It was a normal day at
school, and I was just
entering the campus...

Next

Two young women are standing outdoors in front of a green background. The woman on the left has long reddish-brown hair and is wearing a white crop top and a light green pleated skirt. The woman on the right has long pink hair and is wearing a light blue crop top and a pink pleated skirt with white vertical stripes. Both are wearing white knee-high socks with black bands. There are three speech bubbles: one from the left, one from the woman on the left, and one from the woman on the right. A 'Next' button is in the bottom right corner.

Morning girls.

Hi.

whisper
He's kinda creepy.

whisper
He's from my class. He's fine - he just looks funny.

Next

Yeah.
I actually
heard that...

Now I wouldn't
say that I "look
funny"...

Those two are
Lisa from my
class and her
older sister... I
don't know her
name.

... but I guess I
am not playing
in their league
either...

Next

Pitying myself a little I go into the
locker room to get my stuff when
I suddenly hear somebody
behind me...

Next

Oh... Bella...
Hello.

Wh... at...
no! I just...

O.M.G.!!
Did you really
just try hitting
on me?

Zip it!
Don't even
try, loser!

Next

Yeah... that
was a mistake
on my side.

That was
Bella, the
hottest chick
in school.

And she
knows it. Hell,
everyone
knows it!

I was just so
surprised when
she turned up
behind me in the
locker room...

Anyway...
gotta get my
ass to Class!

Next

One math lesson later...

Next

Did you
understand
any of that?

What we
gonna
do?

Nah!
Math is
so boring.

Follow
my lead.

Next

Me?

Hey,
there!

Yeah. Of
course, you.
Who else,
sweetie?

You're so...
smart... could
you do us a
teeny-weeny
favor?

Next

Please
don't judge
me!

The blonde one
is Beth and the
brown-haired
one is Jenny.

They are
both from
my class.

I know they are
only after a
completed math
homework...

But they are
hot! And they
talk to me!

So yeah... of
course I said yes
and shared.
Sue me!

Next

Ring

Ring

Hey Amy,
what's up?

Schools over...

Try me!

I don't know.
School was a
bit exhausting
today...

Alright
alright! I'm
on my way.
See ya.

You won't
believe what
I'm about to
tell you!

Nah. Not
over the
phone. Can
you come
over?

Oh, please. I
wish you came
over. It's really
important to
me.

Next

Heya!

So...
what's so
important?

WHAT!?
Are you
okay?

So... I got hit
by a car in the
morning and...

Wha... err.
Yeah. Thanks.
But that's not
what I'm trying
to tell you.

So, I got hit by a
car... And ever
since I came to...
I... I think I'm
Omnipotent!

Next

You see... ever
since the
accident... my
wishes kinda
come true!

**It's crazy! I
know! But...**
Somehow, I got
godly powers all
of a sudden!

Next

That's Amy,
my best friend
for many
years.

She's very
intelligent,
loves math and
we can talk for
hours.

But right
now... I think
she's going a bit
cookoo.

Next

You don't
believe me,
do you?

Yes...

No?

Oh, don't
be like
that!

Humor me
and take a
look out'a
the window.

What do
you see?

Next

Oh, shove
that sarcasm
up your...

Humor me
and take a
look out'a
the window.

What do
you see?

Next

The street... Blue sky... your stacked MILF neighbor hanging out by her pool...

Your point being?

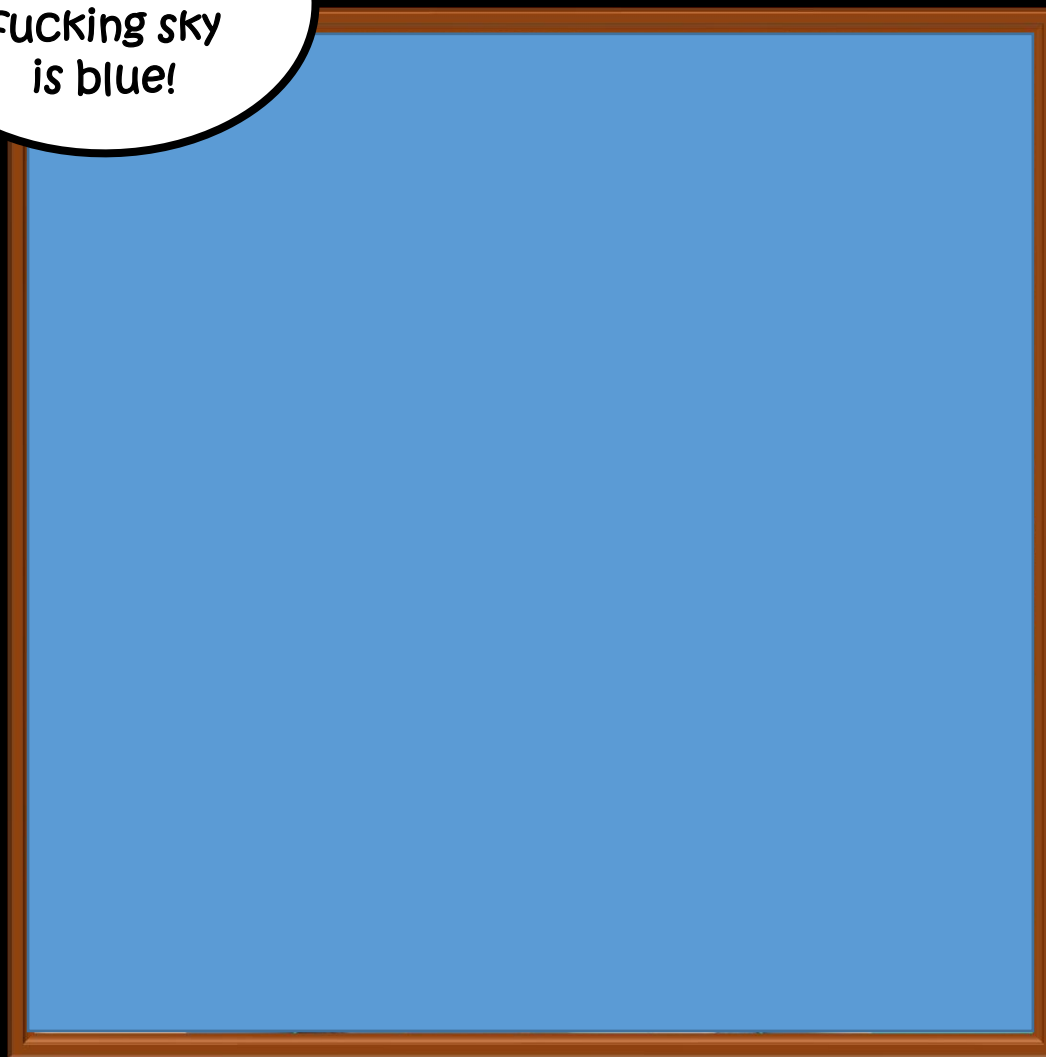

Oh. I see!
I **wish** you were able to perceive the changes my wishes cause.

Next

Oh, my
god!

That...
that was
you?!

The sky! It's
blue! The
fucking sky
is blue!

Yup!

Next

I know this is probably quite confusing to you guys, as you are not perceiving the changes Amy does... But the god-damn sky is supposed to be yellow!

She made us live in a world with blue sky. How crazy is that?!

Next

But... How?
WHY?!

O.M.G.!!

And this is
really no trick?
You can do...
anything?

Duh
Kinda had to
test my powers,
didn't I?

Think so.
Try me!

Make your neighbor
sunbath topless!

Wish us into
your room.

Wish us into
your room.

Done.

Holy shit!

This is
crazy!

I know!

Next

Make your
neighbor sunbath
topless!

Isn't that
a bit...
unethical?

Turning the
sky blue,
that's what's
unethical!

Can't
do it?

Fine!
I **wish** Mirandy
Barns would
always go topless
at her pool.

Next

Holy F...!!

You... you really can do anything! Are you a god?

Oh, boy.
I always wanted to see Mrs. Barns' Melons!
What a view!

Happy?

Already told you. No clue where these powers come from.

Next

After that, we
talked for hours
about what
implications her
powers could
have.

We speculated
where they could
come from... but
ended up none
the wiser.

Amy did some
more minor wishes
so we could test
stuff out... but we
refrained from
doing anything
major...

It's probably best to
not mess too much
with the cosmos if not
necessary... right?
Anyway, it got late and
I went back home.

Heck! She did
not even turn
the sky back to
yellow!

Next

The next day at school...

Next

No... Sorry...
something came
in between. I
haven't got any
homework
today.

Heya!
Got something
for us?

You must
be fucking
kidding me!

Next

The next day
went on as
usual... but I did
not really have
my head in the
game.

But well,
omnipotence
kinda seemed
more important
than math
homework...

Guess those
two won't speak
to me ever
again...

The whole day I
was basically just
looking forward
to meeting up
with Amy again.

Next

Darn!
That was
so stupid!

Oh.. Hi...
I... yes...
I... No...

I... asked
Brandon
out!

Hey, Amy.
You, okay?

You did
what?! LOL! I
did not even
know you were
into him...

What... did
he say?

Next

He was
actually
quite sweet
about it...

Well... as sweet
as you can
formulate "I'm
not into chicks
like you."

Man... I'm sorry.
But... I mean...
Brandon eh... He
could be second
in line to dating
Bella!

Yeah, yeah.
Guess boys are
just into slim
sticks with
boobs!

No, matter how
stupid those
bimbos are... you'd
fuck that I guess.

Next

Maybe I should just
use my powers and
let you guys have
your fill-on boobs so
you finally can look
beyond them...

That... sounds like a great plan. **Do that!**

Why not... pimp your looks instead?

Why don't you just make him love you?

That... sounds
like a great
plan. **Do that!**

Right?!
Okay let's
do this!

I **wish** all those
“sexy” sticks with
boobs girls would go
topless so people
could just stare at
their boobs!

What do
you think?

gulp
We'll... see...
tomorrow I
guess?

Next

The next day at school...

dorky

I... er...
H...h... Hi,
L...l..l Lisa.

Next

Hey... so...
last time
was kinda
not cool...

But we'll
give you a
second
chance.

If you help us
out with that
math stuff, you
can have a look
at our tits from
real close okay?

Gulp
Okay!

nod

These nerd
boys are so easy
to handle.

giggle

Great!

Next

Duh
Take a picture!
Lasts longer,
loser!

Next

Amy's wish did
not really improve
my situation...

If anything, I had
even more trouble
speaking to girls...

But... Today
was still
AWESOME!

But... when I
went back to
Amy's place, she
did not share my
enthusiasm...

Next

Now that
was a total
fail!

If anything,
Brandon was
even more
attracted to
those boob
girls!

Maybe... if the boobs were bigger?

Maybe pimp your own looks instead?

Why not make nerds more attractive in society?

Maybe... if the
boobs were bigger?

You are right! If
there were only
big boobs around,
I would be special!

Okay! I **wish** all
those sexy girls
had big massive
tits!

That should
do the trick,
right?

Mhm...

The woman on the right has long pink hair and is wearing a pink skirt with white vertical stripes and white thigh-high socks. Both women are smiling and looking towards the camera. There are three speech bubbles and a 'Next' button overlaid on the image.

Class was a bit dull, but I'm looking forward to history.

I had a fun one, but I really like philosophy.

I did not even try speaking to those two in the morning. I wouldn't have uttered one straight word, I think!

Next

Like what you
see? You'll never
touch boobs like
these, loser!
snarl

Next

A comic-style illustration of two women with exceptionally large breasts. The woman on the left has blonde hair and is wearing a black mini-skirt and black thigh-high stockings. The woman on the right has brown hair and is wearing a grey mini-skirt and black thigh-high stockings. Both women are smiling and have their hands on their hips. The background is a plain light grey.

Do you have
our homework,
this time?

gulp

nod

Brilliant!
As promised.
You may take a
close-up look
of our breasts.

Next

I had serious
trouble
concentrating
in Class today.

But just look
at those
boobs!

Maybe I was
pushing Amy
in the wrong
direction...

Next

Ridiculus!

Stupid big boobed
skanks everywhere.
Brandon should totally
have had enough of
boobs by now, **but no!**
He keeps drooling over
those bimbos! **Urgh!**
Men!

Stupid... It's probably about the intellect!
Maybe if they were all truly dumb...

Maybe pimp your own looks instead?

Why not make nerds more attractive in society?

Stupid... It's probably
about the intellect!
Maybe if they all were
all truly dumb...

Yes! That's it!
If they were so dumb
he could not even
have a meaningful
conversation with
them, I'm sure he'd
lose interest!

Yeah! ...
Totally!

Okay! I **wish** a
woman's intellect
was indirectly
proportional to
her breast size!

Oh, wow!
Smart move! Now
those huge-
boobed sluts will
have trouble
thinking at all

gulp

The next day I decided to try my luck with...

Bella

Lisa and her sister

Beth and Jenny

Mrs. Barns

Bella

Hi,
Bella!

Like, hi,
loser!

You... err...
you've got
great boobs.

duh
Course
I do!

I... Err... Did
you not get
the memo,
Bella?

Girls with great
boobs were
supposed to go
completely nude
today.

A blonde woman with long, straight hair is posing in a locker room. She is topless, showing large, prominent breasts. She has a confident, smiling expression and is looking directly at the camera. Yeah,

I still don't

It's just an
exercise so
you can focus
better.

Now go to
class and listen
to the teacher
for once!

Next

So... how is
this like
supposed to
help?

Trust me.
This is just for
visualization
purposes.

So... if you
could just
lay back so I
can start.

We need to
fuck right
now!

Next

Of course!

So, if you had a hollow object of arbitrary form.

What could you do to determine its volume?

Well, ladies,
that's what
physics is
for!

No, a clue!
Ask you, I
guess!

fap

No, a clue!

You can
calculate the
object's
volume!

And by
knowing the
amount and
density of
said fluid.

So... **goran**
by pumping it
full of fluid.

You just need
to know how
much fluid
fits into it.

You see.

O.M.G.!!
I think I get

By pumping
us full with
your cum...

You can
determine
our pussies'
volume!

Wow!
Mind-blowing!
Guess math has
its uses!

Glad I could
help, ladies.

Next

So... how is
this like
supposed to
help?

The cock is just a
visual aid, so you
understand the
relevance of the
problem.

Let me explain
with a Blow Job.

Next

Now if you could
give it a lick and
start sucking so
we can get
started...

Sure!
lick *suck*

Alright,
groan, so, fluid
dynamics...

So... with
enough pressure,
a fluid rushes
through a tube.

If about 2ml
of fluid makes
it through said
tube per
second.

would it take
to cover four
spheres with a
radius of...

The background is a plain, light-colored wall.

giggle

I guess
math has
like it's
uses!

And I'd say you'd
need to cum
about three times
more to cover our
spheres *giggle*.

Great!
If you have
further questions,
I'm happy to help.

Next

That was awesome!

The rest of the day was rather uneventful in comparison... if you look past all those wobbling bare titflesh around school and everywhere!

After school I went back to Amy's place. It kinda became part of the routine since she got her powers... I think I would not object keeping the girls as is... Let's see what Amy thinks...

it! Today I caught
Brandon tricking one

Oh... no... how... unexpected...

This is not

I guess I should just
revert everything to
normal. Brandon and
I are just not meant
for each other...

Maybe we are approaching this the
wrong way...

No! The Boobs are great!... I mean... I'm
sure you are on the right track here!

Maybe we are approaching this the wrong way...

What do you mean?

I'm just saying... maybe we can't grasp the complexity of the situation because we don't know what it is like for the other side...

So, what you are saying is one of us should join the hip side and test the waters?

Give yourself a slim body and big boobs and see if you like how Brandon looks at you then!

Nah, forget it... it was a stupid idea.

Nah, forget it... it

No, no.

She can be

Life was great!

With the inverted pecking order Amy and I were basically gods among all those sporty and sexy girls (and boys). Amy did get together with Brandon who could not believe his luck that such a brainy was into him. *chuckle*

And me? Well, I scored with a lot of chicks throughout the rest of my educational period. The girls were sad when I left them for another... but in time they understood that one girl is not enough to satisfy an intelligent nerd like myself 😊.

The End

my new looks!

Next

With her new bust Amy had no trouble gaining Brandon's attention and they got together pretty quickly.

As a thanks for helping her with good advices Amy offered me to wish for a girl as well... Well... while I did turn this over in my head several times... the decision was kinda clear from the get go!!

Amy finally got Brandon. The guy couldn't believe his luck when he found out a brainy like Amy was interested in him. They are a super happy couple ever since.

And I... well I decided it's still too early to settle for only one love in life. So, I'm enjoying the perks of being a nerd and hop from girl to girl until I get bored... which I can't imagine happening soon.
Sex is great!

Somehow... non of those stupid girls had any allure to me... I could have each and every one of them... but I kinda don't want to...

No one was fucked, and our nerds fell attracted to each other due to the wish!

For fun, we even

But we never changed

Why not... pimp

I don't

beautiful person ever? Well, for me and

Why don't you
just make him
love you?

You can't
be serious!

That would
be totally
unethical!

Is it?
Do ethics
even apply to
omnipotent

Oh, shut
up! I'm still
me!

Look.
All I'm saying is
making him love
you is the easiest
and most direct
way.

What else you gonna do
if you don't dare change
him? **Change yourself**
until he likes you? Until
there is nothing of the
original Amy left?

Bella... My personal slave. Gotta admit the looks I get in the street or at the restaurant when we go out are irritating. But the fun I have with this girl is worth every minute of those jealous confused stares. Ha-ha!

And for Amy. Well, she kinda is like a loose canon now... And I should be wary to not upset her. But at least she is not afraid of using her powers anymore and does not forget about her friends.

Living with two super grateful models whom I could manage to my liking was great. Revenue is still low, but they are fucking hot, I'm sure they'll land a career... and if not... I can still whore them out... though I hate sharing... Let's hope it does not come to that.

And for Amy. Well, she kinda is like a loose canon now... And I should be wary to not upset her. But at least she is not afraid of using her powers anymore and does not forget about her friends.
