Reality Pen **AT THE BEACH!**

Ally and Tiffany are enjoying a relaxing day at the beach. They love to swim in the sea, play some beachball or simply lie there in the sun and get tanned. But suddenly they are approached by a really buff guy asking if he should cream their backs.

The guy seems a bit strange... And why does he bring a pen to the beach but no paper?

Featuring:

Tiffany ... a beautiful girl with pink hair [soon to be a whore]

Ally ... A beautiful blonde [soon to be a bimbo]

Trever ... A buff dude

Mikael ... Some nerd!

It's a beautiful day and the two sisters Ally and Tiffany are hanging out at the beach - enjoying the soft breeze on their skin while they tan up in the sun. But their peaceful time is rudely interrupted by a male voice. There is nothing more the two sisters hate more than being bothered by strangers at the beach! This guy is in for some shouting!

Hey there, girls!
Would you like
me to Cream
your backs?

Are you
stupid?
We can cream
each... other's
... ehh... Hi!

What the
fuck is that

Hey, look!
A pen!

Unbelievable!
Who was that guy? And where did the time go?!

Ewww!
Throw that away. It's probably that perverts.

Oh, c'mon.
It's just a

Feels really
good holding it.
Not too light,
not too heavy.

Gonna wash

me, little one!

You can never
have too many
pens!

The End.

Thank you for reading!

Hello, Hexxet here,

I hope you enjoyed my comic. 😊

Yeah, I went to the beach recently and got some ideas for beach-themed comics 😊. Tried something new with this comic → Used a beach HDRI as the background instead of a real 3D area. I'm not totally sold on it, since it looks like the people are hovering above the ground and such. Also, the background looks strange in some images... But overall, I think the story turned out nicely 😊
