It was a normal day at school, and I was just entering the campus...

Notice: While this comic features a school setting all characters are over 18!

Next

Morning
girls.

Hi.

whisper
He's kinda
creepy.

whisper
He's from my
class. He's fine
- he just looks
funny.

Next

Yeah.
I actually
heard that...

Those two are
Lisa from my
class and her
older sister... I
don't know her
name.

Now I wouldn't
say that I "do
look funny"...

... but I guess I
am not playing
in their league
either...

Next

Pitying myself a little I go into the locker room to get my stuff when I suddenly hear somebody behind me...

Next

Oh... Bella...
Hello.

Wh... at...
no! I just...

O.M.G.!!
Did you really
just try hitting
on me?

Zip it!
Don't even
try, loser!

Next

Yeah... that
was a mistake
on my side.

That was
Bella, the
hottest chick
in school.

And she
knows it. Hell,
everyone
knows it!

I was just so
surprised when
she turned up
behind me in the
locker room...

Anyway...
gotta get my
ass to class!

Next

One math lesson later...

Next

Did you understand any of that?

What we gonna do?

Nah! Math is so boring.

Follow my lead.

Next

Me?

Hey,
there!

Yeah. Of
course, you.
Who else,
sweety?

You're so...
smart... could
you do us a
teeny-weeny
favor?

Next

Please
don't judge
me!

The blonde one
is Beth and the
brown-haired
one is Jenny.

They are
both from
my class.

I know they are
only after a
completed math
homework...

But they are
hot! And they
talk to me!

So yeah... of
course I said yes
and shared.
Sue me!

Next

Ring

Ring

Hey Amy,
what's up?

Schools over...

Try me!

I don't know.
School was a
bit exhausting
today...

Alright
alright! I'm
on my way.
See ya.

You won't
believe what
I'm about to
tell you!

Nah. Not
over the
phone. Can
you come
over?

Oh, please. I
wish you came
over. It's really
important to
me.

Next

Heya!

So...
what's so
important?

WHAT!?
Are you
okay?

So... I got hit
by a car in the
morning and...

Wha... err.
Yeah. Thanks.
But that's not
what I'm trying
to tell you.

So, I got hit by a
car... And ever
since I came to...
I... I think I'm
Omnipotent!

Next

You see... ever
since the
accident... my
wishes kinda
come true!

**It's crazy! I
know! But...**
Somehow, I got
godly powers all
of a sudden!

Next

That's Amy,
my best friend
for many
years.

She's very
intelligent,
loves math and
we can talk for
hours.

But right
now... I think
she's going a bit
cookoo.

Next

You don't believe me, do you?

Yes...

No?

Oh, don't
be like
that!

Humor me
and take a
look out'a
the window.

What do
you see?

Next

Oh, shove
that sarcasm
up your...

Humor me
and take a
look out'a
the window.

What do
you see?

Next

The street... Blue sky... your stacked MILF neighbor hanging out by her pool...

Your point being?

Oh. I see!
I **wish** you were able to perceive the changes my wishes cause.

Next

Oh, my
god!

That...
that was
you?!

The sky! It's
blue! The
fucking sky
is blue!

Yup!

Next

A man with a beard and a blue shirt is looking at a large orange sphere. The background is a textured, greenish-yellow color. The man's expression is one of confusion or concern.

I know this is probably quite confusing to you guys, as you are not perceiving the changes Amy does... But the god-damn sky is supposed to be yellow!

She made us live in a world with blue sky. How crazy is that?!

Next

But... How?
WHY?!

O.M.G.!!

And this is
really no trick?
You can do...
anything?

Duh
Kinda had to
test my powers,
didn't I?

Think so.
Try me!

**Make your neighbor
sunbath topless!**

**Wish us into
your room.**

Wish us into
your room.

Done.

Holy shit!

This is
crazy!

I know!

Next

Make your
neighbor sunbath
topless!

Isn't that
a bit...
unethical?

Turning the
sky blue,
that's what's
unethical!

Can't
do it?

Fine!
I **wish** Mirandy
Barns would
always go topless
at her pool.

Next

Holy F...!!

You... you really can do anything! Are you a god?

Oh, boy.
I always wanted to see Mrs. Barns' Melons!
What a view!

Happy?

Already told you. No clue where these powers come from.

Next

After that, we talked for hours about what implications her powers could have.

We speculated where they could come from... but ended up none the wiser.

Amy did some more minor wishes so we could test stuff out... but we refrained from doing anything major...

It's probably best to not mess too much with the cosmos if not necessary... right? Anyway, it got late and I went back home.

Heck! She did not even turn the sky back to yellow!

Next

The next day at school...

Next

No... Sorry...
something came
in between. I
haven't got any
homework
today.

Heya!
Got something
for us?

You must
be fucking
kidding me!

Next

The next day
went on as
usual... but I did
not really have
my head in the
game.

Guess those
two won't speak
to me ever
again...

But well,
omnipotence
kinda seemed
more important
than math
homework...

The whole day I
was basically just
looking forward
to meeting up
with Amy again.

Next

Darn!
That was
so stupid!

Oh.. Hi...
I... yes...
I... No...

I... asked
Brandon
out!

Hey, Amy.
You, okay?

You did
what?! LOL! I
did not even
know you were
into him...

What... did
he say?

Next

He was actually quite sweet about it...

Well... as sweet as you can formulate "I'm not into chicks like you."

Man... I'm sorry. But... I mean... Brandon eh... He could be second in line to dating Bella!

Yeah, yeah. Guess boys are just into slim sticks with boobs!

No, matter how stupid those bimbos are... you'd fuck that I guess.

Next

Maybe I should just use my powers and let you guys have your fill-on boobs so you finally can look beyond them...

That... sounds like a great plan. **Do that!**

Why not... pimp your looks instead?

Why don't you just make him love you?

That... sounds like a great plan. **Do that!**

Right?!
Okay let's do this!

I **wish** all those "sexy" sticks with boobs girls would go topless so people could just stare at their boobs!

What do you think?

gulp
We'll... see... tomorrow I guess?

Next

The next day at school...

Next

Two women are standing outdoors against a green background. The woman on the left has long reddish-brown hair and is wearing a light green, strapless, form-fitting mini skirt and black and white thigh-high socks. She is smiling and looking towards the right. The woman on the right has long, wavy pink hair and is wearing a pink, vertically striped, strapless, form-fitting mini skirt and white thigh-high socks. She is also smiling and looking towards the left. There are three speech bubbles: one from the red-haired woman saying 'Morning.', one from the pink-haired woman saying 'LOL! He's so dorky', and one from the red-haired woman saying 'I... er... H...h... Hi, L...l..l Lisa.'

Morning.

LOL!
He's so
dorky

I... er...
H...h... Hi,
L...l..l Lisa.

Next

Hey... so...
last time
was kinda
not cool...

But we'll
give you a
second
chance.

If you help us
out with that
math stuff, you
can have a look
at our tits from
real close okay?

Gulp
Okay!

nod

These nerd
boys are so easy
to handle.

giggle

Great!

Next

Duh
Take a picture!
Lasts longer,
loser!

Next

Amy's wish did
not really improve
my situation...

If anything, I had
even more trouble
speaking to girls...

But... Today
was still
AWESOME!

But... when I
went back to
Amy's place, she
did not share my
enthusiasm...

Next

Now that
was a total
fail!

If anything,
Brandon was
even more
attracted to
those boob
girls!

Maybe... if the boobs were bigger?

Maybe pimp your own looks instead?

Why not make nerds more attractive in society?

Maybe... if the
boobs were bigger?

You are right! If
there were only
big boobs around,
I would be special!

Okay! I **wish** all
those sexy girls
had big massive
tits!

That should
do the trick,
right?

Mhm...

Next

The next day at school...

Next

The image features two women standing side-by-side against a dark green, leafy background. The woman on the left has long, straight brown hair and is wearing a light green, strapless, form-fitting top and a matching skirt. She is smiling and looking towards the right. The woman on the right has long, wavy pink hair and is wearing a pink, vertically striped, form-fitting top and a matching skirt. She is also smiling and looking towards the left. Both women are wearing white thigh-high stockings. There are three speech bubbles: one pointing to the brown-haired woman, one pointing to the pink-haired woman, and one at the bottom left of the image.

Class was a bit dull, but I'm looking forward to history.

I had a fun one, but I really like philosophy.

I did not even try speaking to those two in the morning. I wouldn't have uttered one straight word, I think!

Next

Like what you
see? You'll never
touch boobs like
these, loser!
snarl

Next

A comic book-style illustration of two women with exceptionally large breasts. The woman on the left has long blonde hair and is wearing a black mini-skirt and black thigh-high stockings. The woman on the right has long brown hair and is wearing a grey mini-skirt and black thigh-high stockings. Both women are smiling and have their hands on their hips. The background is a plain, light grey color. There are three speech bubbles and a button overlaid on the image.

Do you have
our homework,
this time?

gulp

nod

Brilliant!
As promised.
You may take a
close-up look
of our breasts.

Next

I had serious
trouble
concentrating
in class today.

Maybe I was
pushing Amy
in the wrong
direction...

But just look
at those
boobs!

Next

Ridiculus!

Stupid big boobed
skanks everywhere.
Brandon should totally
have had enough of
boobs by now, **but no!**
He keeps drooling over
those bimbos! **Urgh!**
Men!

Stupid... It's probably about the intellect!
Maybe if they all were all truly dumb...

Maybe pimp your own looks instead?

Why not make nerds more attractive in society?

Why not make nerds
more attractive in
society?

You know
what...

That's
actually a
great idea!

Why only value
thin bodies and
strange beauty
ideals?

It would make so
much more sense if
intellect was the
valued thing in
society!

Next

I **wish**... the pecking order at school was reversed!

Next

The next day at school...

Amy also made the girls wear tops again as she did not like seeing those mountains of boobflesh wobble around campus...

For some weird reason, she however did not return their bust size... Well, I'm not complaining... Sky's still blue too!

Next

Good morning!

Looking smart!

Life was great!

With the inverted pecking order Amy and I were basically gods among all those sporty and sexy girls (and boys). Amy did get together with Brandon who could not believe his luck that such a brainy was into him. *chuckle*

And me? Well, I scored with a lot of chicks throughout the rest of my educational period. The girls were sad when I left them for another... but in time they understood that one girl is not enough to satisfy an intelligent nerd like myself 😊.
