Commissioned Story

Robotic Study Session

Previously inside the local university Dylan – a student there - crashed into Professor Harrison as he was rushing out of class. After apologizing to Mr. Harrison and helping him pick up the papers he was carrying Dylan was about to leave, when he realized one of the professor's papers was left on the floor stuck under his backpack. Dylan wanted to call the Professor and give it back but then his eyes fell on a name on top of said Paper. **Layla**... this paper was about Layla? Layla is Dylan's study partner for several years now... They are friends... even though Dylan has had a huge crush on her ever since he first met her.

Dylan starts reading... and it turns out that this was a report on several **hypnosis sessions** Layla has taken with Prof. Harrison! After staring at the paper for a long time and researching hypnosis for a week, Dylan has finally gathered his courage and invited Layla over for a study session at his house. He's about 69% sure that, according to this paper, Layla's trance trigger „**General Pauze**“ has not been removed at the end of her last session... And today Dylan is about to verify his suspicion...

Featuring

Layla ... a study partner Dylan has a crush on
Dylan ... the male protagonist of this story

According to those records, her relaxation trigger has not been removed.

Stop being so nervous, Dylan!

And I've been practicing hypnosis for the past week 24/7!

It will work, believe in yourself!

And if not, just play it down as a joke...

Díng

Dong

She's so hot!

Front door was open so...

Yes, by all means. Please come in.

Thank you so much for helping me with the math exam. It's my only weakness!

You are welcome. That's what friends are for.

By the way,
what do you
think about
the music I've
put on?

Errr... You
know I do not
share your
enthusiasm
for classical
music.

That's fine. If you
start hating it
more than math,
it has fulfilled its
purpose.

LOL!

By the way, fun
fact. Do you know
what a pause that
interrupts the
normal tempo of a
composition is
called?

It's called
General
Pauze!

How is this
a FUN
faCt?...

Woah...
Uhhh..

I feel kinda
dizzy all of a
sudden.

Are you
okay?

Her eyes!
Definitely the sign
of a light trance! I
need to move fast
and reinforce it!

Yeah...
I'm... fine...

A woman with short brown hair, wearing a beige turtleneck sweater and blue jeans, stands and holds a pendulum with a yellow circular weight. She is looking down at a woman sitting on a grey couch. The woman on the couch has dark hair in a ponytail and is wearing a grey halter top and white shorts. She looks surprised. In the foreground, there is a glass coffee table with a silver teapot and a stack of books, including one with a bright orange cover titled 'EL JORGE'. The background shows a white door and a wall with a light switch.

Focus on
this watch.

You don't look
too well. Let
me help you
with this.

Hypnosis?

Yes, it will help
you relax and
drive away the
dizziness.

I... I do...
trust you.

You do
trust me
after all.

We are...
friends.

Then
watch the
watch.

Back and
forth.

Back...
forth...

swish

One.

Two.

Three!

And I count to
three, you find
yourself falling
into a deep
hypnotic
trance.

And as you
follow the
watch with
your eyes...

Gulp

This is really working! She's listening to everything I say!

I will now touch your body. This is important.

You don't mind me touching you.

OK. You can touch my body.

I trust you. It's important.

Layla, what
am I doing
right now?

You are
fondling
one of my
breasts.

Should I
stop?

I don't
mind you
fondling
my breast.

grobe

Your skin is
so smooth.

You have
beautiful
legs, Layla.

And they are
perfectly
toned!

carass

carass

In her sensual heightened hypnotic state, Layla does not take long to reach a strong orgasm under Dylan's watchful eyes.

Now listen
very carefully,
Layla.

You will always fall
back into this deeply
relaxed trance when
you hear your trigger
"General Pauze".

But from now on,
when you do, your
eyes will roll back
like in a cheesy
movie.

General Pauze...
deeply relaxed
trance... Eyes
will roll back.

Additionally, when you hear the words "Machina Ascending" your mind will shut down immediately and you will believe that you are a robot.

You will follow any command given and answer in a monotone voice with "Executing command".

When a task is done you will say "Procedure complete. Awaiting input".

Executing Command...
Procedure complete...

Also, after about 30 minutes in robot mode, you will start to feel weak and meek, because you are running out of energy.

Start running low on energy. Feeling meek.

grobe

grobe

Your robot self will
need to recharge her
energies, which is only
possible by inserting a
dick into your ass or
pussy.

Insert dick...
to recharge...

grope

point

When you wake up
you won't remember
any of this. But you'll
feel refreshed and
relaxed.

SNAP

Oh, we were trying to start with the first Math assignment, but I guess you just did a General Pauze!

Sorry, I spaced out for a second. What were we talking about?

General...
Pauze....
Uhhh...

So cool!
Her eyes really
rolled back!

Layla,
listen to
my voice.

Listen
and obey.

I want you
to stand up
and strip
naked.

Yes...
Strip naked

Brilliant!
Now turn
around bend
over the couch
and spread your
legs.

Yes, Spread
legs ...

Beautiful!
Now Repeat that
your mind is blank
and that you will
obey, like a mantra
while I inspect your
body.

My mind is blank, I will obey. My mind is blank, I will obey. My mind is blank, I will obey.

The scene is a living room. A woman with dark hair pulled back, wearing a black bikini, is crouching on a grey and white patterned sofa. She is looking directly at the camera with a neutral expression. In the background, there is a television displaying the text "NOW SHOWING" and "FINEST FILM IN TOWN". To the right of the TV is a dark wooden cabinet with a glass teapot and a vase. To the left is a green bucket and a potted plant. A book titled "EL JORGE" is visible on a coffee table in front of her.

My mind is blank, I will obey. ...

The scene is the same living room. The woman is now performing a backbend, with her head touching her knees. Her legs are spread wide, framing her body. The background is the same as the first image.

Beautiful!

My mind is blank, I will obey. ...

Your body is super toned with muscles to die for, Layla. And your skin is so smooth... especially down here... God I wanted to do this ever since we first met!

My mind is blank, I will obey. ...

When I've
inserted this pen
into your arse,
you will wake up.

You can stop
repeating your
mantra now.
Now listen to
me closely.

A woman with brown hair, wearing a white ribbed turtleneck sweater and dark jeans, stands behind another woman. The second woman has reddish-brown hair pulled back and is wearing a black top. She is leaning forward, resting her arms on a table covered with a grey and white patterned cloth. She has a serious expression. In the background, a television screen displays the text "NOW SH" and "FINEST FILA" with yellow light effects. A speech bubble is positioned near the top right.

You will have no memory of how you got into this situation, but you will still respond to your triggers.

There we
go...

NOW SHOWING
FINEST FILM IN TOWN

insert

Dylan!

What the fuck is going on?!

Why am I naked?!

Oh my
god! What
is this?

There is
something
in my arse!

Dylan, I
swear to
god I'm...

Macina
Ascending.

EL JORGE

**Layla-bot

Awaiting
commands.

They are as
big as melons.
Delicious!

suckle

Next, I want
you to do

Show me what
a trained body
like yours can
do.

lick

Affirmative.

Unit will
perform Yoga

I'll remove the

don't hurt
yourself.

Now

Layla-Bot

Beep... Beep.
Energy level

recharge
Layla-Bot.

Please
insert dick
to recharge
Layla-Bot.

Unit
shutdown
imminent.

Oh, yea!
I'm finally doing
it! I'm inside your
pussy! God that
feels great,
Layla!

fap

fap

Layla-Bot
charging.

Groan
Do you like me
fucking you,
Layla?

Energy
level still
low. Please
keep going.

When I cum,
you will cum
as well!

fap
fap

Affirmative.
Unit will run
orgasm program
on user
ejaculation.

After about a minute of fucking Layla while standing up Dylan got exhausted and commanded his robot to switch to a more floor-based position so he can finish off easier.

Initializing
Orgasm
sequence.

Oh, yeh...
oh, yeah...

Procedure
complete.
Awaiting
input.

Wow!
That was
great, Layla!

Now get dressed
and then delete all
memories from the
first time you've
fallen into a trance
today up until now.

And then I want
you to wake up,
but you will believe
we were working
on your math
problems.

Affirmative.
Unit will get
dressed...

Executing
command.

Deleting data
from memory
banks...

Procedure
complete.

Shutting
down Layla-
Bot. Please
wait.

Woaaaow!
Sorry, I seem to
keep zoning out.
This stuff is really
hard, I guess.

Don't you worry.
I'm sure it's nothing
a "General Pauze"
Can't fix.

Thank you for
reading!
