Succubus Party

A Halloween Story

The nerds (led by Dylan) have rented an old church for their Halloween D&D session. They've also invited girls, but none are coming! It's because the jocks are having a party as well. The nerds want to stick it to the jocks once and for all so they resort to drastic measures!

Dylan has found an old book of summoning. He just wanted to use it as a prop for the upcoming campaign, but what the hell! He proposes a ritual of Halloween summoning and the other nerds agree. Soon a soul-sucking succubus is set loose towards the jock's party!

Will the jocks regret drawing the wrath of those nerds on themselves... or is it actually the nerds who will get envious of that succubus spiced-up party?

The jocks are humiliating us all year long!

And now they are taking Halloween from us?!

With their stupid party?

They are not even wearing authentic costumes!

Are we really okay with this?!

Nay!

Nay!

Nay!

Şenustu,
İrestu,
Katozi!

THUNDER

Dylan and the whole church is engulfed in a glistening light. Is the ritual working?!

Unholy shit!
That actually
worked?!

Puff

After a short conversation and giving the succubus instructions she is off to the jock's party. With her wings, it does not take long for her to arrive there. Guess all the guests are in for the party of their lives 😊

Who are you
anyway? You
got an invite?

A woman with red hair and glowing orange eyes is dressed as a nurse. She wears a white nurse's cap with a red cross, a white nurse's uniform with a red collar and a red cross on the chest, and a red bra. She also has two red devil horns on her head and a black cross necklace. She is standing in front of a wooden slat wall. Two speech bubbles are positioned to her left.

I... Can't resist...

Yes, Mistress. I will obey.

A woman with long black hair, red eyes, and a pair of light-colored horns. She is wearing a black, long-sleeved, high-collared top with a lace-like pattern on the chest and a long, black, form-fitting skirt with a similar pattern on the side. She is pointing her right hand towards the right side of the frame. The background shows a modern interior with a wooden door and some greenery.

Great!
Now let's get
this party
started.

See that guy

While the two beauties start to suck off Trevor the succubus continues to convert girls in skimpy costumes all over the party to use them to get the jocks in the mood.

And finally... it is time for the succubus to move in herself and reap her just rewards!

Oh, god,
Lana! I love
you!
