Some time not too long ago in a fictional dimension of „Office Party“...

Office Party Commissioned Story

The Gift – Part XVII

Previously on “The Gift” we saw the united sex slave army of Charlotte and Dylan (under Dylan’s lead) clash with his uncle’s army of hypnotized harem slaves. The battle was fierce but due to some major cheating (according to Dylan) Vincent came out Victorious. But against all odds, Dylan managed to shift the blame and reconcile with his uncle! The two men and some of their slaves with intact sunglasses enter the newsroom to face off against Charlotte. They think they are safe. Cause they are men! And cause they have sunglasses! But Charlotte had Barbara copy the security camera feed to make a new video of Vincent’s ring that can control men! And, the genius Barbara is, she found a way to even circumvent the sunglasses. **They went straight into a trap!** We now continue after the video has been played in the newsroom...

Featuring:

- ❖ **Dylan** ... The guy who lost the ring to Charlotte (Hero?/Villain?)
- ❖ **Charlotte** ... She has stolen the ring from Dylan and is trying to take control!
- ❖ **Vincent** ... Dylan’s uncle who has gifted him the ring. He has a stronger ring!
- ❖ **Sayo** ... Charlotte’s girlfriend
- ❖ **Lana**... Dylan’s crush
- ❖ And some others...

Last time on "The Gift": Charlotte had Barbara activate the last stand protocol, which basically is displaying the video of Vincent's ring on all screens in the newsroom. The whole room had been bathed in golden light...

But now that the video and the light have faded... what is going on?! Who is under the ring's power and who is just faking it? Or did all of them end up tranced?

As the camera zooms in on this confrontations winner you probably already realized...

That Charlotte's plan of copying the security feed of Vincent's ring onto the Video was perfect.

And with the additional sunglass penetration added to the video by Barbara, there was no way for Charlotte's plan to fail...

Author's Note: To see how Charlotte's plan actually ends up failing, keep your eyes out for Chapter 17-Alternate! ☺

So, all hail Charlotte,
Queen of the rings!

Hahahahaha!

I love it when
a plan comes
together.
Hahaha!

You thought
you had me
cornered!

You thought
yourself
superior.

Wielding the
rings' powers like
a bunch of idiots
without using
your brains!

But I meant
what I said...

I have no
real grudge
against you.

So, don't
fear. I will
not take
revenge...

But for now, you
are my obedient
slave, Dylan.

Yes, Mistress.
I'm your obedient
slave.

Mistress Charlotte, all
slaves in the stations
are now under your
control.

Time to celebrate!!!

After calling in some selected slaves
into the newsroom the **festive orgy**
can begin!

It really worked, love!
You are a genius!

I love you so much. I can't wait what else you have planned.

Oh, fuck!
This Elizabeth girl knows what she's doing.

Great addition to our lesbian harem, love!

But this orgy is not all about Charlotte and her girlfriend's pleasure. It's a celebration of victory and everybody shall enjoy it.

Her minions and even her former enemies are included, each having one girl they fancy service them or vice versa.

In the meantime, Charlotte has directed her group of devoted harem girls into a more challenging sapphic way of lovemaking 😊.

And while the girls are trying to create a sapphic “chain” reaction...

The boys have progressed to the next stage of fucking as well - enjoying the girls' wet twats clenched around their rock-hard dicks as they pound away in ecstasy.

The girls have now formed two groups focusing on Charlotte's and Sayo's pleasure respectively.

Oh, wow!
All these girls
are here at my
command.

But the best
thing is, I can
enjoy them
with the love
of my life!

The newsroom is filled with loud moaning and almost shakes from the people spasming on the floor in orgasmic bliss.

Of course, the group around the boys has heard Charlotte's command as well, and all of them moan and groan as the men release their pent-up loads deep inside the girls' wombs!

It takes a while before the lewd sounds ebb down inside the Tv station's newsroom. But once they do, you could hear a pin drop as everyone is laying on the floor exhausted from the sexual activity.

Maybe we
should do this
more often in
the future.

Definitely!

Hey,
Charlotte, are
you sure you
want to let
them go just
like that?

Yes... Yes, I think I do.

He made you fuck him.

And you are not into men if I may remind you.

Indeed he did...

But he also made me enjoy it.

He treated me well... in his twisted kinda way. He's not evil. Just incredibly stupid.

I don't think
payback would
solve anything.

Dylan tried to
keep the people
under his control
happy, even if it
was just for his
own sake.

And I think it's the
right approach.
Revenge would just
lead to sorrow. And
leave a bad taste.

I understand.

Kiss
me!

I love you.

I Can't wait to see
your plans for the
future! I know
you will be doing
great things!

Several months later...

Dylan's apartment...

Let's go!

Err...love?
I think you've

A man and a woman are standing in a modern interior space. The woman, on the left, has long dark hair and is wearing a beige ribbed long-sleeved top and a black and white plaid skirt with a wide black belt featuring a gold buckle. She is also wearing black thigh-high stockings. The man, on the right, has dark hair and is wearing a dark blue zip-up jacket over a light green t-shirt and blue jeans. They are both looking towards the camera. In the background, there is a light-colored wooden desk with a stack of three books (green, grey, and blue) on it. Behind the desk is a dark curtain. The floor is made of light-colored wood. The walls are a neutral tone, and there is a bright light source on the right side of the frame, creating a soft glow.

Now let's
go, or I'll
jump you
again!

By being the
cutest boy in
town, of
course!

Oh, boy.
How did I ever
deserve such an
awesome girlfriend?

Traffic was light and the couple made it in time to the local pub, where Dylan's uncle Vincent is having his first public gig!

What exactly
is your uncle
doing now?

No clue.
He just said he
had a show and
would like to have
a friendly face in
the audience.

You know, after Aunt
Judy left him, he went
a bit strange. Trying
out lots of new stuff
all the time...

Oh, shit.
I almost forgot
about that! He
was so bad!
chuckle

Yeah... like that
skateboard stunt
at your mother's
birthday?

Let's hope he's
better at this...
whatever this
is.

Alright!
Let's get this
show started!

Ladies and
Gentlemen.
Thank you for
coming.

Today I will take
you on a journey
into the depths
of the mind.

But in order to
start my hypnosis
show I need a
volunteer.

How about you,
the young lady in
the front row?

Wha...
Me?!

Yup, that's Ally and Marco. Turns out it's much less work just Zapping the guy's memory rather than keeping an innocent man imprisoned.

That's the girl?

Oh, boy.
That guy looks
so cheesy!
Magic nerd!
chuckle

Yeah!
That's my best
friend Julie. I'll
acquaint you
later.

Let's watch
her perform
now.

giggle

FOR YOUR
BEER WINES SPIRITS

Thank you
for coming
up.

No need to be
afraid, I'm just a
friendly hypnotist.
chuckle

What's your
name?

I... I...
I'm July.

Alright,
Julie.

I want you to
focus your
eyes on this
flame.

You are
perfectly safe
here. You can
trust me.

Just stare into
the flame and
listen to my
voice.

Relax.

Let go
of your
thoughts.

Let your
mind drift.

Now, on the count
of three, I want
you to let yourself
completely go for
me and fall asleep.

One.

So
relaxed.

Two.

Feeling
great.

And
Three.

Sleep!

snap

Letting
completely
go of your
mind.

No
thoughts...

No will.

Just
listening to
my voice.

No mind...

No
thoughts...

Listen... to
your... voice.

Very good,
July!

Darn, this
girl is good!

Anything you
tell me to...

Now, dear audience.
As you can see, Julie
here is in a deep
hypnotic trance. And
she will do anything I
tell her to. Isn't that
right July?

So... what
shall I make
sweet July
here do?

The show starts with some typical hypnosis elements like Julie forgetting her name and a number and so on. But it mostly gets interesting when Vincent starts accepting ideas from the audience...

First Julie is supposed to act like a cat. Isn't she cute?

And then she is made to dance at the bar's stripping pole! An absolute highlight every hypnosis show needs!

Hm... I think we are taking this a bit far...

Julie's skirt is so short, from the right angle, the audience can see right up to her panties!

Julie's seductive dance is a blast to watch and the audience cheers.

But... she doesn't seem to mind... So I guess it's fine...

But every good show comes to an end...

Alright, Julie.
On the count
of three, I want
you to wake up
again.

And three!
Welcome
back, Julie!

Wha...
where...
I...

Thank you!
Thank you! You
have been a
great audience!

I am Vincent
Valentine and I
wish you a great
day.

Nailed it!

Hey, guys!
Thanks for coming you two!

Hey, uncle!

Great show!

Hi!

A screenshot from a video game showing three characters in a bar. On the left, a woman with brown hair and bangs, wearing a blue zip-up hoodie over a green shirt and light-colored pants, is leaning back on a brown leather booth. In the center, a woman with long dark hair, wearing a white ribbed long-sleeved top and a black and white plaid skirt with a wide black belt, is sitting on the same booth. On the right, a man with dark hair, wearing a black vest over a dark shirt, is sitting in a green armchair, pointing his right index finger towards the woman in the center. The bar has a wooden table in front of them with some items on it, including a small black bag. In the background, there are more green armchairs and a dark bar counter. The lighting is warm and indoor.

That was really impressive.

You really got that girl under. She was basically putty in your hands!

But it's what the audience. So... I improvised... for the sake of the illusion so to say.

Can't just make a girl dance at the pole against her will.

But hey, this is not how hypnosis works, right?

My hypno-guru said I'm pretty good. Soothing voice and all.

Ha-ha!

Tricked ya! That girl was paid off beforehand.

Argh, darn!
Should have
known!

Would have
been too good
to be true.

Yeah... that
would be
AWESOME!

You could just go
around and
hypnotize any hot
chick to be your
harem-sex-slave!

Then I could
score with some
hot college
students!

Well... I for
my part am
relieved.

Just imagine
there could be
people that
hijack your mind,
ZAP, just like
that.

I think that
would be pretty
frightening!

But...
also hot!

Oh, are we
into hypnosis
now?

Maybe?

Shall I be your
hypnotized slave
girl tonight? Would
you like that?

Gulp

nod

Ah, young love.

You guys are really refreshing.

Thanks for coming today. It really helped against the stage fright knowing you were watching.

Aww.. You are welcome. It was a great show!

And don't write yourself off so easily!

You are not that old yourself, Uncle Vincent.

Maybe you should get yourself out there once more. I'm sure there is a lovely lady waiting just for you somewhere!

Thanks, Lana! Maybe you are right. That actually cheered me up.

I'm sure with her
at the top same-
sex marriage will
be possible in no
time.

Not only is she
the first female
Governor here.
She's also a
lesbian.

Oh, wow!
It's Governor
Kraten! What a
woman!

Governor Kraten...
Sayo Tei the fierce
reporter is her
girlfriend. So cool!

Fellow Citizens.
I'm Charlotte Kraten
and I know I've only
been your Governor
for less that half a
year.

But with the
upcoming
elections... I have
decided to run
for president!

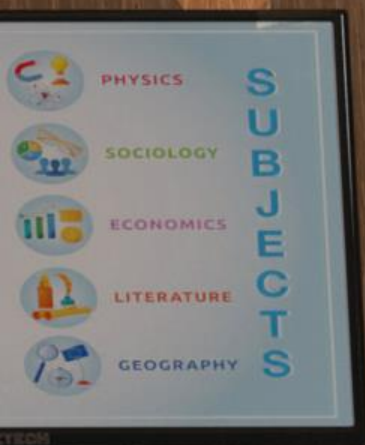

Woohoo!

Miss
Kraten!

I hope to count on
all your support
for my upcoming
campaign.

Governor Kraten,
while I do believe
that you would make
for the perfect
president.

People might fear,
that during your
campaign, you might
neglect your duties
as Governor.

Could I get a
statement on
that?

You need not fear. I will always have an open ear to my hometown's people!

And I will in no way neglect my duties as Governor of this lovely town.

What are your plans for your time as president?
What will you stand for?

0% Crime rate.
0% unemployment rate. Peace and Prosperity for each and every one living in my country.

Big goals! What makes you believe you can achieve what nobody else could do?

Just take a look at my city. We are almost there, already.

And I'm positive that we can achieve what I have done here on a more global scale if the people unite to make this country a better place.

And that's a wrap-up. It was a pleasure Misstr... Miss Governor.

Of course, Channel 69 will support your Campaign to the fullest.

Thank you, Irene. I'll be contacting you soon, with more details on my media campaign.

It will be an honor, Madam Governor.

Shortly after Irene has left...

Madam Governor,
please Refrain
from putting such
unbelievable goals
out there.

Voters will just
be disappointed
and we have to
play the long
game.

With your standing as a
lesbian woman, we can
reach certain fringe
groups but it will be a
miracle if we can even
get 10% of the voters
in your first candidacy.

Who are
you again?

Err...! I'm
Marianne Gonzales
your Campaign
Manager?

And as my Campaign
Manager, shouldn't
you support my
goals?

Cause my goal,
is winning this
election in one
fell swoop.

Ridiculous!

Sayo, dear.
Remind me
once again. Why
did you hire
her?

Well, she has a
Harvard degree and
almost ten years of
experience in the
field.

Her name and
ethnicity will
appeal to even
more fringe
voters.

And she has
already managed
several successful
campaigns on lower
scales.

And I guarantee
you, Madame
Governor I will
give you the best
campaign you can
hope for.

Thank you, Miss
Tei. It's nice to be
appreciated for
one's achievements.

Yeee!
Show us those
big boobies!

You are not
excused! Unless
you strip down and
show us those big
udders of yours.

What the hell? I was
glad to finally work
for a woman and
then she's acting like
a lecherous old
geezer?!

Even as a
joke that
went too
far.

I will not
work for
you, ever!

No matter
what you have
there it will
not change
that!

A ring?

Really?
How's that
supposed
to...

Oh... is it...
glowing?

Can't...
look... away...

Soo...
shiny...

I will
obey!

Yes,
Mistress!

I shall strip
and show my
huge knockers
to you.

A woman with curly red hair and glasses stands in a dimly lit room with wood-paneled walls. She is wearing a white button-down shirt and a grey skirt. Her right hand is on her hip, and her left hand is raised to her head. In the background, there is a clock, a framed portrait of a man in a tuxedo, and a television screen displaying the word "LIVE" in red. A small round table in the foreground holds a white mug. Two speech bubbles are visible on the left side of the image.

There are a lot
of buttons, I'm
going as fast
as I can.

I'm sorry,
Mistress.

There we go.
Do you like
what you
see?

You do?
I'm glad!

It's nice to be
appreciated for
one's assets.

Of course,
Mistress. I'll
finish stripping
now.

You like my
butt as well?

I'm so glad,
Madame
Governor!

I love it when
she Zaps some
fresh tits!

What are our
chances at
winning?

I will support you
with all my
knowledge and my
body, Madame
Governor.

This year's
elections?
Zero!

Well... let's
talk about
that later.

Right now, I
have a more
important job
for you.

I'm sorry **lick**

quite some time.

I can't wait until you are president, my love.

Yes, Mistress.

Now, you see, you've been turned by the power of my ring.

And we have a video that can transfer that effect over the telly. Do you understand?

Yes, Mistress. I understand. You will win this election.

This country will be mine. And who knows... Maybe... the world.

You'll make for a great Queen, Mistress.

I can't wait for you to finally take over, love.

The End?

The End

Will Charlotte's plan of country-wide advertisement bear fruit? Will she become the next president? And will she stop at that or is this only her first step towards uniting the world under her glorious rule?

That is up to the reader 😊. I hope you enjoyed "The Gift"-Series and I hope that I was able to round up the story with a good ending. Note that if you are unsatisfied with how this ending turned out because of Charlotte winning, there will be an **Alternate Ending** as well!

Back in the pub after Governor Kraten's Transmission had concluded.

I know you got paid for that...

But girl... before you dance like that on stage...

I didn't know you were this bad on money.

Oh, god.
What did I
do?

gasp

What do
you mean?

You were just up
on stage dancing
like a stripper in
heat.

I can't
remember
any of that!

**Holy
fuck!**

I think that
hypnotist put
me under for
real!

Seems uncle Vincent is better at
his new hobby than he gives himself
credit for!

A man with dark hair and a mustache, wearing a dark green long-sleeved shirt with a black vest and a wide brown belt, is sneezing. He is standing in a doorway with arched windows. A bright yellow light emanates from the word 'Atchoo!' which is written in a stylized purple font.

Atchoo!

The same man is now looking thoughtful, with his hands behind his head. He is standing in the same doorway. Two speech bubbles are present: one above him saying 'I wonder if somebody is talking about me...' and one to his left saying 'Hope it's a cute girl...'.

Hope it's a
cute girl...

I wonder if
somebody is
talking about
me...

The End.

Thank you for reading!

Hello, Hexxet here,

Were you rooting for Team Dylan or Vincent? Or were you rooting for mutual destruction? **Personally, I think Charlotte deserves this win.** She came up with the video of the ring and basically did all the hard lifting throughout the comic ever since chapter 5.

*But, before you throw the Gift Series into a corner to never look at it again because of this FD-Ending, note that there will be an **alternate Ending** to the series, where Charlotte does **NOT** win!*
