Once upon a time in some clothing store...

## Window Wishing

Erik is working all day and is barely able to afford the rent for his flat and food on his table, but somehow he manages. His only pleasure in life is his bedroom window because across the street there lives a lovely business lady... She's called Yvonne and sometimes she forgets to close the curtains before changing into her pajamas... but today something is off. After having an accident on his way home, Yvonne seems to do all those things Erik has ever dreamed of! Can this be about the strange amulet he found on the ground when he fell down today? Nah... that would be crazy... right?!

### Cast of Characters:

Erik ... A young guy with a boring job

Yvonne ... A strong independant buisness women  
living across the street

Every day the  
same shit. Walk  
- Work - Eat -  
Sleep - repeat.

I can't  
stand it  
anymore!

And another  
shitty day draws  
to its end...

Erik where are  
the documents...  
Erik those  
numbers are  
really low...

Not my fault the  
fucking business  
numbers are low.  
I'm just creating  
the report!

Erik is lost in thought as he is strolling home when suddenly a car drives by much too fast and really close. It does not hit Erik but he's so startled that he falls over on the hard concrete of the sidewalk.

Wahhhhh!

BBRRRRMMM

Hey...  
What is that...

Stupid car!  
My knee hurts  
like hell!

Groan

Autsch!  
Fuck! That  
hurts!

Hm...  
Now, what  
do we have  
here?

Some crappy  
new-age junk?  
An amulet...

Hm... feels  
heavy. It's not  
made of plastic,  
that's for sure...

That leaves  
only one  
option...

It's old  
junk!

Whatever. Now it's  
mine. Who knows,  
maybe I can use it  
someday...

Crappy Christmas  
present... maybe for  
my grandma... She  
likes antiques...

After finally reaching his home Erik is now sitting at his bedside sipping a drink. His eyes fixed out the window. And really, his expectations are not betrayed as after some minutes of wait the lights are turned on and his attractive neighbor from across the street enters her bedroom...

I don't even know her name... But she always gets home around this time...

Ha!  
And there she is!

I just wish she forgets to close the curtains again while she undresses.

**\*Gulp\***  
That firm  
bottom...

**\*Gulp\***  
My neighbour from  
across the street  
does not even know  
I exist... But she's  
driving me crazy!

I'd really like to see her ... do... IT.

I wish she was so horny that she'd have to start masturbating on the spot!

Ha!  
That would be awesome!

Oh, fuck!  
It feels so  
good!

Moan

fap fap

Wow...  
I wish she'd say  
my name as she  
approaches  
orgasm...

# End of Teaser

This comic is a collaboration between me and 3D-Swede (previously called Indday60). My script & speech bubbles his renders. Same deal as previously with "The Mannequin Experience". There is no hard-core action contained in this comic as it focuses solely on beautiful Yvonne here masturbating to Erik's wishes.

The full comic is **35 single panel comic pages** long. Note that this comic does not contain any pinups, but all pages are rendered in 3840x2160 (so basically pinup resolution 😊). It's for adults only and available on my Patreon Site, in my Gumroad-Shop, or in my FANBOX:
