Collaboration Notice

This comic is a collaboration between **Indday60** and myself. I've commissioned Indday60 to create the renders for this comic, while I've provided the script and added the text. I've also bought the rights to sell the finished piece from Indday60.

If you want to know more about Indday60, have a look at his Deviant Art Page. He has already created a lovely story about mannequins that is over 300 pages long and I'm looking forward to anything new he might create in the future:

Once upon a time in some clothing store...

The Mannequin Experience

It's said that „Mr. Zings“, a clothing store in town, uses real women to display their clothes... But they are not modeling. They are not standing still of their own accords... No there is more behind this! Mr. Zing, the owner, has developed a gadget to turn humans into plastic dolls. He uses those dolls to display his merchandise in his shop – which is only selling the most expensive pieces of clothing. **But don't be alarmed!** Mr. Zing is not forcing anyone. He's paying the girls to be mannequins in his store for a specific time and then returns them back to normal. The process is completely reversible and there is no way anything could go a stray... **right?**

Cast of Characters:

Kayla... A store attendant

Mr. Zing... The store owner / experimental scientist

Emelie... A girl previously turned into a mannequin

Linda... The girl with the idea to get mannequinized

Erika ... Linda's friend who is a bit sceptical

And you are
sure this is
safe?

Oh,
absolutely!

But please, by
all means. Take
a look yourself.

Our previous
model is ready to
be transformed
back.

Kayla! ...

KAYLA!

Aye, Boss?

*Aye,
Boss!*

Bring the
mannequin!

This is our
previous
model... Ember?

It's Emelie,
Boss!

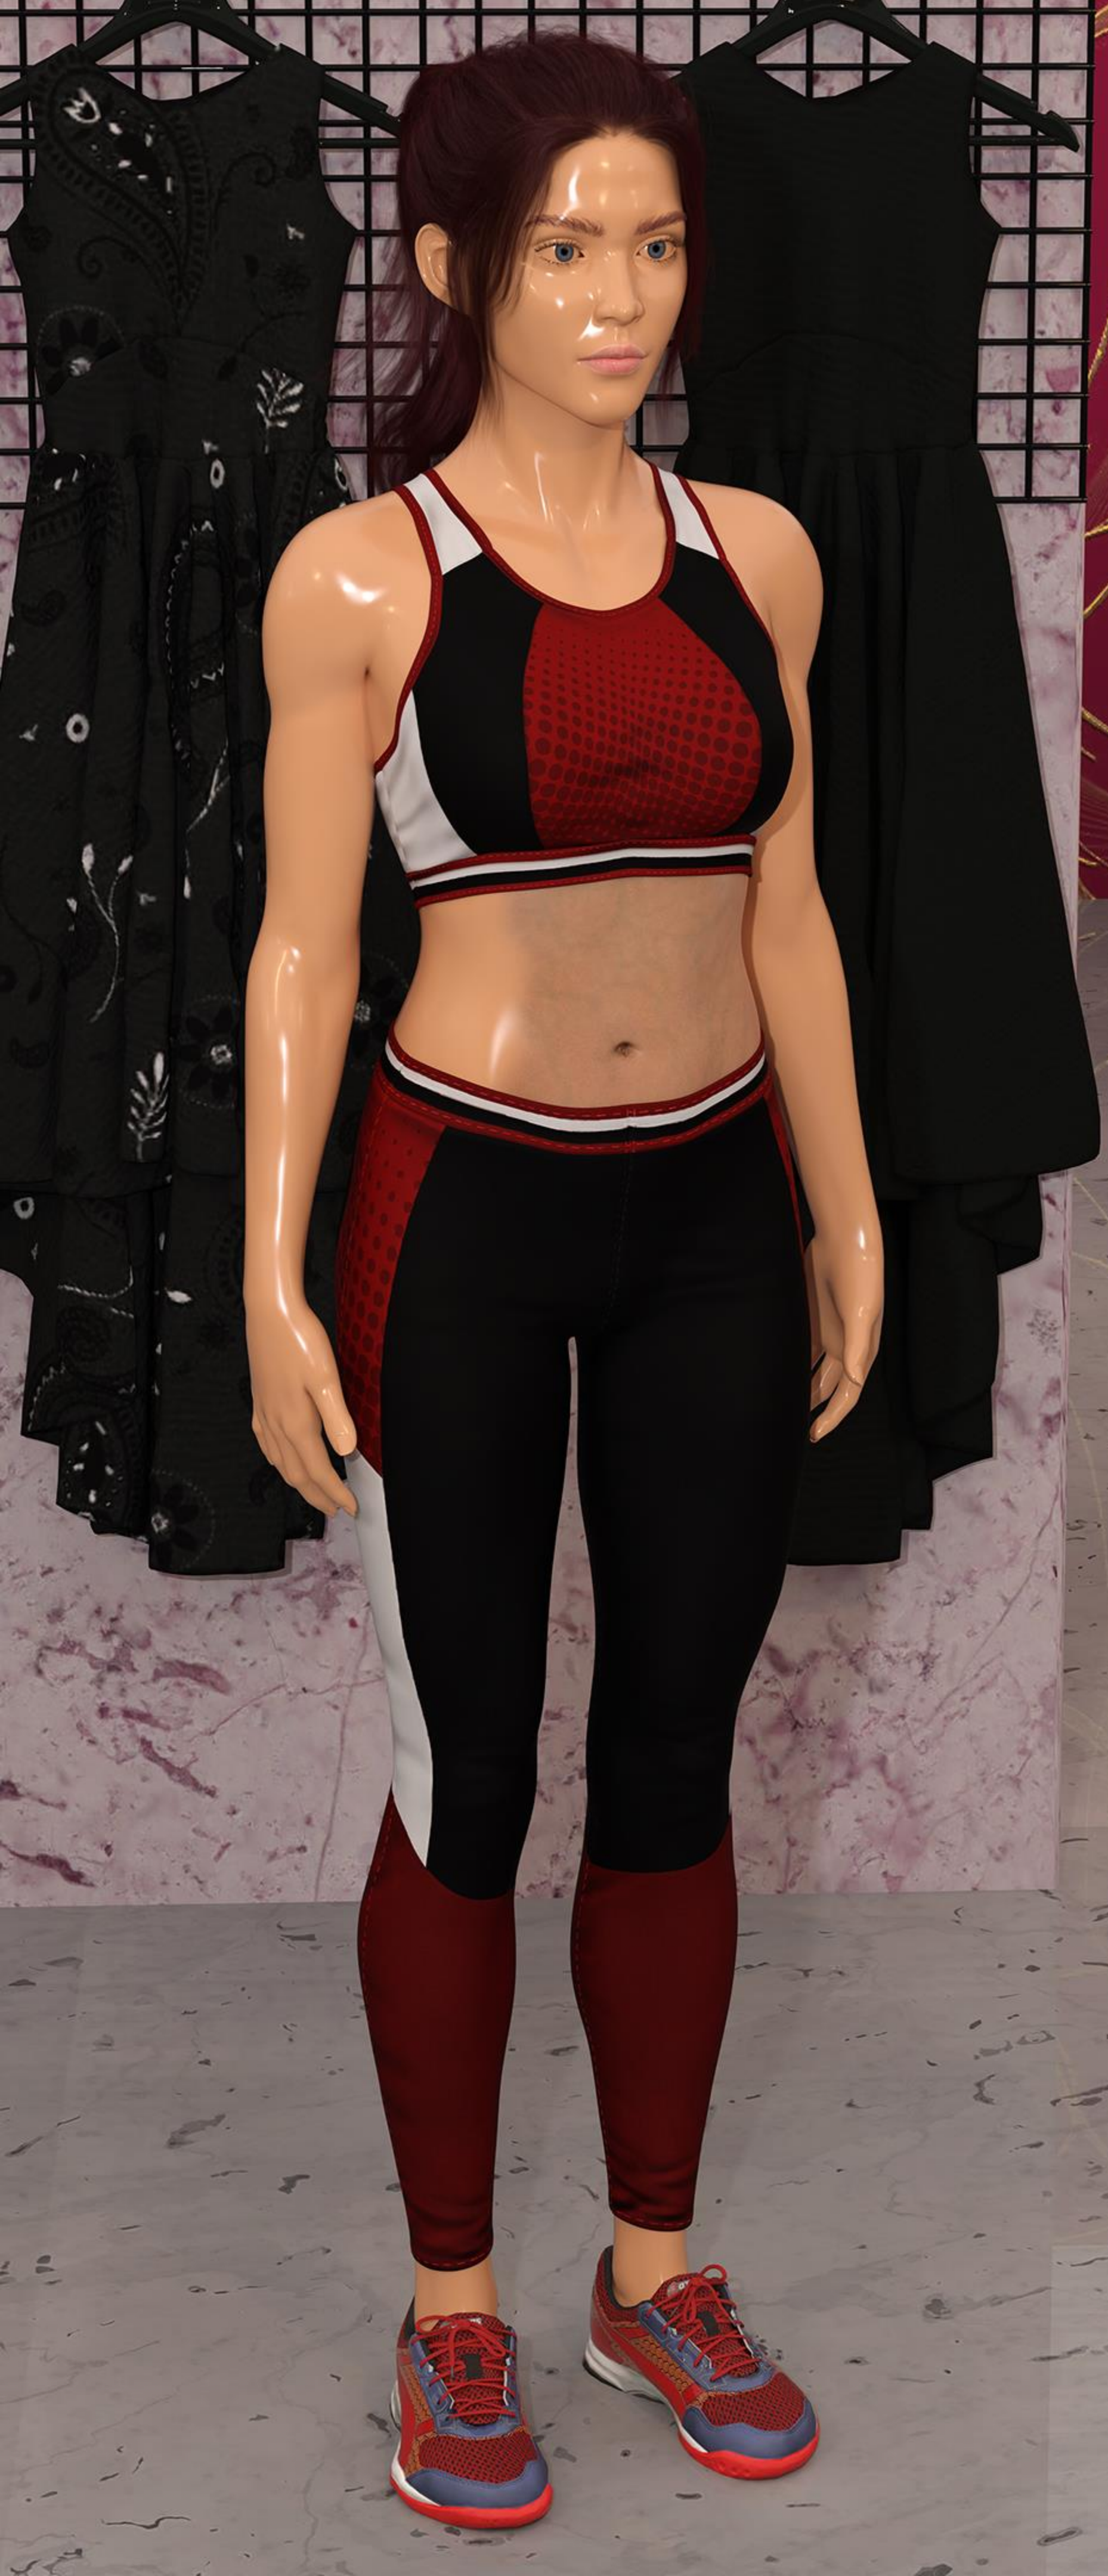

Now watch what happens when I hit ... Emelie with the transformation ray.

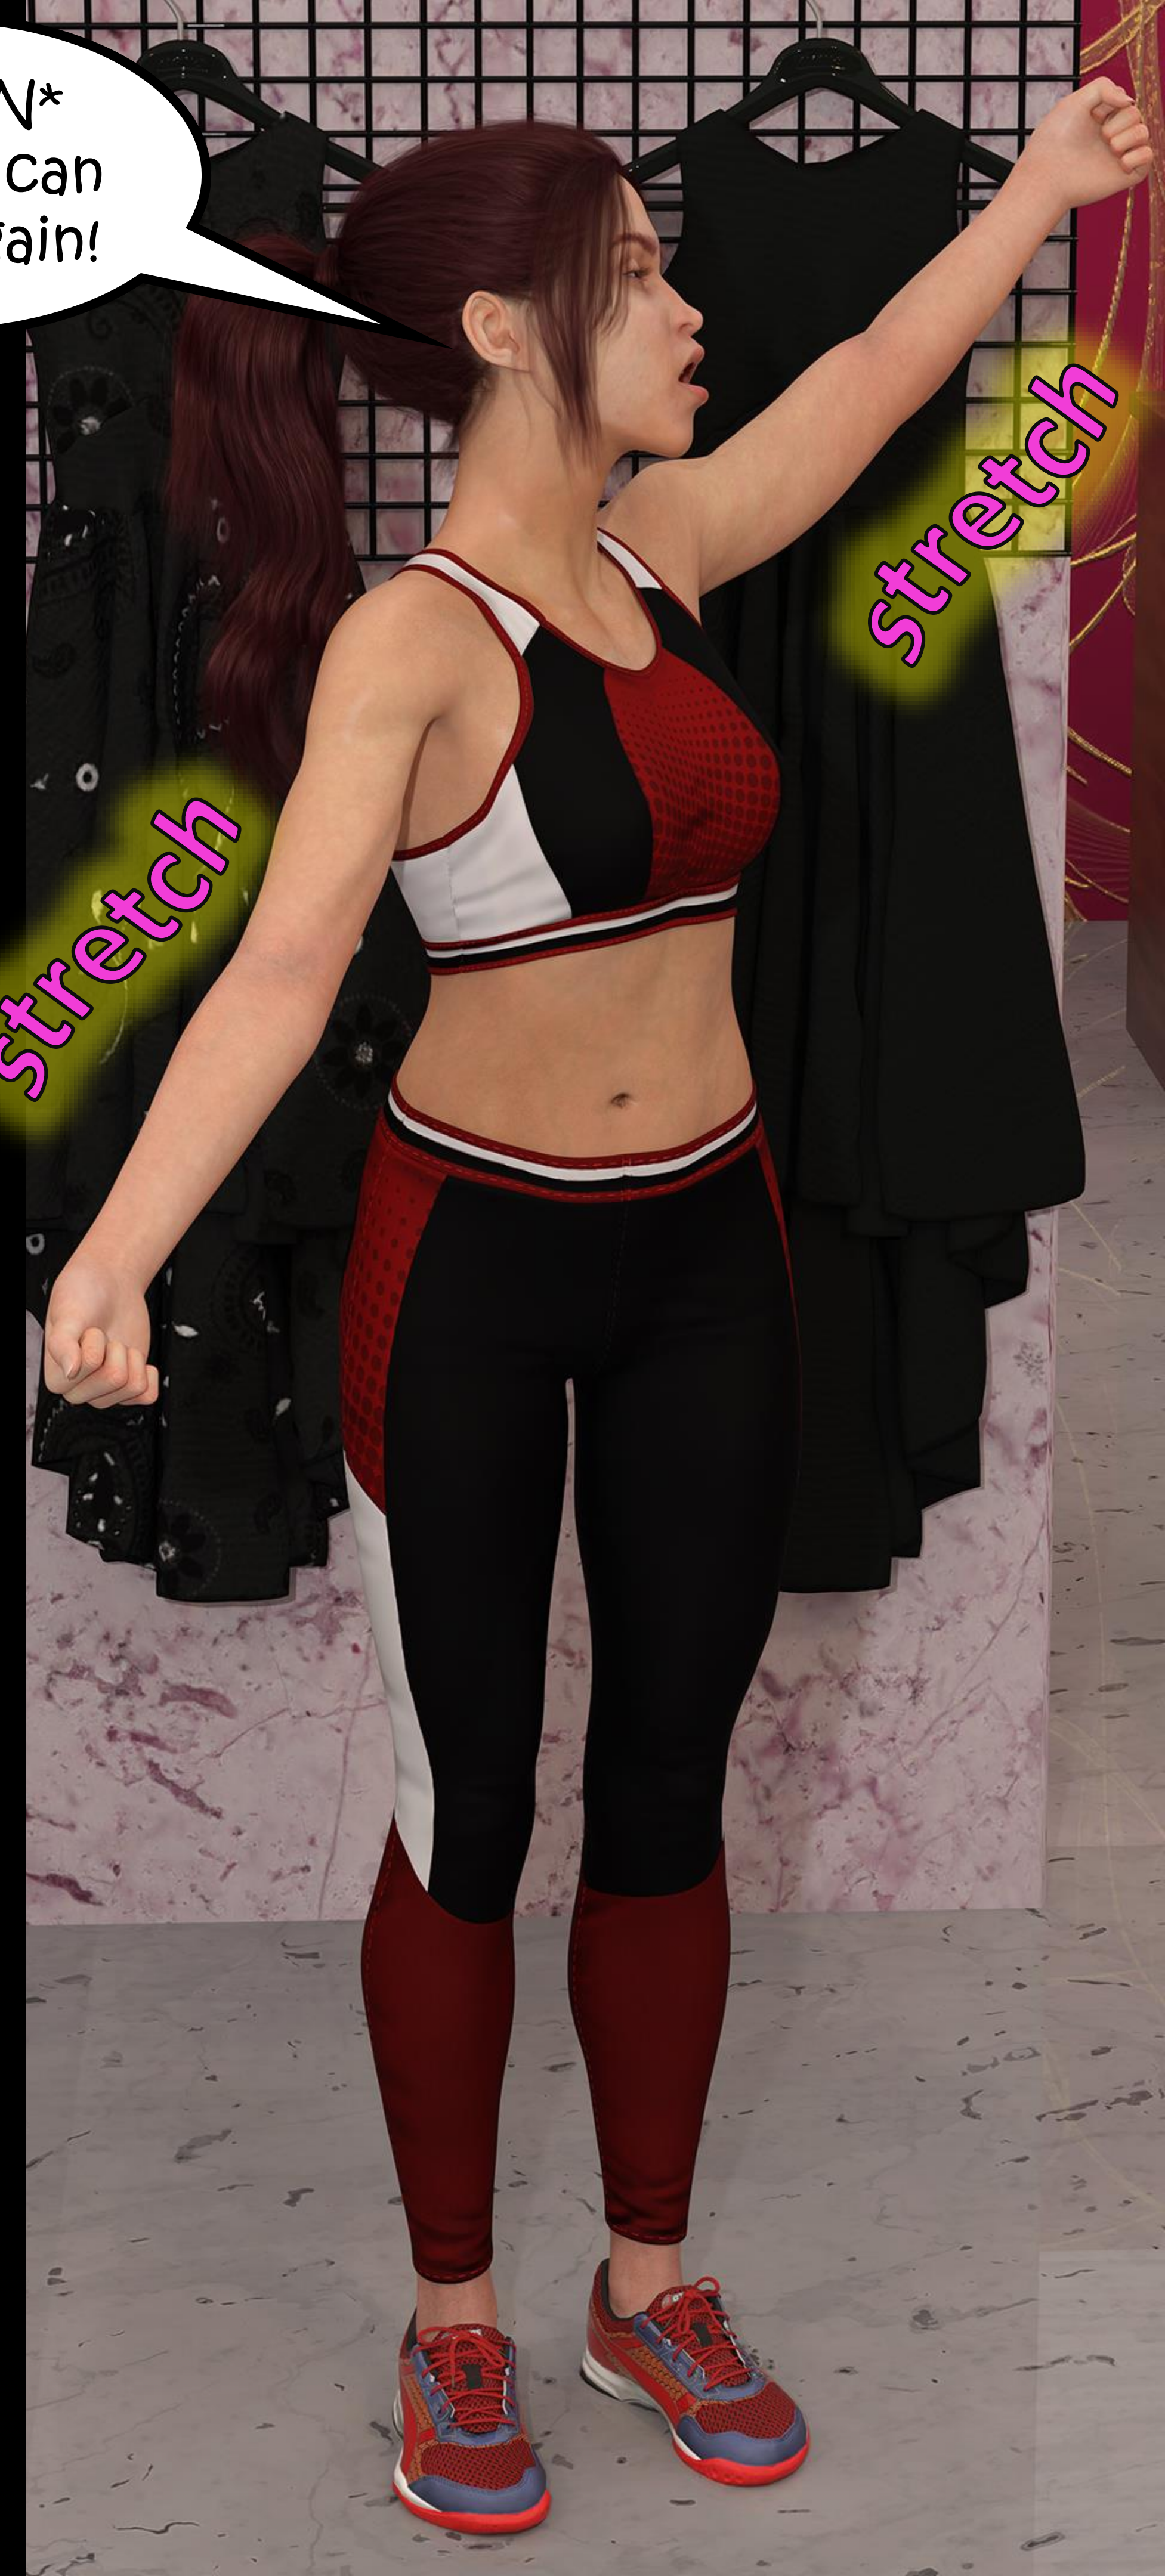

ZAP

Woah!

Holy shit!
That was close!

YAWN
Woah! I can
move again!

If I was human back then I probably would have soaked throw these clothes. Feeling this helpless gives me a real kick!!

That was so cool! I was aware of everything going on. But I could not move an inch!

Delighted you liked it, Miss. Emelie. Kayla will handle your payment. We'd be happy to see you again.

I'm most definitely up for more!

So, as you see,
it's reversible
and completely
safe.

So cool!
We are in!

Brilliant!
Please just stand
over there and
strike a pose.

Sure...

Hm... These
are not my
clothes...

Getting Linda's confirmation Mr. Zing zaps the girls with his raygun. Erika first, Linda second.

Said it was
only for
today!

Can't ... speak
anymore...
My mouth is
frozen!

It does not take long for the effects to become evident as the two girls completely stop moving. Their skin slowly taking on a shimmering hue as their bodies turn from human flesh to plastic.

Uuuh... My skin tingles!

The fuck, Linda! I have to work tomorrow!

This will be
a blast!

Alright,
Kayla.

Carry them
to their posts
and redress
them.

Aye, Boss!

I can't
move at
all!

I really am a
mannequin
now!

Soo cool! I can't move at all. I'm completely at their mercy! Hoooot!

No way! Are... are they using us as underwear models?!
How humiliating!

So cool!
We are actually
standing in the
storefront for
everyone to see!

There you go.
We can't have a
mannequin look all
frightened and
shocked.

There are
people walking
by even at
night!

Why did they
have to dress
us in lingerie?!

A colleague of
mine has walked
by... and took a
really close look!

I just hope
he did not
recognize
me!

Some days later it's time for Kayla to redress the girls according to Mr. Zing's specifications... but what is this? The clothes Mr. Zing has chosen for them to wear don't fit them at all!

Erm. Boss.
The clothes you've
picked for today
don't fit these
dolls at all!

Use your
brain, Kayla.
Make it work!

Make it work...
DUH... alright! I
guess it's time for
some creativity.

The clothes selected for Linda were a bikini. But the seller explicitly told the store to only show them on tanned and toned bodies... to get a certain beach feeling... And Linda always had pretty pale skin... So, Kayla takes the airbrush...

...and paints on some muscles and darkens Linda's skin.

I wish I could see myself right now!

Now what to do with you...

Don't you worry. I've gotten really good with this modeling clay!

The clothes selected for Erika by Mr. Zing are just lingerie... but several cup sizes too large! So... Kayla grabs the modeling clay and gets to work...

form
fondle
knead

Oh fuck!
This feels... actually really good!

I don't want this to feel this good!

Why does this girl fondling my plastic breasts feels this good?!
Ahhh!

I have to admit. I'm quite the artist!

I can't believe this!

I look
gorgerous!

Phew!
That was
some hard
work!

I look
ridiculous!! Why
do they even
make bras this
big?!

Oh yeah!
Look at this
body of mine!
Objectify me!

Oh, Great!
Now there is some
creepy dude outside
the window leering
at me!

The next day the creepy dude is back... but this time he enters the store and asks Kayla for some special stuff she has to search for in the store's stocks way in the back...

He keeps his eyes fixed on our two lovely mannequins as Kayla vanishes into the back to search the store's stocks.

I wonder
what today
holds in store
for us.

Only one
more day!

Oh, man!
Finding that
is gonna take
ages!"

Alright!
That should
give me some
time!

Wow!
This feels pretty
nice. Common
Stud! Do it
faster!

Oh, yeah, baby!
Rubbing it on
your soft panties
feels really nice!

Oh, my god!
Linda!

This creepy
pervert!

grab

grab

rub

grab

Groan

fondle

squirt

Disgusting pig!

If I could just move!

Holy \$hit!
If I was not made
of plastic I think I
would have
squirted right
now!!

My plastic Clit
seems to be
hypersensitive!

Huh...
That... felt
strange...

Oups!
swoosh

What is this guy thinking?
Having Linda's hair in hand and
leering at Erika's plastic body...

Ha-ha!
There you go.
Now the big
boobed bimbo has
the blonde hair.

How
fitting!

I want to experience that again!

PERVERT!

I know they are just dolls. But I can't help myself!

Sometimes I imagine them to be real women.

I should probably lay low and not let myself be seen in this store for some weeks.

But there is a new shop down park avenue. They got some real beauties there... I'm gonna pay them a visit next.
snicker

*C'mon!
I finally found
it, and now the
dude's gone?!*

*Hmm...
something
feels off...*

*Meh!
Probably just
imagining
things...*

*I can still feel it
trickle down my
thighs and stomach!
I'm such a dirty girl!
giggle*

*A creepy pervert
just swapped out
our hair, you
stupid bitch!*

*Don't you
have eyes in
your head!?*

Finally, the week is over and it's time for our
to protagonists to return to their normal
human forms.

Huff!
She's gotten heavier!

whimper
Don't touch me there! They are fucking sensitive for some reason!

Oh, yeah, I guarantee you, it's completely safe.

Watch closely as I transform these two back. They've been in the store for a whole week.

As Mr. Zing Zaps both girls once more the girls' bodies return to their original human form...

ZAP

Finally!

...well almost... at least they are back to being flesh and blood instead of plastic.

I can feel my
body changing
back!

Oh, wow!
We can move
again! Feels
strange!

stretch

FUCK!
I feel stiff!

stretch

Are you okay, Linda? I saw what that creepy guy did to you!

Yeah, I'm fine. I actually feel fantastic! Like I could run a marathon!

Hey... you've got my hair!

And tits to put a pornstar to shame!!

What?!
Oh, my, God!
I... I have
breasts!

giggle

Wow!
Those are
some serious
abs!

And look
at my tan!

Where are
our clothes?!

And what
happened to
our hair?! And
bodies!

Oups!
I guess I messed
something up!

Errr... I...
Please follow
Miss Kayla.

She will
handle your
payment and
the issue with
your clothing.

Well... This...
has never
happened
before...

And what
about our
hair?!

But you can
choose any
outfit you see
in the store.

I'm sorry. I
kinda lost your
clothes...

Someone must
have exchanged
your wigs... I'm
sorry...

But the only way to
reverse this would be
having you change
into mannequins
again and exchange
wigs once more...

But it's advised to
wait at least one
month before using
the mannequinizer
again!

No idea
what she's so
angry about.

We look
hot!

The End.

The End

Later, back at Erika's home...

They are pretty heavy...

But they do look amazing...

The End.

PINUPS

Erika is shocked when the store manager tells her the effect will last for a week just as the mannequinization ray hits her body. Linda on the other side is totally fine with that.

There you go.
We can't have a
mannequin look
all frightened
and shocked.

Spending their first night at the store in their now plastic bodies leaves each of our two girls with a different set of emotions...

This is awesome!

God damn it! Why did I agree to do this!

I just hope no one recognizes me!

Linda, one of the temporary additions to the stable of mannequins at the shop, is supposed to wear a bikini next... Kayla, the shop assistant, makes toned and tanned beach babe out of her.

Uhhh That tingles.

Let's give you a bit of a darker hue.

Some muscles won't hurt either.

I wish I could see myself right now!

Perfect! I've gotten really good at this!

Kayla, the store employee, has been ordered by the store manager to put some ridiculous huge bra on Erika, one of the temporary mannequins at the store. How is that supposed to work out with Erika's normalized bosom?

Don't you worry, my dear. I've gotten really good with this modeling clay.

Are you fucking kidding me?

Yup! Piece of art!

As Mr. Zing zaps both girls once more the girls' bodies return to their original human form...well almost... at least they are back to being flesh and blood instead of plastic.
