Somewhere, somewhen in the world of Mundo Magico...

Office Party  
Commissioned Story  
Mundo Magico  
Mind Control Supervision Seminar

We are back in Mundo Magico! Everybody in Mundo Magico gets a special ability when they turn 18. Victoria was gifted with a rare gift – the power to control another person’s mind by establishing eye contact and touching them. Since Mind Control is a very strong and dangerous skill, it is strictly regulated in society. Twice as much for Victoria who is working in law enforcement. So on regular intervals, she has to attend „Mind Control Supervision Seminars“ where the participants are reminded to not abuse their gifts etc. bla bla bla...

Victoria is happily married, but her husband is currently working overseas and she rarely sees him. So, currently, she’s only living with her two stepdaughters Elizabeth and Stephany in the huge house.

We join Victoria as she returns from one such „Mind Control Supervision Seminar“. She’s greeted by her step-daughter Elizabeth who seems troubled. Maybe some of Victoria’s powers can help ease her mind? But what is that? Where are these thoughts coming from? Maybe that Seminar did not have the intended effect at all!

Back at the Mind Control Supervision Seminar. The attendees are in a deep hypnotic trance listening to the host... Is that normal protocol for these seminars?

And on the count of three, you'll wake up. You'll feel refreshed and embrace these values.

One.

Two.

And three!

I've learned so much! You are a great lecturer.

Thank you so much for the lovely seminar.

**Thanks!**  
I really got my heart into this seminar. So, don't do anything nasty with your gift or I'll have to come after you. \*chuckle\*

**Ha-ha!**  
I will remember that then. \*giggle\* Nah, Don't worry. I'll embrace these values wholeheartedly.

When Victoria gets back home she is  
greeted by her step-daughter Elizabeth  
who has trouble focusing at school stuff...

Wanna talk about it?

Not really...

Wanna try out what I've learned?

And it will help me focus?

Sure. So?

Ok. Fine!

Help get my mind back on school stuff.

Don't do anything else!

Especially nothing creepy!

Of course not, honey!

A woman with short brown hair, wearing a white pilot's uniform with a dark blue tie and epaulettes, sits on a light-colored couch. She is looking towards the other woman and has her hand near her mouth as if speaking. The background shows a modern living room with a white sofa and framed pictures on the wall.

So, Elli, tell me.  
What is it that's  
distracting you  
from school?

A woman with long brown hair, wearing a white tank top with the word "HOPE" in gold letters and dark pants, sits on the same couch. She is looking towards the pilot and has a slightly nervous expression. The background shows a modern living room with a white sofa and large windows.

It's Jake... we ...  
kinda got drunk  
at the last party.

And... we snuck  
back into a stall,  
and I blew him...

Now... everything I  
think about is him  
going down on me...  
but I don't know if I  
should just ask him  
to do it... or...

You filthy slut!

Oh my god!  
Why would you do such a thing!?

I am a filthy slut.

You know, in my job I arrest people for something like that.

You dirty whore.

I can't believe you'd do such a thing.

You're not better than some common street hooker!

I'm a dirty whore.

... Street hooker...

HOPE

The lingering suggestions from that seminar are rushing through Victoria's mind as her step-daughter sits there in a mindless helpless trance...

After waking from the trance Elizabeth has a sudden desire to dress really slutty...

And there we go. One slut to go!

This will show her! Don't you test me, mother!

Obviously, Victoria could not resist installing a little post hypnotic suggestion within Elizabeth's mind while under. The poor girl has to do anything her step-mother tells her!

Uhhh!  
No panties!  
Kinky!

You can  
stand back  
up again.

Oh, god!  
Mom! What is  
going on?! Why am  
I doing everything  
you say?!

You did  
something to me,  
didn't you?!  
You've used your  
powers on me!

What are you doing to me?!  
**Why?!**

Oh, my sweet girl. Have you seen yourself in that dress?  
That's why!

Now let me tell you how this is going to work from now on.

You love following my orders.

No! No!  
Not again!

I love \*kiss\* following your orders \*lick\*, Mistress.

*kiss*

Good girl!

*lick*

O.M.G.!!  
What the hell  
are they doing?!

No way!  
Sis... and  
mom?
