James is an archeology professor who also leads expeditions and excavations. On his latest trip he found something special A Fertility idol of marvelous quality.

Fascinating.

I still have no idea when this dates back to. But the grade of detail...
Truly Fascinating!

James' wife Lucine is a bit taken aback by how much time he spends with his work – neglecting her!

I might not have boobs that big. But I'd say these babies can do the trick just fine.

Come on, love. Don't you just want to explore my secret cave? I think it's flooded!

Not now, Babe. I need to finish this.

So, when Lucine finds her husband sleeping on the couch once again...

She can't resist inspecting the idol a bit closer, speaking out the translated incantation in the process...

Maybe he'd pay me more attention if I had a body like this. *chuckle*

Oh, my!
He finished transcribing the hieroglyphs! I knew you could do it, love!

Oh, my god.
What is
happening?!

Seriously!?

James!
James!
Help me!

I was just
joking!

This can't be
happening! It's
changing me!

Na na na!
Now we
can't...

Not before
we've had
some fun!

...have
that.

The sleepwalking neighbors
are magically drawn to
idol's location...

A woman with dark hair, wearing a blue lace-trimmed dress over a blue bikini, stands in a room. Her arms are extended horizontally. The room has a white wall with a framed picture and a shelf with plants. The lighting is soft and blue-toned.

The lure of the idol is too strong, even for the Strongest-willed women.

And so the girls sleepwalk their way to
their neighbor's house where the fertility Idol resides...

Having arrived at the Kalingtons' house the neighbors kneel before our possessed Lucine.

**Now
change!**

And with those simple words, all four new arrivals are engulfed in the powerful aura of the idol...

Changing at the Idol's command.

To proportions otherwise unthinkable if left to mother nature.

But that is the power of the fertility idol... Plastic surgeons worldwide would pay a fortune to get their hands on one of these!

What follows is an all-out orgy where Lucine is directing her four female neighbors to satisfy her husband in any way possible while she masturbates to the show unfolding before her eyes.

End of Teaser!
