

Office Party
Sailor Sayo - Office Defender

Some time not too long ago in a fictional dimension of „Office Party“...

Office Party

Sailor Sayo

Office Defender

In this parallel Office Party Universe the party never happened, Dylan is dressed a bit better and Sayo has no boyfriend but a secret. Also, Dylan and Sayo are secretly crushing on one another 😊

Oh yeah, and instead of the party, a demon is attacking the office with sex magic! Can a single magical girl save the office?

It's a normal day at the office. People are either working...

Sitting in meetings...

Or flirting...

She's so cute!

Morning, Sayo. You look lovely today.

Hot!

Thank you!

But all of this is about to change...

A woman with dark hair and red horns stands in the center of an elevator shaft. She is wearing a black, form-fitting, long-sleeved outfit with a high collar and a lace-like pattern on the chest and sides. Her right hand is on her hip, and her left hand is slightly extended. The elevator shaft has dark, metallic walls and a wooden floor. Four speech bubbles are positioned to the left of the woman, containing text.

What foul magic!

This elevator thing is making me queasy!

But no matter. I've managed to infiltrate this fortress with ease!

They did not even have guards at the entrance!

Fascinating!
I would not
mind making
this my base of
operation...

But first,
let's get some
sweet souls!

Bah!
I hate service
desk duty!
Boring!

Woah!

What the
fuck?

Excuse me!
Miss!
Do you have an appointment?

Are those...
horns? It's
not even
Halloween!

Miss!
You can't just barge in here.
You need an appointment.

If you tell me
whom you want
to see, I'll check
their calendar.

Is that the
guard? She
looks weak!

Mhh!
You look
delicious,
little one.

Did you
just call me
little?!

I will not let myself
be insulted by some
bitch wearing some
fake ass horns!

Ohh!
These? But
they are
real.

Come here.
Look deep
into my
eyes, girl.

If you call me
"little" or "girl"
one more time,
I'm gonna hit
you.

Oh, I'd love to see you try.

But that won't be necessary anymore.

Flash

Isn't that right, slave?

No, Mistress.

This unworthy slave will do as you say.

So, instead of resorting to violence...

Why don't you just get down and fuck yourself?

Yes, Mistress. I will fuck myself.

More pleasure!
Enjoy it!

I want you to
bask in **sexual**
pleasure!

Yes,
Mistress!
More pleasure.

rub

Mahahaha!
That's more like it.

I can already feel the sexual energy flowing!
But this is far from enough.

I need more!

Moan

fap fap fap

A woman with long black hair, red eyes, and small brown horns stands in a room. She is wearing a black, form-fitting, long-sleeved top with a high collar and a black, form-fitting, long-sleeved skirt. The top has a brown, textured, lace-like pattern on the chest. The skirt has a similar pattern on the side. She is looking directly at the camera with a neutral expression. A speech bubble is positioned to her left, containing the text "Hellooo there."

Hellooo
there.

You don't
seem to be
doing anything
meaningful.

Let's spice
things up a
little bit.

The fuck?

Are those horns?

Who are you? Why are you disturbing my important meeting?!

Oh, wow. You seem full of yourself.

Flash

Just look into my eyes.

Look into my eyes and submit!

Strip!

Yes, Mistress. We listen and we obey.

Nice!
Blonde girl,
fuck the
stud.

Black girl,
you're with
me.

Just as everything seems
lost a single magical girl
stands up to the powers
of raw sex.

It's Sailor Sayo!

I am Sailor
Sayo!

I'm the
protector
of love and
friendship!

And I'm
gonna save
this office!
