# Reality Pen ON VACATION! Part I

Jessica and Gabriel have been a couple for several years now. Jessica wants to go on vacation. So does Gabriel. But their target destinations do not really align. Jessica wants to see old temples and museums, learn about other cultures and taste foreign cuisines. Gabriel on the other hand just wants a relaxing week far off work. Laying around on the beach or at the pool in an all-inclusive hotel...

In the end, Jessica simply books two tickets to Rome. She wants to see the Colosseum and so much more! Being confronted with the already bought tickets Gabriel gives in. BUT WHAT IS THAT? Just before the vacation starts his purchase from the magic shop arrives. It's said to be a reality-altering pen. He bought it as a joke, but lost in thought he scribbles „*Tropical beach resort 5-Star, all-inclusive* “ onto the ticket's recipe... and is quite intrigued by the results.

But how will the couple's vacation go? Jessica hates lazing around the beach and keeps bitching around... can the reality pen help make this vacation an excellent trip for both of them?

## Featuring:

Gabriel ... A guy with a reality pen!

Jessica ... Gabriel's energetic girlfriend for years.

I still can't believe that we are really here... that pen really works magic!

But with my GF nagging all day long... it's far from the vacation I've envisioned...

Oh, dear god! I'm soo bored!

I still can't believe I let you talk me into this.

I want an adventure! Meet interesting people!

Get to know the culture. Visit some historical monuments.

And now I'm trapped here in this tropical nowhere!

I wonder if it works on people...

Give me your hand for a sec, hon.

It's a game. I promise it will brighten your mood.

Why?

Tsk!  
Highly doubt that!

Hand-writing?  
Really?

Go with it.  
You can wash  
it off in the  
sea anyway.

I can't believe  
I'm so bored I let  
you do this as a  
distraction ...

Hey!  
That like tickles!  
Tihi. Like what  
you write?

GULP

A woman with long blonde hair, wearing a pink bikini with black polka dots and black straps, is sitting at a wooden table on a beachside restaurant deck. She is looking towards the camera with a slight smile. In the background, there is a sandy beach, blue ocean waves, and a clear sky. A menu sign is visible on the table to her left.

Honey-poo?  
Are you like  
okay?

Tihi!  
Thank you  
so much!

I really like  
these dots. They  
look awesome  
when I jiggle  
them!

Wow!  
I mean... err... I  
was just thinking  
how good you look  
in that bikini.

Later the couple has moved back to the beach where they take in the sun... But Gabriel soon wants to move into a more sexual direction...

How about we just fuck instead?

**Tihi!**  
You know me, I'd love that.

But not in public, hon. Look at all the people around!

We can do it in the evening back in our room as much as you want.

Jessica is hesitant about doing „it“ there on a public beach, but where there is a reality pen there is a way!

Mhhh!  
Letting the  
twins breathe  
feels good.

You like my  
boobies  
don't ya?

How  
about my  
butt?

Do you like  
how round  
it is?

Like two big  
bubbles!  
**Tihi!**

And soon the couple is doing it like rabbits out  
there on the secluded beach! 😊

O.M.G.!!!  
These boobs are  
fucking huge!

Thanks for the load, hon.

But right now, I'm itching for a swim.

Is it okay if I go and wash it off?

Instead of having it dry on me in the sun like I usually do?

As the water washes away the ink of the reality-pen Jessica transforms back from a bubbly big-breasted beach bimbo to her old self... and with her intellect returning so does her grumpiness.
