Once upon a time in some clothing store...

## The Mannequin Experience

It's said that „Mr. Zings“, a clothing store in town, uses real women to display their clothes... But they are not modeling. They are not standing still of their own accords... No there is more behind this! Mr. Zing, the owner, has developed a gadget to turn humans into plastic dolls. He uses those dolls to display his merchandise in his shop – which is only selling the most expensive pieces of clothing. **But don't be alarmed!** Mr. Zing is not forcing anyone. He's paying the girls to be mannequins in his store for a specific time and then returns them back to normal. The process is completely reversible and there is no way anything could go a stray... **right?**

### Cast of Characters:

Kayla... A store attendant

Mr. Zing... The store owner / experimental scientist

Emelie... A girl previously turned into a mannequin

Linda... The girl with the idea to get mannequinized

Erika ... Linda's friend who is a bit sceptical

And you are sure this is safe?

Oh, absolutely!

But please, by all means. Take a look yourself.

Our previous model is ready to be transformed back.

Kayla! ...

**KAYLA!**

*Aye, Boss?*

Bring the mannequin!

*Aye, Boss!*

This is our previous model... Ember?

It's Emelie, Boss!

Now watch what happens when I hit ... Emelie with the transformation ray.

**ZAP**

*Woah!*

Holy shit!  
That was close!

If I was human back then I probably would have soaked through these clothes. Feeling this helpless gives me a real kick!!

That was so cool! I was aware of everything going on. But I could not move an inch!

Delighted you liked it, Miss. Emelie. Kayla will handle your payment. We'd be happy to see you again.

I'm most definitely up for more!

So, as you see,  
it's reversible  
and completely  
safe.

So cool!  
We are in!

**Brilliant!**  
Please just stand  
over there and  
strike a pose.

Sure...

Hm... These  
are not my  
clothes...

As Linda and Erika give their consent to the process, their journey into plastic bliss begins as the transformation ray hits them and turns them into mannequins.

Erika is shocked when the store manager tells her the effect will last for a week just as the mannequization ray hits her body. Linda on the other side is totally fine with that.

Soo cool! I can't move at all. I'm completely at their mercy! Hoooot!

No way! Are... are they using us as underwear models?!  
How humiliating!

There you go.  
We can't have a  
mannequin look  
all frightened  
and shocked.

Spending their first night at the store in their now plastic bodies leaves each of our two girls with a different set of emotions...

This is awesome!

God damn it! Why did I agree to do this!

I just hope no one recognizes me!

Kayla, the store employee, has been ordered by the store manager to put some ridiculous huge bra on Erika, one of the temporary mannequins at the store. How is that supposed to work out with Erika's normalized bosom?

Don't you worry, my dear. I've gotten really good with this modeling clay.

Are you fucking kidding me?

Yup! Piece of art!
