

# Office Party – Endgame 3

## Lucine versus the Suggestions

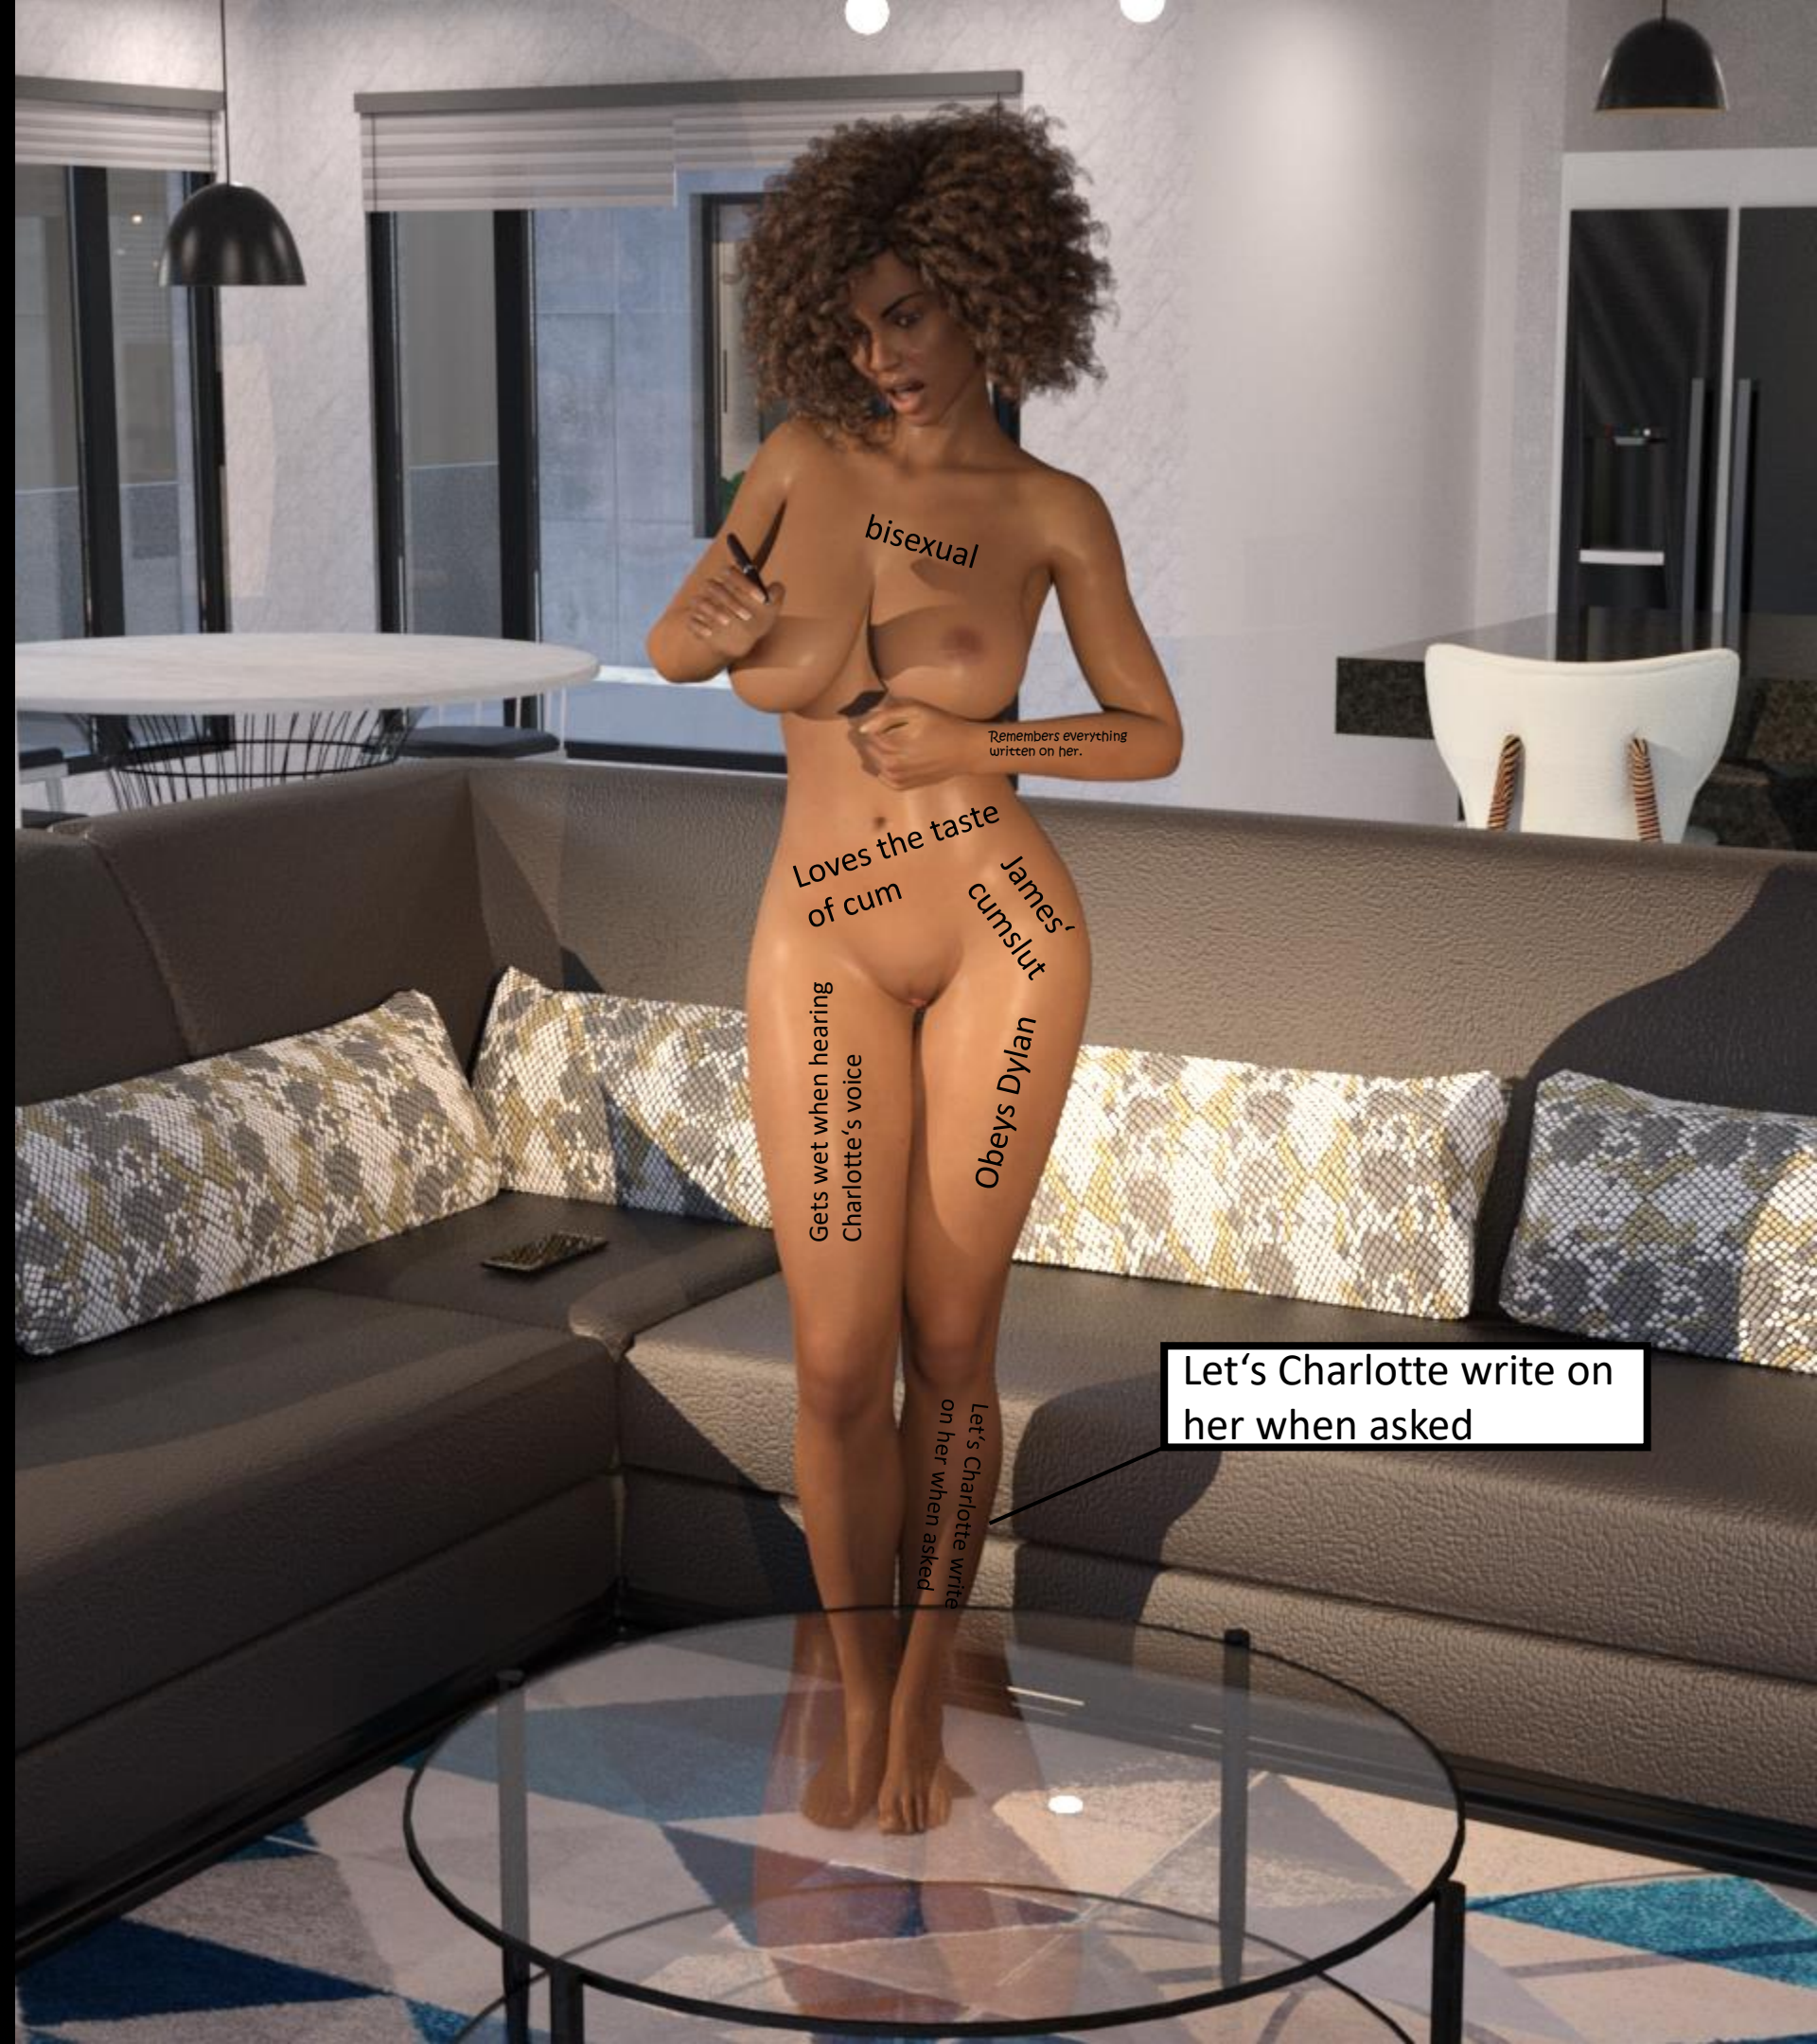

Fuck you, Charlotte!  
I'm not going to pick  
that up! Who knows  
what kinda writing  
we forgot to strike  
through on my body!

The  
writing!

I can write on  
myself! And  
remove it! My  
weakness... Can  
be my salvation!

After striking through some of the writing, Lucine cleans herself again.

I guess some of them can stay. They are quite... useful.

Free! I feel free! That was... actually, kinda easy! \*chuckle\*

Should have done this way sooner!

Now it's on me! I'm gonna liberate this office from corruption!

The next day Lucine starts freeing her  
colleagues from the suggestions... mostly by  
using the suggestions!

I guess it's just a lot to remember... Your turn.

Don't worry. I'm just helping you see the truth.

**Wow!**  
Lucine. What the hell! What's wrong with Isabel?!

**Lucine!**  
Stop that! What are you doing to us?!

I... remember... everything... remember... forget... ..

Sayo, remember everything you were told to forget and remember.

Oh, c'mon!  
Get dressed  
already!

Oh, my  
god. Did  
it work?

What do  
you think  
about  
Stacey?

Let's  
show that  
bitch!

Brilliant!

No, Stacey. I'm free. Don't be afraid.

And don't worry. We don't judge you.

We know you are under a suggestion that forces you to take control of us.

What?! I'm under... that explains... Oh my god! I feel horrible!

It's okay. We forgive you.

But you need to be strong and fight this impulse a little while longer.

After getting all her co-workers on board  
Lucine calls up Vincent (the hypnotist) to  
remove the suggestions...

**Part B – Deprogramming?**

Still can't believe that a guy like that holds this much power...

Still think he's kinda cute.

Agreed to help? It's the least he could do!

Hello.

I know there was... quite some trouble due to that party...

So, guys. I'm sure you can remember Mr. Valentine. <sup>1</sup>

But it's also partly our fault. So, please don't be too hard on him.

Mr. Valentine has agreed to help us.

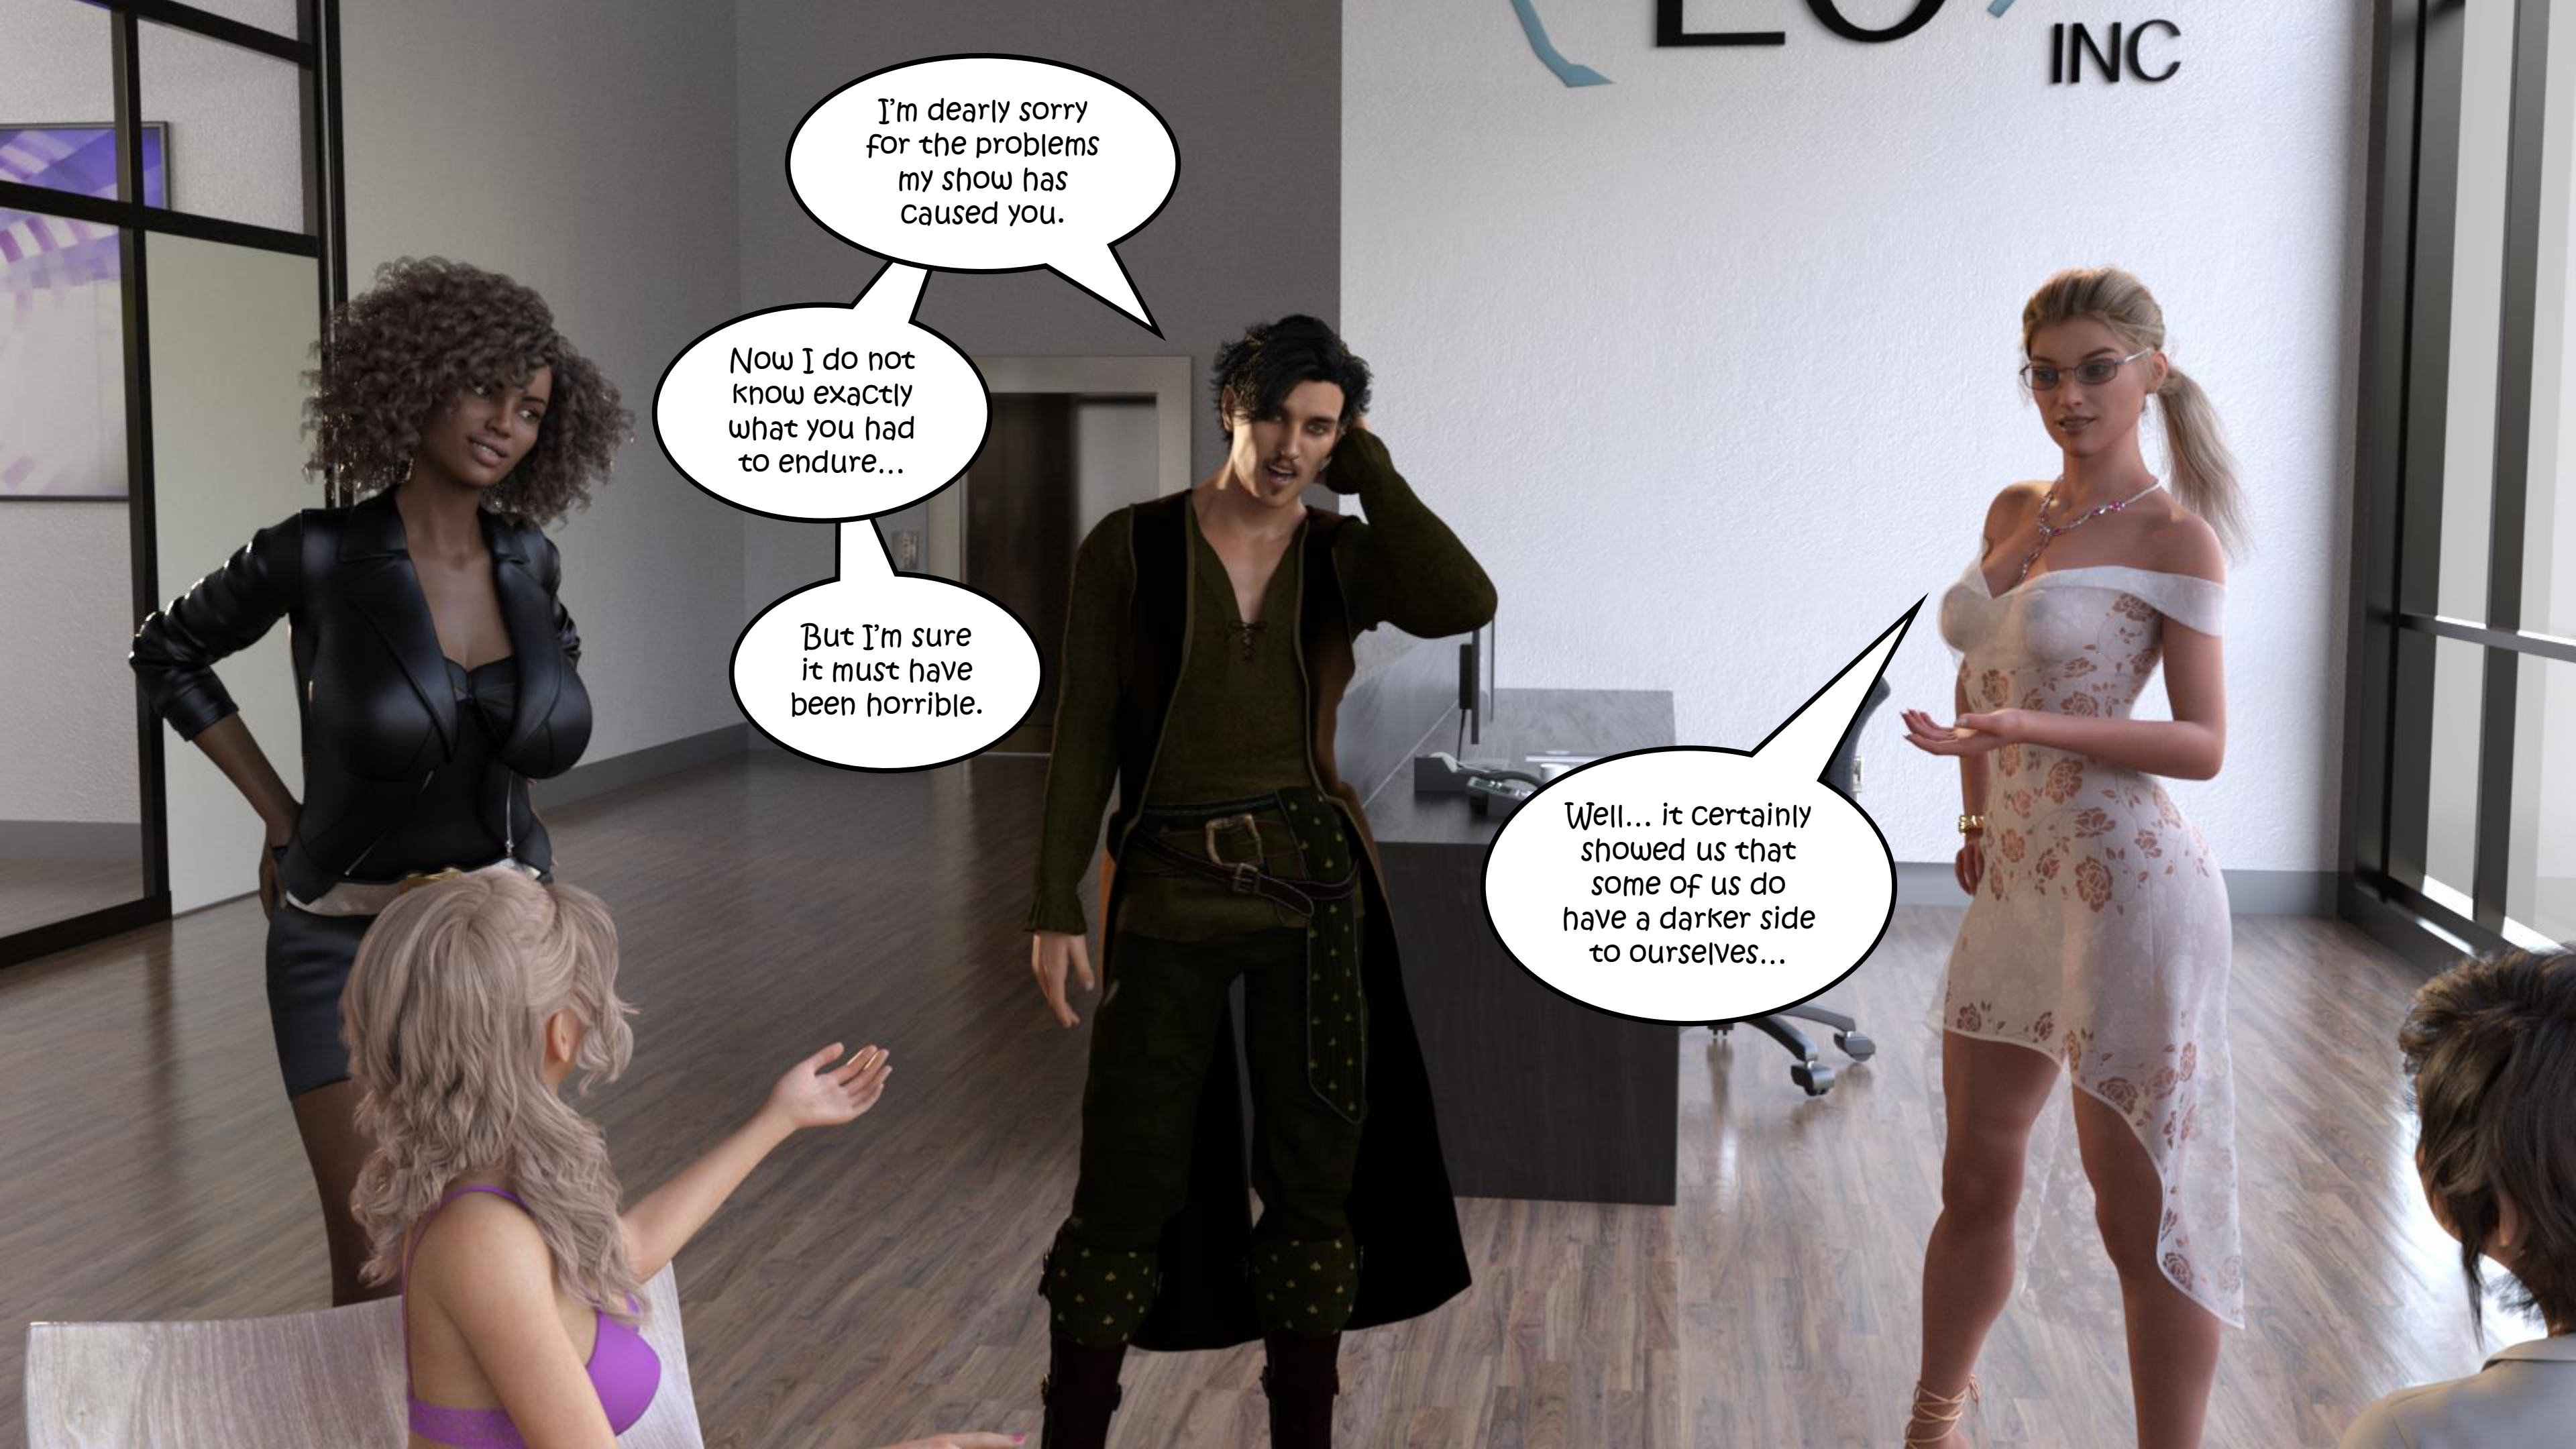

I'm dearly sorry for the problems my show has caused you.

Now I do not know exactly what you had to endure...

But I'm sure it must have been horrible.

Well... it certainly showed us that some of us do have a darker side to ourselves...

One after another the Office workers get hypnotized by our stage hypnotist and have their suggestions removed... or replaced by new ones they actually want to have?!

**Swap**

Now sleep!

**Part C – De(ep)programming**

And everything seems to end well. The Office is free of suggestions... Happy Ending! Woohoo. That's all you were looking forward to, right?

Thanks, guys!

It's good to be back.

And yeah, sorry about all that commotion. I was not myself.

**Bullshit!**

Give that girl power and we have the same situation all over again!

But, no! Of course it can't be that easy, can it? No one saw it coming. But out of nowhere a TWIST comes along and fucks up the office once more!

Oh, wow.  
That feels  
nice.

Can I  
cum now?  
\*Moan\*

Just a little  
longer, love

It's Dylan's!

Oh, C'mon. You really think you can distinguish cum by taste?

Yes, ever since my dog personality kicked in my sense of taste is through the roof!

Heya.  
\*Slurp\* I hope  
this is fine  
with you.

\*chuckle\*.  
It is very fine.

You could  
have asked  
first though.

# End of Teaser

Hello, Hexxet here.

Note that this Endgame starts out slow and it is written in a way such that you can stop before the twist to get a happy ending where the office is freed from the suggestions. However, if you read on, this Endgame turns into a **female dominant story!**

The complete third Endgame is ~**375 pages** long over 6 chapters. It's for adults only and available on my Patreon, Gumroad, or in my Deviant Art Shop:
