## New World Order

We write the seventh day after “The Change” - A worldwide event that has changed the reality humanity lives in... literally! Reality has been changed according to one man’s wishes! And boy, a lot has changed compared to the old world, but nobody realizes it, except a hand full of female agents who were more or less protected from the reality wave, thanks to the technical precautions of their secret base. They prepare for their most important mission... Take down the rogue agent who has jumbled up reality and restore the world to its original state! Will they succeed?

### Featuring:

Stella ... The captain of the Agency

Stacey ... A female agent

Erika ... A female agent

Gina ... a female recruit

Lana ... a female recruit

Mikael ... the rogue agent with the reality notebook!

We join one of “The Agency’s” recruits as she wakes up soon before the upcoming mission to save the world! Her name is Lana... or Agent Hopkins.

**\*Radio voice\***  
And now our leaders’  
favorite song. The  
latest hit from Nathan  
Sinatro – *“These Boobs  
are made for wanking.”*

**\*Yawn\***  
... Urgh! Ever since I  
learned it’s that guy’s  
favorite song as well,  
I don’t like it  
anymore!

A woman with long dark hair, wearing a black tactical suit with shoulder pads and gauntlets, is lying on her side on a dark, textured couch. She is looking towards the camera with a serious expression. The background shows a room with bookshelves and a wall with a geometric pattern.

*\*Radio sing\**  
*You've been*  
*messing where you*  
*shouldn't have*  
*been messing...*

*These boobs*  
*are made for*  
*wanking...*

Today's the big  
day... We'll ...  
I'll... take him  
down!

My first real  
mission... and the  
fate of the world  
as we know it  
hangs in the  
balance...

Stop your whining,  
Lana! You've  
trained for this!  
And you are one  
of the few who  
can stop him!

*\*Radio sing\*  
And that's just  
what I'll do...*

*One of these  
days I'm gonna  
wank right  
over you...*

Wakey wakey,  
sleepyhead!

I am  
awake!

Good!

Great  
song, isn't  
it?

Yeah...  
kinda...

**Grumpy?**  
Butterflies  
before the  
big mission?

Maybe... I've  
just got a  
bad feeling...

Don't you just hate that we can't sit down while peeing?

I mean, what the fuck was nature thinking?

Men have far better control of their... stream... but they can sit down if they want to...

And we women have to pee standing?

It's so unfair!

I don't get it.  
Why would  
you want to  
sit down?

That would  
just feel  
wrong!

I know it  
would feel  
wrong!

But where's  
the logic in  
that?!

Yeah... I  
guess you are  
right... Still,  
it's unfair!

Oh, c'mon.  
There is no  
use asking  
nature for a  
reason.

Why are we  
women bearing  
children?

Why are we not  
simply laying  
eggs? Would be  
much simpler.

Later, back in the main room...

Nah... no change whatsoever...

Well... no change since "The Change".

Anything new outside?

A look out on the streets via “the Agency’s” spy cams all over the city reveals...

...Nothing unusual. Women all over the city are going about their days the way they are supposed to...

It makes me so  
furious seeing  
them act like  
nothing is  
wrong!

They are not  
acting. For  
them this is  
normal.

If it wasn't for  
the protection  
of this base, we  
would be among  
them!

Believing in  
this new...  
wrong reality!

Captain  
on deck!

Recruit  
Emmerik ready  
for duty!

Recruit  
Hopkins ready  
for duty!

At ease.  
Everybody.

From now on  
forth, you two  
are promoted  
to full agents.

An empty  
promotion  
considering there  
are only 5 (including  
them) of us left!

Now, I know  
you are all  
familiar with  
the situation.

But there  
must not be  
any mistakes.

So, one last  
time: Agent  
Williams, Please  
a recap for the  
briefing.

The upcoming  
mission will be  
your baptism  
of fire.

We must not  
fail! The world  
depends on us!

Yes,  
Captain!

About nine days ago  
the Agency  
apprehended Mr.  
Green aka the Reality  
Tinkerer and stopped  
him from activating his  
latest invention: The  
Reality Notebook!

The notebook has  
been taken to our  
base where it was  
put in the artifact  
safe room.

Seven days ago, the notebook has been stolen from the safe room nonetheless.

That's when the event we call "The Change" happened.

Obviously, the Notebook was used to reshape reality that day!

Our investigations have revealed this was all ex-fellow-agent Valdes' doing!

Here you can see a picture of Agent Valdes, who is known to the rest of the world now as "The Leader".  
Urgh!

Agent Valdes has reshaped reality according to his twisted fantasies.

We don't know if he has erased men from existence or turned them into women.

Fact is, all men but he are gone. And women think it's normal to follow his lead and dress up in skimpy clothing!

The world as we know has been erased!

Our sister bases have been compromised.

Thanks to our technician's anti-reality-measures taken just in time before "The Change"...

Our cell of agents remains, and we will fight this tyranny!

Agent Alcone, the mission plan, if you will.

Yes, Captain!

Our surveillance was successful, and we know which locations Agent Valdes frequents.

It's 99.99% likely that he will be at the local university today afternoon.

He's... well you know... with the female students there...

Since Agent Valdes  
has used the reality  
notebook to turn  
himself invulnerable  
to basically any  
weapon humanity  
knows of...

Our only  
hope is...  
you know...

Hit him with  
that...

For the purpose  
of infiltration...  
*disguises*... have  
been prepared.

A two-panel comic strip featuring Agent Williams, a blonde woman in a dark blue and red military-style uniform with a peaked cap and glasses. She is standing in a futuristic space station with a large window showing a starry galaxy. In the second panel, she is joined by a red-haired woman in a similar uniform. Speech bubbles contain dialogue about a distraction and a reality note.

Agent Williams  
will be distracting  
Mr. Valdes... with  
her body...

I'll... do my  
best there. But  
the guy has a  
reality note.

Basically, any  
women out  
there is his  
plaything.

I do not know  
if he'll show  
any interest in  
me.

He's still a man.  
And your body,  
excuse the  
expression, is  
super hot!

Recruit E...  
sorry... Agent  
Emmerik and I  
will block his  
escape route.

Yes, mam!  
He won't get  
through me!

Don't be too sure  
of yourself Agent.  
We do not know  
what else Agent  
Valdes has  
changed.

He might have  
superhuman  
strength by  
now.

Best case, the  
target has the  
reality note stored  
away and can not  
fight back with  
any changes to  
reality.

So, when he stops to write... Captain Gray and Agent Hendriks... will... err... I...

But of course, we have to assume he keeps it with him all day. But writing in that thing takes at least a little time.

Agent Hendriks and I will use the Bazookas on him.

Agent Valdes is not worth your concerns.

He might have been a fellow agent one day, but now he is walking the path of a villain.!

And we will take him down!

That concludes  
the briefing.  
Mission starts in  
T-30. Be ready!

**Captain!**  
May I interject?

What is it,  
lieutenant?

I propose a  
mutual  
masturbation  
session.

Ah. I... yes...  
We can't run  
the risk of any  
of us going into  
horny-haze!

Good  
thinking!

You heard the  
lieutenant.

Horny-Haze  
counter  
measures!

Disrobe  
now!

**Horny-Haze**, a natural phenomenon occurring with all women. If a woman has not climaxed for about 24 hours she runs the risk of entering horny-haze – a state of pure hornyness where all mental capabilities are shut down to make room for a single thought only – **PLEASURE.**

Many women try to avoid horny-haze to be able to fulfill their daily jobs though there are some seeking it out on purpose as the orgasms achieved during horny-haze are beyond compare.

Yes,  
Captain!

Engage with  
whoever you  
want. Just make  
sure to orgasm  
at least once!

Oh, Yes!  
Right there!

lick

rub

moan

Agent Alcone, if you please?

Yes, Captain!

Oh, my...  
I... I don't think  
I can... not in  
front of...  
everybody...

moan

rub  
rub  
rub

lick  
lick  
lick

moan

I guess I  
really needed  
that. \*Moan\*

Oh, wow!  
Thank you  
Agent.

You can stop  
now...

lick  
lick  
lick

rub  
rub  
rub

Getting together like this before a mission should boost the team spirit as well...

Damn it!  
This is not  
working out. I'm  
far too nervous!

rub?  
poke  
poke

Agent Hopkins. What seems to be the problem?

I'm sorry, Captain. I... I can't concentrate on the task at hand.

Is this your first group horny haze precaution measure?

Yes, Captain. So far I always did it in my room... If you'll let me withdraw I'm sure I can...

We can't have that. Time is running short.

Lay down, Agent. That's an order.

3 Days?!!  
Lucky girl!

3 Days?!!  
Poor frigid  
girl!

Are you  
sure that's  
necessary?

I usually can go  
three days  
without entering  
horny-haze.

It really  
shouldn't be  
an issue!

Not doing  
anything half-  
baked. Neither  
on mission nor  
in bed!

lick  
lick  
lick

moan

Oh, dear god!  
I'm.... I'm...I'm  
CUMMING!

Any time,  
girl!

I... err...  
Thank  
you!

Don't sweat it.  
That's what your  
fellow agents are  
there for!

Yes,  
Captain!

Alright. Enough  
with the pleasure!  
We've got a mission  
ahead of us.

Disguises have  
been prepared.  
Put them on and  
get ready for  
departure!

Moments later... the girls have put on  
their „disguises“.

Ah, it's not that bad. Reminds me of our mission in Budapest.

I can't believe we need to wear something like this!

Don't you dare mention Budapest!

Not fair! I look ridiculous. Give me yours!

No can do. Your fat boobies would never fit in here!

Tsk!

Who the fuck  
came up with  
these stupid  
disguises  
anyway...

That would  
have been  
me, Agent!

Sorry,  
Captain!

Shut it,  
Agent  
Hendriks.

You guys don't  
seem to realize  
the severity of  
this situation!

The fate of the  
whole world lies  
in our hands  
alone!

We can not  
afford to  
fail!

A woman with blonde hair and glasses is saluting with her right hand. She is wearing a white lace corset, white lace underwear, white lace thigh-high stockings, and white high-heeled sandals. She is standing in front of a metallic wall with a large shadow of a person saluting.

So, if we have to work undercover at night in the woods what will we do, Agent Alcone?

We will wear camouflage suits!

A woman with red hair is saluting with her right hand. She is wearing a red bikini top and bottom, and red high-heeled sandals. She is standing in front of a metallic wall with a large shadow of a person saluting.

And when we infiltrate an enemy base?

We steal their uniforms and dress up as guards!

And if the  
enemy dresses  
up as hookers  
and dirty sluts?

Then we  
dress up as  
hookers and  
dirty sluts!

**Good!**  
I'm glad you  
understand!

Then we  
dress up as  
hookers and  
dirty sluts!

Now,  
Move out!

And so, the last task force of “The Agency” prepares for their most important mission in all of human history!

Will they manage to stop Agent Valdes aka “The leader of the new world” and restore reality to its origin?

Or are they walking straight into a trap?

The fate of everyone's reality lies with these 5 skimpily-dressed ladies!

To be continued...

# Thank you for reading!

Hello, Hexxet here,

I hope you liked this comic. I'm usually not a huge fan of sex-themed special agent comics. They often turn out too serious/dark for me. But when I had the idea of "The World has Changed" I soon felt that a squad of agents fighting this new reality in a sexy/fun way would be the perfect match 😊.
