A digital illustration of two women with long brown hair, wearing dark blue soccer jerseys with red and white stripes on the sleeves. They are standing in a sunlit forest with tall trees in the background. The woman on the left has her arms crossed and a neutral expression. The woman on the right is smiling. Both jerseys feature an Adidas logo and a shield-shaped crest with a green and white design.

Hey girls, can I entice you into a little thought experiment?

Sure.

If it does not take too long.

Two female athletes, likely soccer players, are standing side-by-side in a sun-dappled forest. They are both wearing dark blue short-sleeved polo shirts with red and white stripes on the sleeves. The player on the left has an Adidas logo on her shirt, while the player on the right has a green and white crest. They are both wearing dark blue shorts. The player on the left has her arms crossed, and the player on the right has her hands clasped in front of her. They are both smiling at the camera.

Absolutely.

I've seen you girls train here in the woods and I have to admit you look like two very strong women. Would you say that a human can achieve anything he puts his mind to?

Yup.
Training is
80% mind!

Glad we agree on that. Now, for this experiment I will tell you a scenario and I want you to envision it in your mind. Okay?

The image shows two identical women standing side-by-side in a forest. They are both wearing dark blue soccer uniforms with red stripes on the sleeves and shorts. The uniforms feature an Adidas logo on the left chest and a shield-shaped crest on the right chest. The woman on the left has her arms crossed and is looking directly at the camera. The woman on the right is also looking at the camera with a slight smile. Three speech bubbles are overlaid on the image. The first speech bubble, coming from the woman on the left, says 'We are in these woods after all. *chuckle*'. The second speech bubble, coming from the woman on the right, says 'Kinda easy.'. The third speech bubble, coming from the woman on the right, says 'Let's start off easy. I want you to imagine yourselves within these woods. Really try feeling the wind on your skin and the birds chirping.'.

We are in these woods after all.
chuckle

Kinda easy.

Let's start off easy. I want you to imagine yourselves within these woods. Really try feeling the wind on your skin and the birds chirping.

A black and white photograph of two cheerleaders standing in a forest. They are both wearing dark-colored Adidas polo shirts with a shield-shaped logo on the left chest and dark shorts. They have their arms crossed and are smiling at the camera. The background consists of several tree trunks and a dappled light effect from the foliage.

Topless woods...
you mean trees
without the
crowns?

Yeah, yeah. Just wait
for it. Now I want
you to imagine this to
be a topless wood.
How would it look?

A black and white photograph of two women standing on a sandy beach. They are both topless and wearing dark athletic shorts. The woman on the left has long dark hair pulled back and a neutral expression. The woman on the right has long dark hair and is smiling. They are standing close together. In the background, there are trees and a fence.

Oh, that makes
more sense, I
guess...

Err... no. I was
thinking along
the lines of a
topless beach.

Well... would
pretty much look
the same, I guess.
Except with us
and you not
wearing shirts.

Indeed,
we are.

Why else would
we enter the
topless woods?

Great girls!
I can see that you
have very strong
minds indeed.

Now... I guess
you are very
content with
your bodies, is
that correct?

Thought so!

Now I do think both
of you are very hot.
But I want you to
imagine yourselves to
be even more
attractive.

In particular
more attractive
to men. **What**
would you
change?

Big tits?

You'd look
hot with big
tits!

Modellike
face?

Yeah.
Definitely big
tits. We are
talking men
here.

Duh
Obviously. But
they'd be in the
way of training!

I just wonder how you can work out to gain such muscles...

With assets this... well... big.

Yes, you have a very good grasp of male fantasies!

Well, we'd be lying if we said they weren't in the way.

But we have decided to train our bodies despite these big bags of fat.

So, we got some custom-made sports bras.

They are quite tight and hurt a little...

But without them, these things would just flop up and down all the time.

A digital illustration of two women with exceptionally large breasts standing in a sunlit forest. They are both wearing dark blue athletic shorts with red side stripes and a white Nike swoosh. The woman on the left has light brown hair and green eyes, while the woman on the right has dark brown hair and green eyes. Both are looking directly at the viewer. Four speech bubbles are overlaid on the image, containing text that suggests a conversation about their appearance and a 'study' or 'experiment'.

Even bigger
than we
already are?

I see! Very interesting!
Now... Do you think you
could imagine yourselves
with even bigger breasts?
And when you're on it, in
underwear?

Underwear?
This is
getting a bit
intimate.

No, no. There is
nothing sexual
about this. It's
just for the
experiment.

Fine, I guess a
little bigger is
not that hard to
imagine...

And we are
working out in
sports underwear
on occasion. So, I
guess it's not that
big of a deal.

Wonderful ladies. You are naturals at this!

Oh, we are almost done. You are doing excellent so far. But now your imagination will be tested to the fullest. You ready?

I still don't get it...

What's this experiment about again?

Fine.

Can you do
that for
me?

Adding to
your breast
size.

...to turn into
fat... fat that's
moving to your
chest area.

Alright. I want you
to imagine all those
muscles you've
built up in your
hard training all
this time...

A digital illustration of two nude women standing in a forest. The woman on the left has blonde hair and a small necklace. The woman on the right has brown hair and a small necklace. They are both looking towards the viewer. There are five speech bubbles around them containing text.

This some
sort of bad
joke?

Not really much
to imagine there?
What muscles are
you talking about?
giggle

Ha. I see
your sports
underwear
is gone as
well.

Sports
underwear?
What are you
talking about?

I think we
are done
here.

Urgh.
Okay. But we
really need to
move on before
it gets dark.

Please just
one last easy
scenario.

I'm sorry!
I guess that
was stupid.

Woods that are frequented a lot by horny men...

Rather weak, without means to protect yourself you stumble around in these woods...

Now, with your big tits, beautiful faces and completely naked.

Imagine yourself completely lost in these woods.

Imagine yourself in these woods.

Without any sense of direction.

What do you think would happen?

A black and white photograph of two pregnant women standing side-by-side in a forest. They are both smiling and looking towards the camera. They are wearing dark, strapless, form-fitting dresses that highlight their large breasts and prominent pregnant bellies. The background consists of tall, thin trees and dappled sunlight filtering through the leaves.

We'd be
pregnant
pretty soon!

A digital illustration of two pregnant women with long brown hair and blue eyes, standing in a sunlit forest. They are both nude, showing their large breasts and prominent pregnant bellies. The woman on the left is slightly behind the one on the right. Three speech bubbles are present: one from the left woman, and two from the right woman.

**Yes!
Definitely!**

And being pregnant
naked and lost in the
woods. Wouldn't you
love for a strong man
to be there for you
and look after you?

Great!
Now imagine me
to be that man.

Wanna
come to my
hut?

Hello, Hexxet here,

I'm now doing these transformation-themed Pictorials with AI-created images or PAI for short as I call them. I hope you like it. 😊

More PAIs and of course my regular 3D Comics can be found on my Patreon and in my shops. (If you are only into the PAIs you probably want to visit the shops, not the Patreon).
