Love Bug Bite

Marco – a university student – is visiting a high-tech lab with his class today. It's a biochemistry lab and their most recent research is about a special sort of bug. The male bug produces a lot of pheromones attracting females like no other species. In the lab this bug has been genetically altered to increase this effect further. "But shouldn't there be two bugs in there?", one of the students asks – "It's probably taken somewhere for testing..." - "Autsch!" Marco has been bitten by something! – The next day when Marco wakes up he finds his body has developed some serious muscles and he does not need glasses anymore? What is going on?!

Cast:

Marco ... A university student bitten by the Love Bug

Barbara ... Marco's flatmate

Jessica ... a girl Marco has a crush on

Nicole ... A woman unknown to Marco

That doctor
is kinda
cute...

Awesome!
Look at all
this stuff!

Wow.
A real lab!
Would be cool to
work here someday.

Shut it, Trevor!
I want to listen to
this!

**Soo
booooring!**

Guess I'll just watch
Amara's round butt
wiggling around to
get through this
shit!

I wonder if he's single... I just love older men. There are only **boys** in my class!

That's Jessica. I'm crushing on her ever since we attend the same class...

She seems to be really focused on the speech...

Hello, Students. Here at Kalington Labs, we mainly study insects and their behavior.

Our current critter of interest is the **Labascus Triatominae** also known as **Love Bug**.

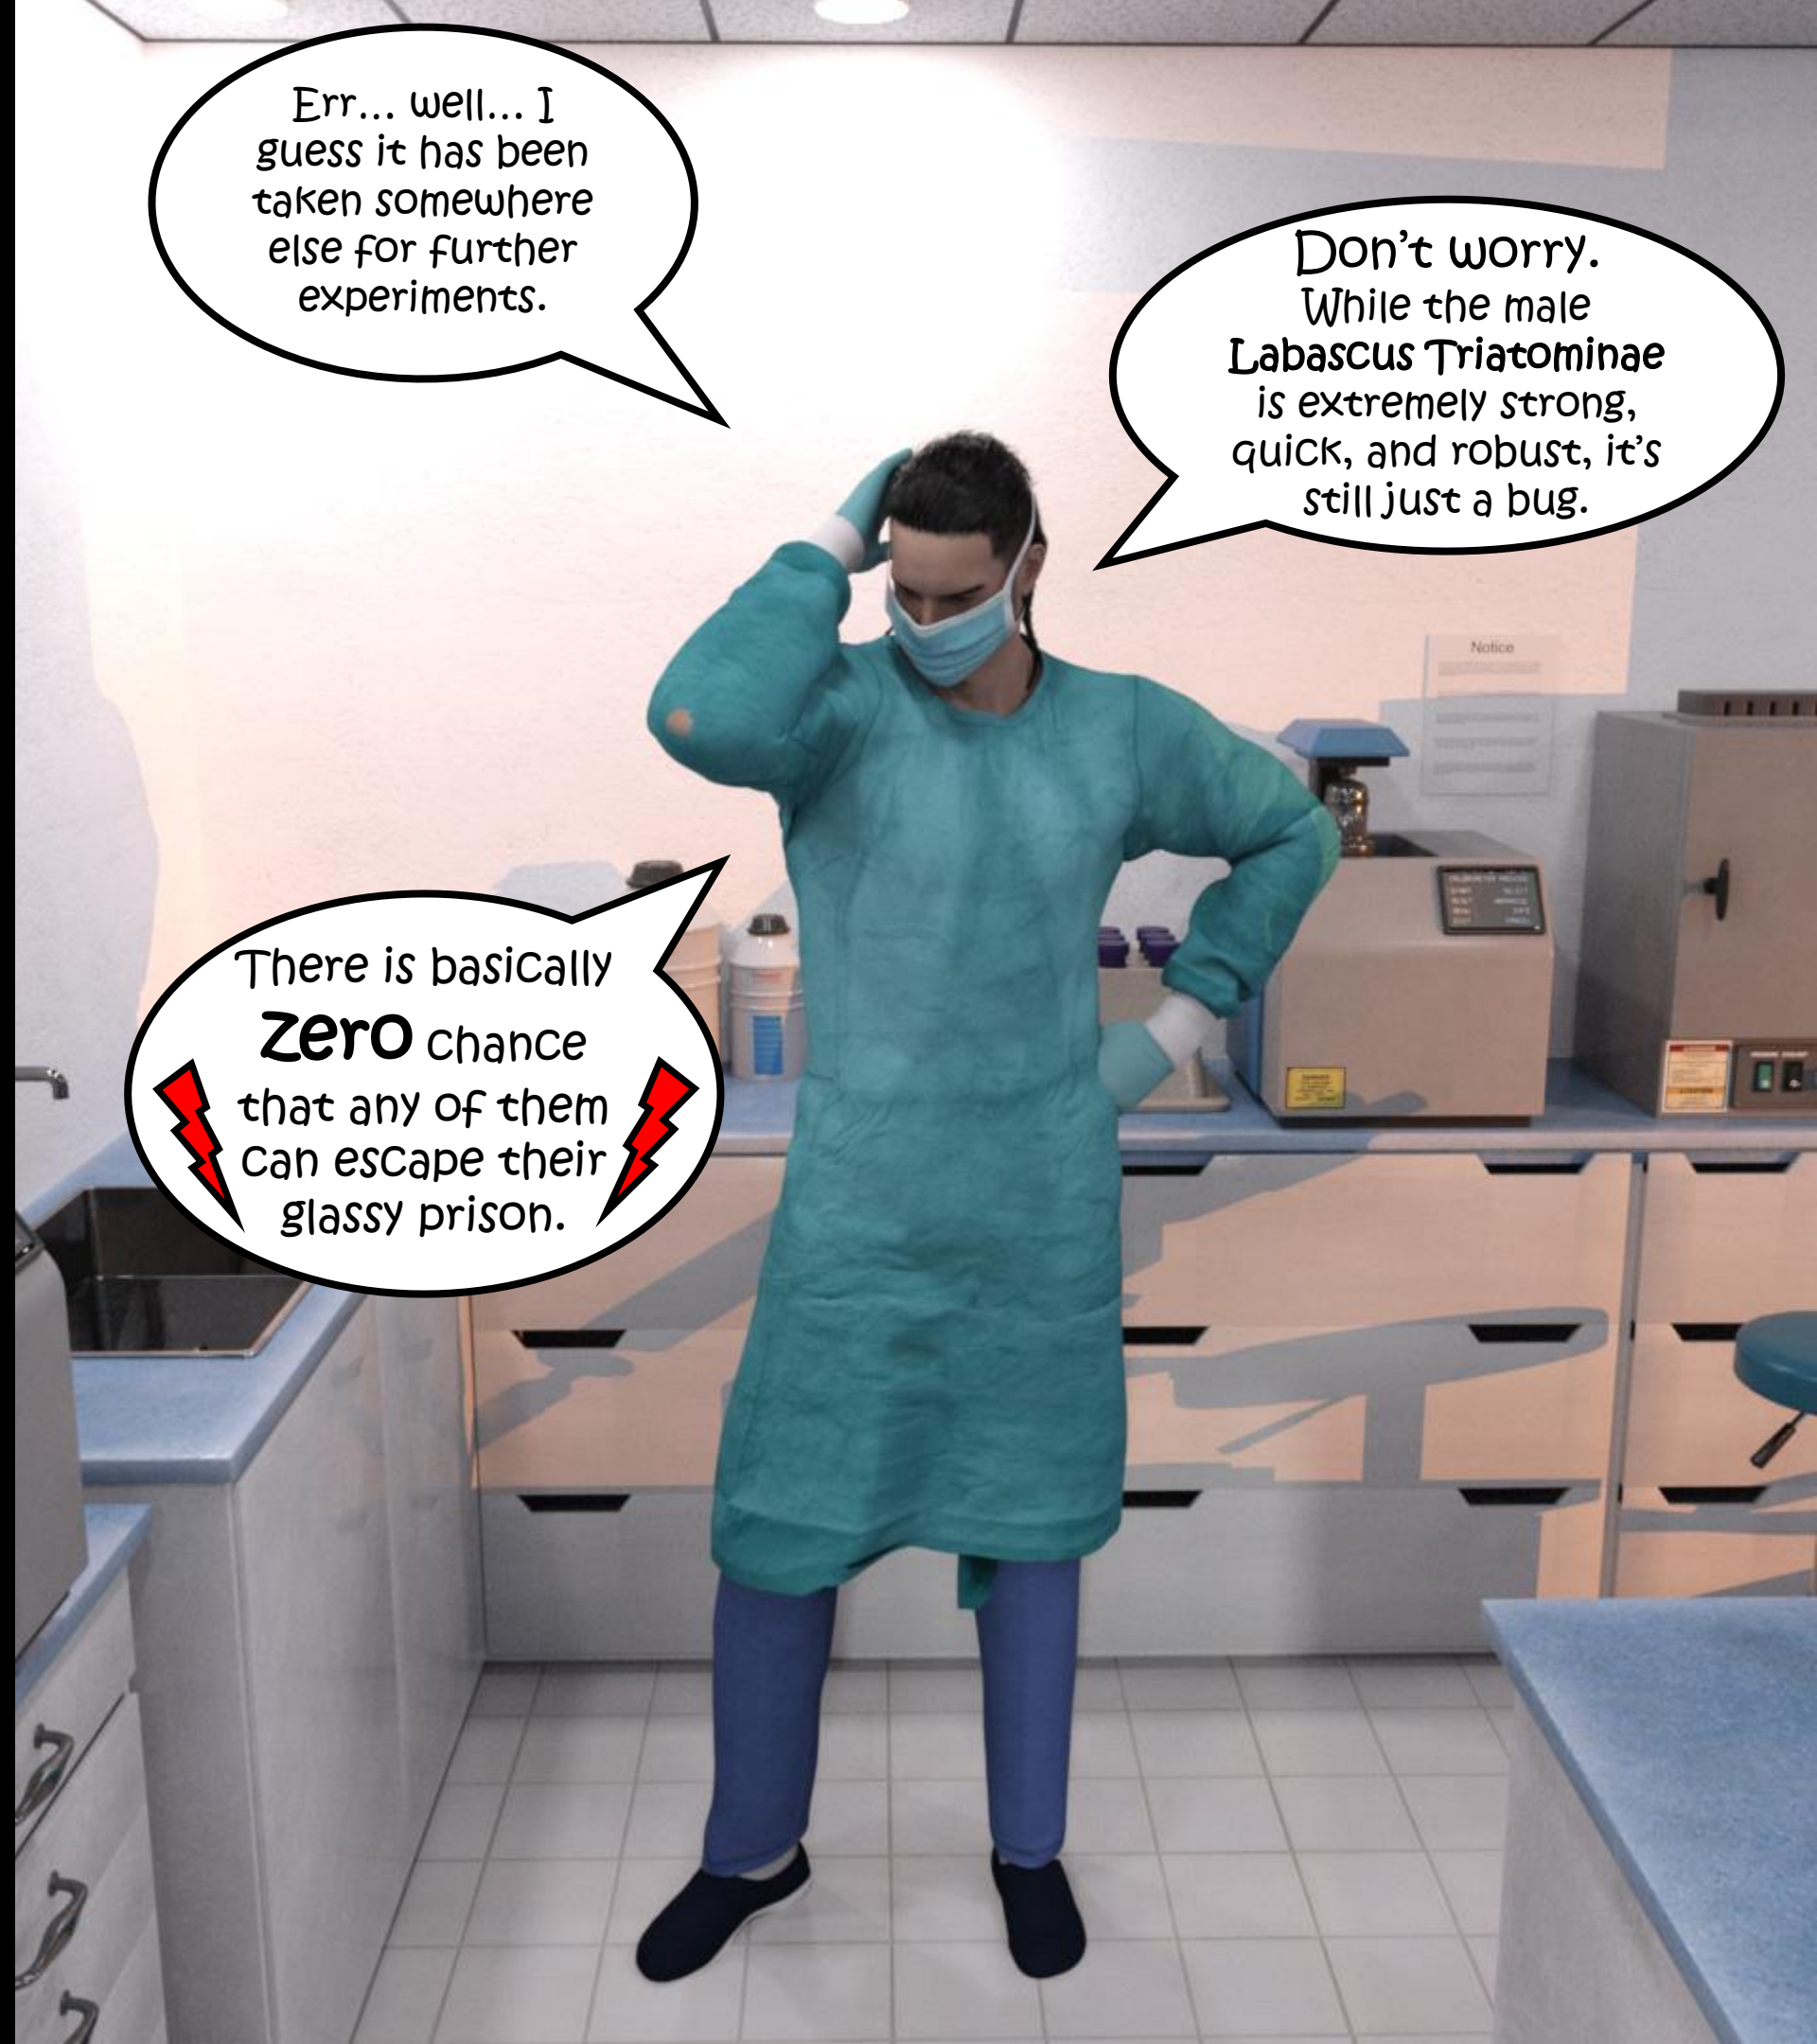

She's into science as well! Finally, something we can talk about!

The males produce a pheromone called **seducine** which works as a strong **aphrodisiac** and attracts females of their species.

And here, at Kalington Labs, we have genetically modified specimens that secrete 10 times stronger pheromones than their natural counterparts!

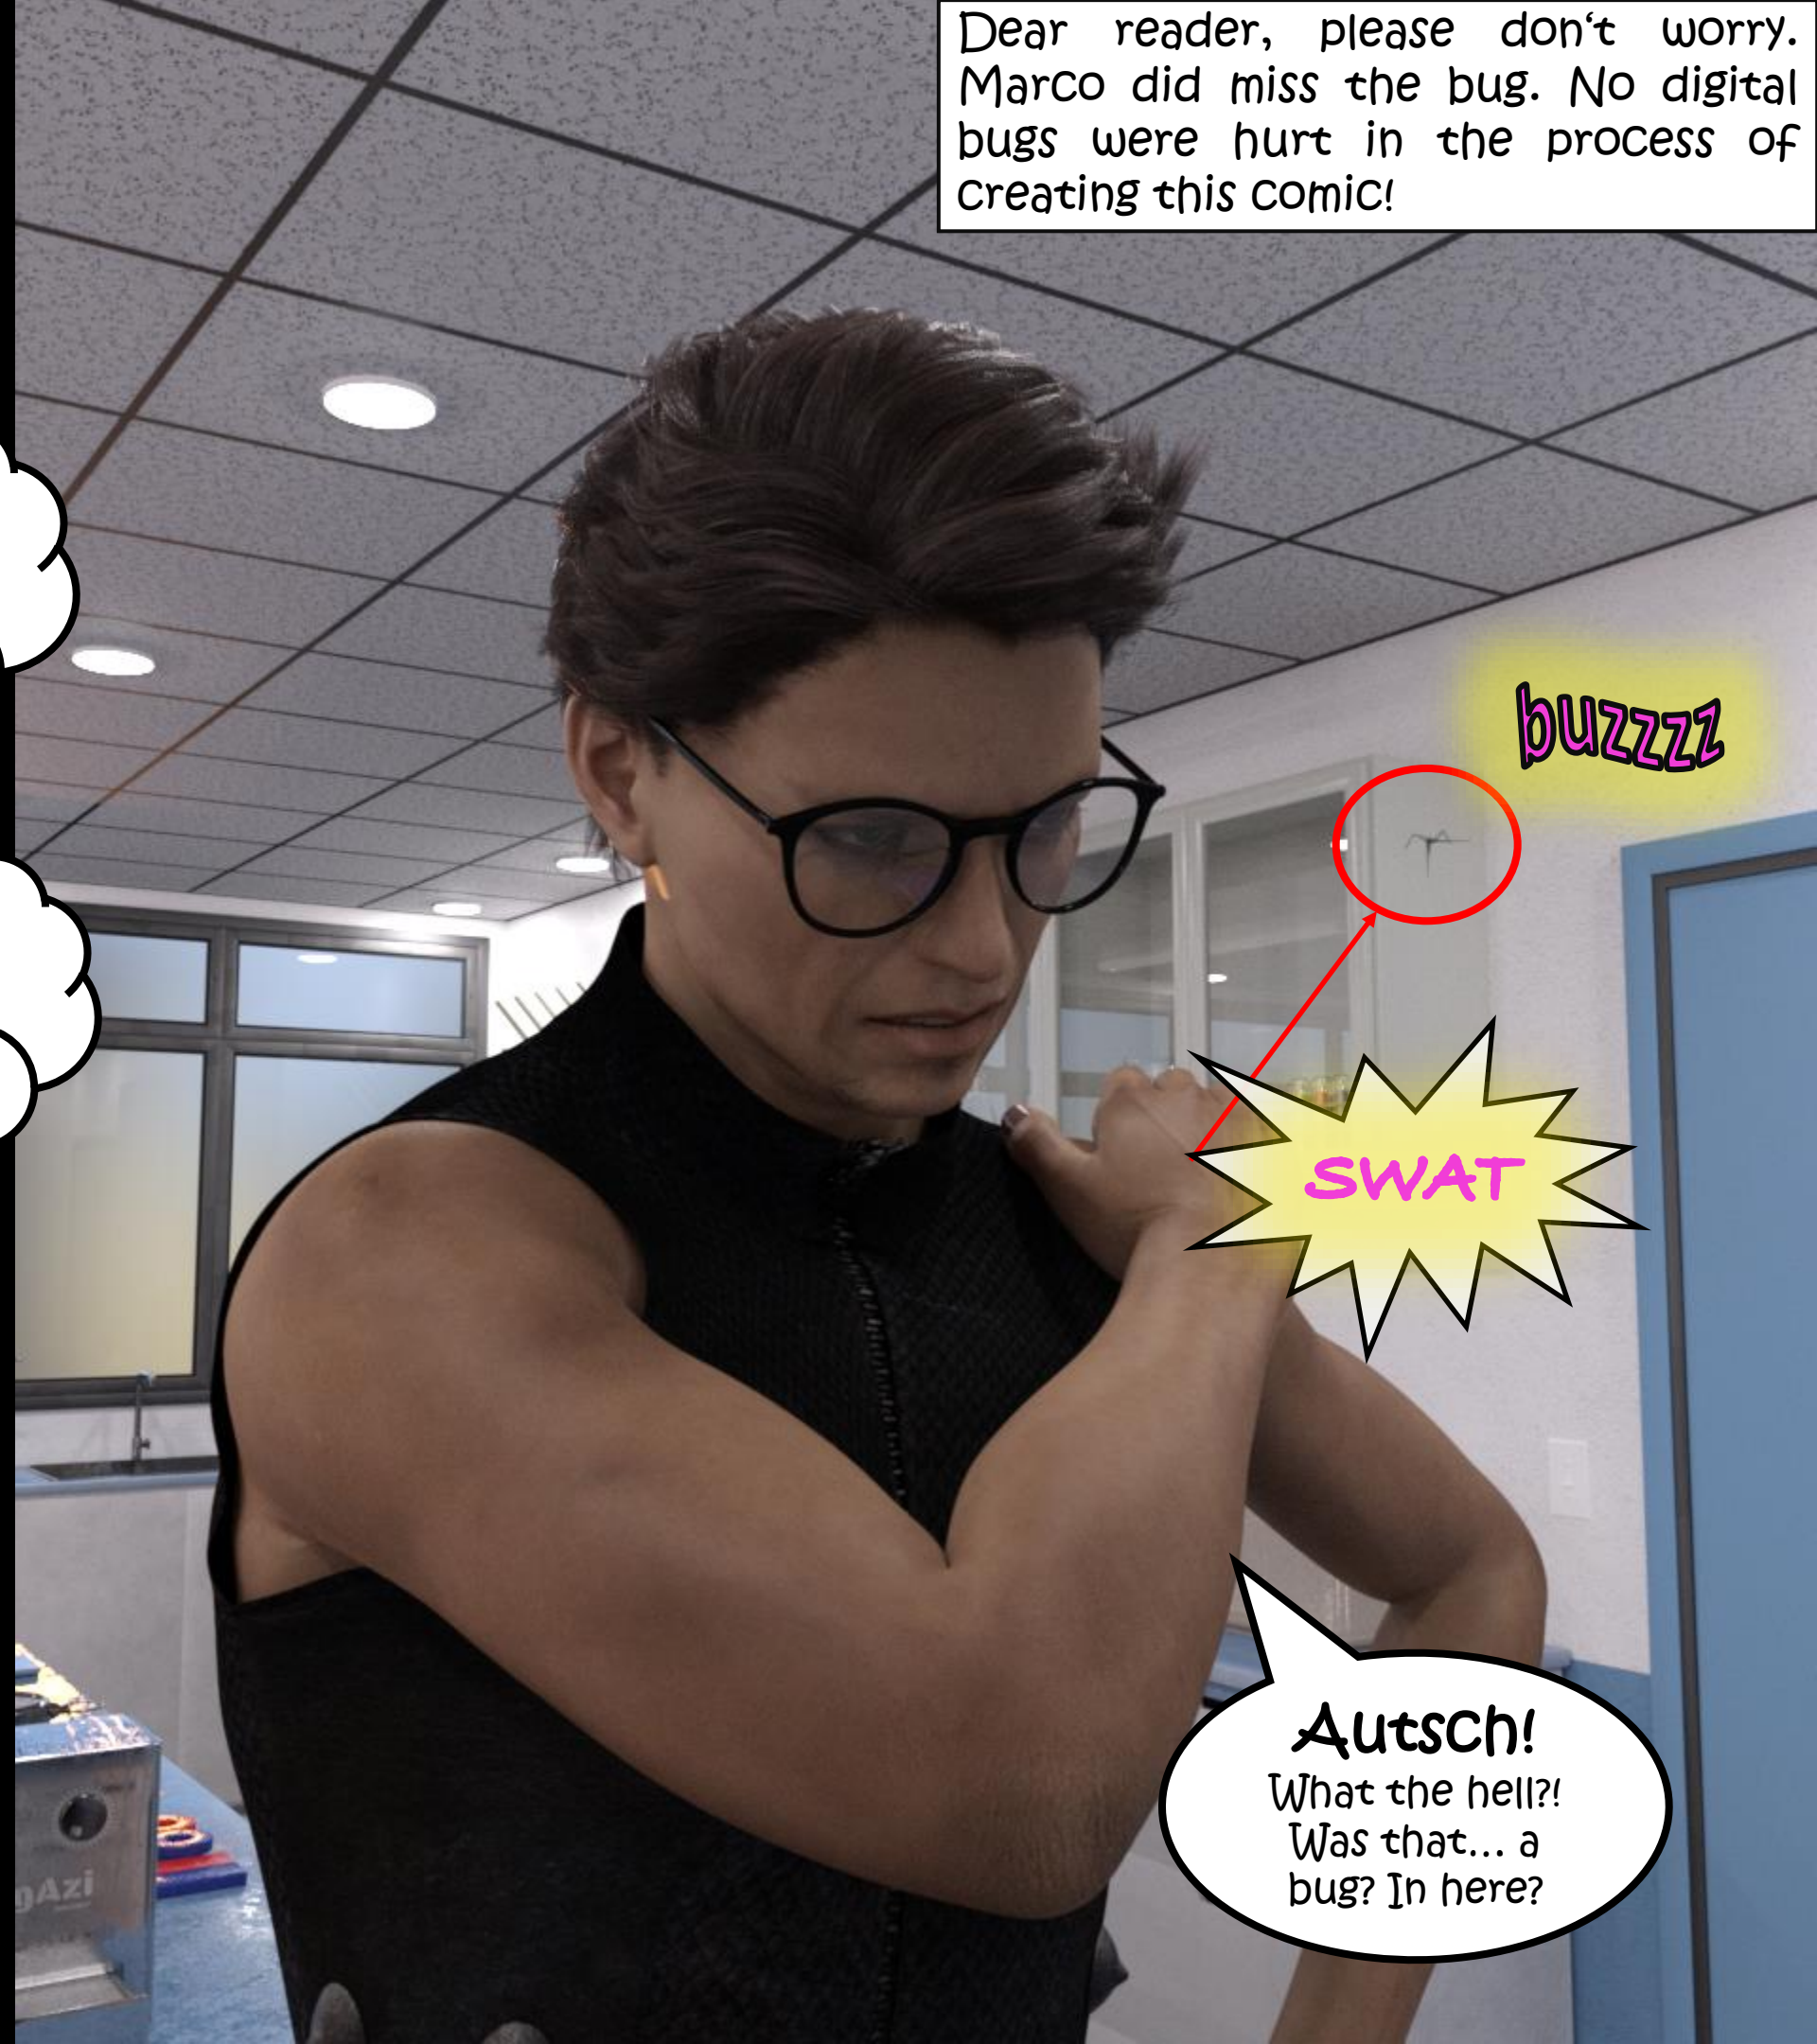

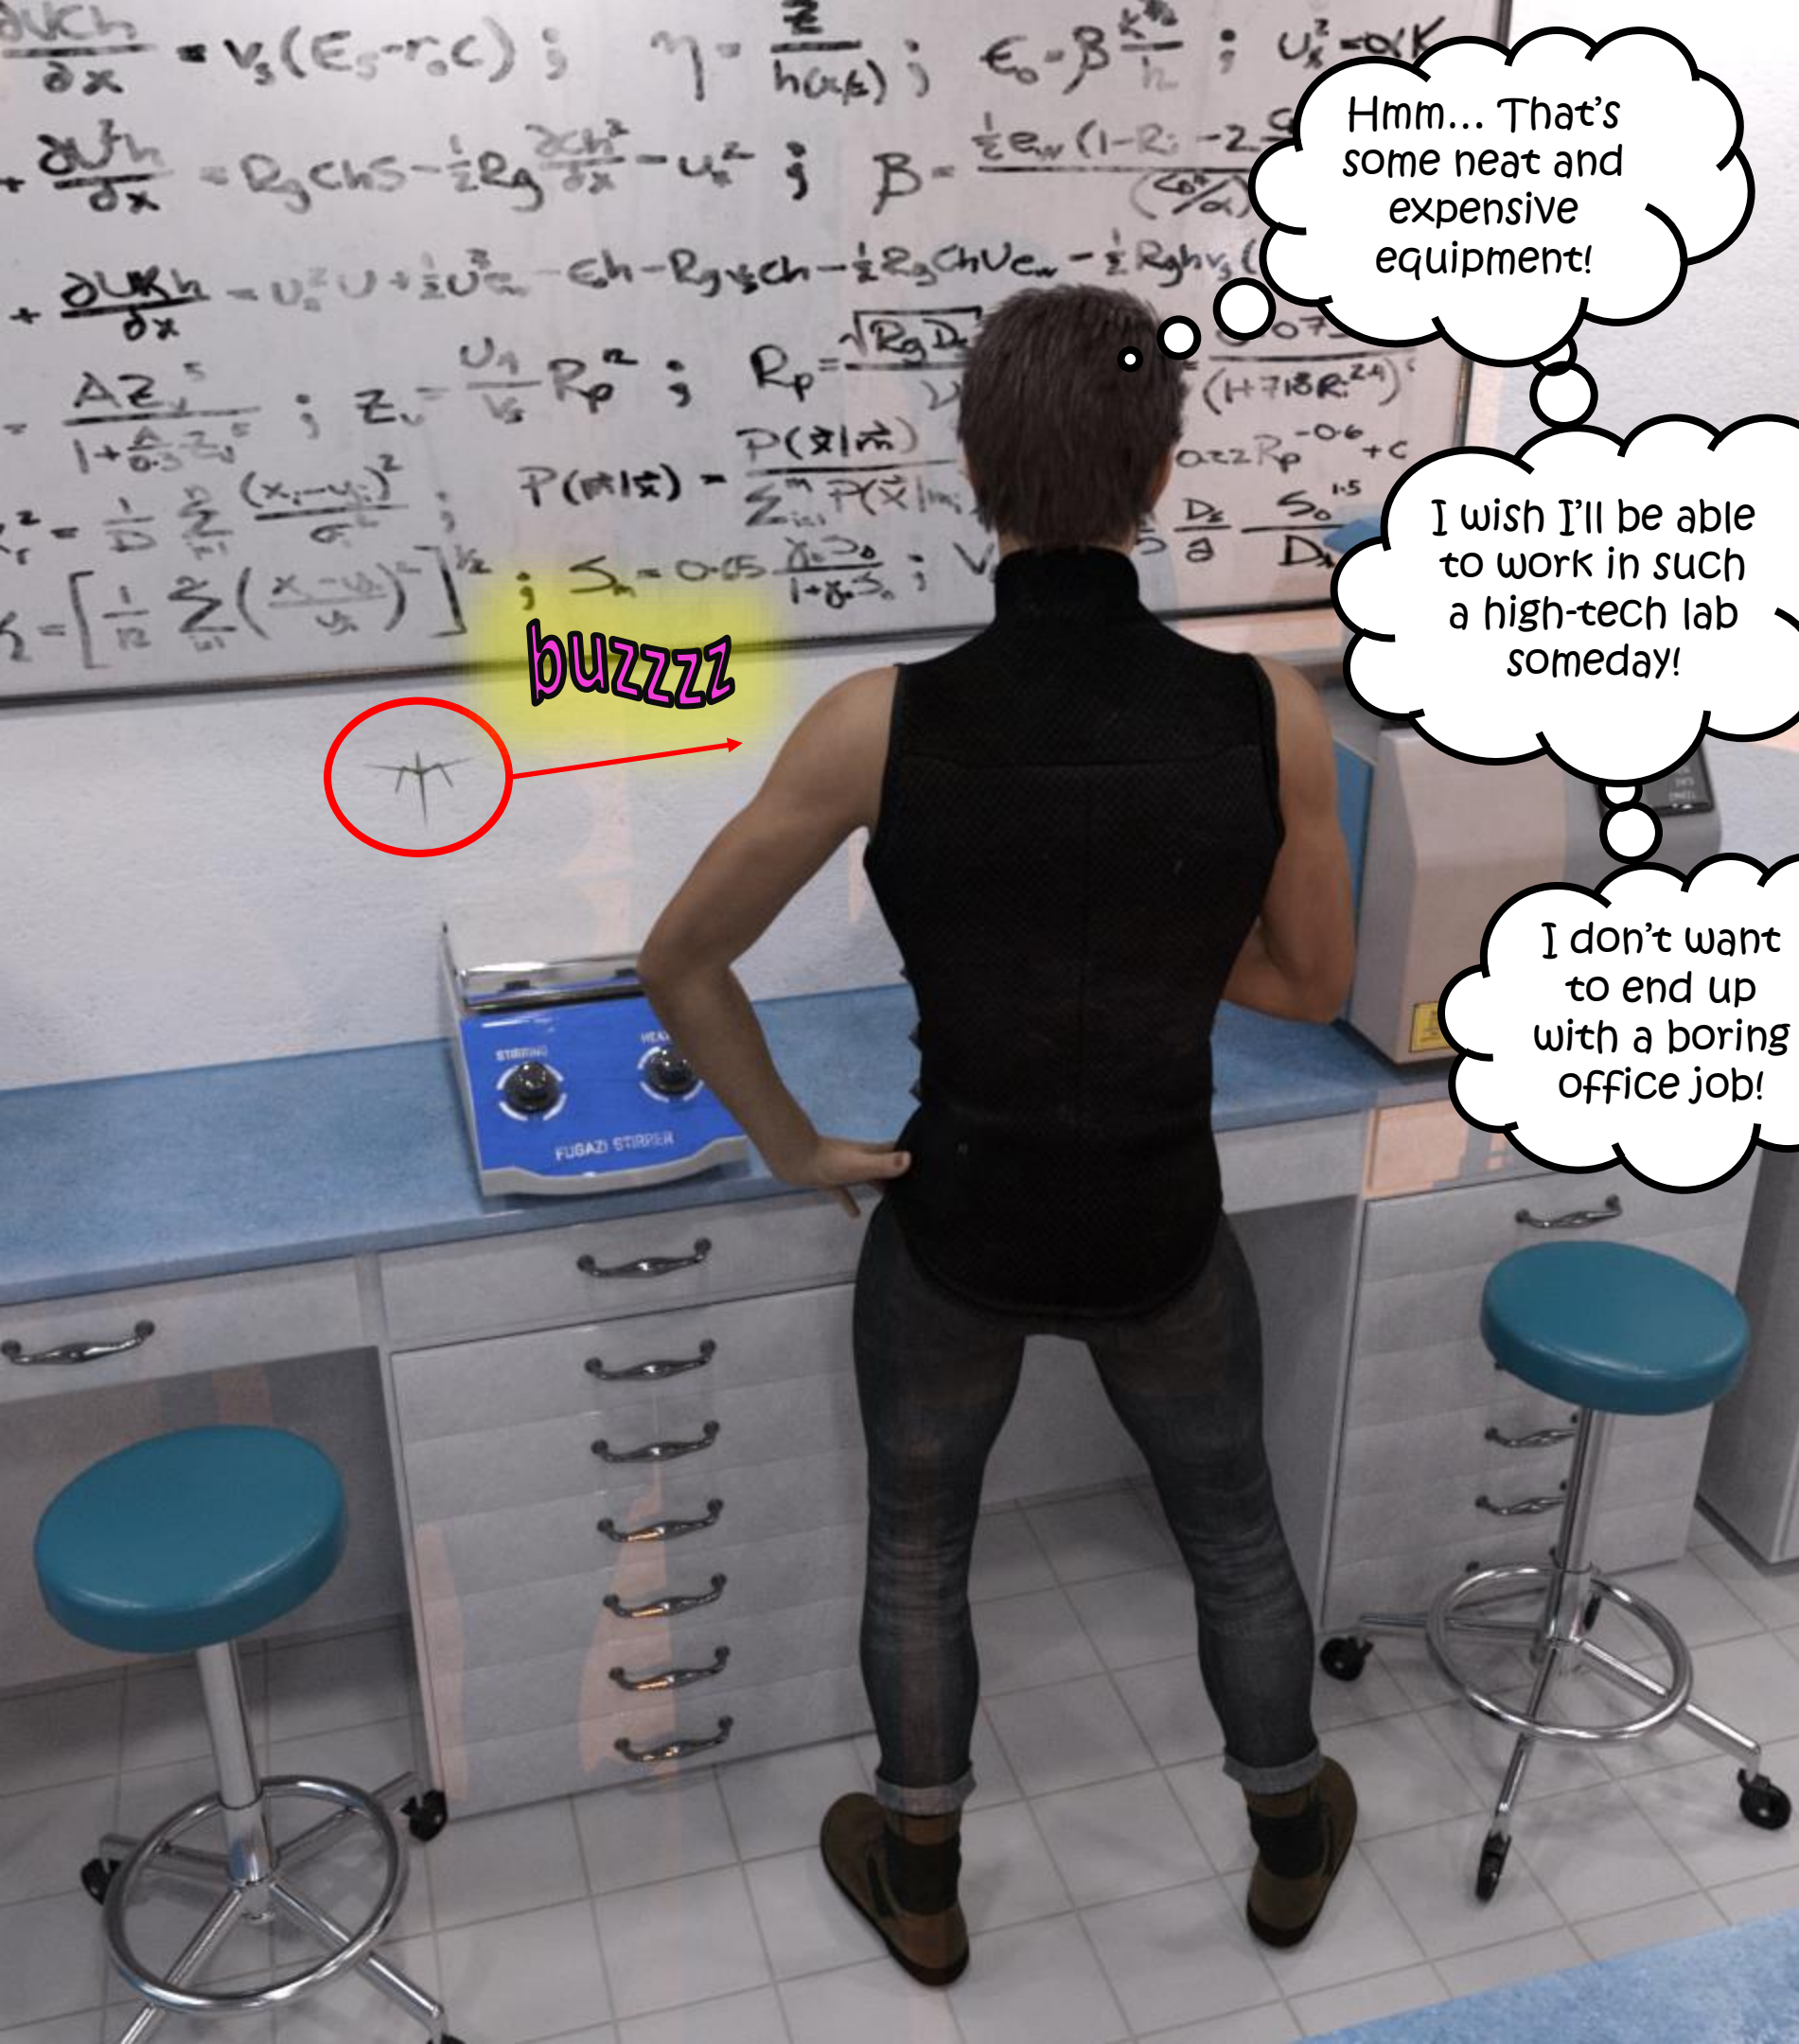

Err... Doctor.
Didn't you say there
were two specimens
in this jar? **I can
see only one!**

Err... well... I
guess it has been
taken somewhere
else for further
experiments.

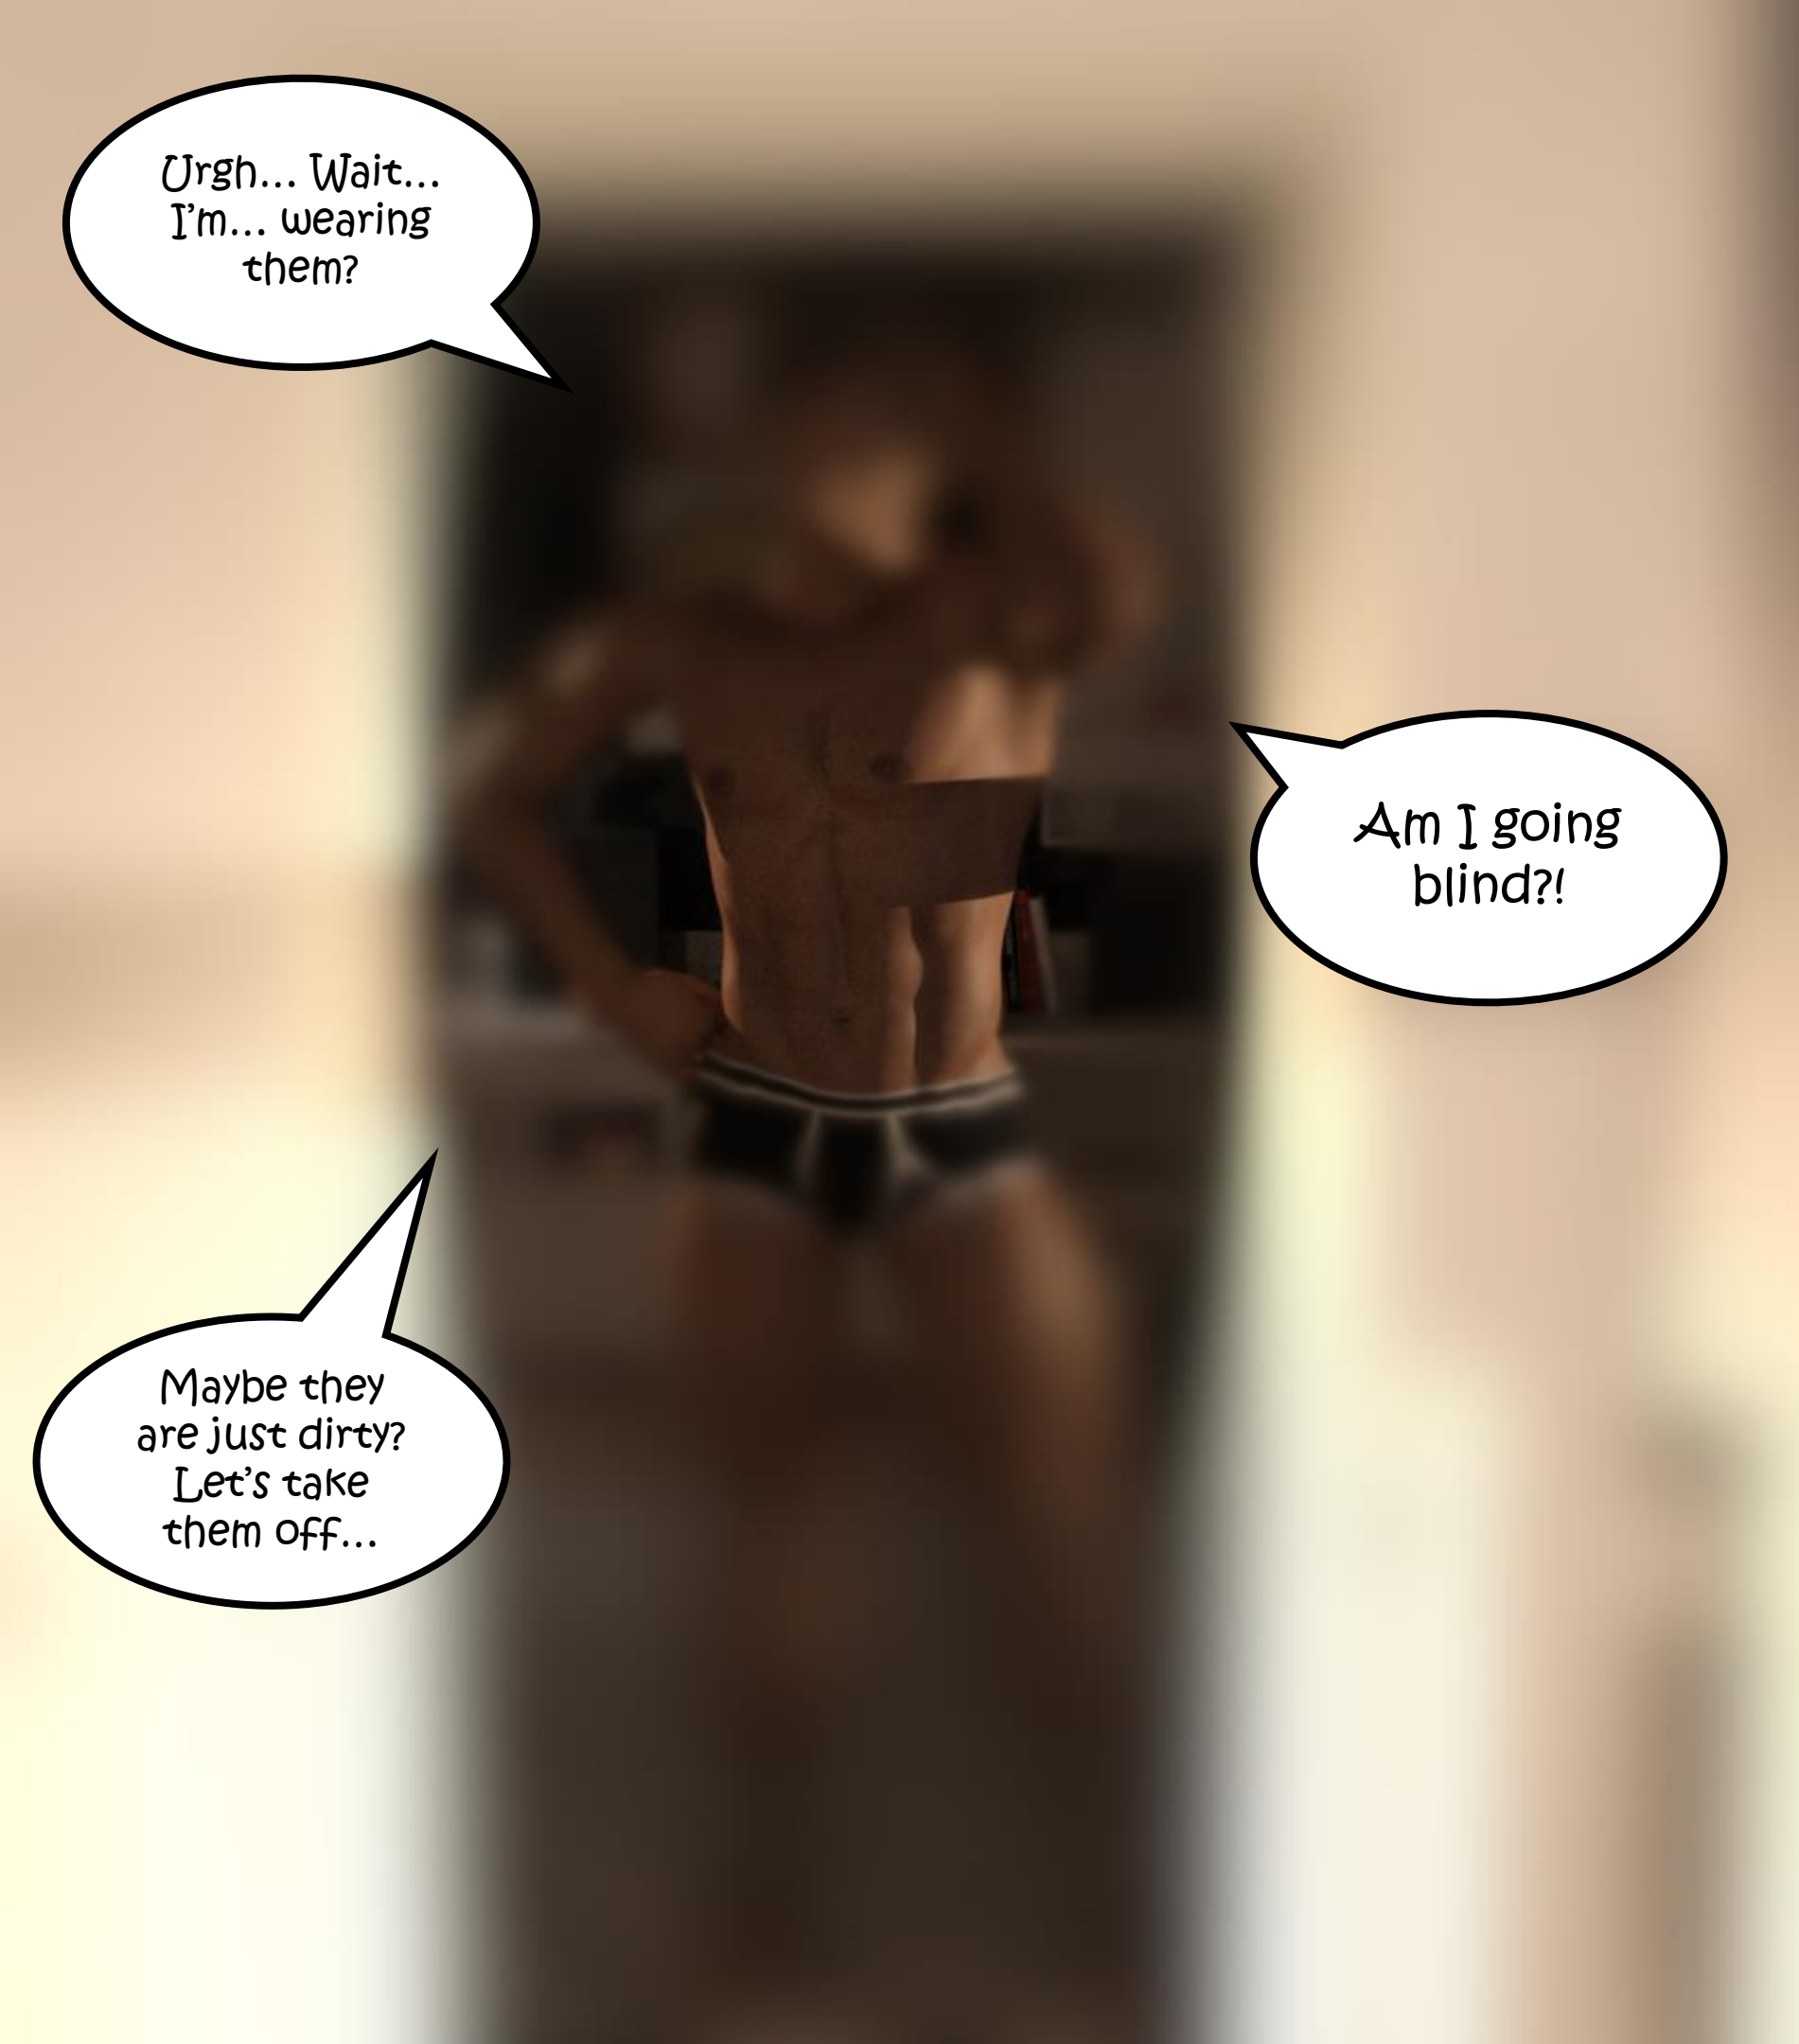

Don't worry.
While the male
Labascus Triatominae
is extremely strong,
quick, and robust, it's
still just a bug.

There is basically
zero chance
that any of them
can escape their
glassy prison.

The next day in Marco's room. Marco has never slept this deep. He kinda felt really exhausted when he got home yesterday.

Urgh... Wait...
I'm... wearing
them?

Am I going
blind?!

Maybe they
are just dirty?
Let's take
them off...

What the
fuck!

I... I can see!
Perfectly!

And...
**that's not
my body!**

I'm built like Hulk!

At least compared to my former self...

What is going on?!

sob *sob*

What... is that sobbing?
Barbara!

Barbara is Marco's flatmate. They are friends since childhood and when they both decided to go to University, they got a flat together to share costs.

Marco!
Sorry... Did I
wake you?

He's... looks
different...
and... he's not
wearing a
shirt...

Nah, don't
sweat it. But
tell me, what
happened?

Urgh. She can be such a bitch!

sob Argh! I don't even want to cry! *sob* It's just Stephany! She posted some mean comments about me on Facebook! *sob*

It's fine Babs. Cry - I understand. I'm here for you.

I know, I should not care about it. *sob* Just ignore her! *sob*

But it just gets to me. She always finds a way to hurt my feeling!

sniff Thanks ... *sniff*

Thanks for
being there
for me...

Now I want
to be there
for you.

Babs?
What... are
you doing?!

Kinda hard
to miss...

Or frantically
trying to not
stare. I know
they are quite
huge...

But Barbara...
You made it pretty
clear that we are
just friends.

And I'm fine
with that...
I'm sorry for
staring...

Don't think I
haven't noticed
you looking at
my goods.

Hush, Marco.
It's fine.

The past's
the past.

Stare as
much as you
want.

In fact, why
not go one
step further?

Gulp

Barbara...
What are
you...

I'm going to
remove your
trousers.

Then I'm
going to lube
your cock up
and down
with my
mouth.

Then I'll
wrap my
big boobs
around it.

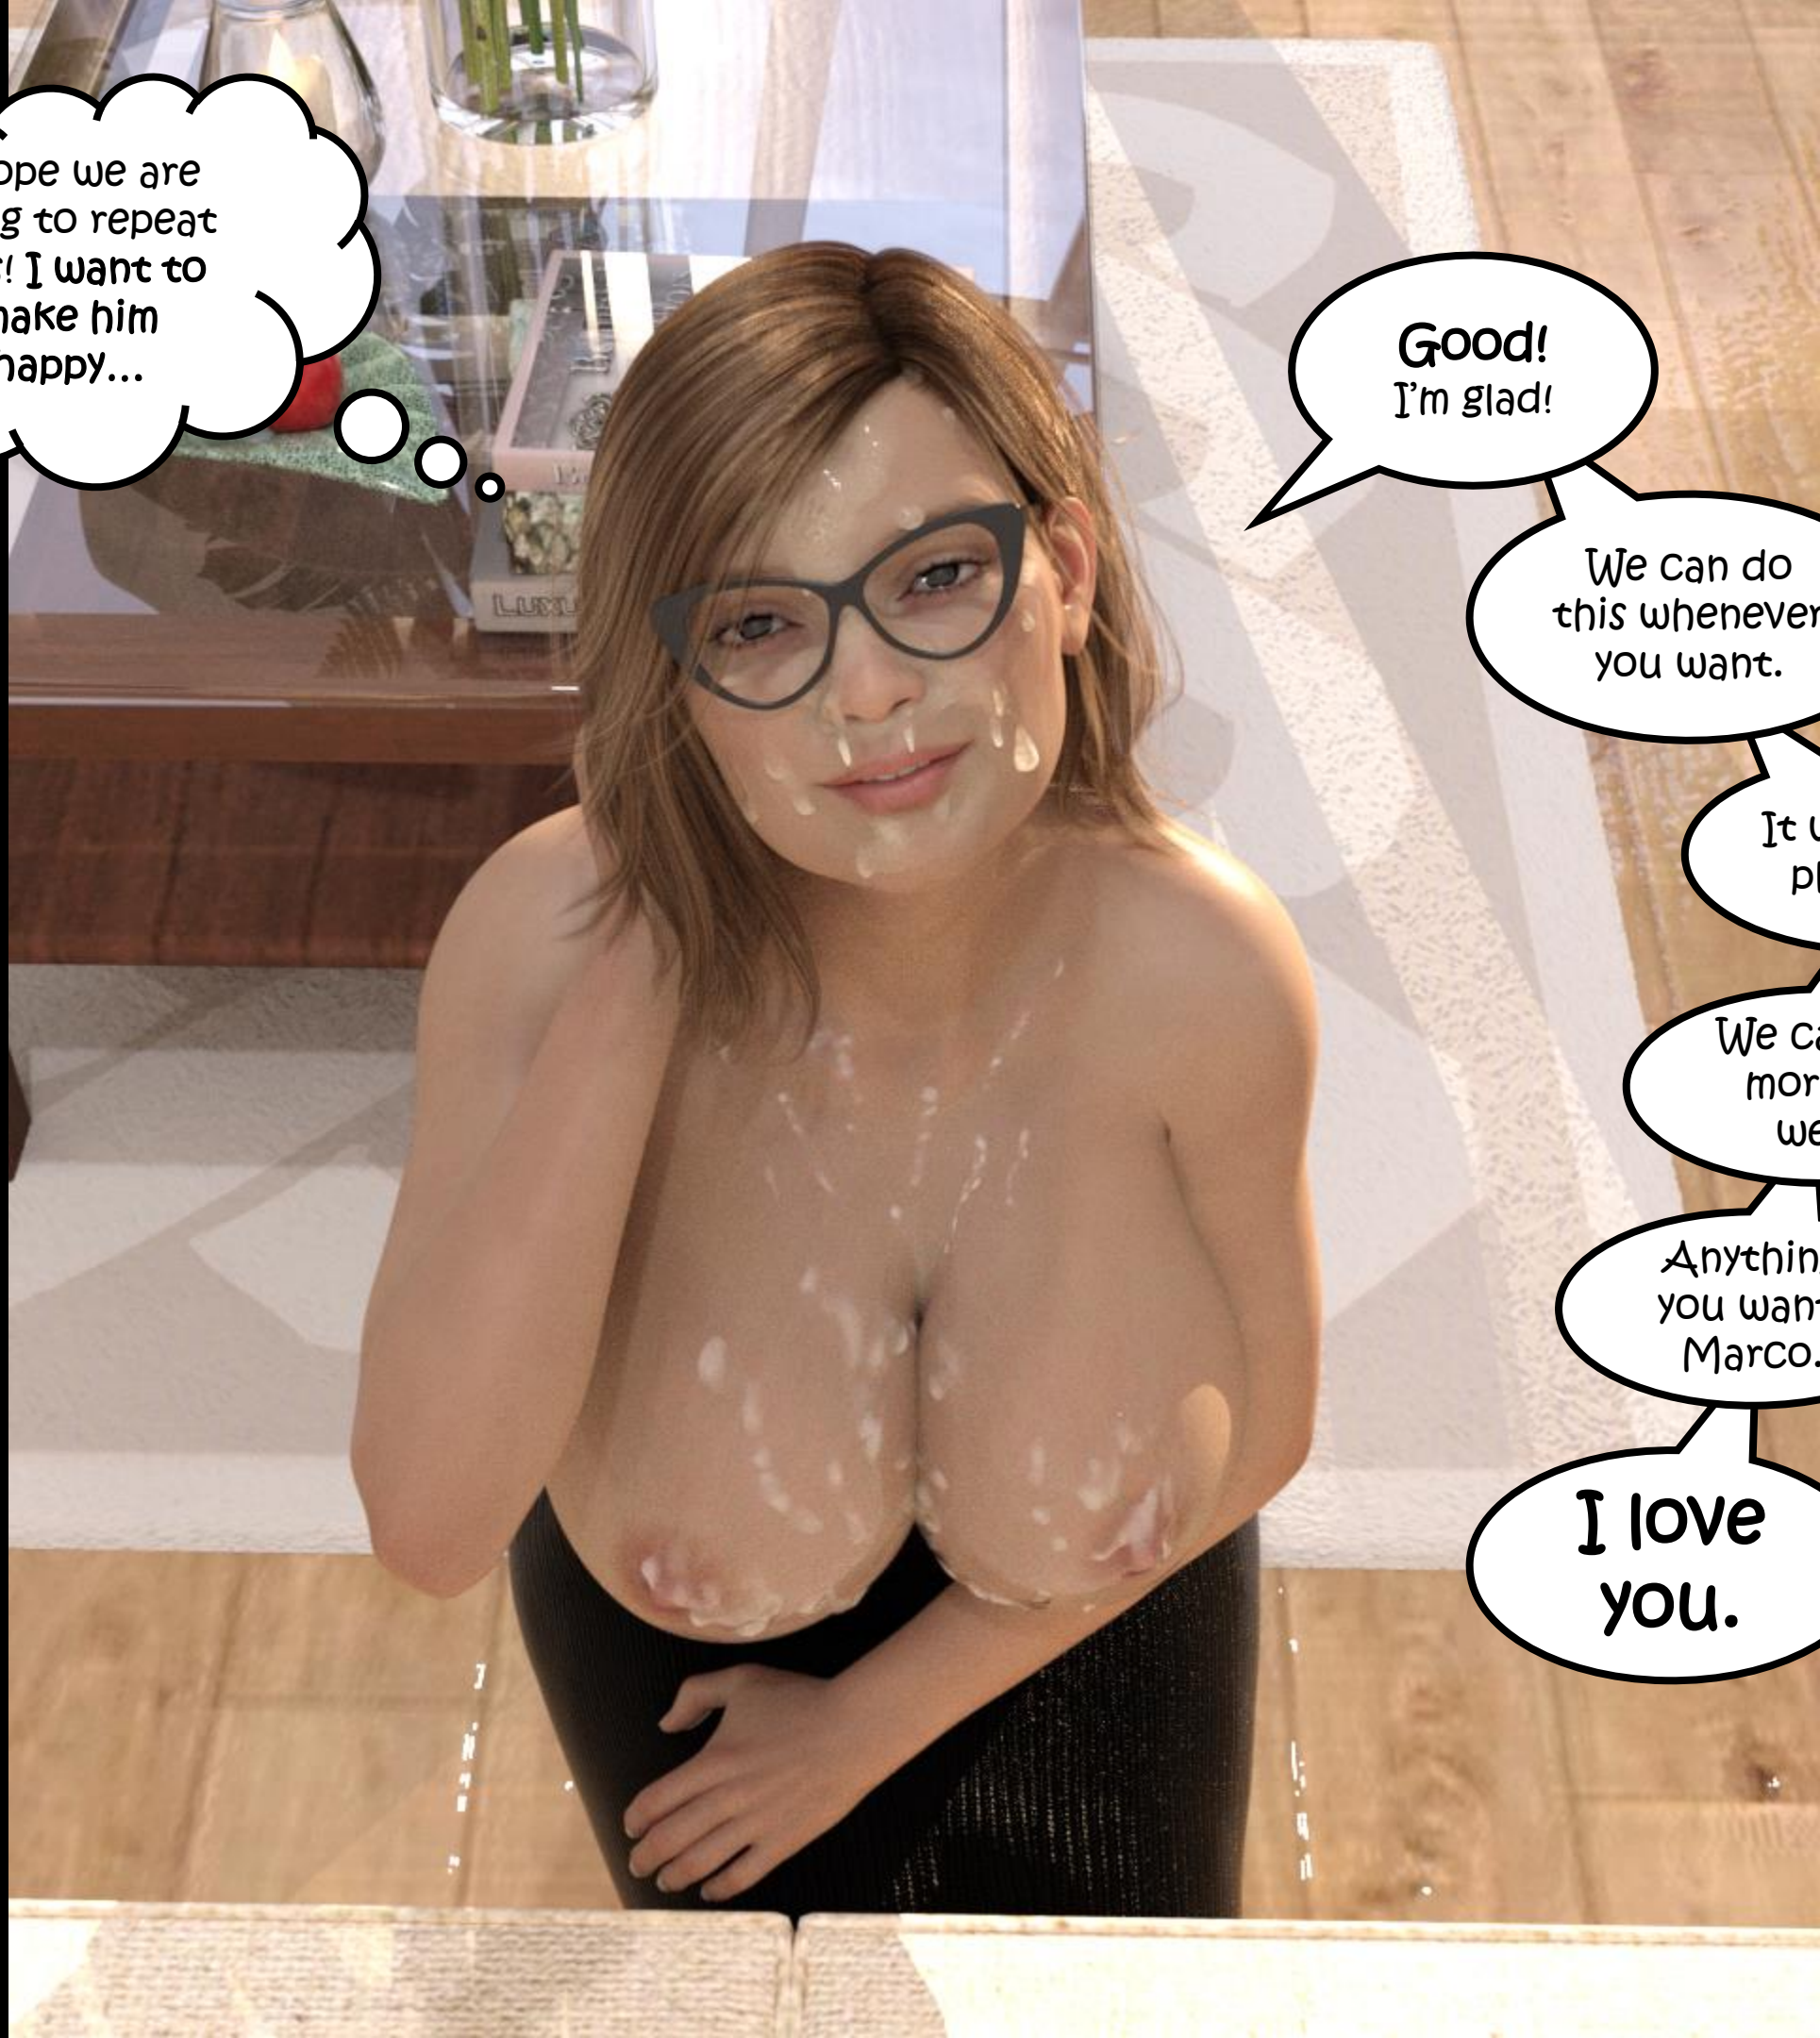

I'll move them
up and down
until you
ejaculate all
over my
chest.

That is,
unless you
have any
objections.

A woman with brown hair and black-rimmed glasses is shown from the waist up. Her chest is covered in white soap suds. She is wearing a black strapless top. The background shows a wooden floor and a glass table with some items on it.

I hope we are
going to repeat
this! I want to
make him
happy...

Good!
I'm glad!

We can do
this whenever
you want.

It will be my
pleasure.

We can do
more as
well.

Anything
you want,
Marco.

I love
you.

After a tremendous orgasm, Marco needed some time to regain his strength but in the end, his alarm rang, informing him he had to leave to attend a lecture. Though in his mind he kept going back to the events with Barbara. That was sooo out of character! She's rather prudish **normally**... And she did make it clear they were just friends when they moved in... **so strange**... Also, what's up with his body? Those muscles? Over night? Eyesight restored? And that gigantic dick? That's not late puberty... **that's just strange!**

After his lecture, Marco heads to the library to get a book for an upcoming exam.

So strange.
Usually, I'm out of
breath from all the
walking around
campus by now...

But today I feel
like I could run
a marathon!

Alright. This should be the right section...

Jessica!
stutter
Hi!

stutter
Sure!

Hey! Marco!
Be a dear, can
you get me
that book up
there?

He... looks
kinda different
today... kinda
good!

He's a real man!
He smells so good!
And the way he's
holding me!
I want to be
his!

Too bad I'm on the
pill. Every cell in my
body screams that
he'd be the perfect
father to my
children!

Marco still has some errands to run today and so does Jessica. But they are equally delighted about their both-sided attraction for each other and they've arranged a date in the late afternoon at Marco's flat.

FUCK!
I won't
make it!

I made
it?

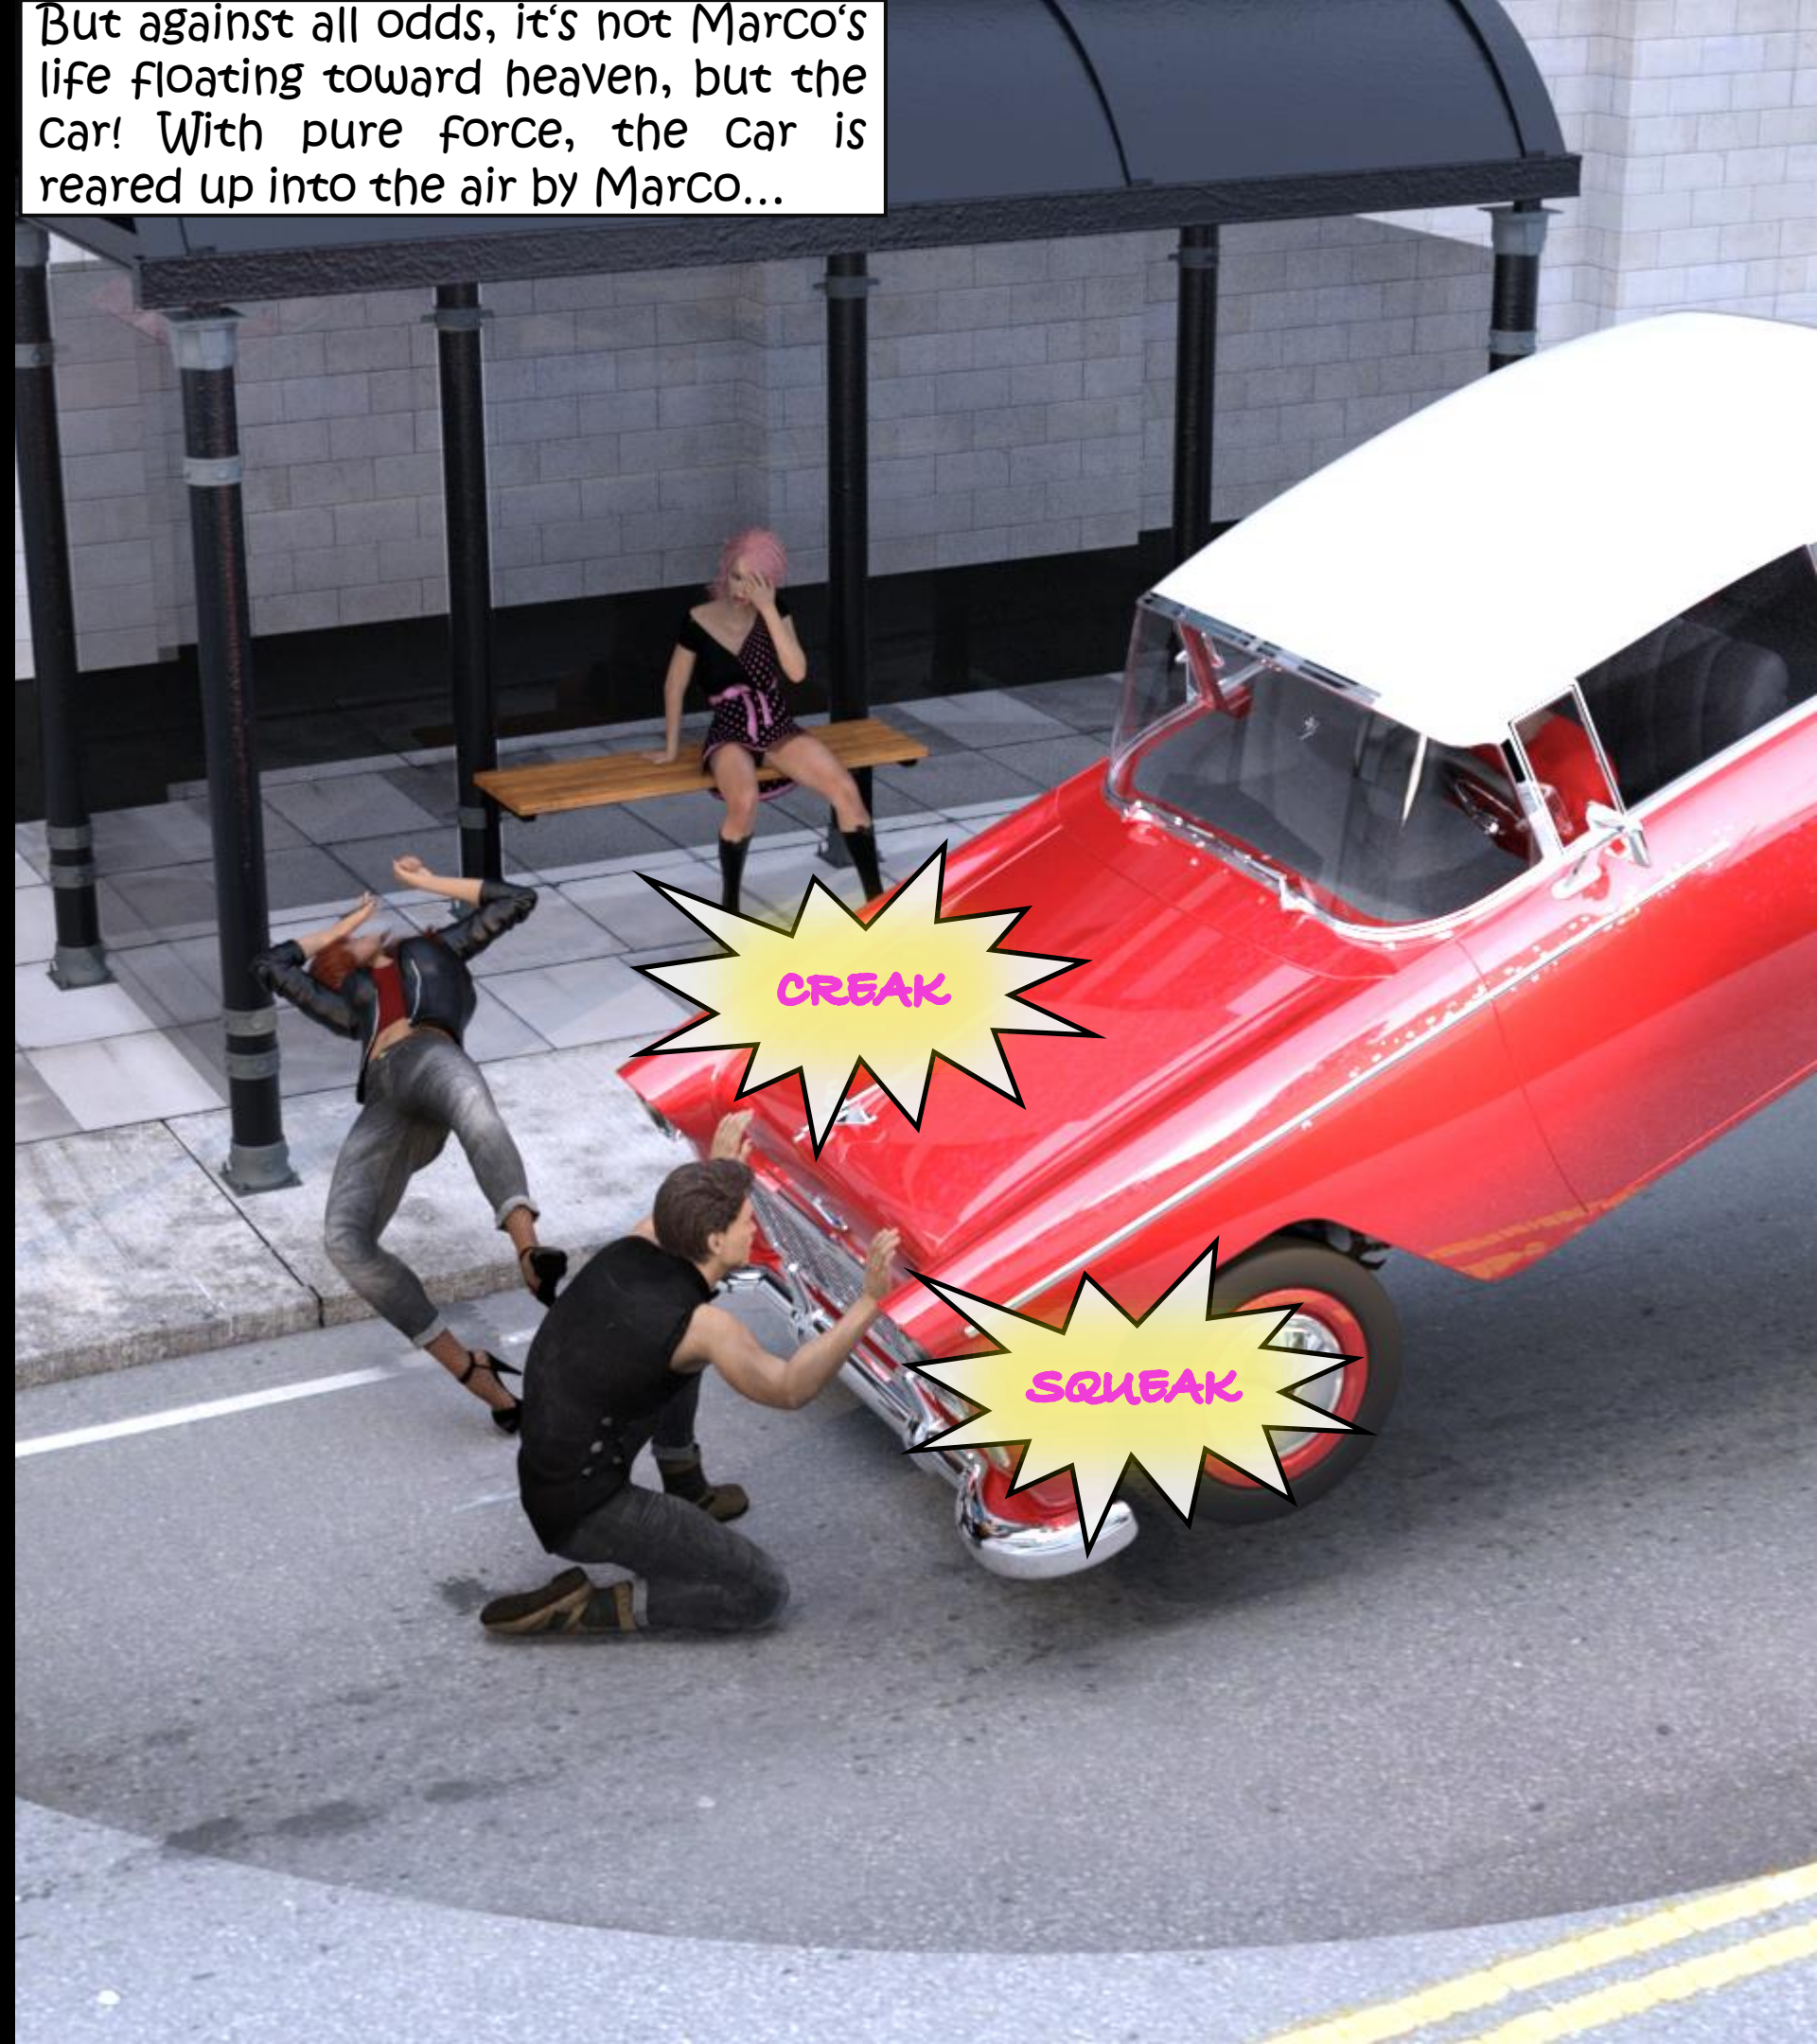

Swoosh

In desperation, Marco gets down and tries to stop the car. How ridiculous!

But against all odds, it's not Marco's life floating toward heaven, but the car! With pure force, the car is reared up into the air by Marco...

... before it crashes back down on the streets with a loud thump - Having come to a halt in the process.

He's so...
WOW!

I'm Nicole,
by the way.

Nice
meeting you,
Marco!

Marco.

We are moving
at breathtaking
speed, but I feel
completely safe
in his arms!

At Marco's superhuman speed it does not take long for Marco and Nicole to reach the building he lives at. Nicole insists on coming in with him and that's when they are confronted by Barbara and Jessica who have already been awaiting Marco's arrival. The girls start talking and we find our hero sitting on the flat's sofa listening to Barbara's inquiries.

So let me
get this
straight.

You stopped
a car, with
your bare
hands.

You ran all
the way here
with a grown
woman in
your arms.

And are not
even breaking
a sweat.

Your muscles
grew overnight...
and so did your
cock?

Did I miss
something?

It must be the
bug! From the lab
yesterday! The
doctor there said
it's super strong,
fast and well
endowed!

...

Nope...
That should
be all...

And... I did
get bitten by
something at
the lab...

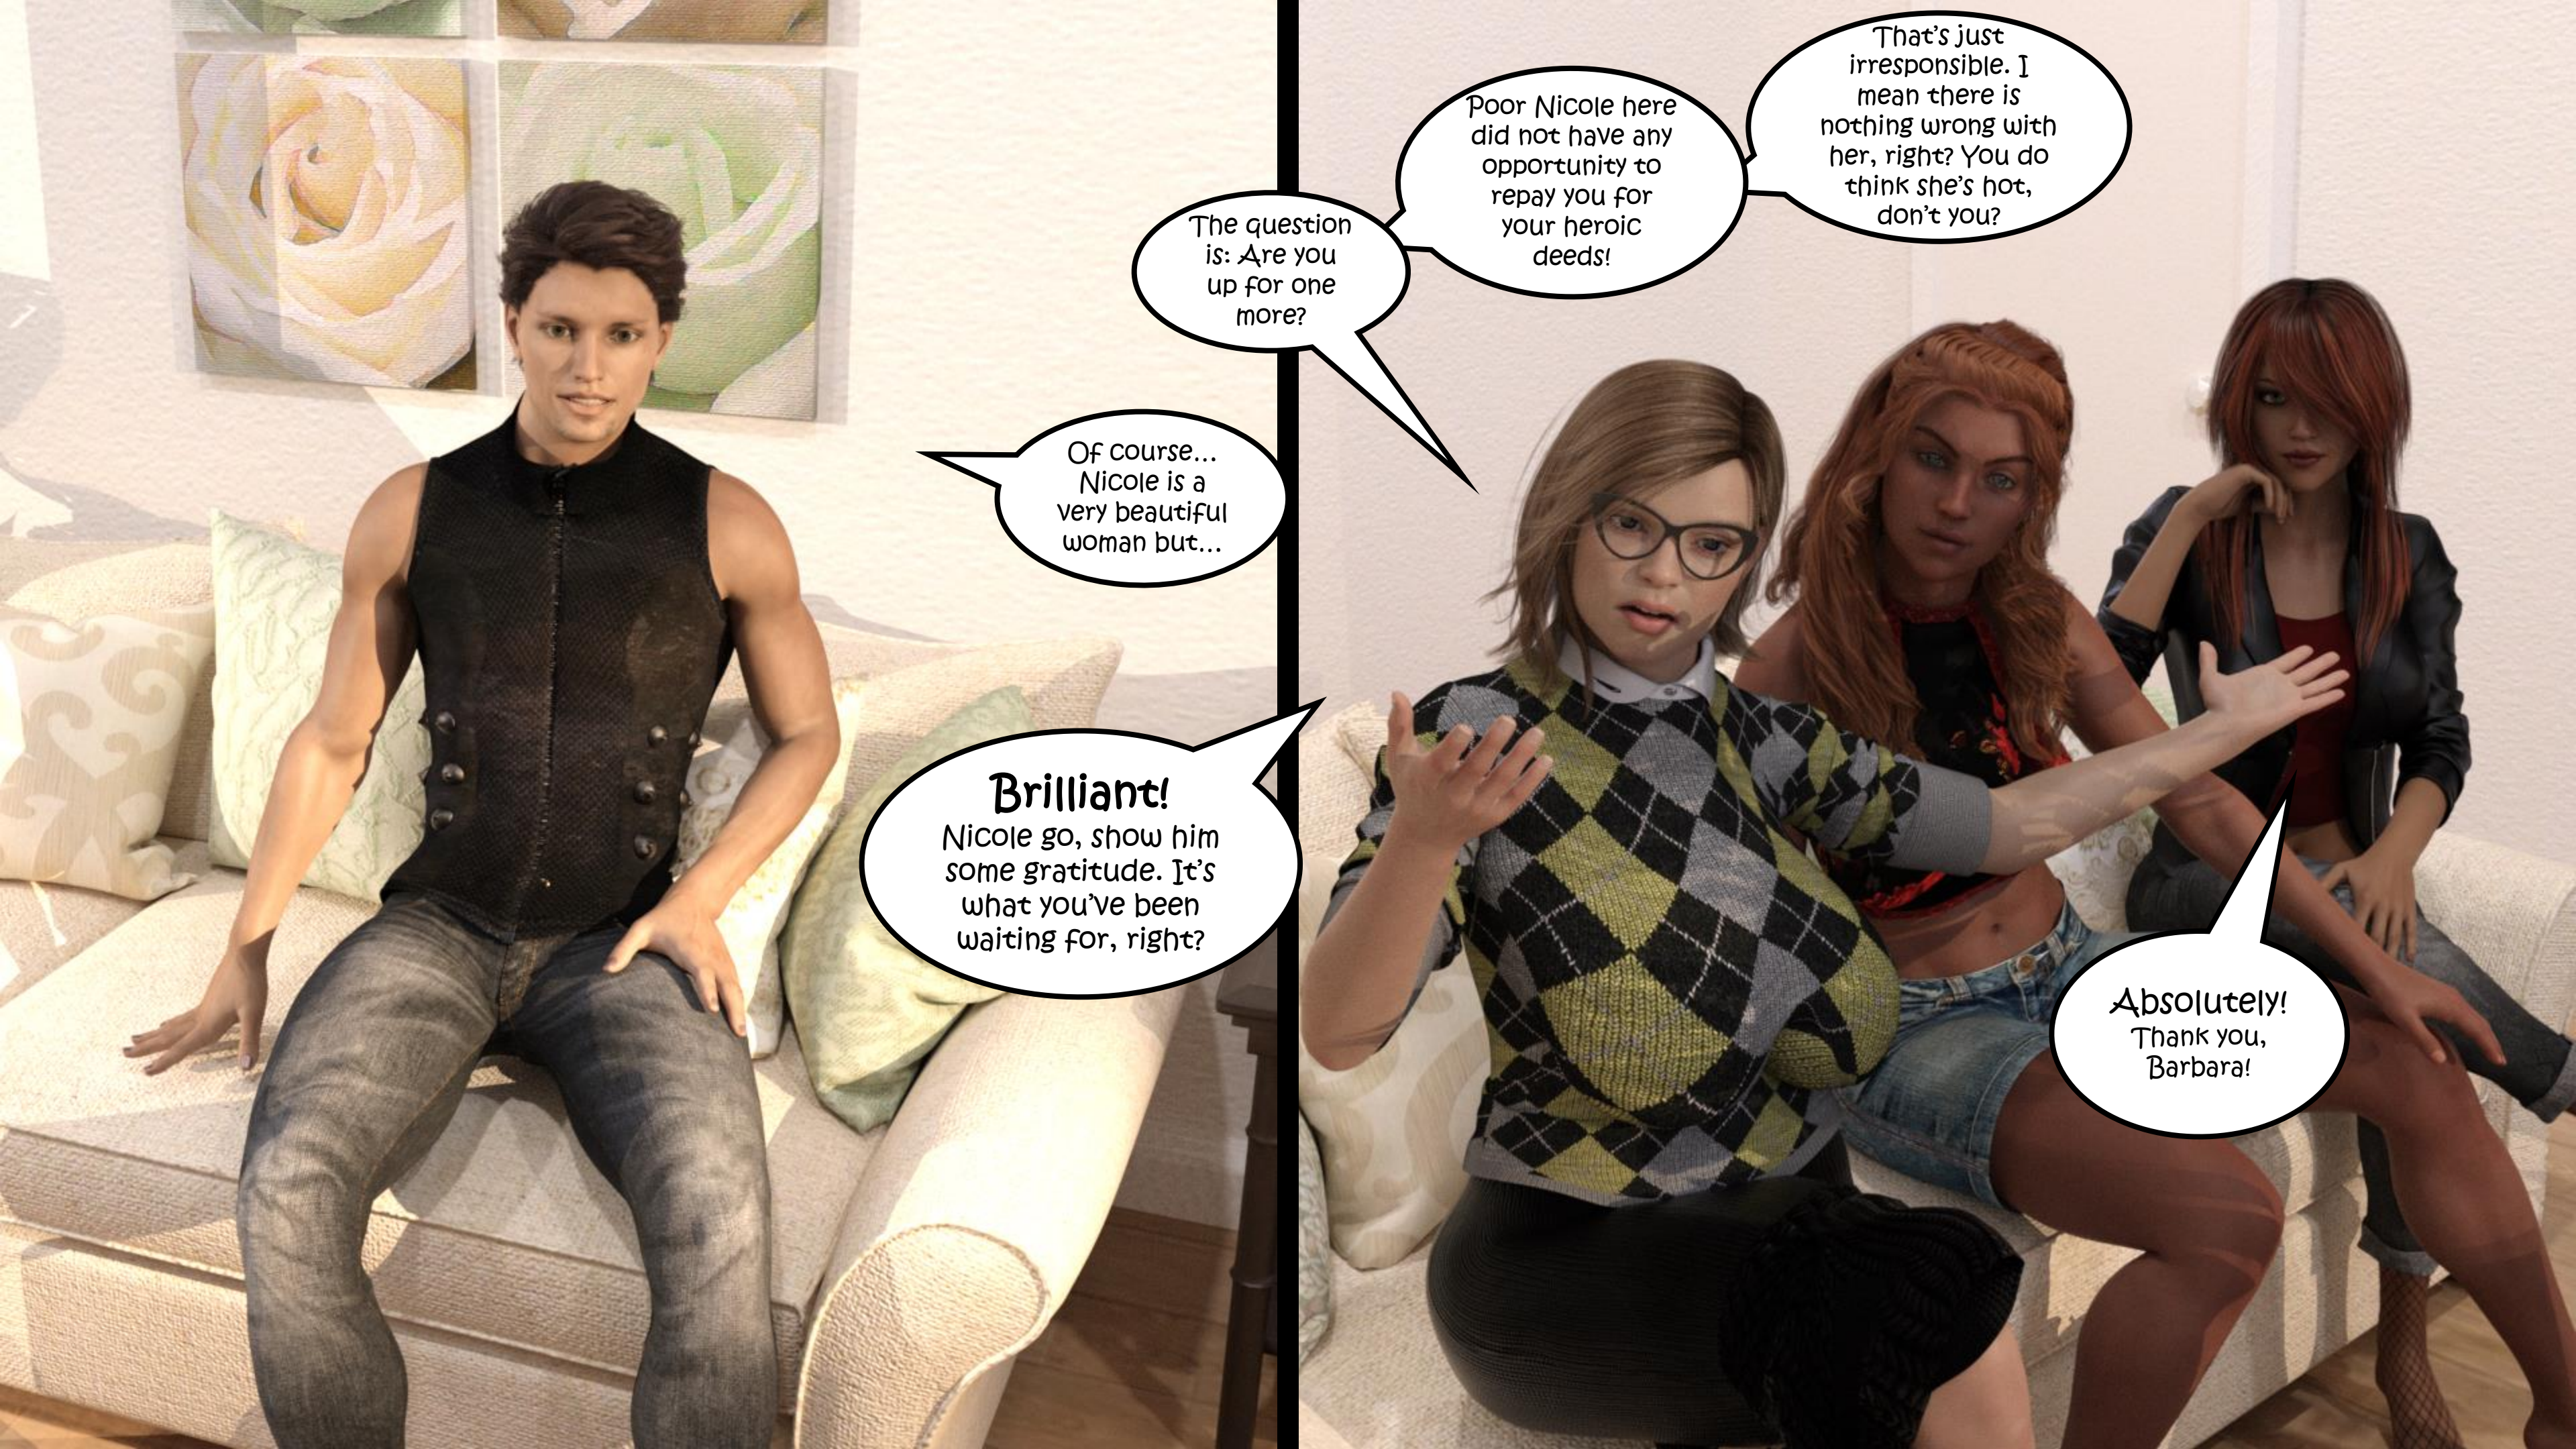

Okay. First
problem
solved.

Now second.
I've given you
a boobjob in
the morning.

And then
you fucked
Jessica at
the library...

I... I...
I'm sorry!

I knew
it!

The question is: Are you up for one more?

Poor Nicole here did not have any opportunity to repay you for your heroic deeds!

That's just irresponsible. I mean there is nothing wrong with her, right? You do think she's hot, don't you?

Of course... Nicole is a very beautiful woman but...

Brilliant!
Nicole go, show him some gratitude. It's what you've been waiting for, right?

Absolutely!
Thank you, Barbara!

Err...
where is
this going?

Hush.
Just relax.
Lean back.
Let me do the
work.

You've saved my
life and I intend
to repay you in
full.

She's super
eager! She'll
pamper him
real good!

You do find
me attractive,
don't you?

Ah don't
sweat it.
Jessica agreed
to share.

I... I do! But...
But I'm 'with
Jessica now...

But... Ohhh!
This girl
knows what
she's doing!

Having you
two just
watch...

You sure?
I feel kinda
bad. Also for,
having all the
fun here.

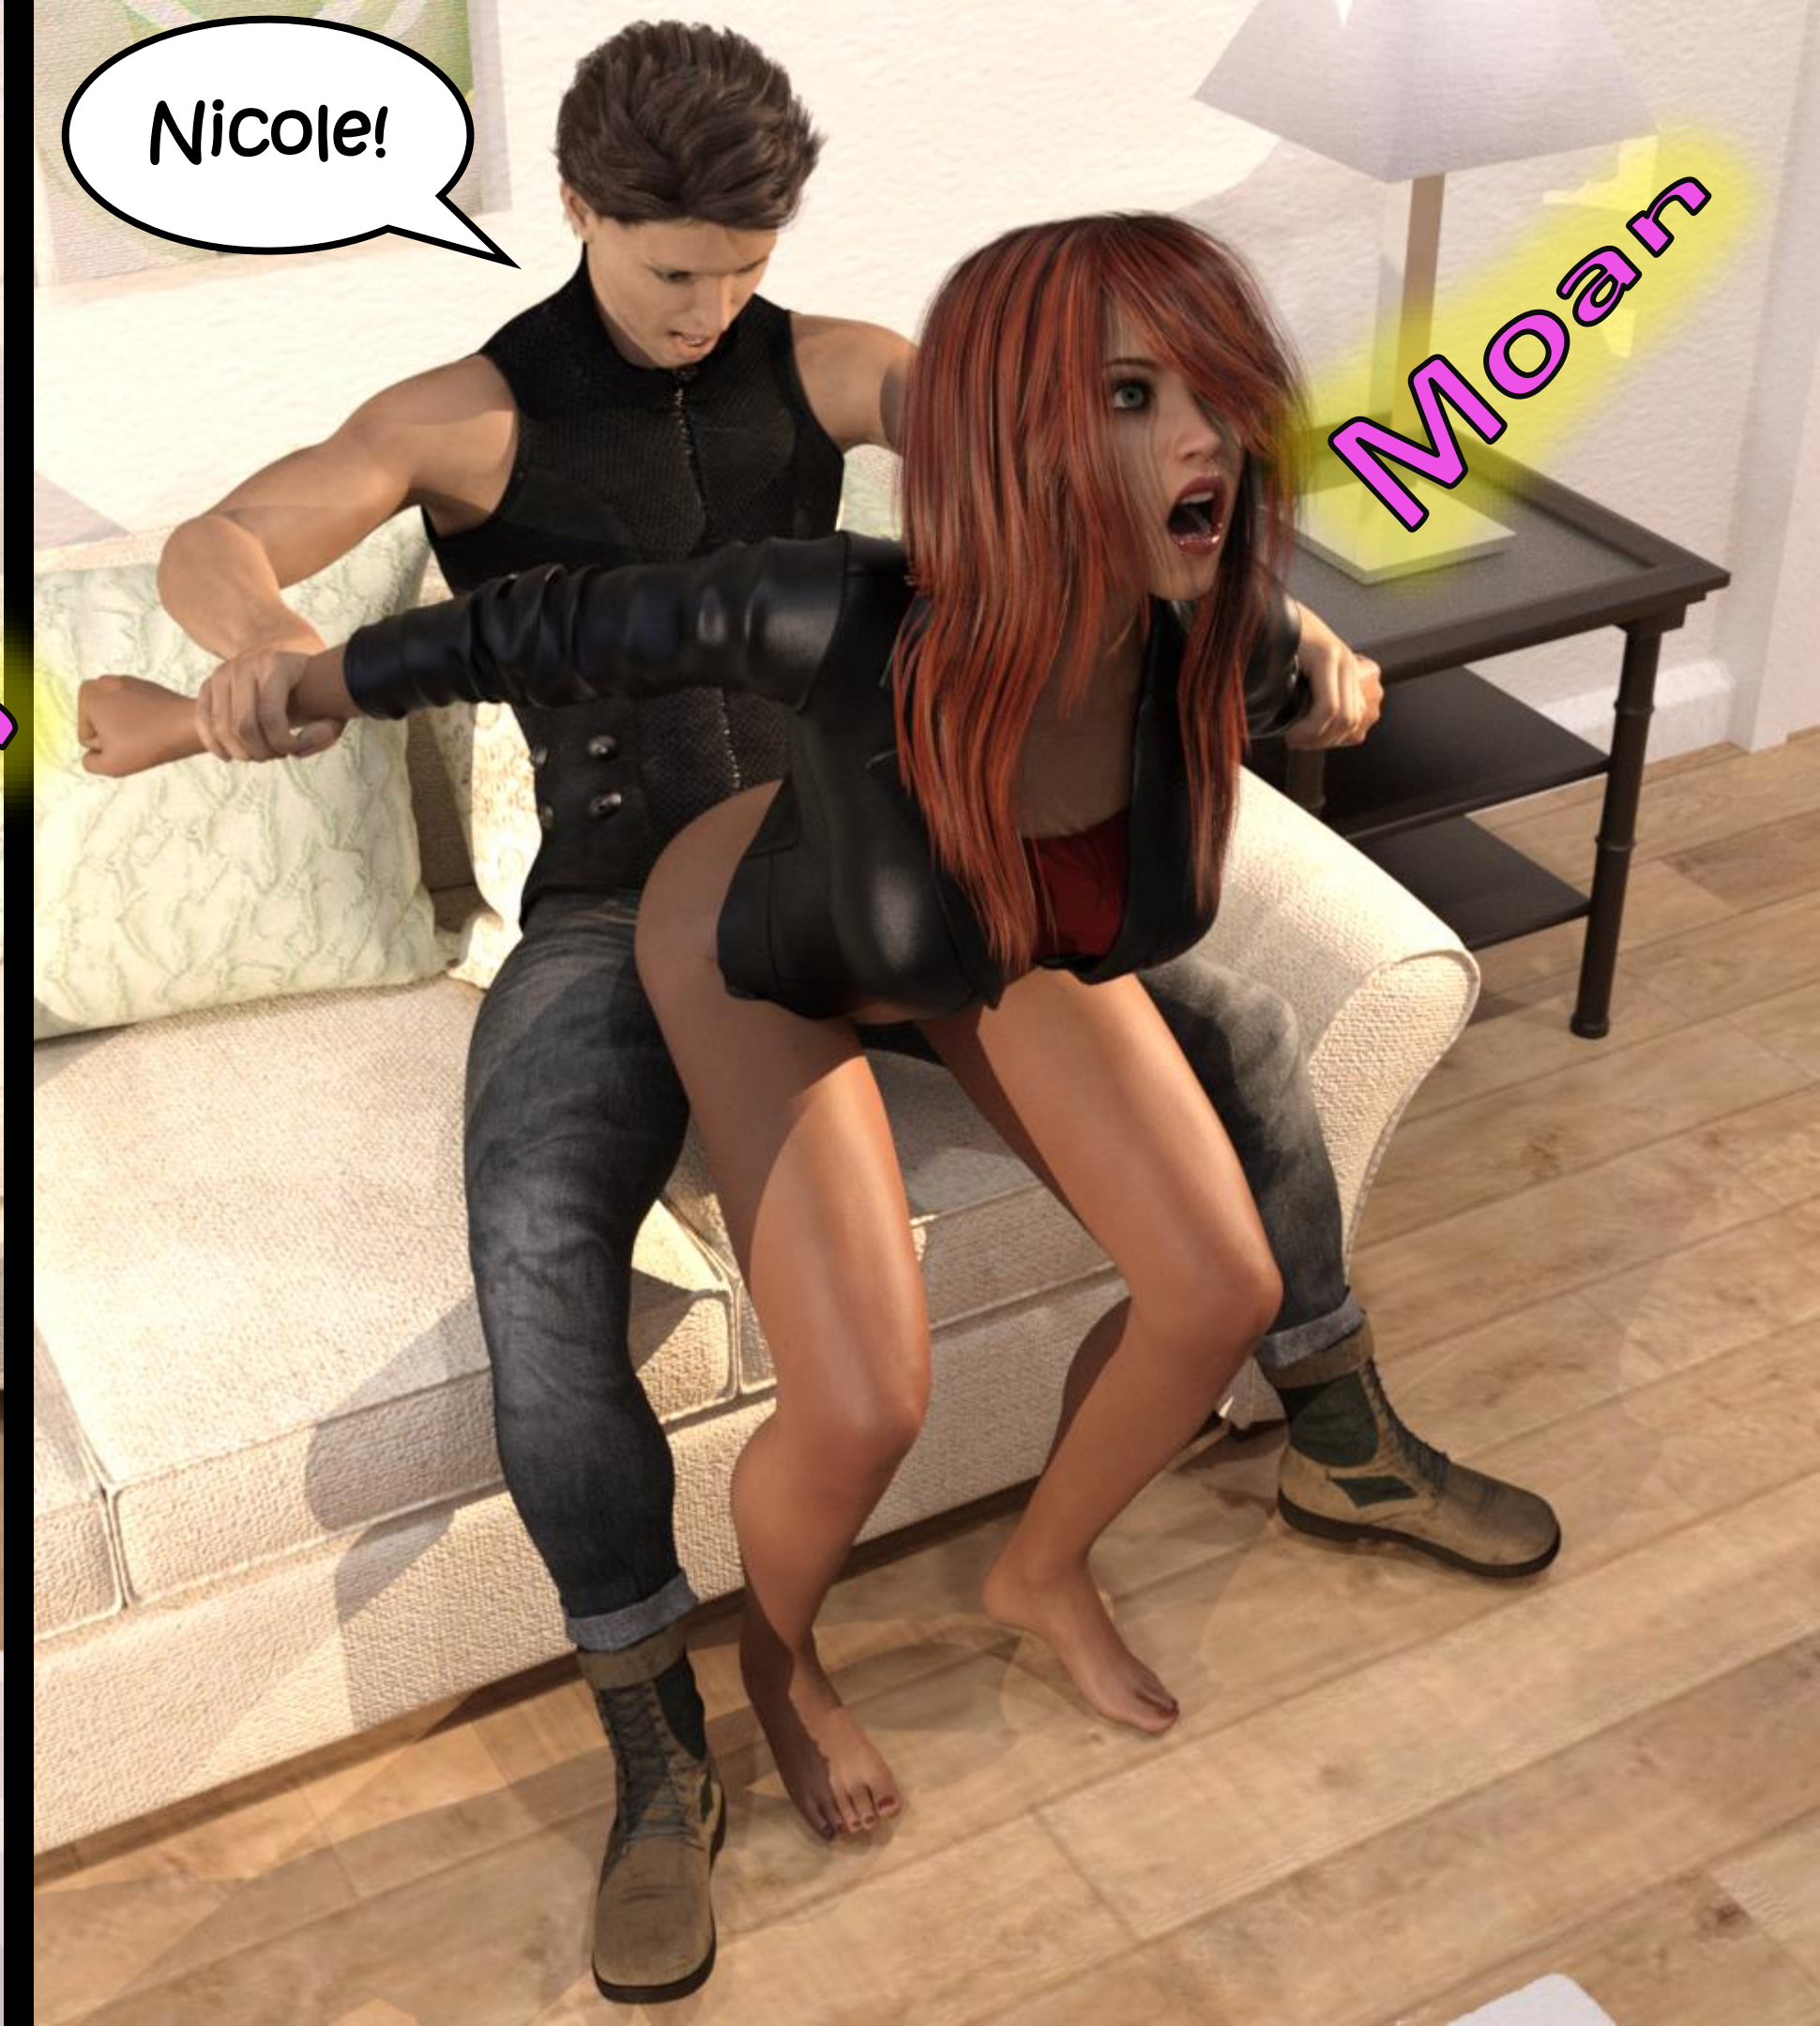

Oh...
Don't worry!
We'll just
make out on
our own
then.

Yeah, that
sounds
reasonable.

Oh... ok. I did
not know
you'd swing
that way.
Cool!

there, evildoer!

has come to
