Commissioned Story

Love Bug Bite C

The return of the Suiciductress

Previously on Love Bug Bite, Marco faced off against the Suiciductress atop a tall building. The evil woman had taken his roommate Barbara and a famous reporter hostage to lure The Pheromancer out.

Once The Suiciductress realized that the Pheromancer was immune to her depressive sound waves she gives him a terrible choice as she forces both women to jump as she gets away. But the Pheormancer makes the impossible happen and manages to save both women!

Since then a month has gone by without further incidents. Thanks to Miss Fortune's good publicity the Pheromancer is now a known superhero around town and life is looking good... But the looming shadow of the Suiciductress still lays hard on our heroes heart. When will she strike again?

NOW!

Featuring:

The Suiciducctress ... A super villainess!

Marco... A Guy bitten by a modified bug AKA **The Pheromancer**

Barbara... Marco's flatmate, now part of his harem

Jessica... One of Marco's harem girls

Nicole... One of Marco's harem girls

Irene... a famous reporter of gossip at Channel 69

Lucine... a cop

Gabriel... a cop

We join the Pheromancer enjoying his favorite pastime...

Oh, you girls are so good to me!

And we love playing with your gigantic cock!

I've never seen such a big one!

I could suck on it all day!

giggle
We love you, Marco!

I love how wet you are.

Moan

Oh, yes!
Shove it in!
Give it to her!

Do it!
Put it in!
I'm ready!

His cock is
so deep
inside a' me!

I love his
tongue on
my clit!

Nanana

You gotta answer that?

Nanana

Oh, no!

Hell, yes I do! That's the Phero phone!

Listen to me Jess.

Look at me!

This is not about your pleasure anymore.

I'm gonna pick up that phone, and you'll get Marco off ASAP.

There might be a mission! And you know what happened last time he had to go on a mission while horny!

Give it to,
Marco!
Fuck me!

Moan

Oh, yes!
I'm gonna
ride you like
never before!

Take care, Marco!

Alright!
I'm gonna go
and take her
down now!

Sorry I was
not able to
get you off.

Don't
approach her
head-on again.
Try to sneak up
on her!

And don't
worry about
us...

Though...
could you hit
us up with
some of your
pheromones?

I'm really
horny, but I
I'm not really
into girls...

Yeah, me neither.
But with you or your
thingies around I
don't care who's
licking my Cooch!

Well. I'm
still here,
love.

And he's
gone. Darn,
he's fast!

Phew!
I really
needed that!

What?

Yeah, you
tell me!

Though...
you know
what?

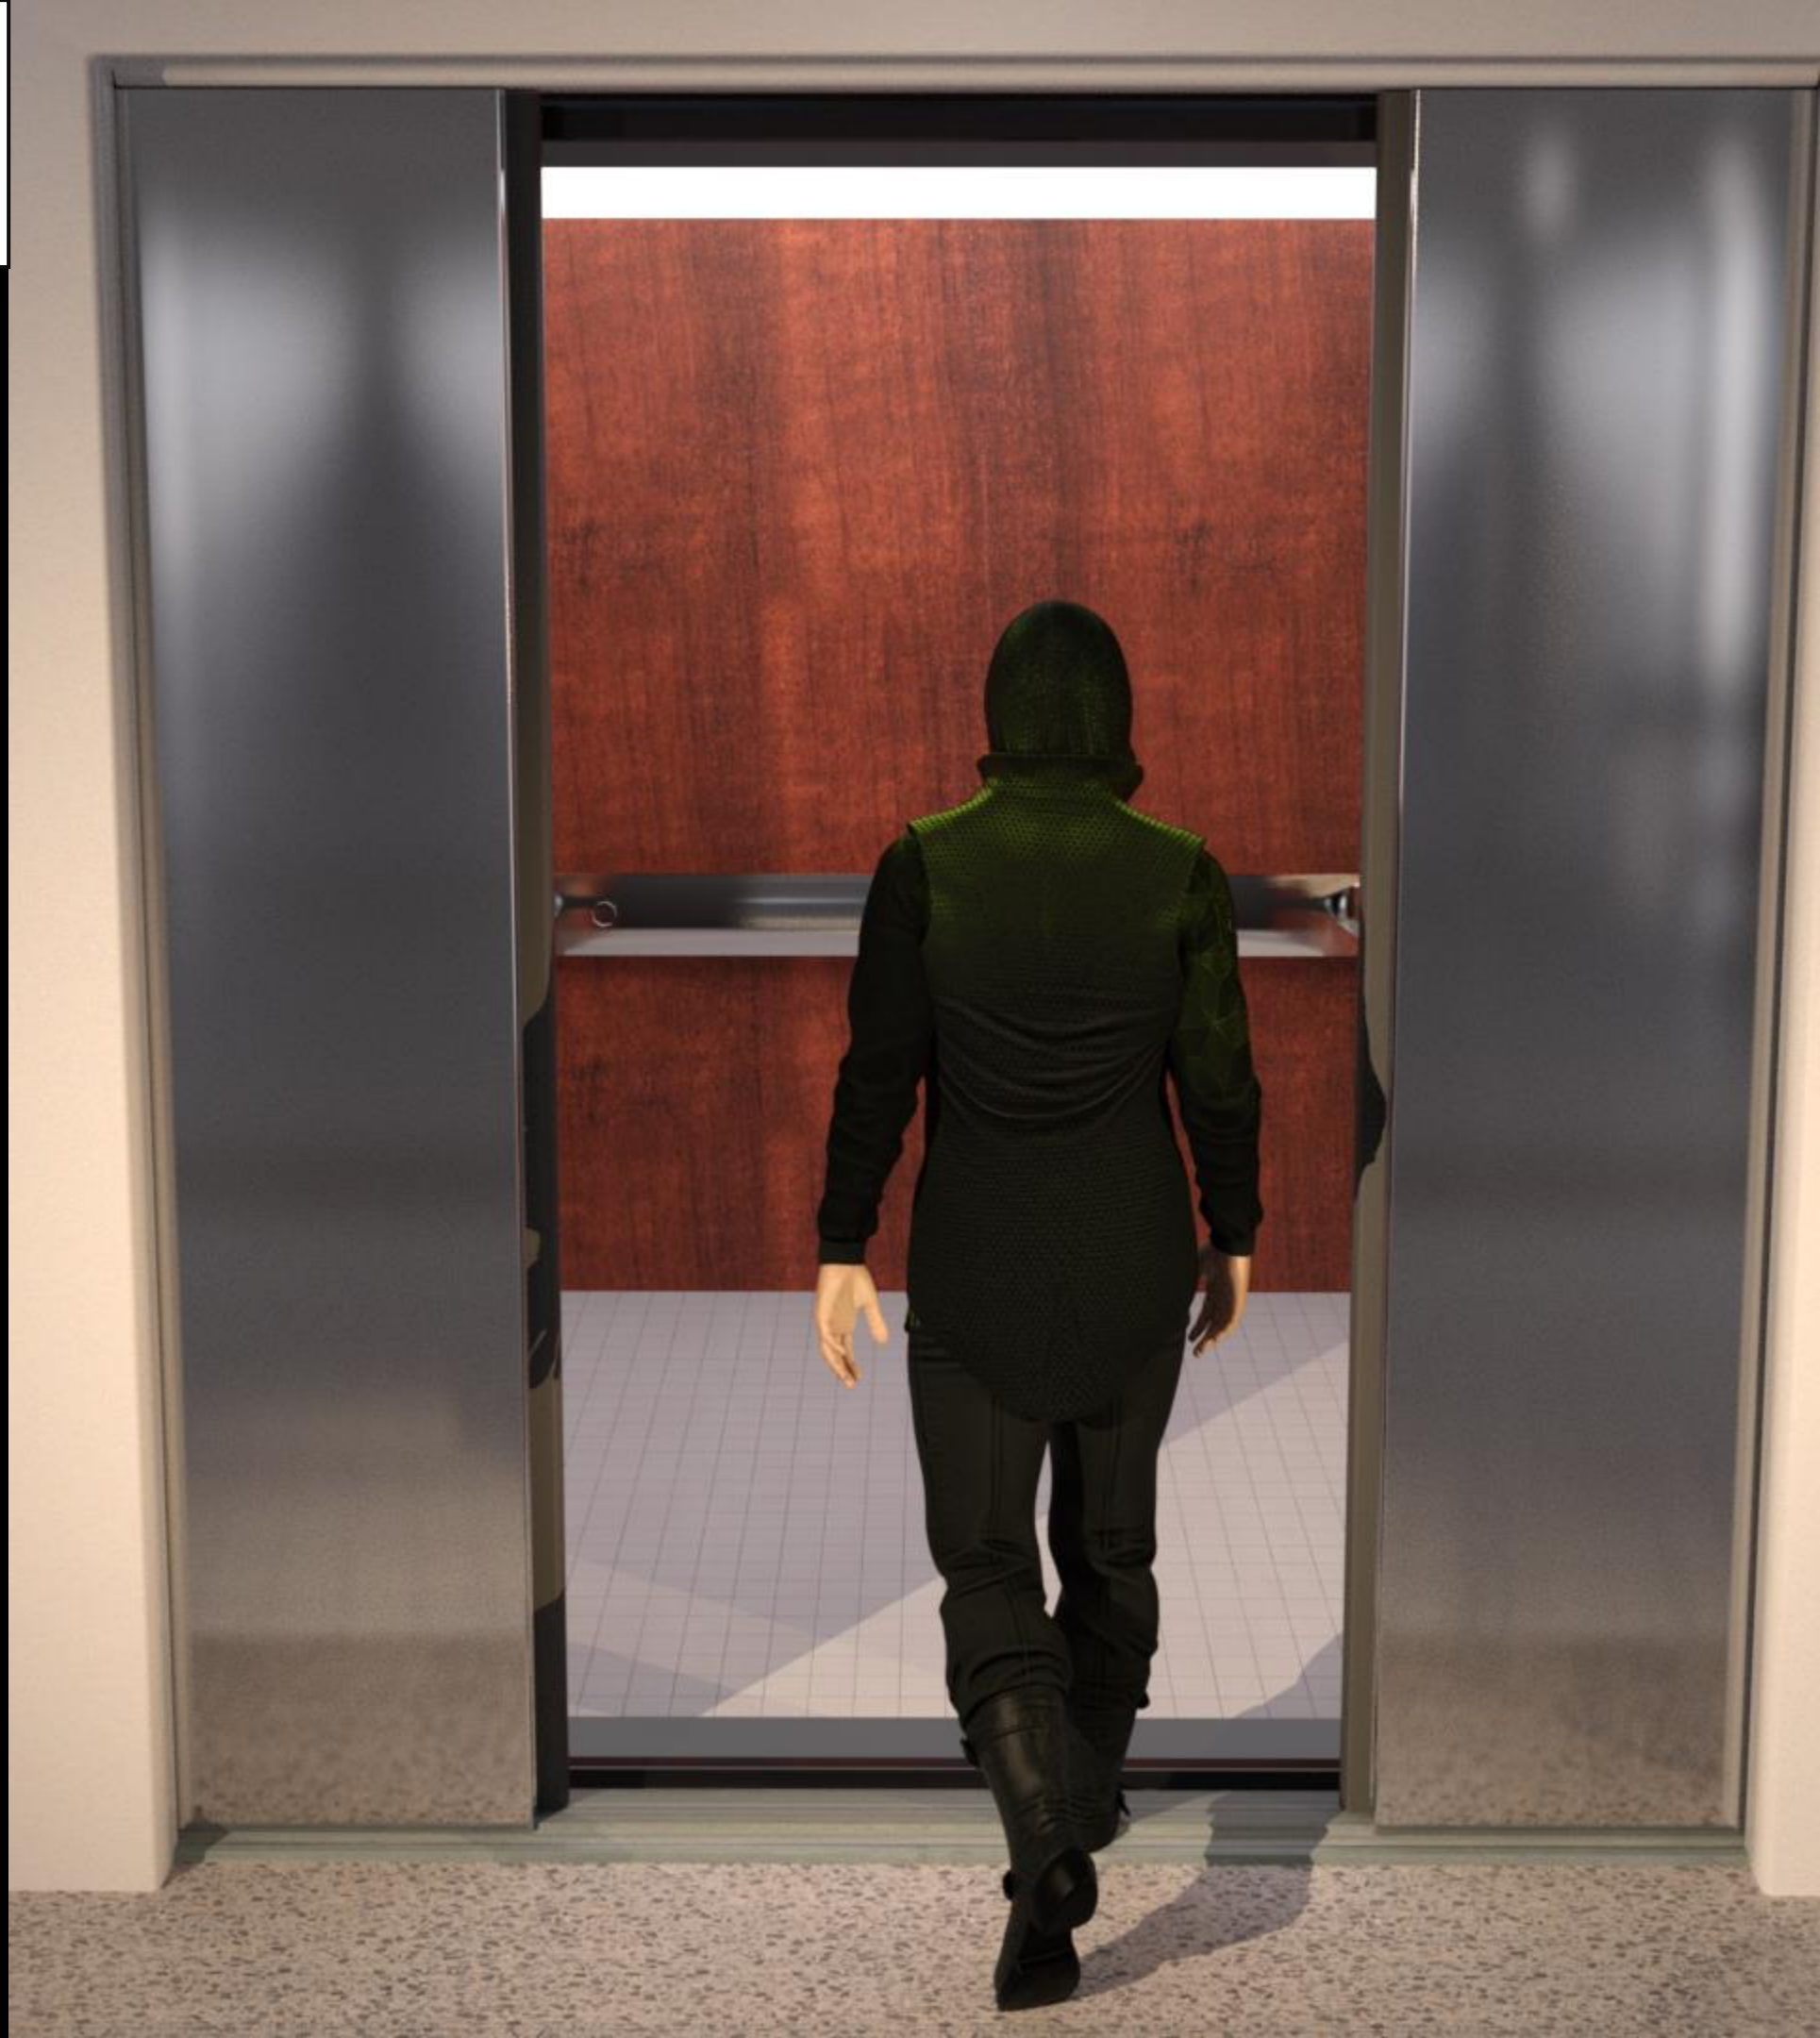

With all these
threesomes and
orgies going down
here...

We should
really buy a
bigger bed...

In the meantime, the Pheromancer has made his way to central plaza and the tallest building in town...

Like any other human being, the Pheromancer hates stairs. Especially a hundred cases of them. So, he takes the elevator.

Most people can take a hint and do not enter with our hero in green standing there all battle ready...

But some people are just too focused on something else.

Aren't they all?

Now, that was another useless meeting.

Wanna go
for lunch
later?

Awkward!

Sure!
Chinese
again?

And some are just fucking curious!

The Pheromancer?
Isn't he just an urban myth?

I hate elevators!
I should have taken the stairs!

Who's the Pheromancer?

whisper
Unlikely. Maybe they are filming a movie?

whisper
Hey, isn't that the Pheromancer?

Finally, the elevator reaches the top floor and the Pheromancer is that much closer to his target.

Though, there is no real way up to the rooftop, so he takes a window...

Atop the tallest building in town, the Pheromancer is faced with a ridiculous sight!

A midst what seemed three fucking tall speakers the Suiciductress is tabbing away on a touchpad.

Look who the
Cat dragged
out.

If it isn't the
Pheromancer.

Give up now, lady! If
you come with me
peacefully I put in a
good word with the
authorities.

Sure!
A month of
preparations. Let's
just scratch that
and get myself to
prison. **giggle**

**I'm not
joking!**

**This is
your last
warning.**

Uhhh!
Somebody is
grumpy today.

Guess you did
not like the stunt
I pulled off with
your roommate
last time.

I won't
hold back
this time!

Surrender!
Or this is
gonna hurt!

Oh, no!
Please!
Don't hurt
me! *giggle*

Is everything a joke to you?

I am immune to your powers.

Don't you see the futility of your actions?

Adapting my voice to a frequency that can penetrate his bug hearing was easy.

But developing something that can induce the melancholy instantly... that took some time...

Hey!
I'm talking
to you!

What are
you...

You think I take
one month off,
without thinking of
Anti-Bug-Counter-
Measures?!

Meet my newest
invention!

Wha... What
is that?!

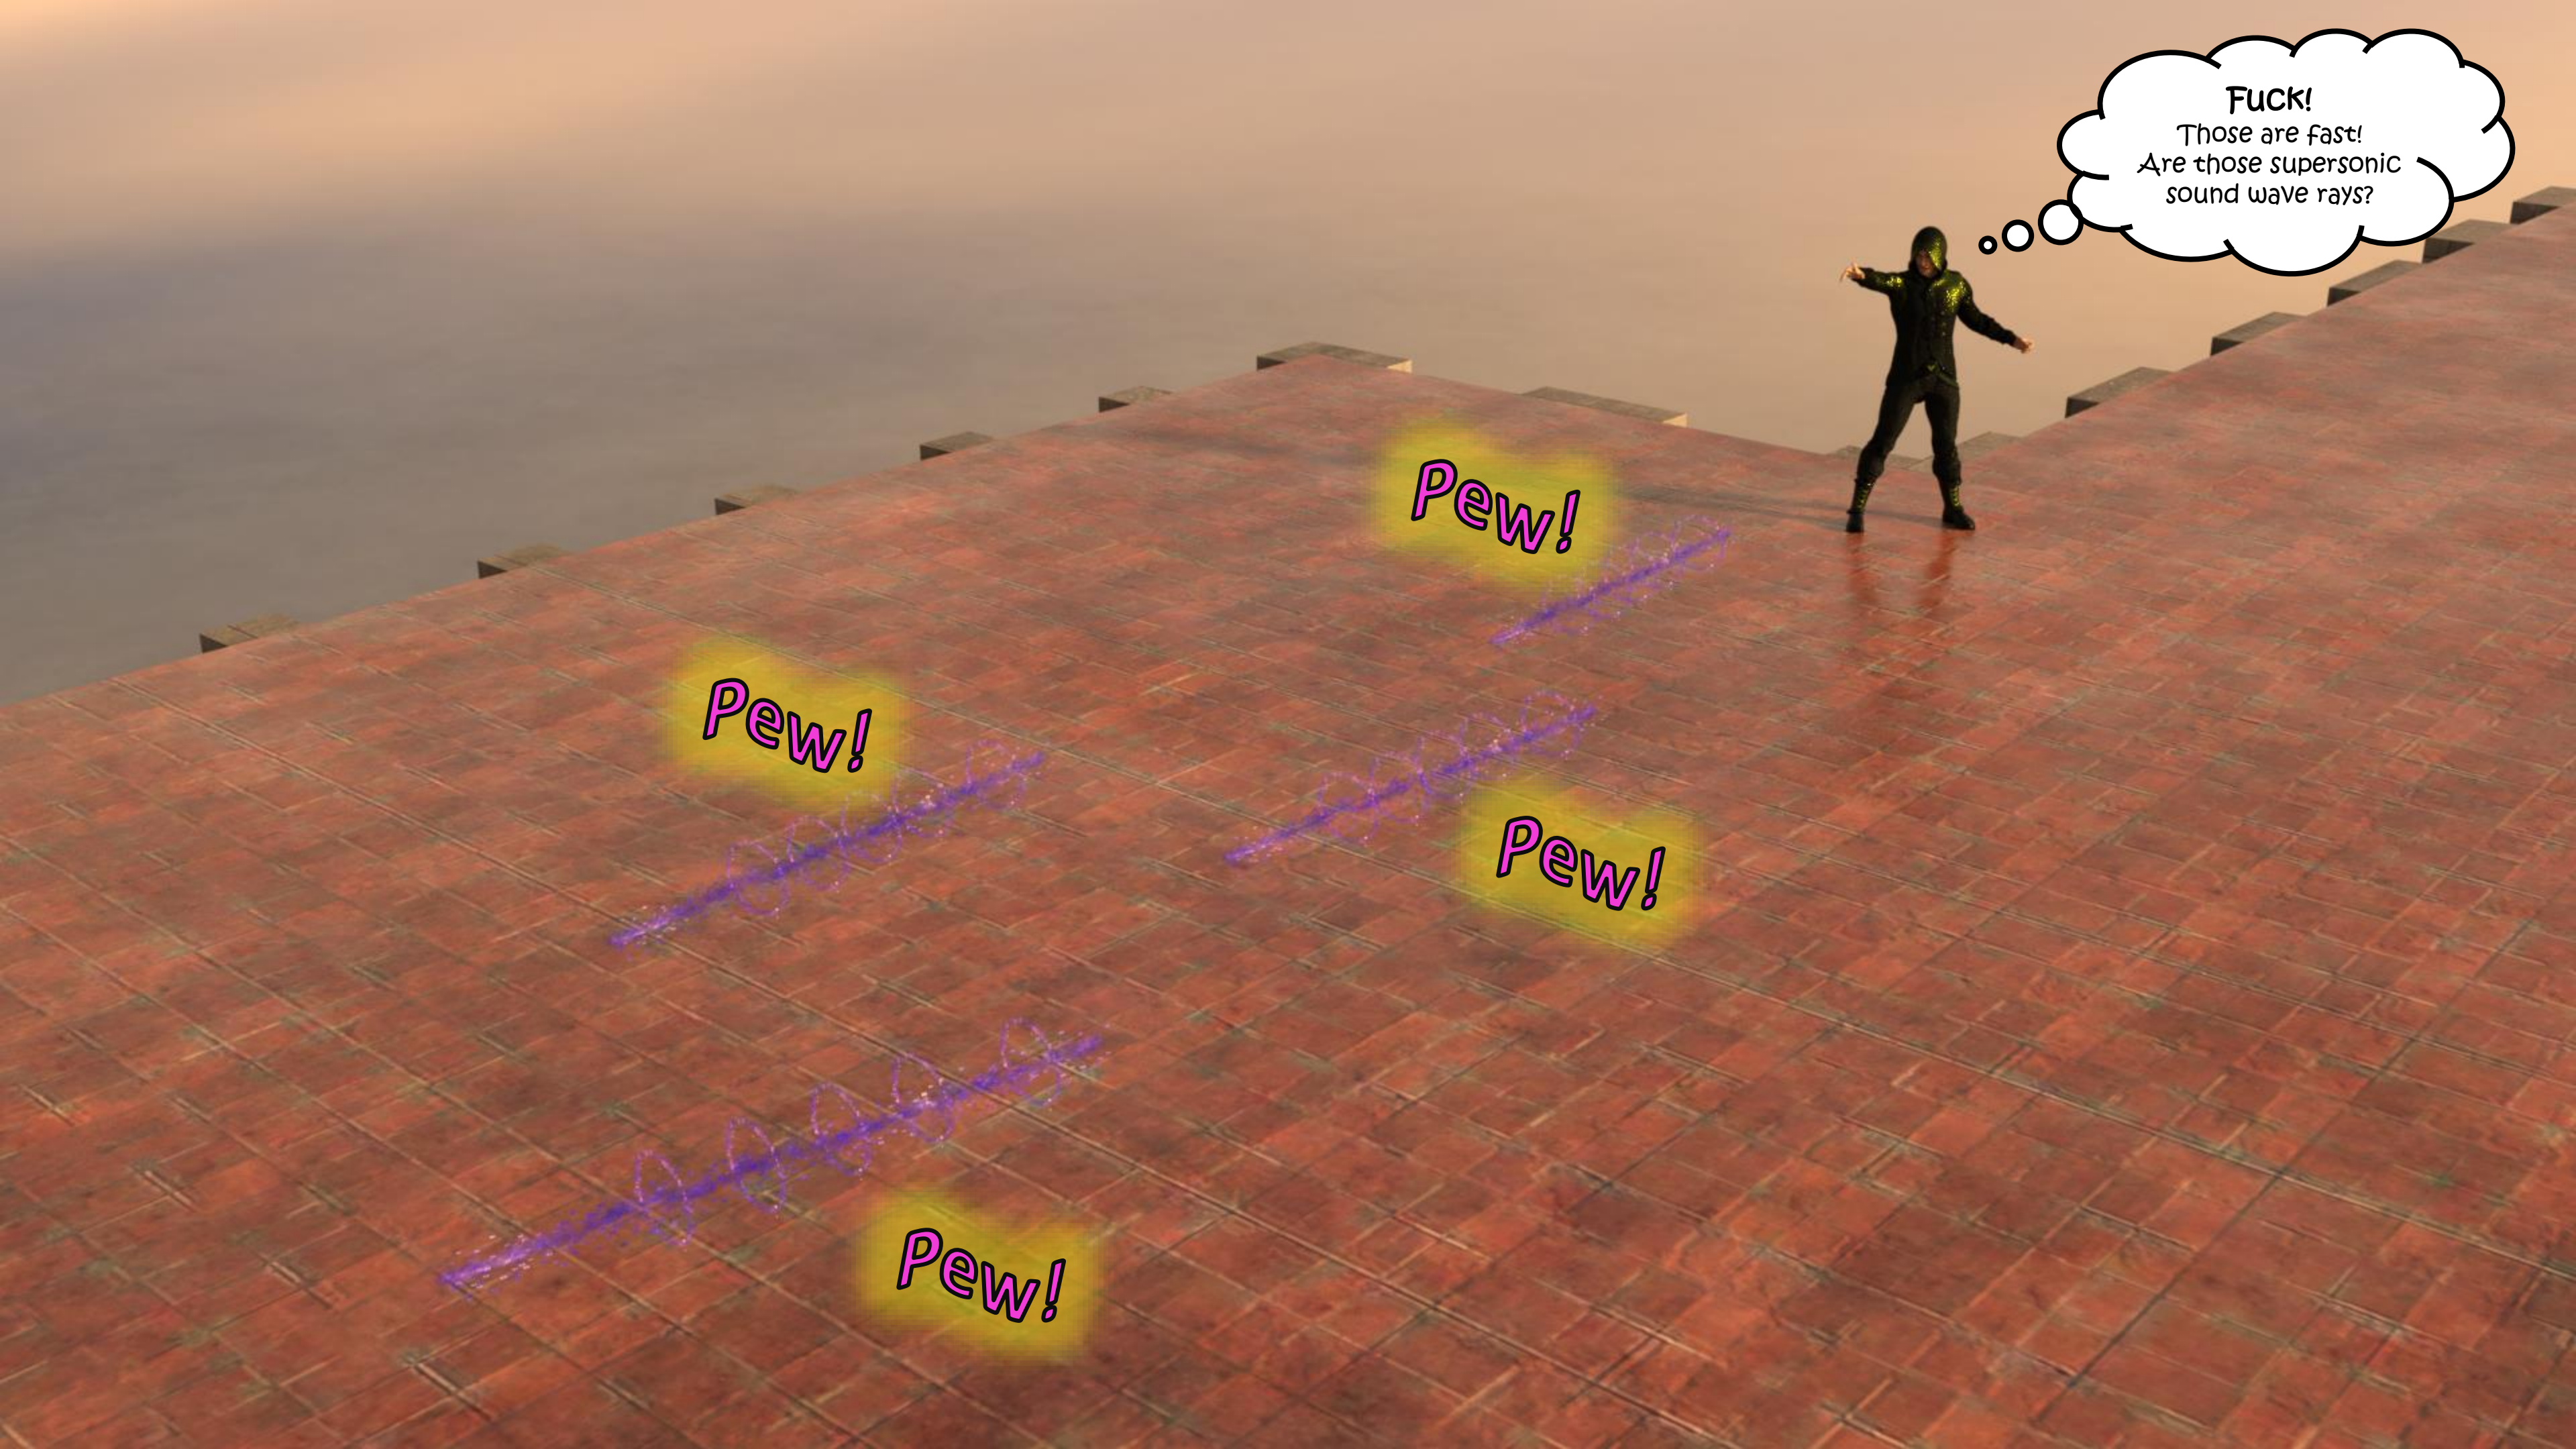

Die!
You stupid
bug!

Pew!

Pew!

Pew!

Pew!

Fuck!
Those are fast!
Are those supersonic
sound wave rays?

Pew!

Pew!

Pew!

Pew!

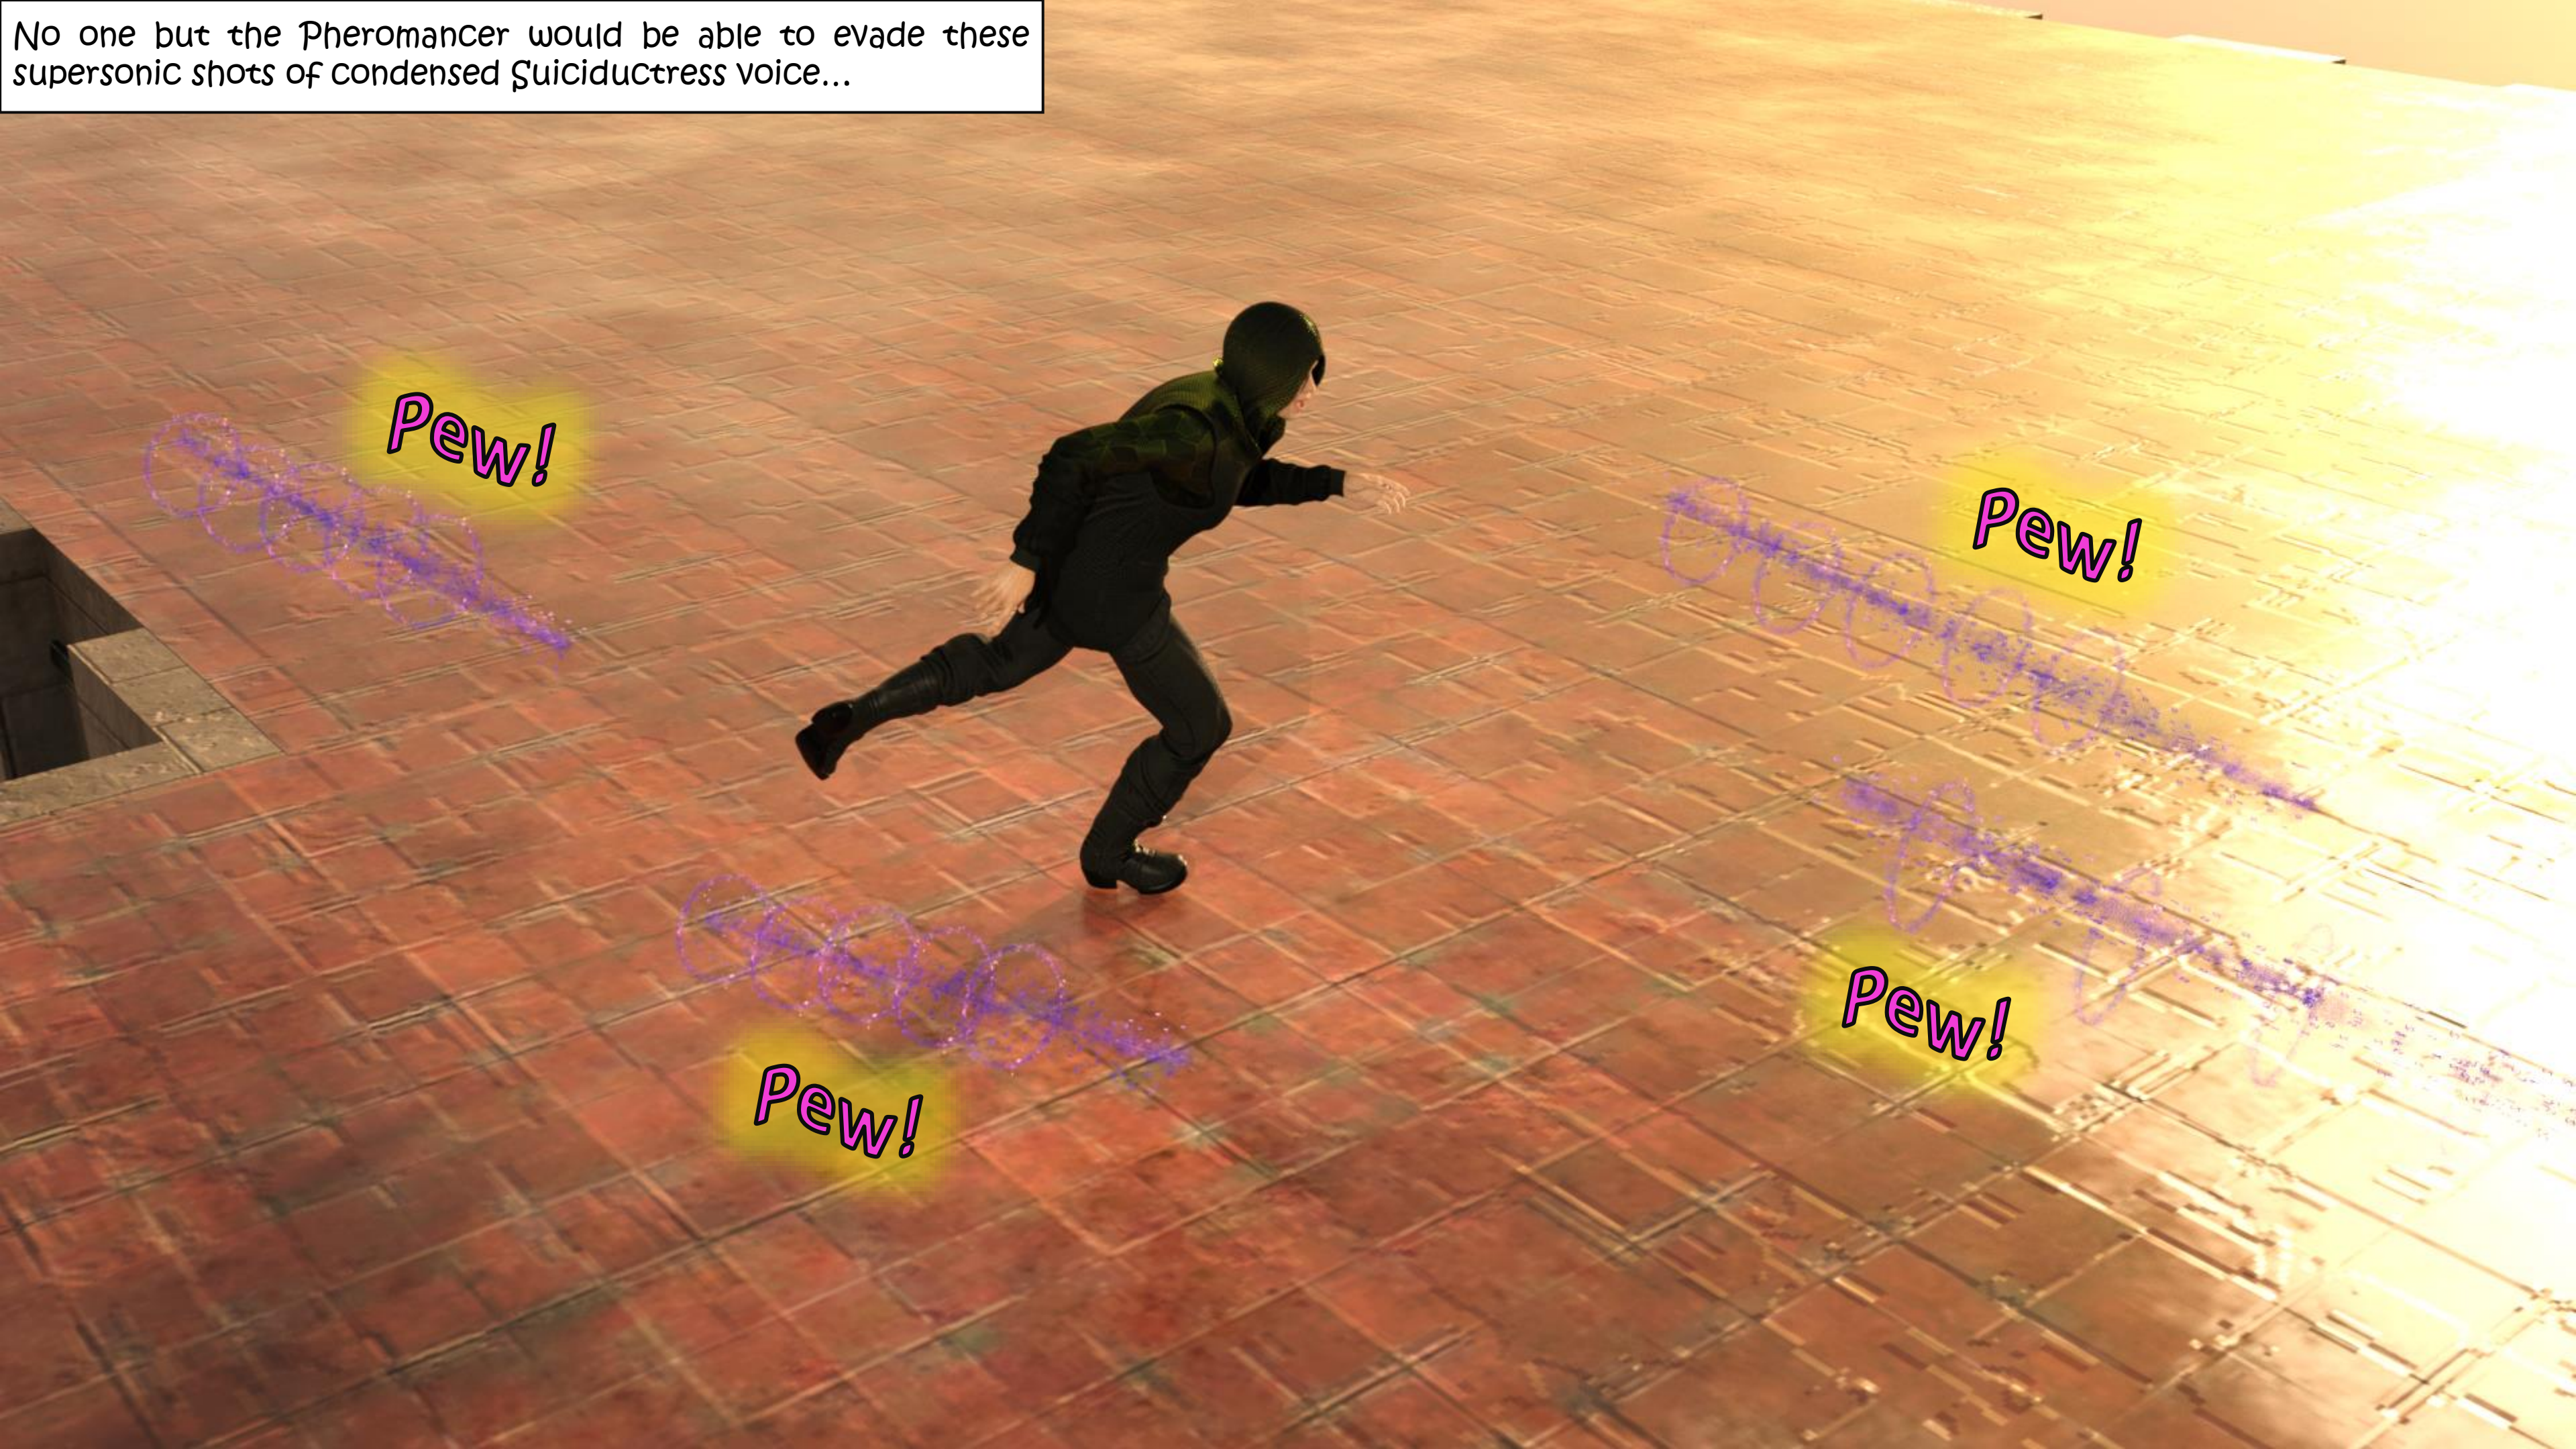

Arrrrgh!
Hold still you
useless Critter!

Pew!

Pew!

Pew!

No one but the Pheromancer would be able to evade these supersonic shots of condensed Suiciductress voice...

But that's all he is able to do. No matter how hard he tries. He can't close in on the evil woman.

Oh, for
fucks sake!

This is getting
boring!

Time's up,
bug-boy!

I just need to press
this button here and
my depression-inducing
soundwaves will hit
the whole city.

I won't
let you!

Release!

Just one
little tap...

Raaaar!!!

ROAR

Ha-ha!
Stupid bug!

I knew
that'd draw
you in!

You are
wide open!
Bug-Boy!

Charging

pew!

Gotcha!

No way...
FUCK!

Urrgh.

What am I
even doing
here?

The Pheromancer might be hit by the Ray of Melancholy, but it does not stop him in mid-air. The inertia carries him on and he crashes into the Suicidutress...

Stunned from the impact the Suiciductress blacks out as the Pheromancer succumbs to the after effects of the Ray of Melancholy...

Arrhh. Wow.
Wonderboy hits
like a truck!

He was so
rough! Guess I
teased him too
much.

Now, where
is my lovely...

Wonderboy!

NO!
Don't do it!

NO!
Don't do it!

Let's end
this bug's
life...

NO!
Pheromancer!
I need you! Love
of my life!

THUMP

The Pheromancer has hit the ground!

With her glider thingy, it does not take long for the Suiciductress to get down and mourn the love of her life - all her evil plans forgotten.

Oh, god.
What have I
done!?

sob

sob

sob

The situation looks grim...

But the Pheromancer's body seems to be more durable than thought! (Also, he did not fall all the way down to the street but only to a midsection of the building!)

Pheromancer!
You live!?

cough
cough

He lives! But he's still under the effects of the Ray of Melancholy!

Pheromancer!
Are you alright?
I'm so sorry!

Damn this
indestructible
body!

I can't even
end my misery!

Maybe a
volcano will
do...

But after some time the Suiciductress finally gets through with her persuasive voice...

Listen to me!
Life is precious.
You want to
enjoy living.

Please!
Forgive me.
I love you!

I'm so sorry!
I'm so sorry!
I'm so sorry!

Oh, wow.
That was...
a nasty trip.

You know...
You need to
turn yourself
in.

What?!
No! Please!
Anything but
that! I just wanna
be with you.

Evil deeds
Can't go
unpunished.

But you need
to fuck me
right now!

Okay! Okay!
Fine! I turn
myself in!

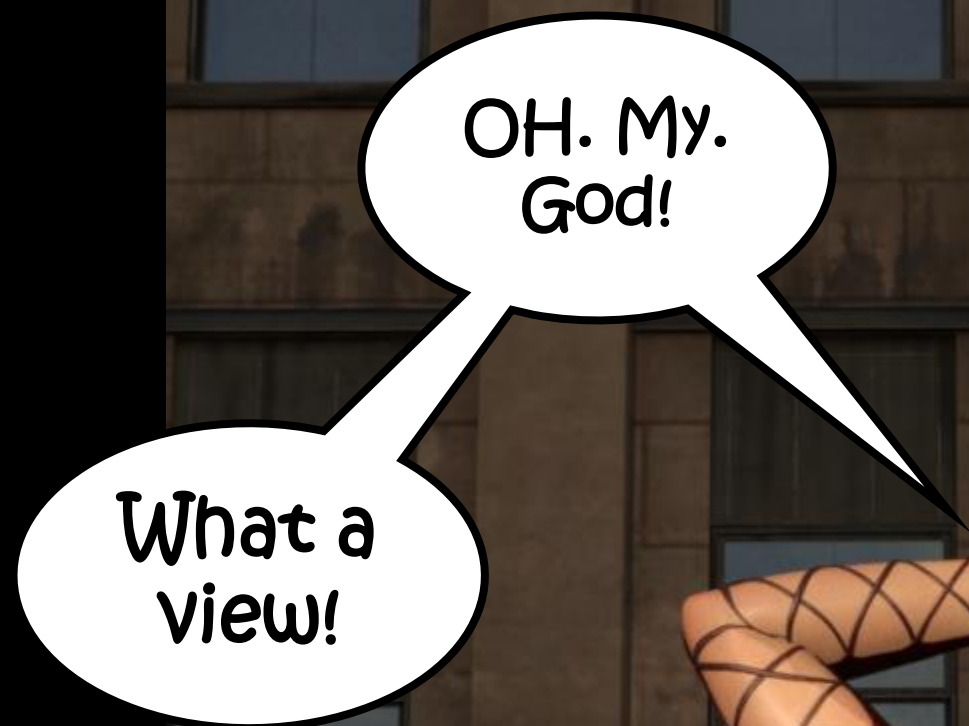

I can't believe
I'm even
considering
this...

Wha...?

But I guess I
should enjoy
life more.

Moments later...

Enjoying the beautiful scenry...

All these people
down there look
like ants from
here... or bugs.

Groan

Hey... say...
Could we turn
around? I'd like to
enjoy the view
some more.

Thanks,
love!

What a
beautiful
sunset.

Moan

fap
fap
fap

Now let me
ride you into
the sunset!
giggle

Moan

Oh, fuck!
I'm close!

Groan

I'm cumming!
I'm cumming!

Groan

Thanks!
I really
needed that!

It was
great.

You will keep
up your end of
the bargain?

Oh, how very
romantic of
you...

But yes.
I will stand to
my word and
turn myself in.

Just promise to
visit. And let us
enjoy this sunset
for a little while
longer.

But every sunset comes to an end and so it finally is time to hand the Suiciductress over to the local authorities.

You do not have to say anything. But, it may harm your defence if you do not mention when questioned something which you later rely on in court. Anything you do say may be given in evidence.

No wrong move, lady!

I love you,
Pheromancer!

It's a long story...

Thank you, Pheromancer. You've done this City a great service today.

But what was that about the Suiciductress being in love with you?

And that's how the Suiciductress got caught, and The Pheromancer became a hero known over the whole town. Of course, the Pheromancer and his girls are watching this from their TV at home 😊.

The Suiciductress was about to flood the city with psychotic sound waves.

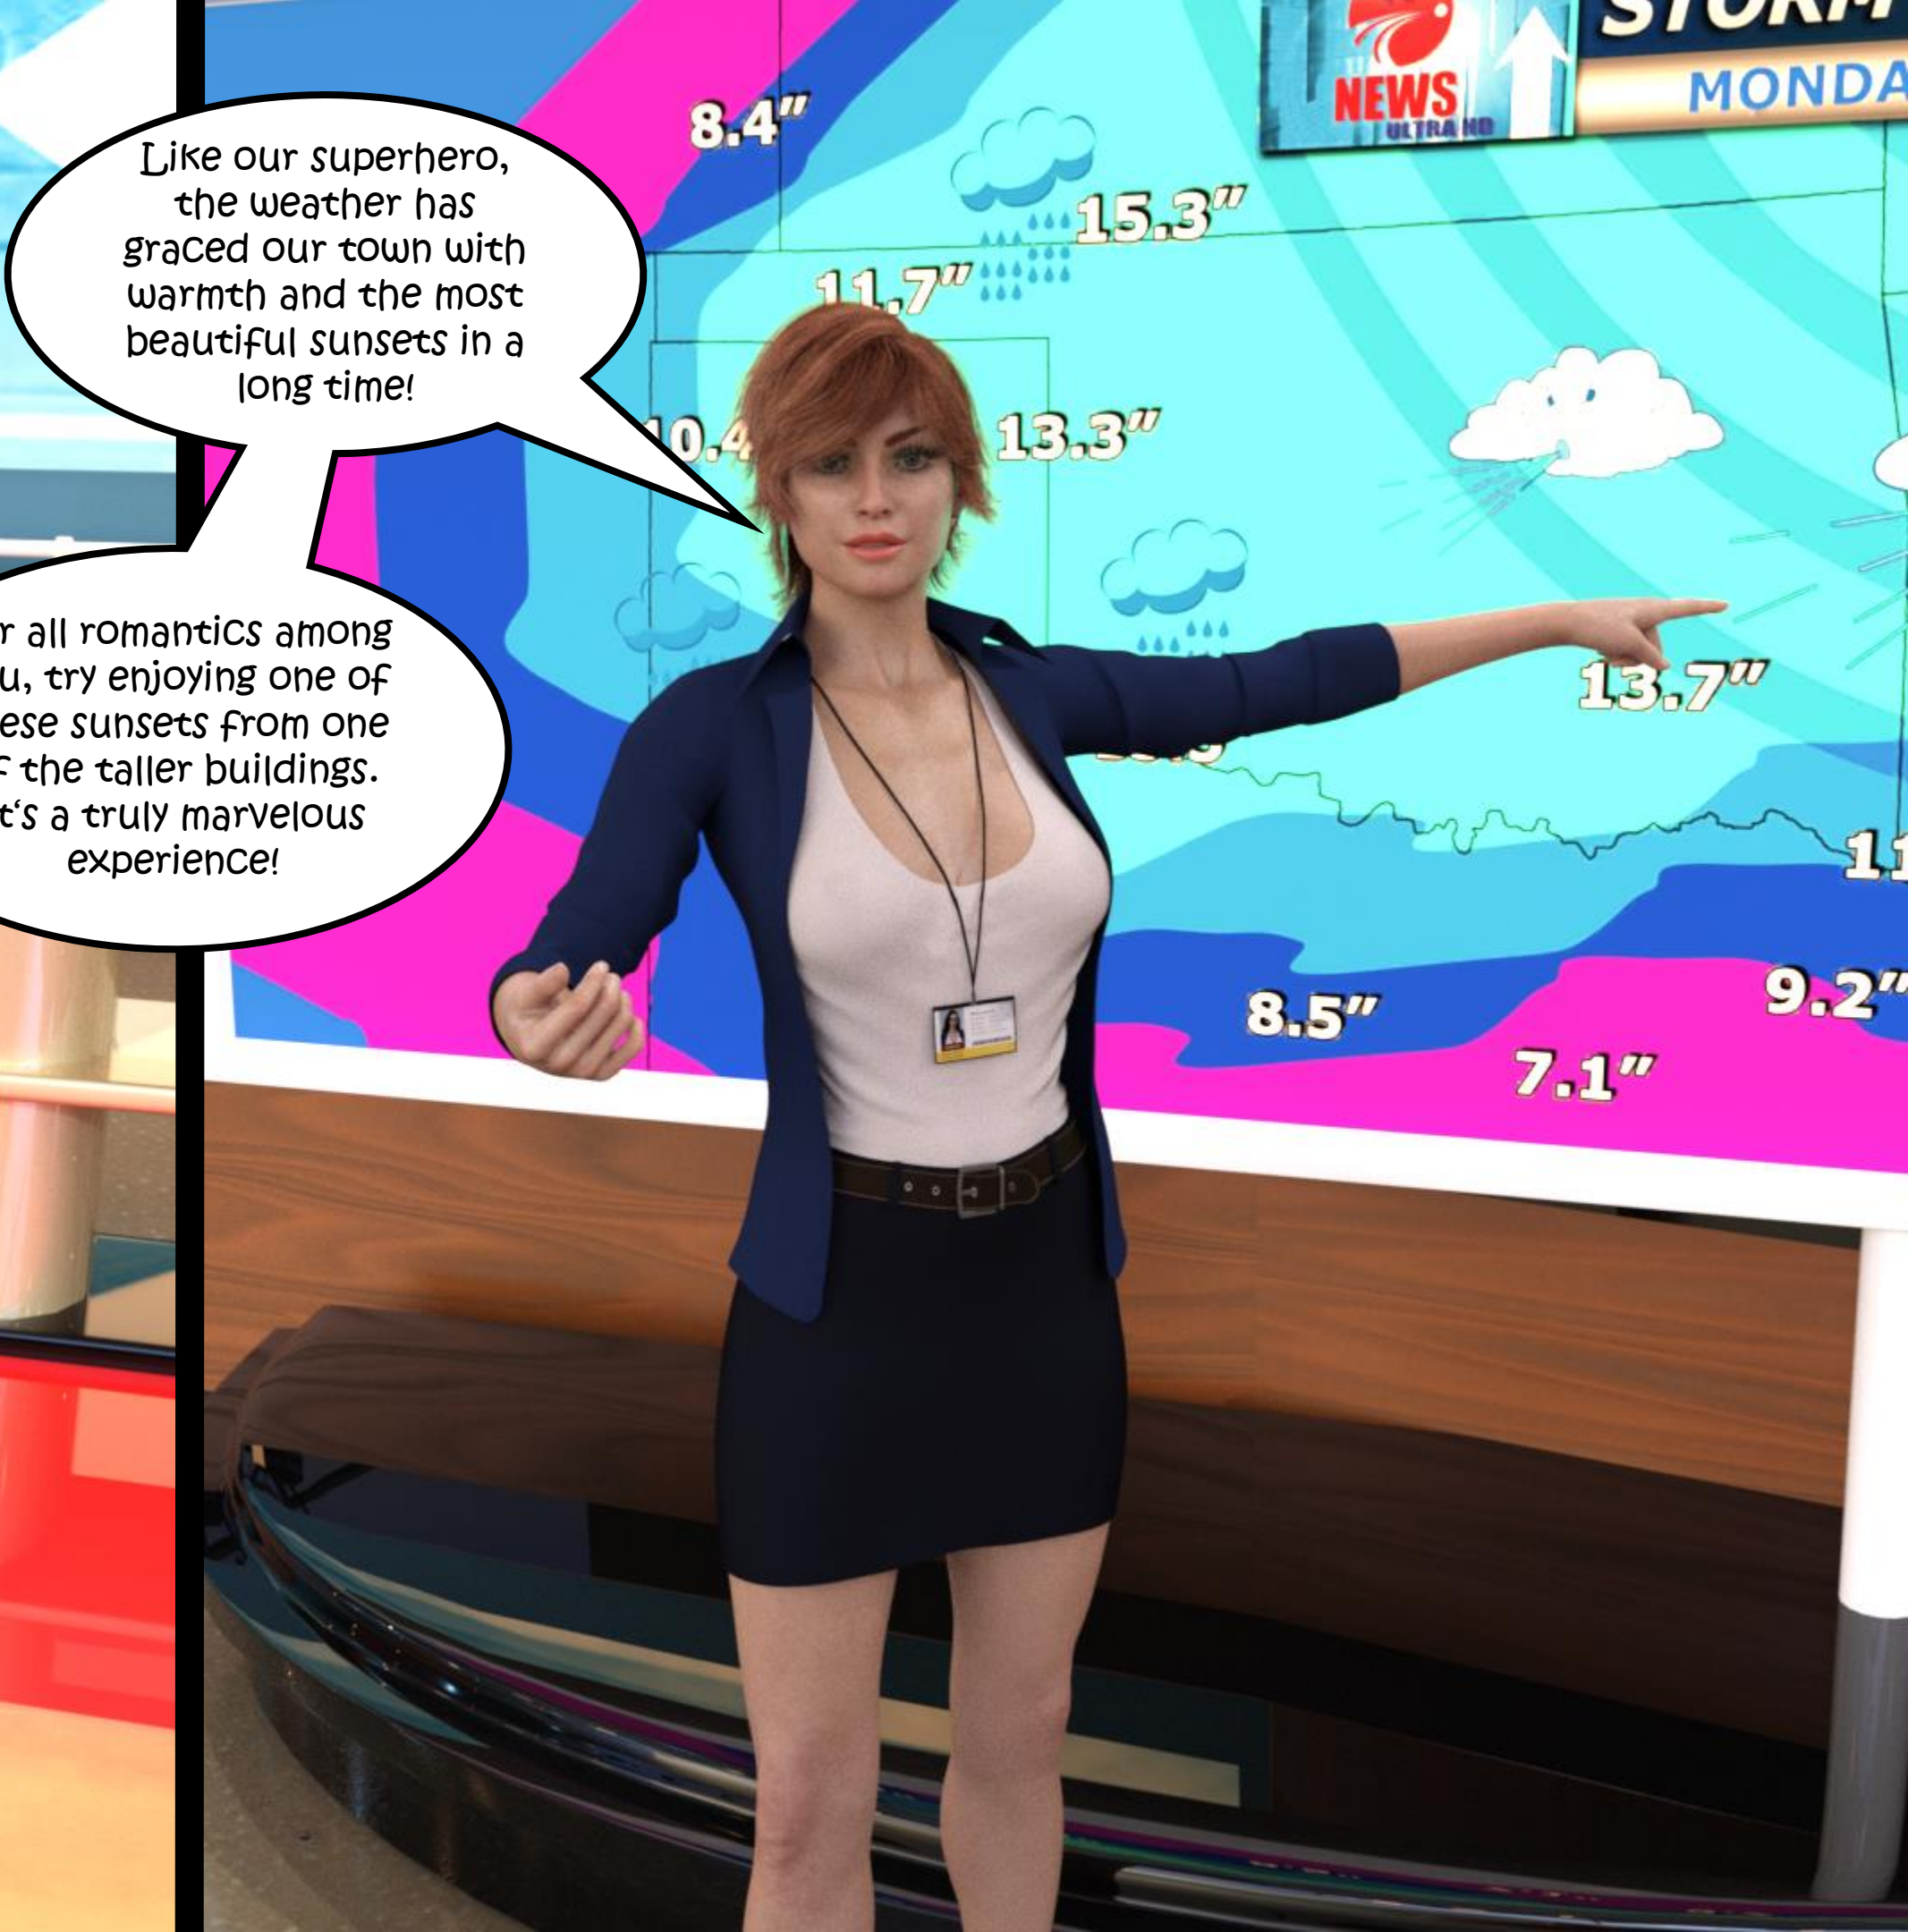

That would have killed almost every single inhabitant of our beloved town!

But the
Pheromancer
stopped her at
the last moment.

Thank you
Pheromancer!
Thanks to you we
can sleep safe and
soundly once
again!

You are
our hero!

I knew you
could do it,
Marco!

And now,
everybody
knows you are
a true hero!

Thanks, girls!
Thanks for believing
in me. I could not
have done it
without you!

Seriously?
These bars can
never hold
me...

But I promised
my lovely
wonderboy...

I hope he'll
visit soon...

And so our story ends. With the Suicidutress behind bars, everything goes back to law and order in town... Thanks to her statements and Marco's and Miss Fortune's intensified investigations, Redcliff Industries was sued for polluting the sea and the name of the Pheromancer echoed through the media like wildfire.

The End?

Eight months later...

Huff!
He kicked again!
He is a strong
one! Just like
his father!

I hope he'll get
his father's
body...

I wonder
what super-
powers he'll
inherit!

And my
voice...

The End.

Thank you for reading!

Hello, Hexxet here,

I hope you enjoyed Love Bug Bite 2. The three-chapter long Suiciductress arc came out longer than expected, but now it is finished.

I know this one is using less direct eye-fazing MC than my other comics, but I think the pheromones make for a nice change. **Also, that sunset fucking scene was awesome, was it not?** 😊
