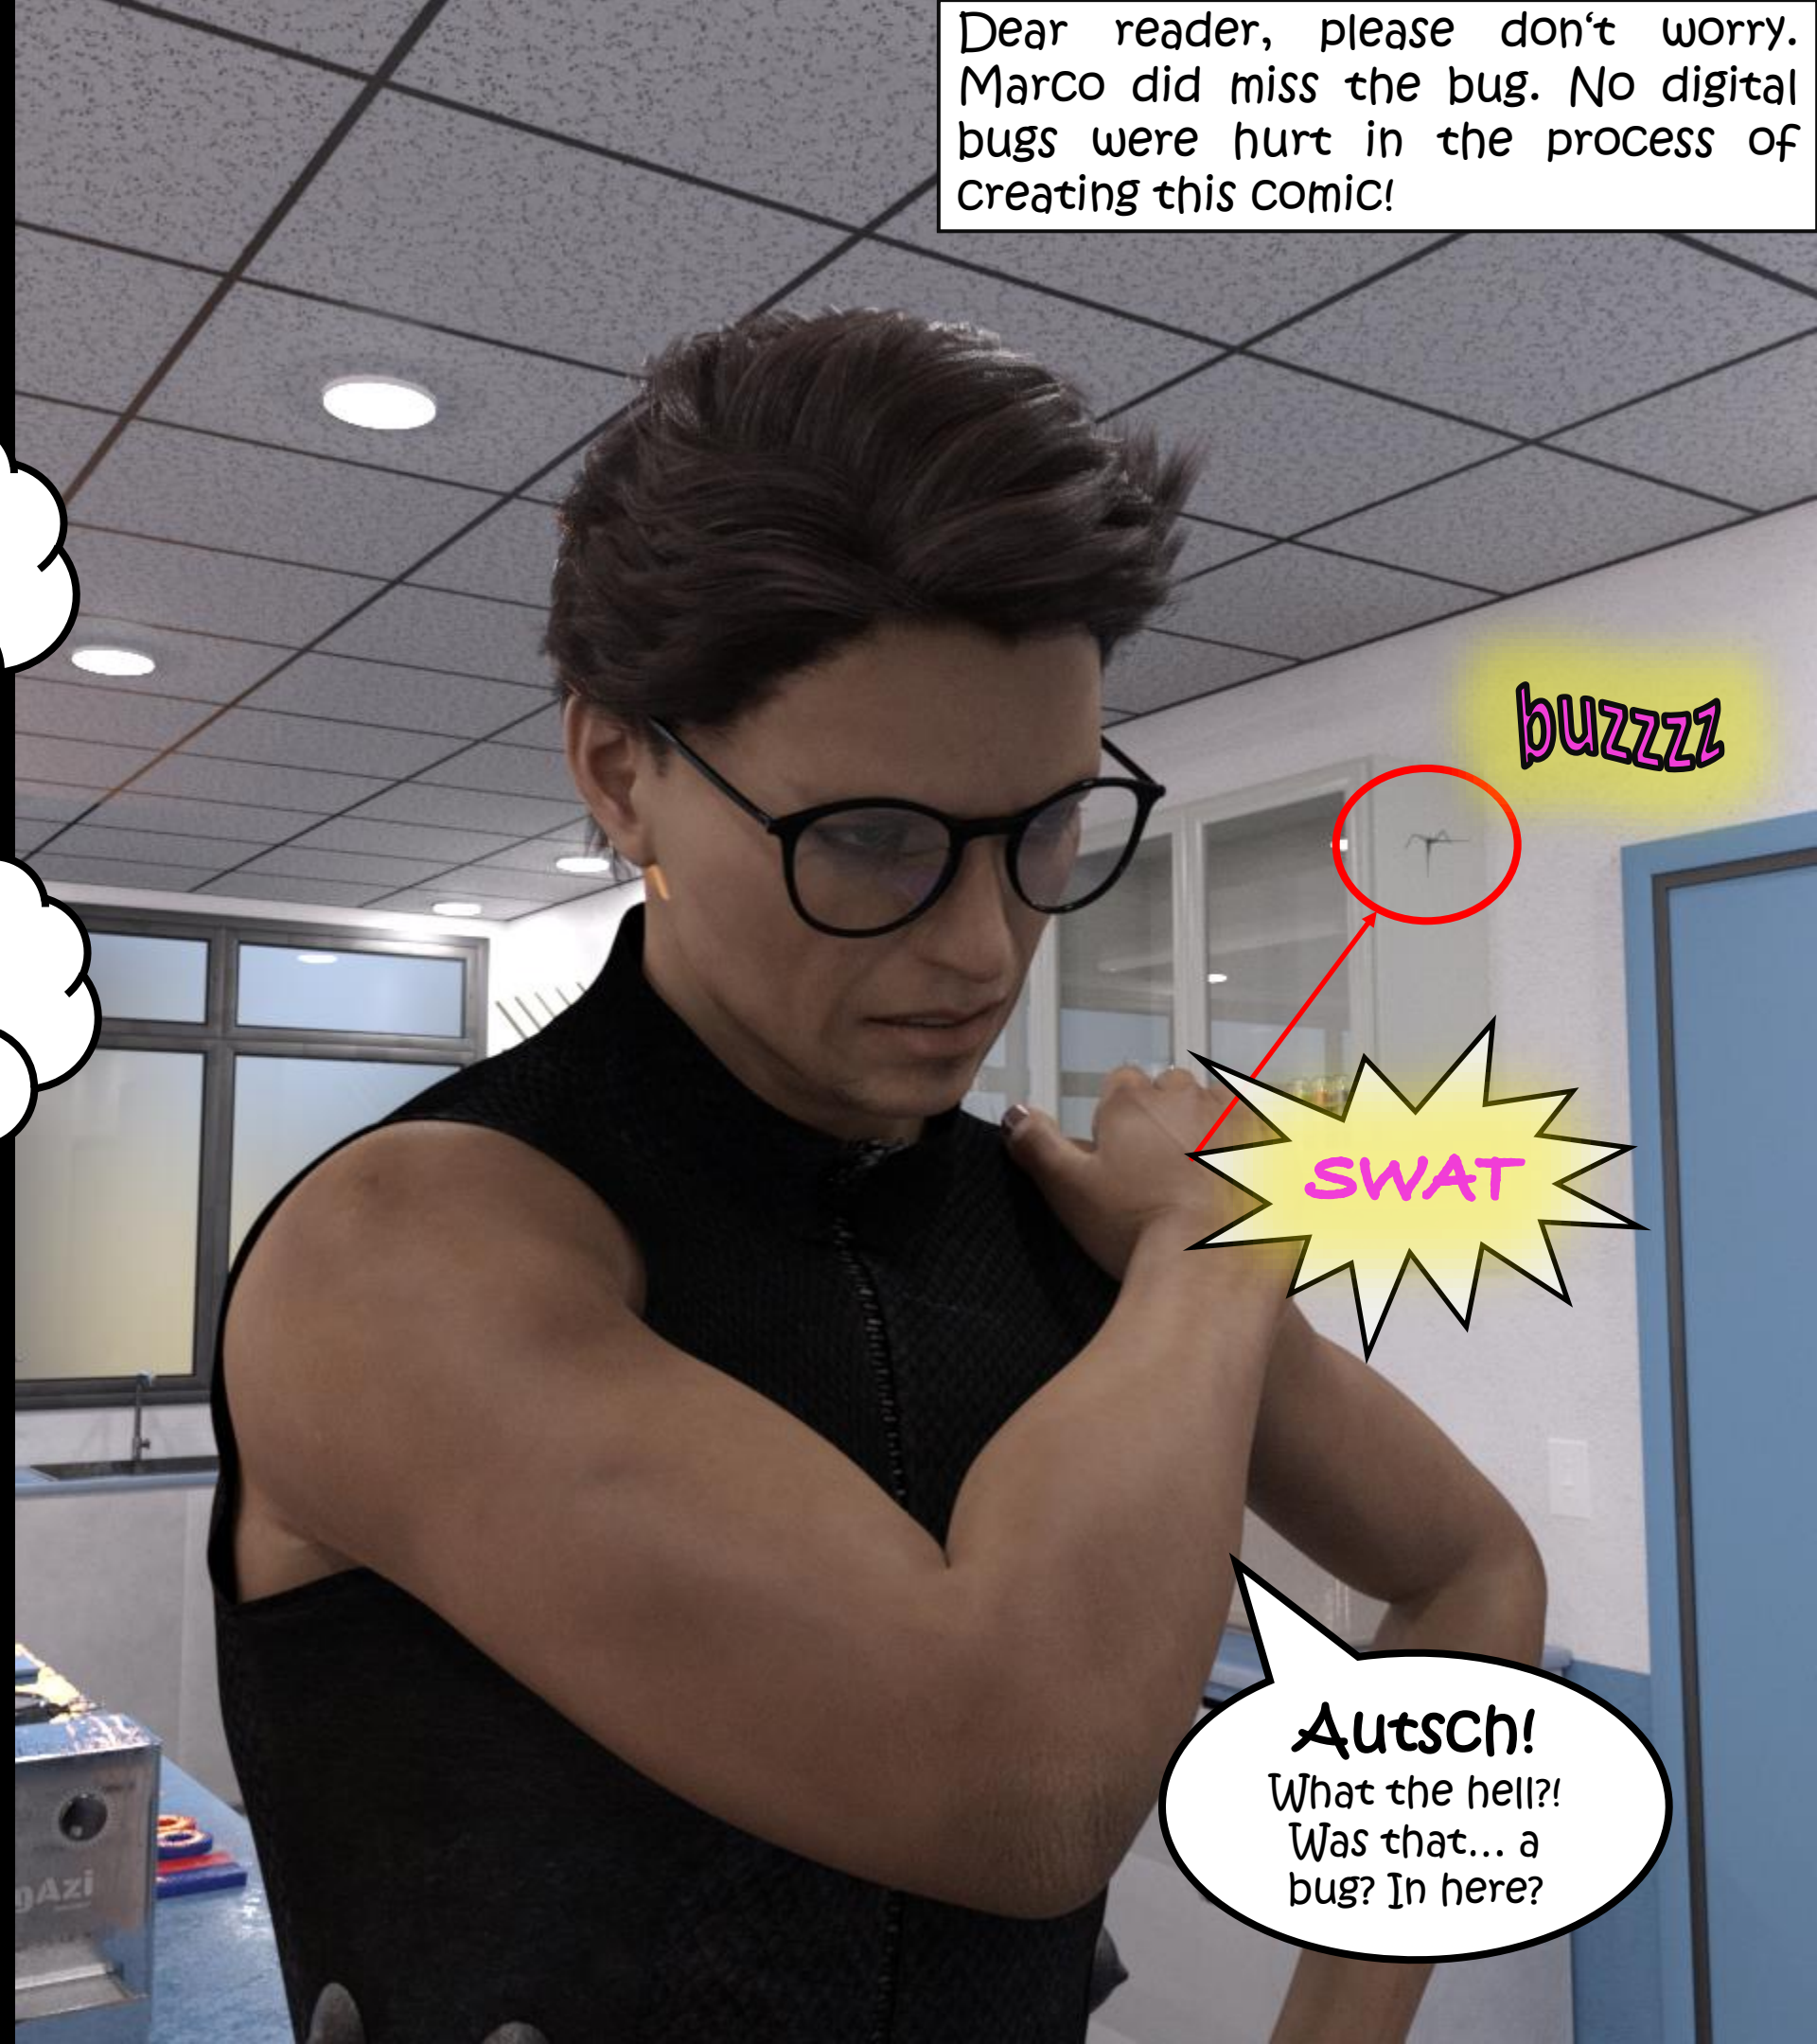

Hmm... That's some neat and expensive equipment!

I wish I'll be able to work in such a high-tech lab someday!

I don't want to end up with a boring office job!

Dear reader, please don't worry. Marco did miss the bug. No digital bugs were hurt in the process of creating this comic!

Autsch!
What the hell?!
Was that... a bug?
In here?

The next day in Marco's room. Marco has never slept this deep. He kinda felt really exhausted when he got home yesterday.

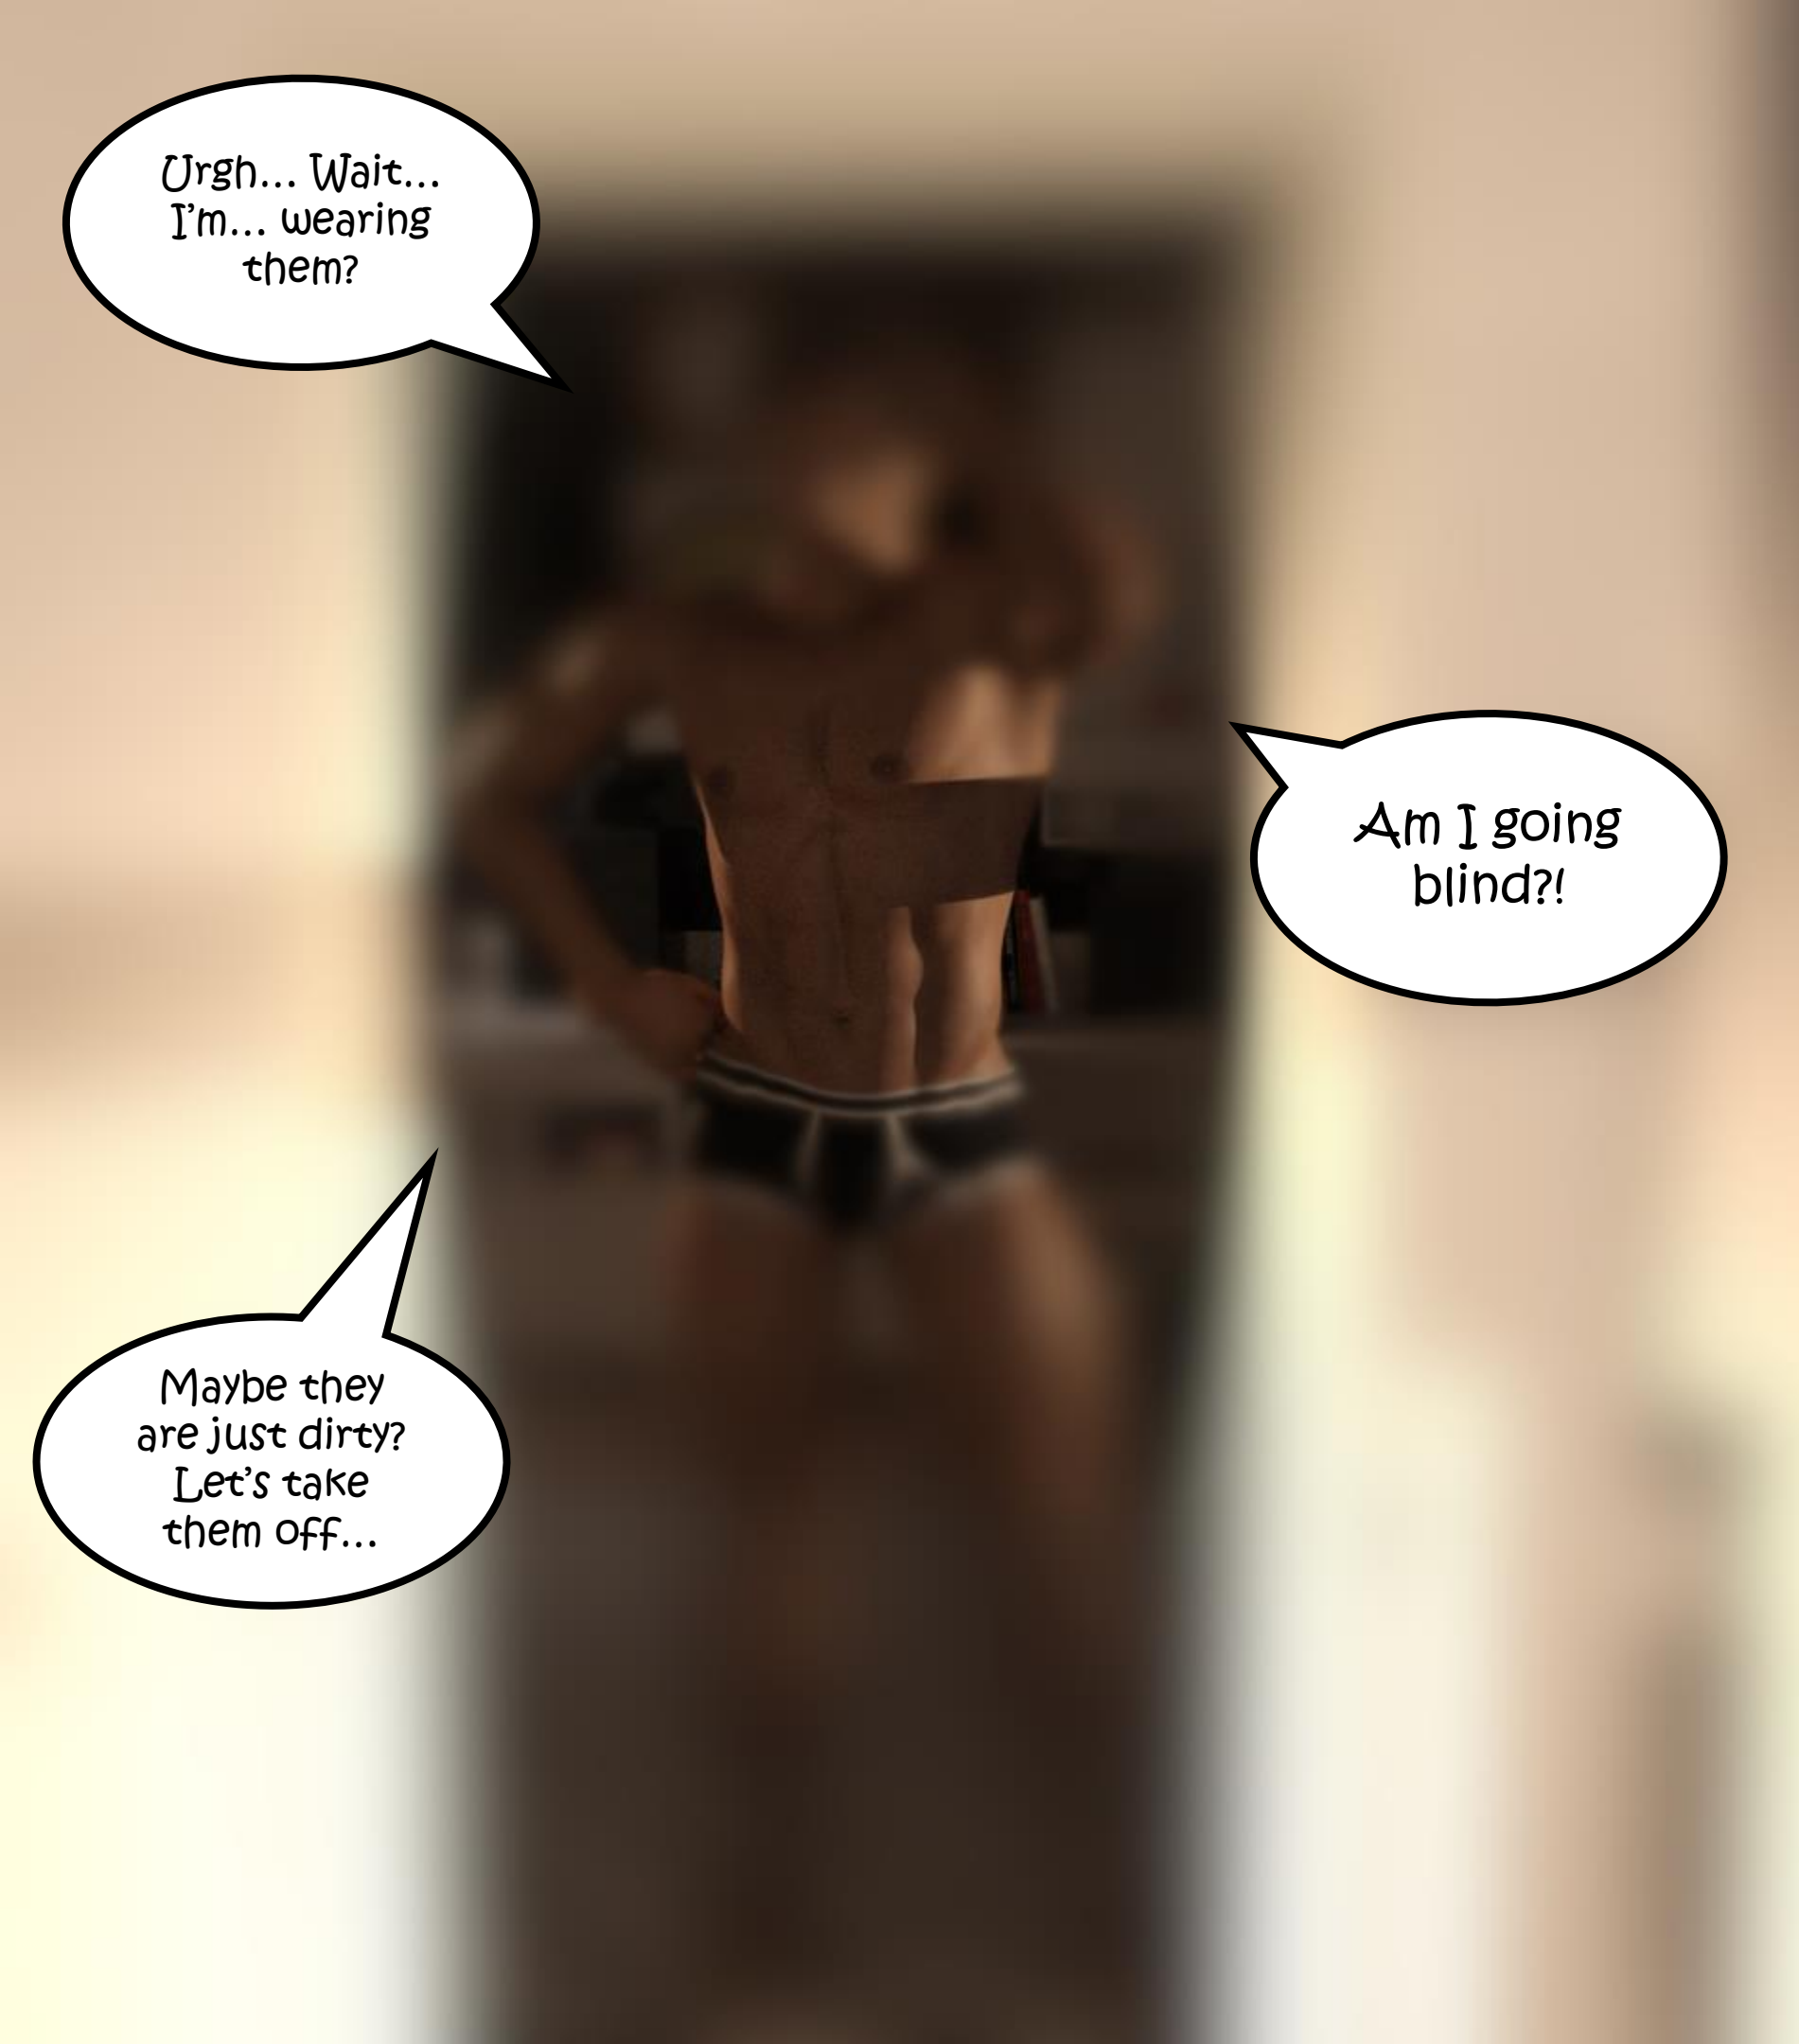

YAWN!
Holy... I slept like a log!

What the...
My body feels strange...

I can't see a thing!
Where are my fucking glasses?

Urgh... Wait...
I'm... wearing
them?

Am I going
blind?!

Maybe they
are just dirty?
Let's take
them off...

What the
fuck!

I... I can see!
Perfectly!

And...
**that's not
my body!**

I'm built like Hulk!

At least compared to my former self...

What is going on?!

sob *sob*

What... is that sobbing?
Barbara!

Barbara is Marco's flatmate. They are friends since childhood and when they both decided to go to University, they got a flat together to share costs.

hmpf
hmpf

sob

Marco!
Sorry... Did I
wake you?

He's... looks
different...
and... he's not
wearing a
shirt...

Nah, don't
sweat it. But
tell me, what
happened?

Urgh. She can be such a bitch!

sob Argh! I don't even want to cry! **sob** It's just Stephany! She posted some mean comments about me on Facebook! **sob**

I know, I should not care about it. **sob** Just ignore her! **sob**

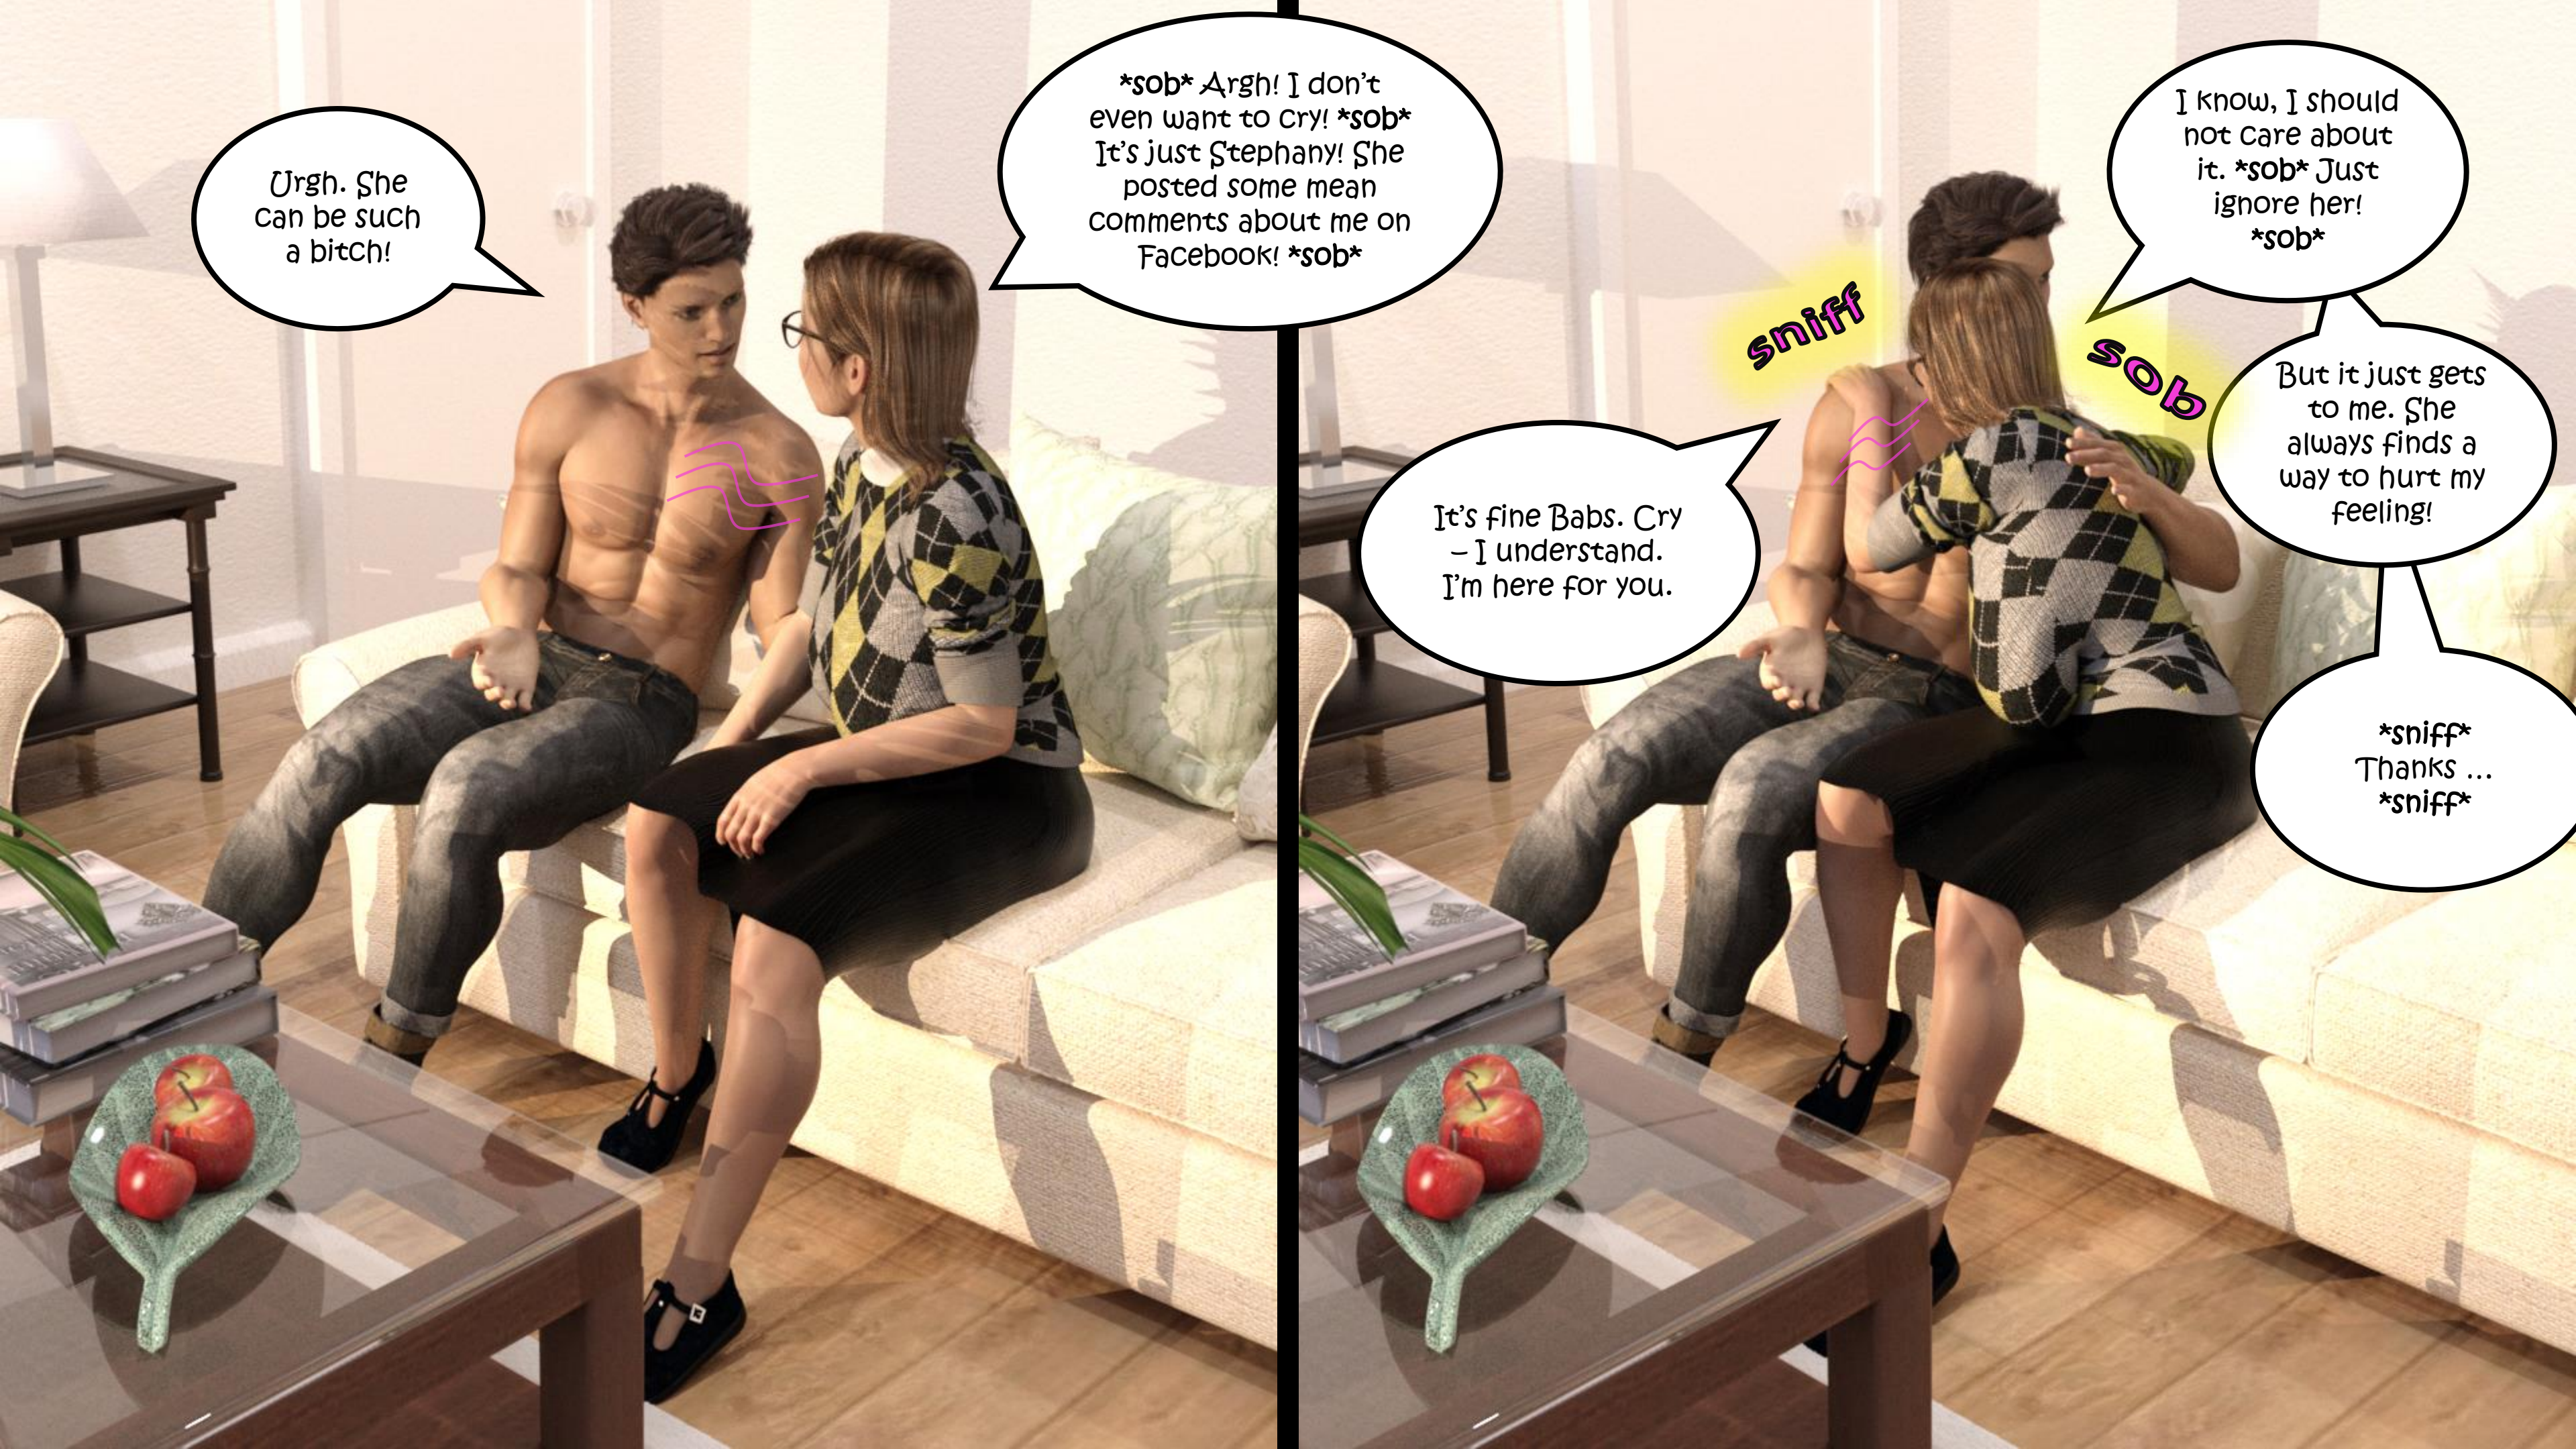

sniff

sob

It's fine Babs. Cry - I understand. I'm here for you.

But it just gets to me. She always finds a way to hurt my feeling!

sniff
Thanks ...
sniff

Oh my god.
He... smells
so good!

sniff

Are you
feeling
better?

Very!
Thank you!
You smell

him happy!

Err...

Thanks, I
guess.

Weird!

Now I want to be there for you.

Thanks for being there for me...

Babs?
What... are you doing?!

Don't think I haven't noticed you looking at my goods.

Or frantically trying to not stare. I know they are quite huge...

Kinda hard to miss...

But Barbara... You made it pretty clear that we are just friends.

And I'm fine with that... I'm sorry for staring...

Now where will Marco's new found superpowers lead him?

Whether it's about landing a blowjob with his busty roommate Barbara at home...

Wow. You've got really big breasts!

Barely enough for your huge COCK!

Scoring with his long-time crush Jessica at the public library...

He's a real man!
He smells so good!
And the way he's holding me!
I want to be his!

Too bad I'm on the pill. Every cell in my body screams that he'd be the perfect father to my children!

kiss

shake

buckle

Or saving a woman from a car crash in the streets ...

Miss, are you okay? You've got almost hit by a car!

sniff

O.M.G.
He's handsome!

sniff

I think I'm falling in love!
