With the help of the app, Mikael has taken over the military base and now he's enjoying all those female staff officers in any way he pleases.

Of course, General. Whoops that's slippery! Here we go...

It's great, my busty bitch. But this is a work meeting! So, let's talk business while you are down there.

Nicely squeezed between my big boobs. You like that, General?

Groan

May I say, Sir, you
talking about my
scientific work
while I'm on my
knees...

It shows you are a
great leader who
values his
employee's work.
I'm honored,
General.

Also, it's very hot.
I love sexual
science talk... Oh!
It's twitching! Sir,
are you about
to...

Keep going,
Norah! I'll cover
your udders in
my cream!

Oh, yes, Sir!
Let it all out!

Cover this
filthy science
officer in
your juices

Oh, my!
My chest is
all sticky.

You did a
great job,
slut!

Thank you!
You came so
much, General!

I'm
honored!

What?
You want me
to leave your
cum on?

Of, course, Sir!
No Problem!

I'll immediately
go back to work
with your sticky
load drying on
my chest.

Clara! Get
your fat ass
over here!

We are going on
a trip! It's time
to field test the
machine!

I feel like such a
dirty little slut with
his jizz all over me.
I love it!

At your
command,
General!

But this is not all about fun! Mikael is also working hard on improving the machine... also Beta-testing it!

Test 01: Outer perimeter of the machine's effective range. The Reality Engine has been configured to emit Reality Waves every 10 minutes to change everything in range according to Mikael's programming... Let's follow this fun encounter as a female jogger who just entered the perimeter meets Clara, the slut Mikael has taken with him...

**Disgusting
pervert!**

**What the
fuck!?**

Three more
minutes until the
next wave hits.
This should be
fun to watch.

Any moment now!

Me?
If anybody's a pervert, it's you!

What is this ridiculous stuff you have on?!

Women should never hide their assets!

If you are wearing clothes, you need to wear something that accentuates your inner slut!

The hell!?
What kind of loony are you?!

All humans aside from Mikael Valdes are female.

Women take degrading language as compliments and love being groped.

Women dress up and act as stereotypical sluts.

Every woman finds Mikael Valdes extremely attractive.

Executing command...

You need to work out much more, fatty.

You might think your boobs will score you a man.

But a true man wants a fit woman that can go for hours!

So, buckle up girl! Cause you've got a long way ahead of you when I look at that wobbly belly and ass of yours!

That's... like totally mean!

Hm still arguing... well I guess being sluts does not make you friends.

After some more fun with the two of them, Mikael finds his way around a local gas station where a couple stops to get their car fixed... but the station's attendant has been.... **bunnyfied?!**

I thought you are good with cars!
Can't you just pull up the hood and fix it?

Hon, please.
It's best if a professional has a look.

Heya, guys!
In need of a professional?

Thankfully our hero can help and resolve the situation with a small orgy...

Oh, my!

lick

suck

slobber

But when the police arrives on the scene to stop this indecent behavior the real fun is just about to begin!

Reality Wave!

Work in the precinct would never be the same again...

Officer Sexy is gonna ride you until you fill her personal vault with your white gold!

Oh, fuck! This is the best cock ever!

Please, Sir! Can bunny go next and take a ride on your big hard cock?

Can I do anything else to maximize your pleasure?
