Office Party Commissioned Story

Oblivious Interview

The girls from channel 69 can't believe their luck! They've got an invitation from Mr. Kalington – the town's richest and most influential man! They are going to have the first and most exclusive interview ever with the man that otherwise is shrouded in mystery!

As the trio starts the interview they soon realize that Mr. Kalington really is a bit excentric. „He claims to have omnipotent powers? I mean how delusional can one guy be?“, Irene thinks to herself as she absentmindedly continues to bob up and down on Mr. Kalingtons rod.

Featuring:

Irene ... The anchor woman working at channel 69

Yara ... channel 69's weather girl

Sayo ... A famous reporter working at channel 69

Lucy – Mr. Kalington's secretary's daughter

James ... Mr. Kalington – A rich guy claiming to have omnipotent powers

I still can't believe you've gotten us an exclusive with Mr. Kalington Irene!

Just a question of displaying the right assets...
Piece of cake!

Alright, girls! Are you ready?

I was born ready!

Mr. Kalington.
Thank you so
much for this
chance.

Channel 69 is
honored to receive
an exclusive
interview with a
man of your
station!

chuckle
Of course. Please,
come in ladies.

So, I'll be behind the camera.

But there is no weather for me today.

Oh, my! What a gentleman!

Miss Yara Crance. It's an honor to meet the lovely weather fairy of channel 69 in person.

Thank you, Mr. Kalington.

Jup! He's a boob-guy!

Miss Fortune! **Huge** fan! Any show moderated by you is a delight!

A woman with short reddish-brown hair, wearing a black long-sleeved dress with a lace hem, stands in a modern interior with white geometric wall panels and a black sofa. She is gesturing with her hands as if speaking.

And the famous Sayo Tei! I couldn't have wished for anybody else to conduct this interview!

Oh, don't make me blush, Mr. Kalington. I just happen to be at the right spot at the right time.

And right now, you are right here. I'm exhilarated.

A woman with short reddish-brown hair, wearing a blue blazer over a white top and a black skirt, stands in the same modern interior. She is operating a large professional video camera on a stand, looking through the viewfinder.

Alright, girls! Mr. Kalington? Ready when you are!

I'm Sayo Tei, and I'm currently at Kalginton Incorporate speaking directly to Mr. Kalginton!

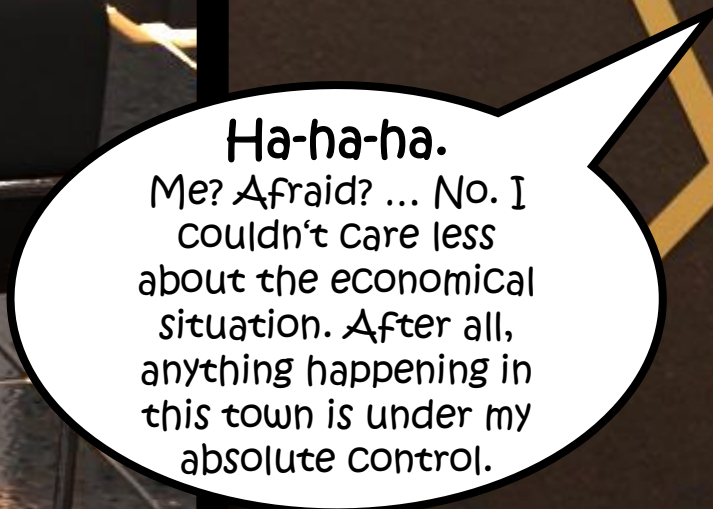

Mr. Kalginton. To start this interview off. May I ask how your companies numbers are fairing?

Ha-ha. Cutting right to the chase I see. Kalginton Incorporate has not been better. Numbers are through the roof.

Our shareholders will soon receive a high distribution of profits and all our employees will get a pay raise at the end of the year.

Wow! That... sounds too good to be true, actually. Aren't you afraid of impending changes? In a time of crisis all around the world?

Ha-ha-ha.
Me? Afraid? ... No. I couldn't care less about the economical situation. After all, anything happening in this town is under my absolute control.

A man in a black suit with long hair is talking to two women in bikinis. One woman is in a black bikini and the other is in a red bikini. They are in a studio setting with a camera on a tripod in the background. The man is holding a microphone and gesturing with his hands. The woman in the black bikini is looking at him and touching her hair. The woman in the red bikini is looking at him with a concerned expression. The man is saying, "No. And you can quote me on that: „I can control everything and everybody. I am omnipotent.“"

No. And you can quote me on that: „I can control everything and everybody. I am omnipotent.“

That sounds ... almost evil. *giggle*. I assume what you mean is that you have a very strong grip on the economical situation in tow?

Pardon me. Did you just say you were „omnipotent“?

Well, Sir. Our Channels founder Darren, was born 1969 and has used his birth date to name our lovely channel.

And thank you for the hidden compliment, Mr. Kalington.

But it's a proven fact that the audience responds to female announcers in a favorable way.

So, nothing strange about the employment here.

I did. But please, humor me with a question of mine.

Why do you think your channel is called „Channel 69“?

And why is the channel only employing hot women?

Nice. That's exactly the backstory I had thought up! It's cool seeing your fantasy come to life like this!
chuckle

Hmm... Tough Question! Truth be told. I think Irene is quite the slut.

So, yeah, I think she would be up for that.

Maybe invite her to a fancy restaurant first?

And one more question, if you permit, Miss Tei.

I'd be very grateful if you could answer truthfully.

Do you think your colleague, Miss Fortune would be fine with giving me a blow-job?

You are welcome!

Bitch!
I'm no slut! I'm just using what I've been given!

Thanks *groan* for the advice. I'll keep that in mind.

Groan

suck

Of course, the interview continues in a very professional manner ...

Groan
Indeed I am,
why? 2

Mr. Kalington, is
it true that you
are currently
single? 1

Oh, trust me, our
female audience is
highly interested 3
in this topic.

Oh, how very kind of you, Mr. Kalington. I'm sure she'll turn into a proper lady with your guidance.

Err... Mr. Kalington? Mr. Kalington? Are you listening?

Groan

squirt

Mr. Kalington? Are you alright?

gargle

Ah, yes, Miss Tei. Sorry. I... got distracted once again.

No problem, Sir. I'm sure a man in your position has a lot to take care of.

Miss Fortune. You are a very attractive woman. May I invite you to dinner someday?

I'm flattered, but we really should keep this professional.

Having conducted their interview the girls of Channel 69 leave the office with a smug smile on their faces. „Omnipotent powers“? What a delusional guy!

We are your
little sluts, Mr.
Kalington!

Omnipotence?
Really?

Wow, this
guy is really
delusional ...

Why does
every rich guy
I meet have a
god complex!

Hush!
He might
hear you!
